The New Notes, the New Indentures, the New Exchange Notes Supplemental Guarantee Agreement and the New Money Notes Supplemental Guarantee Agreement

On the Settlement Date, in connection with the issuance of the New Notes, the New Notes Co-Issuers and the Guarantors entered into (i) an indenture, with U.S. Bank National Association, as trustee (in such capacity, the “Trustee”) and as collateral agent (in such capacity, the “New Notes Collateral Agent”), governing the terms of the New Exchange Notes (the “New Exchange Notes Indenture”) and (ii) an indenture, with the Trustee and U.S. Bank, as collateral agent (in such capacity, the “New Money Notes Collateral Agent”) and, together with the New Notes Collateral Agent, the “Collateral Agents”), governing the terms of the New

Money Notes (the “New Money Notes Indenture” and, together with the New Exchange Notes Indenture, the “New Indentures”), which is in substantially the same form as the New Exchange Notes Indenture.

In connection therewith, on the Settlement Date, the PIK Notes Issuer entered into supplemental guarantee agreements with the Trustee with respect to each of the New Exchange Notes (the “New Exchange Notes Supplemental Guarantee Agreement”) and the New Money Notes (the “New Money Notes Supplemental Guarantee Agreement”), pursuant to which it agreed to provide an unconditional guarantee of the New Notes Co-Issuers’ and the Guarantors’ payment obligations thereunder.

The New Notes are also guaranteed by J. Crew Brand Intermediate, LLC, IPCo and J. Crew International Brand, LLC, each of which is a Delaware limited liability company and a wholly-owned indirect subsidiary of the Company (collectively, the “Guarantors,” and each, a “Guarantor”). The New Notes will mature on September 15, 2021 and will bear interest at a rate of 13.00% per annum. Interest will accrue from the Settlement Date and will be payable semi-annually in arrears based on a 360-day year on March 15 and September 15 of each year beginning on September 15, 2017.

The New Exchange Notes and the New Exchange Notes Guarantees are general senior secured obligations of the New Notes Co-Issuers and the Guarantors, secured on a first priority lien basis by a 72.04% interest in the Licensed Marks (as defined in the A&R IP License Agreement and the 2017 IP License Agreement) and certain other assets of the New Notes Co-Issuers and Guarantors, and on a second priority lien basis by a 27.96% interest in the Licensed Marks, subject, in each case, to Permitted Liens under the New Exchange Notes Indenture and the Intercreditor Agreement (as defined below).

The New Money Notes and the New Money Notes Guarantees are general senior secured obligations of the New Notes Co-Issuers and the Guarantors, secured on a first priority lien basis by a 27.96% interest in the Licensed Marks and certain other assets, and on a second priority lien basis by a 72.04% interest in the Licensed Marks, subject, in each case, to Permitted Liens under the New Money Notes Indenture and the Intercreditor Agreement.

The New Notes are redeemable at the option of the New Notes Co-Issuers, in whole or in part, at any time, at a price equal to one hundred percent (100%) of the principal amount of the New Notes to be redeemed, plus accrued and unpaid interest, if any, to, but not including, the redemption date, plus a “make whole” premium. The New Notes are not subject to any mandatory redemption obligation, and there is no sinking fund provided for the New Notes.

Upon the occurrence of a Change of Control (as defined in each of the New Indentures, as applicable), the New Notes Co-Issuers will be required to offer to repurchase all of the New Notes at 100% of the aggregate principal amount repurchased plus accrued and unpaid interest, if any, to, but not including, the date of purchase.

Each of the New Indentures contains covenants covering (i) the payment of principal and interest, (ii) maintenance of an office or agency for the payment of the New Notes, (iii) reports to the applicable Trustee and holders of the New Notes, (iv) stay, extension and usury laws, (v) payment of taxes, (vi) existence, (vii) maintenance of properties and (viii) maintenance of insurance. Each of the New Indentures also includes covenants that (i) limit the ability to transfer the Collateral and (ii) limit liens that may be imposed on the assets of the Guarantors, which covenants are, in each case, subject to certain exceptions set forth in each of the New Indentures.

The foregoing summary is not intended to be a complete description and is qualified in its entirety by reference to the full text of the New Exchange Notes Indenture, the New Money Notes Indenture, the New Exchange Notes Supplemental Guarantee Agreement and the New Money Notes Supplemental Guarantee Agreement, which are attached hereto as Exhibits 4.1, 4.2, 4.3 and 4.4, respectively, and are incorporated herein by reference.

The Security Agreements, the Intercreditor Agreement and the Call Right Agreement

In connection with issuing the New Notes, on the Settlement Date, the New Notes Co-Issuers and the Guarantors entered into (i) a security agreement, with the New Notes Collateral Agent, relating to the New Exchange Notes (the “New Exchange Notes Security Agreement”) and (ii) a security agreement, with the New Money Notes Collateral Agent, relating to the New Money Notes (the “New Money Notes Security Agreement”) and, together with the New Exchange Notes Security Agreements, the “Security Agreement”), which is in substantially the same form as the New Exchange Notes Security Agreement. Pursuant to the terms of each of the Security Agreements, the New Notes Co-Issuers and the Guarantors granted to the applicable Collateral Agent, for the benefit of the Secured Parties (as defined in each of the Security Agreements), a security interest (subject to Permitted Liens under each of the New Indentures, as applicable) in, and lien upon, the Collateral. The respective security interests of each of the Collateral Agents in the Collateral are also subject to the terms of the intercreditor agreement, dated as of the Settlement Date (the “Intercreditor Agreement”), between the Collateral Agents, which, *inter alia*, outlines their rights thereunder.

In addition, pursuant to the call right agreement entered into on the Settlement Date between the Trustee and the Term Loan Agent (as defined below) (the “Call Right Agreement”), subject to the terms therein, the lenders under the Term Loan Agreement (other than any lenders affiliated with Parent, the New Notes Co-Issuers or the Company), shall have the right to purchase any New Notes at a price equal to one hundred and ten percent (110%) of the outstanding principal amount thereof plus all accrued and unpaid interest thereon, upon the occurrence of (i) an acceleration of the payment of principal, interest, if any, or any other obligations under the New Notes or the New Indentures in accordance with the terms thereof, (ii) the occurrence of any payment default or any other act or failure to act by any subsidiary of the Company under either of the IP License Agreements (as defined below) that would permit BrandCo to terminate either of the IP License Agreements or (iii) the earlier to occur of (x) the termination of either of the IP License Agreements or (y) the delivery of notice of breach or termination by BrandCo under either of the IP License Agreements.

The foregoing summary is not intended to be a complete description and is qualified in its entirety by reference to the full text of the New Exchange Notes Security Agreement, the New Money Notes Security Agreement, the Intercreditor Agreement and the Call Right Agreement, which are attached hereto as Exhibits 4.5, 4.6, 4.7 and 4.8, respectively, and are incorporated herein by reference.

Parent will pay, to the extent of lawfully available funds, cash dividends on the New Series A Preferred Stock, when and if declared by Parent's board of directors (or a duly authorized committee thereof).

Parent or TPG Capital, L.P. and Leonard Green & Partners, L.P. (together, the "Sponsors") may redeem or purchase, as applicable, not less than all of the New Series A Preferred Stock, at its or their option, as applicable, to the extent of lawfully available funds, at a redemption price or purchase price, as applicable, equal to 100% of the liquidation preference of \$1,000 per share, plus any accrued and unpaid dividends to, but not including, the redemption or purchase date of such New Series A Preferred Stock. The New Series A Preferred Stock generally will have no voting rights, except as expressly set forth in the Series A Certificate of Designation. In the event Parent liquidates, dissolves or winds-up its business and affairs, either voluntarily or involuntarily, holders of the New Series A Preferred Stock are entitled to receive a liquidating distribution of \$1,000 per share, plus any accrued and unpaid dividends, out of assets of Parent available for distribution to stockholders before it makes any distribution of assets to the holders of its junior stock.

The New Series A Preferred Stock is not convertible, is not being registered under the Securities Act of 1933, as amended, (the "Securities Act"), and was issued pursuant to the exemption provided in Section 4(a)(2) under the Securities Act and is subject to restrictions on transfer under the Securities Act.

The foregoing summary is not intended to be a complete description and is qualified in its entirety by reference to the full text of the Series A Certificate of Designation, which is attached hereto as Exhibit 3.1 and is incorporated herein by reference.

On the Settlement Date, Parent and the Sponsors entered into a new management services agreement (the "Sponsor Management Services Agreement"), pursuant to which the Sponsors will provide the Services to Parent for the same aggregate compensation (less the accrued cash dividend payable on the New Series A Preferred Stock) and expenses payable to the Sponsors as set forth therein.

The IP License Agreements

On the Settlement Date, concurrently with the settlement of the Exchange Offer, IPCo acquired the remaining undivided 27.96% ownership interest in and to the Licensed Marks to become the sole and exclusive owner of the Licensed Marks. **CERTIFICATE OF DESIGNATION
OF
SERIES A PREFERRED STOCK
OF
CHINOS HOLDINGS, INC.**

Chinos Holdings, Inc., a corporation organized and existing under the laws of the State of Delaware (the “Corporation”), in accordance with the provisions of Section 151(g) of the General Corporation Law of the State of Delaware, does hereby certify:

The Board of Directors of the Corporation, in accordance with the Amended and Restated Certificate of Incorporation of the Corporation and applicable law, adopted the following resolution on June 12, 2017, creating a series of 190,000 shares, no par value per share, of the Corporation designated as “Series A Preferred Stock”:

NOW, THEREFORE, BE IT RESOLVED, that, subject to the adoption of the Third A&R Charter of Parent by the stockholders of [the Corporation], the designations, powers, preferences and rights of the Series A Preferred Stock of [the Corporation], and the qualifications, limitations or restrictions thereof, as fixed and set forth in the Certificate of Designation thereof, substantially in the form attached hereto as **Exhibit L-1**, be, and the same hereby are authorized and approved.

The terms of the authorized Series A Preferred Stock, no par value per share (the “Series A Preferred Stock”), of the Corporation, are as set forth below:

Section 1. Designation; Rank.

1.1. Designation. There is hereby created out of the authorized and unissued shares of preferred stock, no par value per share, of the Corporation a series of preferred stock designated as “*Series A Preferred Stock*”. The number of shares constituting such series shall be 190,000 and such shares are referred to herein as the “Series A Preferred Stock.”

1.2. Rank. The Series A Preferred Stock shall, with respect to dividend distributions and distributions upon liquidation, winding-up and dissolution of the Corporation, rank (i) senior (to the extent set forth herein) to all Junior Securities, (ii) on a parity with all Parity Securities, and (iii) junior to all Senior Securities.

1.3. Certificates. The Holders shall be entitled to receive physical delivery of a Certificate for their Shares, which shall be issued in fully registered form and shall be substantially in the form attached hereto as Exhibit A. Record ownership of the Shares represented by such Certificates shall be shown on, and the transfer of that ownership shall be effected only through, records maintained by the Corporation.

Section 2.

Dividends.

2.1. General Obligation. To the extent not prohibited under the Delaware General Corporation Law (the “DGCL”), the Corporation shall pay preferential dividends to the Holders (the “Preferred Dividends”), as provided in this Section 2. The Preferred Dividends shall accrue at the Preferred Dividend Rate and shall be paid to the Holders in cash if and when declared. The Preferred Dividends shall accrue on each share of the Series A Preferred Stock (a “Share”) on a daily basis and compound on a semi-annual basis for the period from and including the date of issuance of such Share to and including the first to occur of (i) the date on which the Liquidation Value of such Share (plus all accrued and unpaid dividends thereon, whether or not declared) is paid to the Holder thereof in connection with the liquidation of the Corporation, (ii) the date on which such Share is redeemed pursuant to Section 4 or (iii) the date on which such Share is otherwise acquired by the Corporation. The Preferred Dividends shall accrue regardless of whether or not (a) such dividends have been declared, (b) there are profits or surplus (as defined in the DGCL) available for payment or (c) the Corporation is prohibited from paying dividends under applicable law. So long as any Shares remain outstanding, the Corporation shall not, nor shall it permit any Subsidiary to, redeem, purchase or otherwise acquire for value any Junior Securities, nor shall the Corporation nor any of its Subsidiaries directly or indirectly pay or declare any dividend, to or make any distribution upon, any Junior Securities. The date on which the Corporation initially issues any Share shall be deemed to be its “date of issuance” regardless of the number of times transfer of such Share is made on the stock records maintained by or for the Corporation and regardless of the number of certificates that may be issued to evidence such Share.

2.2. Dividend Payment Dates. The Preferred Dividends shall be payable semi-annually in arrears on March 15 and September 15 of each year, or, in the event such date falls on a day other than a Business Day, on the first Business Day preceding such date (the “Dividend Payment Dates”). To the extent not paid on any Dividend Payment Date, the Preferred Dividends which have accrued on each Share outstanding during the six-month period (or other period in the case of the initial Dividend Payment Date) ending upon each such Dividend Payment Date shall be accumulated and shall remain accumulated dividends with respect to such Share until paid to the Holder thereof.

2.3. Distribution of Partial Dividends. Except as otherwise provided herein, if at any time the Corporation pays less than the total amount of Preferred Dividends then accrued with respect to the Series A Preferred Stock, such payment shall be distributed pro rata among the Holders thereof based upon the aggregate accrued but unpaid dividends on the Shares held by each such Holder.

Section 3.

Liquidation.

3.1. Normal Liquidation. Upon any liquidation (including a Deemed Liquidation), dissolution or winding up of the Corporation (whether voluntary or involuntary), each Holder shall be entitled to be paid, *pari passu* with any distribution or payment made upon Parity Securities and before any distribution or payment is made upon any Junior Securities, an amount in cash, per Share equal to the aggregate Liquidation Value of all Shares held by such Holder (plus all accrued and unpaid dividends thereon, whether or not declared). If upon any

such liquidation (including a Deemed Liquidation), dissolution or winding up of the Corporation the assets of the Corporation to be distributed among the Holders are insufficient to permit payment to such Holders of the aggregate amount which they are entitled to be paid under this Section 3, then all assets available to be distributed to the Corporation's stockholders shall be distributed *pro rata* among such Holders based upon the aggregate Liquidation Value (plus all accrued and unpaid dividends, whether or not declared) of the Series A Preferred Stock held by each Holder. Not less than thirty (30) days prior to the payment date stated therein, the Corporation shall deliver written notice of any such liquidation (including a Deemed Liquidation), dissolution or winding up to each record Holder, setting forth in reasonable detail the amount of proceeds to be paid with respect to each Share in connection with such liquidation, dissolution or winding up.

3.2. Any (i) consolidation or merger of the Corporation with or into another entity or entities (whether or not the Corporation is the surviving entity (the Corporation, such surviving entity or the acquirer(s) of assets contemplated by clause (ii), as applicable, the "Surviving Entity")), (ii) sale or transfer by the Corporation of all or substantially all of its assets (determined for the Corporation together with its Subsidiaries on a consolidated basis), or (iii) sale, transfer or issuance or series of sales, transfers and/or issuances of shares of the Corporation's capital stock by the Corporation or the holders thereof, in any case of (i), (ii) or (iii), as a result of which the holders of the Corporation's outstanding capital stock possessing the voting power (under ordinary circumstances) to elect a majority of the Corporation's Board of Directors immediately prior to such sale or issuance cease to own the Surviving Entity's outstanding capital stock possessing the voting power (under ordinary circumstances) to elect a majority of the Surviving Entity's Board of Directors shall be deemed to be a liquidation, dissolution and winding up of the Corporation (a "Deemed Liquidation") for purposes of this Section 3.

Section 4. Redemption.

4.1. Optional Redemption. The Corporation or any Sponsor or Sponsors may at any time following the effective date of this Certificate of Designation, redeem or purchase, as applicable, without penalty, not less than all of the Shares then outstanding and pay to each Holder thereof an amount in cash in immediately available funds equal to the Liquidation Value of such Holder's Shares (plus all accrued and unpaid dividends thereon, whether or not declared) as of the Redemption Date (the "Redemption").

4.2. Redemption Payments. For each Share which is to be redeemed or purchased hereunder, the Corporation or the applicable Sponsor or Sponsors, as the case may be, shall be obligated, on the applicable Redemption Date, to pay to the relevant Holder (upon surrender by such Holder of the Certificate at (i) the Corporation's principal office, in the case of Redemption by the Corporation, or (ii) the address nominated by the Sponsor or Sponsors acquiring such Shares, in the case of Redemption by any Sponsor or Sponsors) an amount in cash in immediately available funds equal to the Liquidation Value of such Holder's Shares (plus all accrued and unpaid dividends thereon, whether or not declared), in connection with the Redemption.

4.3. Notice of Redemption. Except as otherwise provided herein, the Corporation or Sponsor, as the case may be, shall give written notice of a Redemption of Shares to each Holder at least thirty (30) days prior to the date on which such Redemption is to be made.

Section 5.

Voting.

5.1. Voting Generally. Except as set forth herein or to the extent required by the DGCL, the Holders shall not have any voting rights. In any case in which the Holders shall be entitled to vote, each Holder shall be entitled to one vote for each Share held on the record date for determining the stockholders of the Corporation eligible to vote thereon.

5.2. Election of Director. For so long as there remain outstanding no less than twenty percent (20%) of the Shares that were issued on the Initial Issue Date, the Holders shall have the right to elect one director of the Corporation (the "Preferred Director"). The initial Preferred Director, who will serve as the Preferred Director prior to the first annual meeting of stockholders (or special meeting held in place thereof), shall be elected following the Initial Issuance Date by the Holders of at least a majority of the issued and outstanding Shares acting by written consent without a meeting. Thereafter, the Preferred Director shall be elected by plurality vote of the Shares, voting separately as a single class with one vote per Share, at each annual meeting of stockholders or special meeting held in place thereof. The Corporation shall take all necessary action under its organizational documents, including its by-laws, to effectuate such rights hereunder. The Preferred Director shall have all voting and other rights (including for purposes of determining the existence of a quorum) as the other individuals serving on the Board of Directors and shall serve on the Board of Directors. Once less than twenty percent (20%) of the Shares that were issued on the Initial Issue Date remain outstanding, (i) the voting rights of the Holders shall, without further action, terminate, (ii) the term of office of the Preferred Director shall, without further action, terminate unless otherwise required by law, and (iii) the number of directors constituting the Board of Directors shall be reduced by one unless otherwise required by law. The Preferred Director may be removed by, and shall not be removed except by, the vote of the Holders of a majority of the issued and outstanding Shares, voting separately as a single class, at a meeting of the Corporation's stockholders, or of the Holders called for such purpose. So long as not less than twenty percent (20%) of the Shares that were issued on the Initial Issue Date remain outstanding, any vacancy in the office of the Preferred Director may be filled, including in the case of the removal of such Preferred Director, by the vote of the Holders, voting separately as a single class. The Preferred Director so elected shall continue to serve as such director for a term of one year; except that upon any termination of the right of all such Holders to vote as a class to elect the Preferred Director, the term of office of such director shall terminate. If, within ten (10) days of the election of a Preferred Director who has not previously served as a director of the Corporation, Persons representing a majority of the shares of Common Stock then outstanding certify in writing that, in their good faith determination, acting reasonably, the Preferred Director is not suitable to serve as the Preferred Director, the Holders shall promptly remove and replace the Preferred Director; provided, however, that, if the Holders act in good faith in electing such replacement Preferred Director, such certification may not be delivered on more than three (3) occasions.

Consent Rights. So long as any Shares remain outstanding, without the prior written consent of the Holders of at least a majority of the issued and outstanding Shares, voting separately as a single class with one vote per Share, in person or by proxy, either in writing without a meeting or at an annual or a special meeting of such Holders, and any other applicable stockholder approval requirements required by law:

(i) The Corporation shall not create, authorize the creation of, issue, sell, or obligate itself to issue or sell, any Senior Securities or Parity Securities, other than issuances of Series B Preferred Stock under the terms of the Management Incentive Plan of the Corporation.

(ii) The Corporation shall not permit Chinos Intermediate, Inc. ("IntermediateCo") to create, authorize the creation of, issue, sell, or obligate itself to issue or sell, any class or series of IntermediateCo capital stock that will rank senior to, or on a parity with, the Series A Preferred Stock ("IntermediateCo Preferred Stock") of IntermediateCo as to dividend distributions and distributions upon liquidation, winding-up and dissolution of IntermediateCo.

(iii) The Corporation shall not permit any of its Subsidiaries (other than Chinos Intermediate Holdings A, Inc. ("Chinos A"), IntermediateCo, or J. Crew Brand Intermediate, LLC and its Subsidiaries) to take any action that any such Person would be prohibited from taking in its capacity as Holdings, the Borrower or a Restricted Subsidiary (as such terms are defined in the Term Loan Agreement), as applicable, pursuant to Article VII of the Term Loan Agreement as in effect as of the Initial Issue Date; provided that, for purposes of this Section 5.3(iii), such prohibitions shall remain in effect without regard to whether or not any Lender shall have any Commitment or any Loan or other Obligation (as such terms are defined in the Term Loan Agreement) that remains unpaid or unsatisfied and whether or not the Term Loan Agreement is amended, modified or terminated subsequent to the Initial Issue Date.

(iv) None of the Corporation, Chinos A or IntermediateCo shall (a) incur, assume, guarantee or otherwise become liable for any Indebtedness or other obligations other than, solely in the case of Chinos A, the PIK Toggle Notes and New Notes outstanding as of the Initial Issue Date, (b) permit or allow the creation or imposition of, or suffer to exist, any lien, encumbrance, mortgage, pledge, security interest or other similar interest on any of their assets or properties, (c) sell or otherwise dispose of any equity interests of any of its direct Subsidiaries, (d) consolidate with or merge with or into, or convey, transfer, lease or license all or substantially all its assets to, any Person, (e) enter into any arrangement, directly or indirectly, with any Person whereby it shall sell or transfer any property, real or personal, used or useful in its business, whether now owned or hereafter acquired, and thereafter rent or lease such property or other property that it intends to use for substantially the same purpose or purposes as the property being sold or transferred, in each case, whether or not treated as a "sale-leaseback" under GAAP, (f) engage in any transaction with any of its affiliates or any direct or indirect holder of ten percent (10%) or more of any class of its capital stock unless such transaction is otherwise permitted hereunder or (g) amend, modify, grant any waiver or release under or terminate in any manner, its applicable articles or certificate of incorporation, bylaws, limited liability company operating agreement,

partnership agreement or other organizational documents, except, with respect to clauses (e) through (g), to the extent such action would not reasonably be expected to be adverse to the Holders in any material respect.

5.4. Rights Relating to the IntermediateCo Preferred Shares. For so long as any Shares remain outstanding:

(i) The Corporation will not, without the prior written consent of the Holders of at least sixty-six percent (66%) of the issued and outstanding Shares, (a) directly or indirectly transfer, assign, sell or otherwise dispose of the shares of IntermediateCo Preferred Stock that are held by the Corporation (the "IntermediateCo Preferred Shares"), (b) permit or allow the creation or imposition of, or suffer to exist, any lien, encumbrance, mortgage, pledge, security interest or other similar interest on, the IntermediateCo Preferred Shares or (c) waive any of its or its subsidiaries' rights as a holder of IntermediateCo Preferred Shares under, or consent to any amendment or modification of, the Certificate of Designation relating to the IntermediateCo Preferred Shares, in each case for so long as the Corporation directly or indirectly holds any IntermediateCo Preferred Shares.

(ii) Upon the redemption of the IntermediateCo Preferred Shares, or any actual liquidation, deemed liquidation, dissolution or winding up of IntermediateCo that results in a payment to the holders of the IntermediateCo Preferred Shares, the Corporation shall effect a Redemption of the Shares in accordance with Section 4.

Section 6. Conversion. The Shares shall not be convertible into any other security and do not otherwise have any conversion rights.

Section 7. Registration of Transfer. The Corporation shall keep at its principal office a register for the registration of Series A Preferred Stock. Upon the surrender of any Certificate at such place, the Corporation shall, at the request of the record Holder of such Certificate, execute and deliver (at the Corporation's expense) a new Certificate in exchange therefor representing in the aggregate the number of Shares represented by the surrendered Certificate. Each such new Certificate shall be registered in such name and shall represent such number of Shares as is requested by the Holder of the surrendered Certificate and shall be substantially identical in form to the surrendered Certificate. The Shares represented by such new Certificate shall be identical to the Shares represented by the surrendered Certificate, including with respect to the Liquidation Value of such Shares and any accrued and unpaid dividends thereon (whether or not declared), and Preferred Dividends shall accrue on the Shares represented by such new Certificate from the date on which Preferred Dividends have been fully paid on the Shares represented by the surrendered Certificate. The Corporation may place such legend on any Certificate and/or provide such notices as may be required by applicable law or the Certificate of Incorporation.

Section 8. Replacement. Upon receipt of evidence reasonably satisfactory to the Corporation (an affidavit of the registered Holder shall be satisfactory) of the ownership and the loss, theft, destruction or mutilation of any Certificate evidencing Shares, and in the case of any such loss, theft or destruction, upon receipt of indemnity reasonably satisfactory to the Corporation, or, in the case of any such mutilation upon surrender of such Certificate, the

Corporation shall (at its expense) execute and deliver in lieu of such Certificate a new certificate of like kind representing the number of Shares of such class represented by such lost, stolen, destroyed or mutilated Certificate and dated the date of such lost, stolen, destroyed or mutilated Certificate. The Shares represented by such new Certificate shall be identical to the Shares represented by such lost, stolen, destroyed or mutilated Certificate, including with respect to the Liquidation Value of such Shares and any accrued and unpaid dividends thereon (whether or not declared), and Preferred Dividends shall accrue on the Shares represented by such new Certificate from the date to which Preferred Dividends have been fully paid on the Shares represented by such lost, stolen, destroyed or mutilated Certificate.

Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held. The list shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present.

The stock ledger shall be the only evidence as to who are the stockholders entitled to examine the stock ledger, the list required by this section or the books of the Corporation, or to vote in person or by proxy at any meeting of stockholders.

SECTION 5. Quorum. Except as otherwise provided by law or the Corporation's Certificate of Incorporation, a quorum for the transaction of business at any meeting of stockholders shall consist of the holders of record of a majority of the issued and outstanding shares of the capital stock of the Corporation entitled to vote at the meeting, present in person or by proxy. At all meetings of the stockholders at which a quorum is present, all matters, except as otherwise provided by law or the Certificate of Incorporation, shall be decided

by the vote of the holders of a majority of the shares entitled to vote thereat present in person or by proxy. If there be no such quorum, the holders of a majority of such shares so present or represented may adjourn the meeting from time to time, without further notice, until a quorum shall have been obtained. At all elections of directors the voting may but need not be by ballot and a plurality of the votes cast there shall elect. Except as otherwise required by law or the Certificate of Incorporation, any other action shall be authorized by a majority of the votes cast.

(b) Any action required or permitted to be taken at any meeting of stockholders may, except as otherwise required by law or the Certificate of Incorporation, be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by the holders of record of the issued and outstanding capital stock of the Corporation having a majority of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted, and the writing or writings are filed with the permanent records of the Corporation. Prompt notice of the taking of corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing.

In case any person who may be appointed as an inspector fails to appear or act, the vacancy may be filled by appointment made by the directors in advance of the meeting or at the meeting by the person presiding thereat. Each inspector, if any, before entering upon the discharge of his or her duties, shall take and sign an oath faithfully to execute the duties of inspector at such meeting with strict impartiality and according to the best of his ability. The inspectors, if any, shall determine the number of shares of stock outstanding and the voting power of each, the shares of stock represented at the meeting,

the existence of a quorum, and the validity and effect of proxies, and shall receive votes, ballots or consents, hear and determine all challenges and questions arising in connection with the right to vote, count and tabulate all votes, ballots or consents, determine the result, and do such acts as are proper to conduct the election or vote with fairness to all stockholders. On request of the person presiding at the meeting, the inspector or inspectors, if any, shall make a report in writing of any challenge, question or matter determined by such inspector or inspectors and execute a certificate of any fact found by such inspector or inspectors.

No contract or transaction between the Corporation and one or more of its directors or officers, or between the Corporation and any other corporation, partnership, association, or other organization in which one or more of the Corporation's directors or officers are directors or officers, or have a financial interest, shall be void or voidable solely for this reason, or solely because the director or officer is present at or participates in the meeting of the board or committee thereof which authorizes the contract or transaction, or solely because his or their votes are counted for such purpose, if:

(a) The material facts as to his relationship or interest and as to the contract or transaction are disclosed or are known to the Board of Directors or the committee, and the board or committee in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested directors, even though the disinterested directors be less than a quorum; or

Common or interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorizes the contract or transaction.

Each committee shall keep minutes of its proceedings, and actions taken by a committee shall be reported to the Board of Directors.

SECTION 3. Action by Written Consent. Any action required or permitted to be taken at any meeting of any committee of the Board of Directors may be taken without a meeting if all the members of the committee consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the committee.

The Board of Directors shall have power and authority to make all such rules and regulations as it may deem expedient concerning the issue, transfer and registration of certificates representing shares of the Corporation.

SECTION 4. Lost, Stolen or Destroyed Certificates. The Corporation may issue a new certificate of stock in place of any certificate, theretofore issued by it, alleged to have been lost, stolen or destroyed, and the Board of Directors may require the owner of any lost, stolen or destroyed certificate, or his legal representative, to give the Corporation a bond sufficient to indemnify the Corporation against any claim that may be made against it on account of the alleged loss, theft or destruction of any such certificate or the issuance of any such new certificate.

Such ratification shall be binding upon the Corporation and its stockholders and shall constitute a bar to any claim or execution of any judgment in respect of such questioned transaction.

ARTICLE X

**CERTIFICATE OF DESIGNATION
OF
SERIES B PREFERRED STOCK
OF
CHINOS HOLDINGS, INC.**

Chinos Holdings, Inc., a corporation organized and existing under the laws of the State of Delaware (the “Corporation”), in accordance with the provisions of Section 151(g) of the General Corporation Law of the State of Delaware, does hereby certify:

The Board of Directors of the Corporation, in accordance with the Amended and Restated Certificate of Incorporation of the Corporation and applicable law, adopted the following resolution on June 12, 2017, creating a series of 130,000 shares, no par value per share, of the Corporation designated as “Series B Preferred Stock”:

NOW, THEREFORE, BE IT RESOLVED, that, subject to the adoption of the Third A&R Charter of Parent by the stockholders of [the Corporation], the designations, powers, preferences and rights of the Series B Preferred Stock of [the Corporation], and the qualifications, limitations or restrictions thereof, as fixed and set forth in the Certificate of Designation thereof, substantially in the form attached hereto as **Exhibit L-2**, be, and the same hereby are authorized and approved.

The terms of the authorized Series B Preferred Stock, no par value per share (the “Series B Preferred Stock”), of the Corporation, are as set forth below:

Section 1. Designation; Rank.

1.1. Designation. There is hereby created out of the authorized and unissued shares of preferred stock, no par value per share, of the Corporation a series of preferred stock designated as “*Series B Preferred Stock*”. The number of shares constituting such series shall be 130,000 and such shares are referred to herein as the “Series B Preferred Stock.”

1.2. Rank. The Series B Preferred Stock shall, with respect to dividend distributions and distributions upon liquidation, winding-up and dissolution of the Corporation, rank (i) senior (to the extent set forth herein) to all Junior Securities, (ii) on a parity with all Parity Securities, and (iii) junior to all Senior Securities.

1.3. Certificates. The Holders shall be entitled to receive physical delivery of a Certificate for their Shares, which shall be issued in fully registered form and shall be substantially in the form attached hereto as Exhibit A. Record ownership of the Shares represented by such Certificates shall be shown on, and the transfer of that ownership shall be effected only through, records maintained by the Corporation.

2.1. General Obligation. The Corporation shall pay preferential dividends to the Holders (the "Preferred Dividends"), as provided in this Section 2. The Preferred Dividends shall be paid if and when declared by the Board of Directors, shall accrue at the Preferred Dividend Rate and shall be paid to the Holders by delivery of shares of Series B Preferred Stock having an aggregate Liquidation Value equal to the amount of such dividend. The Preferred Dividends shall accrue on each share of the Series B Preferred Stock (a "Share") on a daily basis and compound on a semi-annual basis for the period from and including the date of issuance of such Share to and including the first to occur of (i) the date on which the Liquidation Value of such Share (plus all accrued and unpaid dividends thereon, whether or not declared) is paid to the Holder thereof in connection with the liquidation of the Corporation, (ii) the date on which such Share is redeemed pursuant to Section 4 or (iii) the date on which such Share is otherwise acquired by the Corporation. The Preferred Dividends shall accrue regardless of whether or not (a) such dividends have been declared, (b) there are profits or surplus (as defined in the Delaware General Corporation Law (the "DGCL")) available for payment or (c) the Corporation is prohibited from paying dividends under applicable law. So long as any Shares remain outstanding, the Corporation shall not, nor shall it permit any Subsidiary to, redeem, purchase or otherwise acquire for value any Junior Securities, nor shall the Corporation nor any of its Subsidiaries directly or indirectly pay or declare any dividend, to or make any distribution upon, any Junior Securities. The date on which the Corporation initially issues any Share shall be deemed to be its "date of issuance" regardless of the number of times transfer of such Share is made on the stock records maintained by or for the Corporation and regardless of the number of certificates that may be issued to evidence such Share.

2.2. Dividend Payment Dates. The Preferred Dividends shall be payable semi-annually in arrears on March 15 and September 15 of each year, or, in the event such date falls on a day other than a Business Day, on the first Business Day preceding such date (the "Dividend Payment Dates"). To the extent not paid on any Dividend Payment Date, the Preferred Dividends which have accrued on each Share outstanding during the six-month period (or other period in the case of the initial Dividend Payment Date) ending upon each such Dividend Payment Date shall be accumulated and shall remain accumulated dividends with respect to such Share until paid to the Holder thereof.

2.3. Distribution of Partial Dividends. Except as otherwise provided herein, if at any time the Corporation pays less than the total amount of Preferred Dividends then accrued with respect to the Series B Preferred Stock, such payment shall be distributed pro rata among the Holders thereof based upon the aggregate accrued but unpaid dividends on the Shares held by each such Holder.

Section 3.

Liquidation.

3.1. Normal Liquidation. Upon any liquidation (including a Deemed Liquidation), dissolution or winding up of the Corporation (whether voluntary or involuntary), each Holder shall be entitled to be paid, *pari passu* with any distribution or payment made upon Parity Securities and before any distribution or payment is made upon any Junior Securities, an

amount in cash, per Share equal to the aggregate Liquidation Value of all Shares held by such Holder (plus all accrued and unpaid dividends thereon, whether or not declared). If upon any such liquidation (including a Deemed Liquidation), dissolution or winding up of the Corporation the assets of the Corporation to be distributed among the Holders are insufficient to permit payment to such Holders of the aggregate amount which they are entitled to be paid under this Section 3, then all assets available to be distributed to the Corporation's stockholders shall be distributed *pro rata* among such Holders based upon the aggregate Liquidation Value (plus all accrued and unpaid dividends, whether or not declared) of the Series B Preferred Stock held by each Holder. If upon any such liquidation (including a Deemed Liquidation), dissolution or winding up of the Corporation, the assets of the Corporation to be distributed amongst the Holders exceed the aggregate Liquidation Value of all Shares held by the Holders (plus all accrued and unpaid dividends thereon, whether or not declared), then a portion equal to 2.67% of such excess shall be distributed to the Holders, as a single and separate class, which portion shall be shared ratably among the Holders based on the number of Shares held by such Holders. Not less than thirty (30) days prior to the payment date stated therein, the Corporation shall deliver written notice of any such liquidation (including a Deemed Liquidation), dissolution or winding up to each record Holder, setting forth in reasonable detail the amount of proceeds to be paid with respect to each Share in connection with such liquidation, dissolution or winding up.

3.2. **CERTIFICATE OF DESIGNATION
OF
SERIES A PREFERRED STOCK
OF
CHINOS INTERMEDIATE, INC.**

Chinos Intermediate, Inc., a corporation organized and existing under the laws of the State of Delaware (the “Corporation”), in accordance with the provisions of Section 151(g) of the General Corporation Law of the State of Delaware, does hereby certify:

The Board of Directors of the Corporation, in accordance with applicable law, adopted the following resolution on July 12, 2017, creating a series of 300,000 shares of, no par value per share, of the Corporation designated as “Series A Preferred Stock”:

NOW, THEREFORE, BE IT RESOLVED, that the designations, powers, preferences and rights of the Series A Preferred Stock of [the Corporation], and the qualifications, limitations or restrictions thereof, as fixed and set forth in the Certificate of Designation thereof, substantially in the form attached hereto as **Exhibit A**, be, and the same hereby are authorized and approved.

The terms of the authorized Series A Preferred Stock, no par value per share (the “Series A Preferred Stock”), of the Corporation, are as set forth below:

Section 1. Designation; Rank.

1.1. Designation. There is hereby created out of the authorized and unissued shares of preferred stock, no par value per share, of the Corporation a series of preferred stock designated as “*Series A Preferred Stock*”. The number of shares constituting such series shall be 300,000 and such shares are referred to herein as the “Series A Preferred Stock.”

1.2. Rank. The Series A Preferred Stock shall, with respect to dividend distributions and distributions upon liquidation, winding-up and dissolution of the Corporation, rank (i) senior (to the extent set forth herein) to all Junior Securities, (ii) on a parity with all Parity Securities, and (iii) junior to all Senior Securities.

1.3. Certificates. The Holders shall be entitled to receive physical delivery of a Certificate for their Shares, which shall be issued in fully registered form and shall be substantially in the form attached hereto as Exhibit A. Record ownership of the Shares represented by such Certificates shall be shown on, and the transfer of that ownership shall be effected only through, records maintained by the Corporation.

Section 2. Dividends.

2.1. General Obligation. The Corporation shall pay preferential dividends to the Holders (the “Preferred Dividends”), as provided in this Section 2. The Preferred Dividends shall be paid if and when declared by the Board of Directors, shall accrue at the

Preferred Dividend Rate and shall be paid to the Holders by delivery of shares of Series A Preferred Stock having an aggregate Liquidation Value equal to the amount of such dividend. The Preferred Dividends shall accrue on each share of the Series A Preferred Stock (a “Share”) on a daily basis and compound on a semi-annual basis for the period from and including the date of issuance of such Share to and including the first to occur of (i) the date on which the Liquidation Value of such Share (plus all accrued and unpaid dividends thereon, whether or not declared) is paid to the Holder thereof in connection with the liquidation of the Corporation or (ii) the date on which such Share is acquired by the Corporation. The Preferred Dividends shall accrue regardless of whether or not (a) such dividends have been declared, (b) there are profits or surplus (as defined in the Delaware General Corporation Law (the “DGCL”)) available for payment or (c) the Corporation is prohibited from paying dividends under applicable law. So long as any Shares remain outstanding, the Corporation shall not, nor shall it permit any Subsidiary to, redeem, purchase or otherwise acquire for value any Junior Securities, nor shall the Corporation nor any of its Subsidiaries directly or indirectly pay or declare any dividend, to or make any distribution upon, any Junior Securities. The date on which the Corporation initially issues any Share shall be deemed to be its “date of issuance” regardless of the number of times transfer of such Share is made on the stock records maintained by or for the Corporation and regardless of the number of certificates that may be issued to evidence such Share.

2.2. Dividend Payment Dates. The Preferred Dividends shall be payable semi-annually in arrears on March 15 and September 15 of each year, or, in the event such date falls on a day other than a Business Day, on the first Business Day preceding such date (the “Dividend Payment Dates”). To the extent not paid on any Dividend Payment Date, the Preferred Dividends which have accrued on each Share outstanding during the six-month period (or other period in the case of the initial Dividend Payment Date) ending upon each such Dividend Payment Date shall be accumulated and shall remain accumulated dividends with respect to such Share until paid to the Holder thereof.

2.3. Distribution of Partial Dividends. Except as otherwise provided herein, if at any time the Corporation pays less than the total amount of Preferred Dividends then accrued with respect to the Series A Preferred Stock, such payment shall be distributed pro rata among the Holders thereof based upon the aggregate accrued but unpaid dividends on the Shares held by each such Holder.

Section 3. Liquidation.

3.1. Normal Liquidation. Upon any liquidation (including a Deemed Liquidation), dissolution or winding up of the Corporation (whether voluntary or involuntary), each Holder shall be entitled to be paid, before any distribution or payment is made upon any Junior Securities, an amount in cash, per Share equal to the aggregate Liquidation Value of all Shares held by such Holder (plus all accrued and unpaid dividends thereon, whether or not declared). If upon any such liquidation (including a Deemed Liquidation), dissolution or winding up of the Corporation the assets of the Corporation to be distributed among the Holders are insufficient to permit payment to such Holders of the aggregate amount which they are entitled to be paid under this Section 3, then all assets available to be distributed to the Corporation’s stockholders shall be distributed *pro rata* among such Holders based upon the aggregate Liquidation Value (plus all accrued and unpaid dividends, whether or not declared) of

the Series A Preferred Stock held by each Holder. Not less than thirty (30) days prior to the payment date stated therein, the Corporation shall deliver written notice of any such liquidation (including a Deemed Liquidation), dissolution or winding up to each record Holder, setting forth in reasonable detail the amount of proceeds to be paid with respect to each Share in connection with such liquidation, dissolution or winding up.

3.2. Any (i) consolidation or merger of the Corporation with or into another entity or entities (whether or not the Corporation is the surviving entity (the Corporation, such surviving entity or the acquirer(s) of assets contemplated by clause (ii), as applicable, the “Surviving Entity”), (ii) sale or transfer by the Corporation of all or substantially all of its assets (determined for the Corporation together with its Subsidiaries on a consolidated basis), or (iii) sale, transfer or issuance or series of sales, transfers and/or issuances of shares of the Corporation’s capital stock by the Corporation or the holders thereof, in any case of (i), (ii) or (iii), as a result of which the holders of the Corporation’s outstanding capital stock possessing the voting power (under ordinary circumstances) to elect a majority of the Corporation’s Board of Directors immediately prior to such sale or issuance cease to own the Surviving Entity’s outstanding capital stock possessing the voting power (under ordinary circumstances) to elect a majority of the Surviving Entity’s Board of Directors shall be deemed to be a liquidation, dissolution and winding up of the Corporation (a “Deemed Liquidation”) for purposes of this Section 3.

Section 4. Voting.

4.1. Voting Generally. Except as set forth herein or to the extent required by the DGCL, the Holders shall not have any voting rights. In any case in which the Holders shall be entitled to vote, each Holder shall be entitled to one vote for each Share held on the record date for determining the stockholders of the Corporation eligible to vote thereon.

4.2. Consent Rights. So long as any Shares remain outstanding, without the prior written consent of the Holders of at least a majority of the issued and outstanding Shares, voting separately as a single class with one vote per Share, in person or by proxy, either in writing without a meeting or at an annual or a special meeting of such Holders, and any other applicable stockholder approval requirements required by law:

(i) The Corporation shall not create, authorize the creation of, issue, sell, or obligate itself to issue or sell, any Senior Securities or Parity Securities.

(ii) The Corporation shall not permit any of its Subsidiaries (other than J. Crew Brand Intermediate, LLC and its Subsidiaries) to take any action that any such Person would be prohibited from taking in its capacity as Holdings, the Borrower or a Restricted Subsidiary (as such terms are defined in the Term Loan Agreement), as applicable, pursuant to Article VII of the Term Loan Agreement as in effect as of the Initial Issue Date; provided that, for purposes of this Section 4.3(ii), such prohibitions shall remain in effect without regard to whether or not any Lender shall have any Commitment or any Loan or other Obligation (as such terms are defined in the Term Loan Agreement) that remains unpaid or unsatisfied and whether or not the Term Loan Agreement is amended, modified or terminated subsequent to the Initial Issue Date.

Section 5. and do not otherwise have any conversion rights.

Conversion. The Shares shall not be convertible into any other security

Section 6. a register for the registration of Series A Preferred Stock. Upon the surrender of any Certificate at such place, the Corporation shall, at the request of the record Holder of such Certificate, execute and deliver (at the Corporation's expense) a new Certificate in exchange therefor representing in the aggregate the number of Shares represented by the surrendered Certificate. Each such new Certificate shall be registered in such name and shall represent such number of Shares as is requested by the Holder of the surrendered Certificate and shall be substantially identical in form to the surrendered Certificate. The Shares represented by such new Certificate shall be identical to the Shares represented by the surrendered Certificate, including with respect to the Liquidation Value of such Shares and any accrued and unpaid dividends thereon (whether or not declared), and Preferred Dividends shall accrue on the Shares represented by such new Certificate from the date on which Preferred Dividends have been fully paid on the Shares represented by the surrendered Certificate. The Corporation may place such legend on any Certificate and/or provide such notices as may be required by applicable law or the Certificate of Incorporation.

Section 7. Corporation (an affidavit of the registered Holder shall be satisfactory) of the ownership and the loss, theft, destruction or mutilation of any Certificate evidencing Shares, and in the case of any such loss, theft or destruction, upon receipt of indemnity reasonably satisfactory to the Corporation, or, in the case of any such mutilation upon surrender of such Certificate, the Corporation shall (at its expense) execute and deliver in lieu of such Certificate a new certificate of like kind representing the number of Shares of such class represented by such lost, stolen, destroyed or mutilated Certificate and dated the date of such lost, stolen, destroyed or mutilated Certificate. The Shares represented by such new Certificate shall be identical to the Shares represented by such lost, stolen, destroyed or mutilated Certificate, including with respect to the Liquidation Value of such Shares and any accrued and unpaid dividends thereon (whether or not declared), and Preferred Dividends shall accrue on the Shares represented by such new Certificate from the date to which Preferred Dividends have been fully paid on the Shares represented by such lost, stolen, destroyed or mutilated Certificate.

The Issuers and the Trustee may charge the Holder for their expenses in replacing a Note.

Every replacement Note is a contractual obligation of the Issuers and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

SECTION 2.08.

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof and those described in this Section 2.08 as not outstanding.

Any Notes acquired by any of the Issuers or the Guarantors or by any Affiliate of the Issuers or a Guarantor shall be cancelled pursuant to Section 2.11 (and, if not cancelled by the Issuers, shall be deemed to be cancelled) and be deemed to be no longer outstanding under this Indenture; provided that the foregoing shall not apply to any Additional Notes initially issued pursuant to Section 4.09(iii) hereof to any such Affiliate or held by any transferee of such Affiliate that is an Affiliate of such Affiliate (the foregoing proviso to only be applicable so long as such Additional Notes are held by such Affiliate or Transferee).

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code).

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Issuers or a Guarantor or an Affiliate of the Issuers or a Guarantor) holds, on a Redemption Date or maturity date, money sufficient to pay Notes (or portions thereof) payable on that date, then on and after that date such Notes (or portions thereof) shall be deemed to be no longer outstanding and shall cease to accrue interest.

Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to such pledged Notes and that the pledgee is not the Issuers or a Guarantor or any Affiliate of the Issuers or a Guarantor.

SECTION 2.10.

Temporary Notes

. Until certificates representing Notes are ready for delivery, the Issuers may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Issuers consider appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. SECTION 2.12.

. If the Issuers default in a payment of interest on the Notes, the Issuers shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuers may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Issuers shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuers shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Trustee shall fix or cause to be fixed any such special record date and payment date; provided that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. The Trustee shall promptly notify the Issuers of any such special record date. At least 15 days before any such special record date, the Issuers (or, upon the written request of the Issuers, the Trustee in the name and at the expense of the Issuers) shall mail or cause to be mailed, first-class postage prepaid, or otherwise deliver in accordance with the Applicable Procedures, to each Holder, with a copy to the Trustee, a notice at his or her address as it appears in the Note Register that states the special record date, the related payment date and the amount of such interest to be paid.

Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.13.

CUSIP/ISIN Numbers

. The Issuers in issuing the Notes may use CUSIP and ISIN numbers (in each case, if then generally in use) and, if so, the Trustee shall use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuers will as promptly as practicable notify the Trustee in writing of any change in the CUSIP and ISIN numbers.

ARTICLE III

REDEMPTION

. If the Issuers elect to redeem the Notes pursuant to Section 3.07 hereof, the Issuers shall furnish to the Trustee, at least two Business Days (unless a shorter period shall be agreed to by the Trustee) before notice of redemption is required to be delivered to Holders pursuant to Section 3.03 hereof, an Officer's Certificate setting forth (i) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption shall occur, (ii) the date of redemption (the "Redemption Date"), (iii) the principal amount of the Notes to be redeemed and (iv) the redemption price.

SECTION 3.02.

Selection of Notes to Be Redeemed

. If less than all of the Notes are to be redeemed at any time, the Trustee shall select the Notes to be redeemed (a) if the Notes are listed on an exchange, in compliance with the requirements of such exchange or (b) on a pro rata basis to the extent practicable, or, if the pro rata basis is not practicable for any reason, by lot or by such other method as the Trustee shall deem fair and appropriate in accordance with the Applicable Procedures of the Depository. In the event of partial redemption by lot, the particular Notes to be redeemed shall be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the Redemption Date by the Trustee from the outstanding Notes not previously called for redemption.

The Trustee shall promptly notify the Issuer in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. No Notes of \$2,000 or less may be redeemed in part, except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder shall be redeemed. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption

SECTION 3.03.

Notice of Redemption

. The Issuers shall deliver electronically, mail or cause to be mailed by first-class mail, postage prepaid, notices of redemption at least 10 days but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed at such Holder's registered address or otherwise in accordance with Applicable Procedures, except that redemption notices may be delivered more than 60 days prior to a Redemption Date if the notice is issued in connection with Article VIII or Article XI hereof.

The notice shall identify the Notes to be redeemed and shall state:

(a) the Redemption Date;

(b) the redemption price;

(c) if any Definitive Note is to be redeemed in part only, the portion of the principal amount of that Note that is to be redeemed and that, after the Redemption Date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion of the original Note representing the same indebtedness to the extent not redeemed will be issued in the name of the Holder upon cancellation of the original Note;

(d) the name and address of the Paying Agent;

(e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(f) that, unless the Issuers default in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;

(g) the paragraph or subparagraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(h) the CUSIP and ISIN number, if any, printed on the Notes being redeemed and that no representation is made as to the correctness or accuracy of any such CUSIP and ISIN number that is listed in such notice or printed on the Notes.

At the Issuers' request, the Trustee shall give the notice of redemption in the Issuers' name and at their expense; provided that the Issuers shall have delivered to the Trustee, at least five days before notice of redemption is required to be delivered to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

If any Notes are listed on an exchange, and the rules of such exchange so require, the Issuers will notify the exchange of any such redemption and, if applicable, of the principal amount of any Notes outstanding following any partial redemption of Notes. The Issuers may provide in such notice that payment of the redemption price and performance of the Issuers' obligations with respect to such redemption may be performed by another Person.

SECTION 3.04.

Effect of Notice of Redemption

. Once notice of redemption is delivered in accordance with Section 3.03 hereof, subject to satisfaction of any conditions precedent relating thereto, Notes called for redemption become irrevocably due and payable on the Redemption Date at the redemption price. The notice, if delivered in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to deliver such notice or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 3.05 hereof, on and after the Redemption Date, interest shall cease to accrue on Notes or portions of Notes called for redemption.

SECTION 3.05.

Deposit of Redemption Price

(a) Prior to 11:00 a.m. (New York City time) on the Redemption Date, the Issuers shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued and unpaid interest on all Notes to be redeemed on that Redemption Date. The Trustee or the Paying Agent shall promptly return to the Issuers any money deposited with the Trustee or the Paying Agent by the Issuers in excess of the amounts necessary to pay the redemption price of, and accrued and unpaid interest on, all Notes to be redeemed.

(b) If the Issuers comply with the provisions of the preceding paragraph (a), on and after the Redemption Date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest to the Redemption Date shall be paid to the Person in whose name such Note was registered at the close of business on such Record Date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Issuers to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the Redemption Date until such principal is paid, and to the extent lawful on any interest accrued to the Redemption Date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

SECTION 3.06.

Notes Redeemed in Part

. Upon surrender of a Definitive Note that is redeemed in part, the Issuers shall issue and the Trustee shall authenticate for the Holder at the expense of the Issuers a new Note equal in principal amount to the unredeemed portion of the Note surrendered representing the same indebtedness to the extent not unredeemed; provided that each new Note will be in a principal amount of \$2,000 and any integral multiple of \$1,000 in excess of \$2,000. It is understood that, notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate such new Note.

SECTION 3.07.

Optional Redemption

(a) At any time prior to the maturity date of the Notes, the Issuers may, at their option and on one or more occasions, redeem all or any portion of the Notes, upon notice as described under Section 3.03 hereof at a redemption price equal to the sum of (i) 100% of the principal amount of the Notes redeemed, *plus* (ii) the Applicable Premium as of the Redemption Date *plus* (iii) accrued and unpaid interest, if any, to, but not including, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date.

SECTION 6.02.

Acceleration

If any Event of Default (other than an Event of Default specified in clause (6) or (7) of Section 6.01 hereof with respect to any of the Issuers or any Guarantor) occurs and is continuing under this Indenture, the Trustee or the Holders of at least 25.0% in principal amount of the then total outstanding Notes may, by written notice to the Issuers, declare all the then outstanding Notes to be due and payable immediately. Upon the effectiveness of such declaration, Holders of the Notes will be entitled, notwithstanding such acceleration, maturity of such Notes of the commencement of bankruptcy, insolvency or liquidation proceedings or any other event of the nature described in clauses (6) or (7) above, and irrespective of how such Notes are subsequently paid or redeemed (including any distribution pursuant to a plan of reorganization), to the payment of all amounts that would have been due upon redemption of the Notes if the Issuers redeemed the Notes at their option at such time pursuant to Section 3.07 hereof, which, for the avoidance of doubt, shall be 100% of the principal amount of Notes at such time plus the Applicable Premium (calculated as though such date were the Redemption Date), and accrued and unpaid interest, if any, to, such time, without prejudice to the rights of such Holders to receive any further accrued and unpaid interest from such date to the date of payment. The Trustee may withhold from the Holders notice of any continuing Default, except a Default relating to the payment of principal, premium, if any, or interest, if it determines that

withholding notice is in the Holders' interest. The Trustee shall have no obligation to accelerate the Notes if, in the best judgment of the Trustee, acceleration is not in the best interests of the Holders.

Notwithstanding the foregoing, in the case of an Event of Default arising under clause (6) or (7) of Section 6.01 hereof with respect to any of the Issuers or any of the Guarantors, all outstanding Notes shall be due and payable immediately without further action or notice, and Holders of the Notes will be entitled, notwithstanding such acceleration, maturity of such Notes of the commencement of bankruptcy, insolvency or liquidation proceedings or any other event of the nature described in clauses (6) or (7) above, and irrespective of how such Notes are subsequently paid or redeemed (including any distribution pursuant to a plan of reorganization), to the payment of all amounts that would have been due upon redemption of the Notes if the Issuers redeemed the Notes at their option at such time pursuant to Section 3.07 hereof, which, for the avoidance of doubt, shall be 100% of the principal amount of Notes at such time plus the Applicable Premium (calculated as though such date were the Redemption Date), and accrued and unpaid interest, if any, to, such time, without prejudice to the rights of such Holders to receive any further accrued and unpaid interest from such date to the date of payment.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of the Holders of all of the Notes rescind any acceleration with respect to the Notes and its consequences if such rescission would not conflict with any judgment of a court of competent jurisdiction and if all existing Events of Default (except a continuing Default in the payment of interest on, premium, if any, or the principal of any Note held by a non-consenting Holder that has become due solely because of the acceleration) have been cured or waived.

SECTION 6.03.

Other Remedies

. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes, this Indenture or the Security Documents.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

SECTION 6.04.

Waiver of Past Defaults

. Subject to Section 6.02 hereof, Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default and its consequences hereunder (except a continuing Default in the payment of the principal of, premium, if any, or interest on, any Note held by a non-consenting Holder) (including in connection with a Change of Control Offer). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.05.

Control by Majority.

. Holders of a majority in principal amount of the then total outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder of a Note or that would involve the Trustee in personal liability.

SECTION 6.06.

Limitation on Suits

. Subject to Section 6.07 hereof, no Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

(1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;

(2) Holders of at least 25.0% in principal amount of the then outstanding Notes have requested in writing the Trustee to pursue the remedy;

(3) Holders have offered the Trustee security or indemnity reasonably satisfactory to it against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and

(5) Holders of a majority in principal amount of the total outstanding Notes have not given the Trustee a written direction inconsistent with such written request within such 60-day period.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

SECTION 6.07.

Rights of Holders to Receive Payment

. Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with a Change of Control Offer), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08.

Collection Suit by Trustee

. If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuers for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 6.09.

Restoration of Rights and Remedies

. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and

such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Issuers, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

SECTION 6.10.

Rights and Remedies Cumulative

. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07 hereof, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11.

Delay or Omission Not Waiver

. No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.12.

Trustee May File Proofs of Claim

. The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuers (or any other obligor upon the Notes including the Guarantors), its creditors or its property and shall be entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

. If the Trustee, Collateral Agent or any Agent collects any money or property pursuant to this Article VI, it shall pay out the money in the following order:

- (i) to the Trustee, Collateral Agent, and any such Agent, their agents and attorneys for amounts due under Section 7.07 hereof and under the Security Documents, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee, Collateral Agent or such Agent and the costs and expenses of collection;
- (ii) to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and
- (iii) to the Issuers or to such party as a court of competent jurisdiction shall direct including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.13.

SECTION 6.14.

Undertaking for Costs

. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10.0% in principal amount of the then outstanding Notes.

ARTICLE VII

TRUSTEE

SECTION 7.01.

Duties of Trustee

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

- (i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph (c) does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.02, 6.04 or 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) The Trustee shall be under no obligation to exercise any of its rights or powers under this Indenture at the request or direction of any of the Holders unless the Holders have offered to the Trustee indemnity or security reasonably satisfactory to it against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuers. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

SECTION 7.02.

Rights of Trustee

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuers and the Guarantors, personally or by agent or attorney at the sole cost of the Issuers and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuers shall be sufficient if signed by an Officer of each of the Issuers.

(f) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(h) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(j) [Reserved]

(k) Delivery of reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuers' compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

(l) The permissive rights of the Trustee to take certain actions under this Indenture shall not be construed as a duty unless so specified herein.

(m) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of Indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuers, personally or by agent or attorney at the sole cost of the Issuers and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(n) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(o) The Trustee may request that the Issuers deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

SECTION 7.03.

Individual Rights of Trustee

. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuers or any of their Affiliates with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as Trustee (if this Indenture has been qualified under the Trust Indenture Act) or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

SECTION 7.04.

Trustee's Disclaimer

. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuers' use of the proceeds from the Notes or any money paid to the Issuers or upon the Issuers' direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

SECTION 7.05.

Notice of Defaults

. If a Default occurs and is continuing and if it is actually known to a Responsible Officer of the Trustee, the Trustee shall deliver to Holders a notice of the Default within 90 days after it occurs. Except in the case of a Default relating to the payment of principal, premium, if any, or interest on any Note, the Trustee may withhold from the Holders notice of any continuing Default if and so long as it in good faith determines that withholding the notice is in the interests of the Holders.

SECTION 7.06.

[Reserved]

SECTION 7.07.

Compensation and Indemnity

. The Issuers shall, jointly and severally, pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the parties shall agree in writing from time to time. The

Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuers shall, jointly and severally, reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Issuers and the Guarantors, jointly and severally, shall indemnify the Trustee and its officers, directors, employees, agents and any predecessor trustee and its officers, directors, employees and agents for, and hold the Trustee harmless against, any and all loss, damage, claims, liability or expense (including attorneys' fees and expenses) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the costs and expenses of enforcing this Indenture against the Issuers or any Guarantor (including this Section 7.07) or defending itself against any claim whether asserted by any Holder, the Issuers or any Guarantor, or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder). The Trustee shall notify the Issuers promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuers shall not relieve the Issuers of their obligations hereunder. The Issuers shall defend the claim and the Trustee may have separate counsel and the Issuer shall pay the fees and expenses of such counsel. The Issuers need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or negligence.

The obligations of the Issuers under this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee.

To secure the payment obligations of the Issuers and the Guarantors in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except for money or property held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(6) or (7) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

SECTION 7.08.

Replacement of Trustee

. A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08. The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuers. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuers in writing. The Issuers may remove the Trustee if:

- (A) the Trustee fails to comply with Section 7.10 hereof;
- (B) the Trustee is adjudged bankrupt or insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(C) a custodian or public officer takes charge of the Trustee or its property;
or

(D) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuers shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuers.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Issuers' expense), the Issuers or the Holders of at least 10.0% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; provided all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuers' obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

SECTION 7.09.

Successor Trustee by Merger, etc

. If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

SECTION 7.10.

Eligibility; Disqualification

. There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has, together with its parent, a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition.

SECTION 7.11.

Collateral Agent

. All of the rights, protections and immunities, including the right to indemnification, granted to the Trustee in this Article 7 shall be applicable to the Collateral Agent.

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 8.01.

Option to Effect Legal Defeasance orCovenant Defeasance

. The Issuers may, at their option and at any time, elect to have either Section 8.2 or 8.03 hereof applied to all outstanding Notes and all obligations of the Guarantors with respect to the Guarantees and the obligations of the Supplemental Guarantor with respect to the Supplemental Guarantee upon compliance with the conditions set forth below in this Article VIII.

SECTION 8.02.

Legal Defeasance and Discharge

. Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuers and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes and Guarantees and the Supplemental Guarantee, if any, on the date the conditions set forth below are satisfied ("Legal Defeasance"). For this purpose, Legal Defeasance means that the Issuers and the Guarantors shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof, and to have satisfied all its other obligations under such Notes and this Indenture (including curing all then existing Events of Default) including that of any Guarantors (and the Trustee, on demand of and at the expense of the Issuers, shall execute proper instruments acknowledging the same) and under the Security Documents, except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (A) the rights of Holders to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due solely out of the trust created pursuant to this Indenture referred to in Section 8.04 hereof;
- (B) the Issuers' obligations with respect to Notes concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (C) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuers' obligations in connection therewith; and
- (D) this Section 8.02.

Subject to compliance with this Article VIII, the Issuers may exercise its option under this Section 8.2 notwithstanding the prior exercise of its option under Section 8.03 hereof.

SECTION 8.03.

Covenant Defeasance

. Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuers and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from their obligations under the covenants contained in Sections 4.03, 4.04, 4.05, 4.07, 4.08, 4.09, 4.11, 4.12, 4.13, 4.14, 4.18 and 4.19 hereof with respect to the outstanding Notes on

and after the date the conditions set forth in Section 8.04 hereof are satisfied (“Covenant Defeasance”), and the Notes shall thereafter be deemed not “outstanding” for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed “outstanding” for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Guarantees and the Supplemental Guarantee the Issuers and the Guarantors and the Supplemental Guarantor may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and the Guarantees and the Supplemental Guarantee, if any, shall be unaffected thereby. In addition, upon the Issuers’ exercise under Section 8.01 hereof of the option applicable to this Section 8.03 hereof, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(3) (solely with respect to the covenants that are released upon a Covenant Defeasance), 6.01(4), 6.01(5), 6.01(6) (solely with respect to the Issuers and the Guarantors), 6.01(7) (solely with respect to the Issuers and the Guarantors) and 6.01(8), 6.01(9), 6.01(10), 6.01(11), 6.01(12) and 6.01(13) hereof shall not constitute Events of Default.

SECTION 8.04.

Conditions to Legal or Covenant Defeasance

. The following shall be the conditions to the application of either Section 8.02 or 8.03 hereof to the outstanding Notes:

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes:

(1) the Issuers must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars, U.S. dollar-denominated Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, investment bank or appraisal firm, to pay the principal of, premium, if any, and interest due on the Notes on the stated maturity date or on the Redemption Date, as the case may be, of such principal, premium, if any, or interest on such Notes and the Issuers must specify whether such Notes are being defeased to maturity or to a particular Redemption Date; provided, that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of redemption (any such amount, the “Applicable Premium Deficit”) only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer’s Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(2) in the case of Legal Defeasance, the Issuers shall have delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions

(A) the Issuers have received from, or there has been published by, the United States Internal Revenue Service a ruling or

(B) since the issuance of the Notes, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the beneficial owners of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes, as applicable, as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuers shall have delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, the beneficial owners of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than this Indenture) to which, any of the Issuers or any Guarantor is a party or by which any of the Issuers or any Guarantor is bound (other than that resulting from any borrowing of funds to be applied to make the deposit required to effect such Legal Defeasance or Covenant Defeasance and any similar and simultaneous deposit relating to other Indebtedness, and, in each case, the granting of Liens in connection therewith);

(6) the Issuers shall have delivered to the Trustee an Opinion of Counsel to the effect that, as of the date of such opinion and subject to customary assumptions and exclusions following the deposit, the trust funds will not be subject to the effect of Section 547 of Title 11 of the United States Code;

(7) the Issuers shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuers with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuers or any Guarantor or others; and

(8) the Issuers shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

Notwithstanding the foregoing, an Opinion of Counsel required by the immediately preceding paragraph with respect to Legal Defeasance need not be delivered if all of the Notes not theretofore delivered to the Trustee for cancellation (x) have become due and payable or (y) will become due and payable within one year or are to be called for redemption within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuers.

All of the Collateral will be released from the Lien securing the Notes, as provided under Section 5.04 hereof, upon a Legal Defeasance or Covenant Defeasance in accordance with the provisions described above.

SECTION 8.05.
Securities to Be Held in Trust; Other Miscellaneous Provisions

Deposited Money and Government

. Subject to Section 8.06 hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuers or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuers shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article VIII to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuers from time to time upon the request of the Issuers any money or Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.06.

Repayment to Issuers

. Subject to any applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Issuers, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall be paid to the Issuers on their request or (if then held by any of the Issuers) shall be discharged from such trust; and the Holder of such Note shall

thereafter look only to the Issuers for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuers as trustee thereof, shall thereupon cease.

SECTION 8.07.

Reinstatement

. If the Trustee or Paying Agent is unable to apply any United States dollars or Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuers' and any Guarantor's obligations under this Indenture and the Notes and the Guarantees and the Supplemental Guarantee, shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; provided that, if the Issuers make any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE IX

AMENDMENT, SUPPLEMENT AND WAIVER

SECTION 9.01.

Without Consent of Holders

. Notwithstanding Section 9.02 hereof, the Issuers, the Guarantors, the Trustee and the Collateral Agent may amend or supplement this Indenture and any Guarantee or the Supplemental Guarantee or Notes or the Security Documents without the consent of any Holder:

- (1) to cure any ambiguity, omission, mistake, defect or inconsistency;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (3) to comply with Section 4.10 hereof;
- (4) to provide the assumption of the Issuers' or any Guarantor's obligations to the Holders;
- (5) to make any change that would provide any additional rights or benefits to the Holders or that does not materially adversely affect the legal rights under this Indenture of any such Holder;
- (6) to add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Issuers or any Guarantor;
- (7) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act, if such qualification is required;

- (8) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee hereunder pursuant to the requirements hereof;
- (9) to provide for the issuance of exchange notes or private exchange notes, which are identical to exchange notes except that they are not freely transferable;
- (10) to add a Guarantor under this Indenture in accordance with the terms of this Indenture;
- (11) [Reserved];
- (12) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes; provided that (a) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (b) such amendment does not materially and adversely affect the rights of Holders to transfer Notes;
- (13) to provide for the issuance of Additional Notes in accordance with the terms of this Indenture;
- (14) to add additional assets as Collateral; or
- (15) to make, complete or confirm any grant of Collateral permitted or required by this Indenture or any of the Security Documents or any release, termination or discharge of Collateral that becomes effective as set forth in this Indenture or any of the Security Documents.

Upon the request of the Issuers accompanied by a resolution of their respective boards of directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof (to the extent requested by the Trustee), the Trustee shall join with the Issuers and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall have the right, but not be obligated to, enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

SECTION 9.02.

With Consent of Holders

. Except as provided below in this Section 9.02, the Issuers, the Guarantors, the Trustee and the Collateral Agent may amend or supplement this Indenture, the Notes and the Guarantees and the Supplemental Guarantee or the Security Documents with the consent of the Holders of at least a majority in principal amount of the Notes (including Additional Notes, if any) then outstanding voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration

that has been rescinded) or compliance with any provision of this Indenture, any Guarantees, the Supplemental Guarantee or the Notes or any Security Document may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes (including Additional Notes, if any) voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes); Section 2.08 hereof and Section 2.09 hereof shall determine which Notes are considered to be “outstanding” for the purposes of this Section 9.02.

Upon the request of the Issuers accompanied by a resolution of their respective boards of directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Issuers (and, in respect of any Guarantee or the Supplemental Guarantee, the applicable Guarantors and the Supplemental Guarantor) in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuers shall deliver to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuers to deliver such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver.

Without the consent of each affected Holder of Notes, an amendment or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) reduce the principal amount of such Notes whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed final maturity of any such Note or reduce the premium payable upon the redemption of such Notes (other than provisions relating to Section 4.14 hereof); provided, that any amendment to the notice requirements may be made with the consent of the Holders of a majority in aggregate principal amount of then outstanding Notes prior to giving of any notice;
- (3) reduce the rate of or change the time for payment of interest on any Note;
- (4) waive a Default in the payment of principal of or premium, if any, or interest on the Notes, except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes (including Additional Notes, if any) and a waiver of the payment default that resulted from such acceleration, or in respect of a covenant or provision contained in this Indenture or any Guarantee or the

Supplemental Guarantee which cannot be amended or modified without the consent of all affected Holders;

- (5) make any Note payable in money other than that stated therein;
- (6) make any change in the provisions of this Indenture relating to waivers of past Defaults;
- (7) make any change in these amendment and waiver provisions;
- (8) impair the right of any Holder to receive payment of principal of, or premium, if any, or interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;
- (9) make any change to or modify the ranking of the Notes that would adversely affect the Holders; or
- (10) except as expressly permitted by this Indenture, modify the Security Documents, the Guarantees of any Guarantor or the Supplemental Guarantee in any manner materially adverse to the Holders.

In addition, without the consent of the Holders of Notes of at least 66 2/3% in principal amount of the Notes then outstanding, (i) no amendment, supplement or waiver may release all or substantially all of the Collateral other than in accordance with this Indenture and the Security Documents and (ii) no amendment or waiver may be made to the provisions of Section 2.08 or Section 2.11.

SECTION 9.03.

[Reserved]

SECTION 9.04.

Revocation and Effect of Consents

. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Issuers may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date unless the consent of the requisite number of Holders has been obtained.

. The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuers in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article IX if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Issuers may not sign an amendment, supplement or waiver until the boards of directors of the Issuers approve it. In executing any amendment, supplement or waiver, the Trustee shall receive, and shall be fully protected in relying conclusively upon, in addition to the documents required by Section 12.04 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuers and any Guarantors party thereto, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof.

. None of the Issuers or the Guarantors shall, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to all Holders and is paid to all Holders that so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement. Notwithstanding the foregoing, the Issuers and the Guarantors shall be permitted, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture, to exclude Holders in any jurisdiction or any category of Holders where (1) the solicitation of such consent, waiver or amendment, including in connection with any tender or exchange offer, or (2) the payment of the consideration therefor, could reasonably be interpreted as requiring the Issuers or any Guarantor to file a registration statement, prospectus or similar document under any applicable securities laws or listing requirements (including, but not limited to, the United States federal securities laws and the laws of the European Union or any of its member states), which the Issuers in their sole discretion reasonably determine (acting in good faith) (a) would be materially burdensome (it being understood that it would not be materially burdensome to file the consent documents used in other jurisdictions, any substantially similar documents or any summary thereof with the securities or financial services authorities in such jurisdiction); or (b) such solicitation would otherwise not be permitted under applicable law in such jurisdiction or with respect to such category of Holders.

ARTICLE X

GUARANTEES

. Each Guarantor, subject to this Article X, hereby, jointly and severally, irrevocably and unconditionally guarantees, on a secured senior basis, to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuers hereunder, that: (a) the principal of and interest and premium, if any, on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuers to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection. The guaranteed Obligations of all Guarantors shall be secured by security interests (subject to Permitted Liens and Liens permitted by Section 4.12) in the Collateral owned by such Guarantor pursuant to the terms of the Security Documents (but subject to the terms and conditions of the Security Documents).

Each Guarantor agrees that its obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuers, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor (other than payment in full of all of the Obligations of the Issuers hereunder and under the Notes). Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuers, any right to require a proceeding first against the Issuers, protest, notice and all demands whatsoever and covenants that this Guarantee shall not be discharged except by full payment of the obligations contained in the Notes and this Indenture or by release in accordance with the provisions of this Indenture.

Each Guarantor hereby also agrees to pay any and all costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

If any Holder or the Trustee is required by any court or otherwise to return to the Issuers, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to the Issuers or any Guarantor, any amount paid either to the Trustee or such Holder, then this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article VI hereof for the

purposes of the Guarantee of such Guarantor, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article VI hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of such Guarantee. The Guarantors shall have the right to seek contribution from any nonpaying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Guarantees.

Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuers for liquidation, reorganization, should the Issuers become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuers' assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or Guarantees, if any, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

The Guarantee issued by any Guarantor shall be a senior first-lien secured obligation of such Guarantor and shall be senior in right of payment to all existing and future senior or secured Indebtedness of such Guarantor.

Each payment to be made by a Guarantor in respect of its Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

Each Holder of Notes, by its acceptance thereof, consents and agrees to the terms of the Supplemental Guarantee Agreement, and authorizes and directs the Trustee to enter into the Supplemental Guarantee Agreement, and to perform its obligations and exercise its rights thereunder in accordance therewith.

SECTION 10.02.

Limitation on Guarantor Liability

. Each Guarantor, and by its acceptance of the Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law affecting the rights of creditors generally to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and each Guarantor irrevocably agree that the obligations of such Guarantor under its Guarantee shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive

contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article X, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's *pro rata* portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

SECTION 10.03.

Execution and Delivery

. To evidence its Guarantee set forth in Section 10.01 hereof, an authorized Officer of each Guarantor hereunder as of the Issue Date shall execute this Indenture, and an authorized Officer of each Person that otherwise becomes a Guarantor hereunder in accordance with Section 4.10 hereof shall execute and deliver to the Trustee a supplemental indenture in substantially the form of Exhibit E hereto.

Each Guarantor hereby agrees that its Guarantee set forth in Section 10.01 hereof shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

If an Officer whose signature is on this Indenture or any supplemental indenture no longer holds that office at the time the Trustee authenticates the Note, the Guarantee shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

SECTION 10.04.

Subrogation

. Each Guarantor is hereby subrogated to all rights of Holders against the Issuers in respect of any amounts paid by any Guarantor pursuant to Section 10.01 hereof; provided that, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuers under this Indenture or the Notes shall have been paid in full.

SECTION 10.05.

Benefits Acknowledged

. Each Guarantor hereby acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Guarantee are knowingly made in contemplation of such benefits.

SECTION 10.06.

Release of Guarantees

. A Guarantee by a Guarantor shall be automatically and unconditionally released and discharged, and no further action by such Guarantor, the Issuers or the Trustee is required for the release of such Guarantor's Guarantee, upon:

(1) the exercise by the Issuers of their Legal Defeasance option or Covenant Defeasance option in accordance with Article VIII hereof or the discharge of the Issuers' obligations under this Indenture in accordance with the terms of this Indenture; and

(2) the Issuers delivering to the Trustee an Officer's Certificate of such Guarantor and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

ARTICLE XI

SATISFACTION AND DISCHARGE

SECTION 11.01.

Satisfaction and Discharge

. This Indenture shall be discharged and shall cease to be of further effect as to all Notes, when either:

(1) all Notes theretofore authenticated and delivered, except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has heretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(2) (A) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuers and the Issuers or any Guarantor have irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, U.S. dollar-denominated Government Securities, or a combination thereof, in such amounts as will be sufficient without consideration of any reinvestment of interest to pay and discharge the entire indebtedness on the Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption; provided, that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(B) the Issuers have paid or caused to be paid all sums payable by it under this Indenture; and

(C) the Issuers have delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or the Redemption Date, as the case may be.

In addition, the Issuers must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money shall have been deposited with the Trustee pursuant to subclause (A) of clause (2) of this Section 11.01, the provisions of Section 11.02 and Section 8.06 hereof shall survive such satisfaction and discharge.

SECTION 11.02.

Application of Trust Money

. Subject to Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuers or a Guarantor acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuers' and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; provided that if the Issuers have made any payment of principal of, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

ARTICLE XII

MISCELLANEOUS

SECTION 12.01.

Security Interest Absolute

. All rights of each Agent hereunder, the security interest in the Collateral as described in Article V and all obligations of each of the Issuers and the Guarantors hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of this Indenture or any of the other Notes Documents, any agreement with respect to any of the Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from this Indenture, any of the other Notes Document or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Obligations or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any of the Issuers or any Guarantors in respect of the Obligations or this Indenture (other than a defense of payment or performance).

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. **INTEREST.** The Issuers, jointly and severally, promise to pay interest on the principal amount of this Note at a rate of 13.00% per annum from the most recent date to which interest has been paid or provided for, or, if no interest has been paid, from [ISSUE DATE]. The Issuer will pay interest on this Note semi-annually in arrears on [March 15] and [September 15] of each year, commencing [September 15, 2017] or, if any such day is not a Business Day, on the next succeeding Business Day (each, an “**Interest Payment Date**”). The Issuers will make each interest payment to the Holder of record of this Note on the immediately preceding [March 1] and [September 1] (each, a “**Record Date**”). Interest on this Note will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance. Principal, interest and premium, if any, on the Notes shall be payable entirely in cash.

The Issuers will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at the rate borne by this Note; the Issuers shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the rate borne by this Note. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. **METHOD OF PAYMENT.** The Issuers shall pay interest on this Note to the Person who is the registered Holder of this Note at the close of business on the Record Date (whether or not a Business Day) next preceding the Interest Payment Date, even if this Note is cancelled after such Record Date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest.

Principal of, premium, if any, and interest on the Notes will be payable at the office or agency of the Issuers maintained pursuant to Section 4.02 of the Indenture or, at the option of the Issuers, payment of interest may be made by check mailed to the Holders of the Notes at their respective addresses set forth in the Note Register; provided that (1) all payments of principal, premium, if any, and interest with respect to the Notes represented by Global Notes registered in the name of, or held by, DTC or its nominee will be made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof, and (2) all payments of principal, premium, if any, and interest with respect to certificated Notes will be made by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion). Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. **PAYING AGENT AND REGISTRAR.** Initially, U.S. Bank National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuers may change

any Paying Agent or Registrar without notice to the Holders. The Issuers or any of their domestic Subsidiaries may act in any such capacity.

4. **INDENTURE.** The Issuers issued the Notes under an Indenture, dated as of [], 2017 (the “**Indenture**”), among the Issuers, the Guarantors, the Trustee and the Collateral Agent. The Issuers shall be entitled to issue Additional Notes pursuant to Sections 2.01 and 4.09 of the Indenture. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. To the extent any provision of this Note conflicts with the express provisions of a Security Document, such Security Document shall govern and be controlling. The Notes are secured obligations of the Issuers on a joint and several basis.

Each Guarantor under the Indenture has, jointly and severally, irrevocably and unconditionally guaranteed, on a secured senior basis, to the extent set forth in, and subject to, the Indenture, that (a) the principal of and interest and premium, if any, on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuers to the Holders or the Trustee hereunder or under the Indenture shall be promptly paid in full, all in accordance with the terms hereof and of the Indenture; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. The obligations of the Guarantors to the Holders and to the Trustee pursuant to the Guarantees and the Indenture, and the limitations thereon, are expressly set forth in Article X of the Indenture.

5. **OPTIONAL REDEMPTION.**

- (a) At any time prior to September 15, 2021, the Issuers may, at their option and on one or more occasions, redeem all or any portion of the Notes, upon notice as described under Section 3.03 of the Indenture, at a redemption price equal to the sum of (i) 100% of the principal amount of the Notes redeemed, *plus* (ii) the Applicable Premium as of the Redemption Date, *plus* (iii) accrued and unpaid interest, if any, to, but not including, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date.
- (b) Except pursuant to clause 5(a) hereof, the Notes will not be redeemable at the Issuers’ option prior to September 15, 2021.
- (c) Any redemption pursuant to this paragraph 5 shall be made pursuant to Sections 3.01 through 3.06 of the Indenture.

6. **MANDATORY REDEMPTION; OFFERS TO PURCHASE.** The Issuers shall not be required to make any mandatory redemption or sinking fund payments with respect to the

Notes. However, under certain circumstances, the Issuers may be required to offer to purchase Notes as described under Section 4.14 of the Indenture.

The Notes are callable upon the occurrence of a Purchase Event (as defined in the Call Right Agreement), as further described in Section 3.09 of the Indenture.

7. **NOTICE OF REDEMPTION.** Subject to Section 3.03 of the Indenture, the Issuers shall deliver electronically, mail or cause to be mailed by first-class mail, postage prepaid, notices of redemption at least 10 days but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed at such Holder's registered address or otherwise in accordance with Applicable Procedures, except that redemption notices may be delivered more than 60 days prior to a Redemption Date if the notice is issued in connection with Article VIII or Article XI of the Indenture. The Issuers may provide in such notice that payment of the redemption price and performance of the Issuers' obligations with respect to such redemption may be performed by another Person.

8. **OFFERS TO REPURCHASE.** Upon the occurrence of a Change of Control, the Issuers shall make a Change of Control Offer in accordance with Section 4.14 of the Indenture.

9. **DENOMINATIONS, TRANSFER, EXCHANGE.** The Notes are in registered form without coupons in denominations of \$2,000 and any integral multiple of \$1,000 in excess of \$2,000. The transfer of Notes shall be registered and Notes may only be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers need not issue, exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuers need not issue, exchange or register the transfer of any Notes for a period of 15 days before the mailing of a notice of redemption of Notes to be redeemed or between a Record Date with respect to such Note and the next succeeding Interest Payment Date with respect to such Note.

10. **SECURITY.** The Notes will be secured by the Collateral on the terms and subject to the conditions set forth in the Indenture, the Intercreditor Agreement and the Security Documents. Each Holder, by accepting this Note, consents and agrees to the terms of the Security Documents (including, without limitation, the provisions providing for foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and the Indenture and authorizes and directs the Collateral Agent to enter into the Security Documents and the Trustee to enter into the Intercreditor Agreement, and to perform its obligations and exercise its rights thereunder in accordance therewith. Enforcement of the Security Documents is subject to the Intercreditor Agreement.

11. **PERSONS DEEMED OWNERS.** The registered Holder shall be treated as its owner for all purposes. Only registered Holders shall have rights hereunder and under the Indenture.

12. **AMENDMENT, SUPPLEMENT AND WAIVER.** The Indenture, the Guarantees, the Security Documents, the Supplemental Guarantee or the Notes may be amended or supplemented as provided in the Indenture.

13. **DEFAULTS AND REMEDIES.** The Events of Default relating to the Notes are defined in Section 6.01 of the Indenture. If any Event of Default (other than an Event of Default specified in clauses (6) or (7) of Section 6.01 of the Indenture with respect to any of the Issuers or any Guarantor) occurs and is continuing, the Trustee or the Holders of at least 25.0% in principal amount of the then outstanding Notes may, by written notice to the Issuers, declare all the then outstanding Notes to be due and payable immediately. Upon the effectiveness of such declaration, Holders of the Notes will be entitled, notwithstanding such acceleration, maturity of such Notes of the commencement of bankruptcy, insolvency or liquidation proceedings or any other event of the nature described in clauses (6) or (7) of Section 6.01 of the Indenture, and irrespective of how such Notes are subsequently paid or redeemed (including any distribution pursuant to a plan of reorganization), to the payment of all amounts that would have been due upon redemption of the Notes if the Issuers redeemed the Notes at their option at such time pursuant to Section 3.07 of the Indenture, which, for the avoidance of doubt, shall be 100% of the principal amount of Notes at such time plus the Applicable Premium (calculated as though such date were the Redemption Date), and accrued and unpaid interest, if any, to, such time, without prejudice to the rights of such Holders to receive any further accrued and unpaid interest from such date to the date of payment.

Notwithstanding the foregoing, in the case of an Event of Default arising under clauses (6) or (7) of Section 6.01 of the Indenture with respect to any of the Issuers or any Guarantor, all outstanding Notes will become due and payable immediately without further action or notice, and Holders of the Notes will be entitled, notwithstanding such acceleration, maturity of such Notes of the commencement of bankruptcy, insolvency or liquidation proceedings or any other event of the nature described in clauses (6) or (7) of Section 6.01 of the Indenture, and irrespective of how such Notes are subsequently paid or redeemed (including any distribution pursuant to a plan of reorganization), to the payment of all amounts that would have been due upon redemption of the Notes if the Issuers redeemed the Notes at their option at such time pursuant to Section 3.07 of the Indenture, which, for the avoidance of doubt, shall be 100% of the principal amount of Notes at such time plus the Applicable Premium (calculated as though such date were the Redemption Date), and accrued and unpaid interest, if any, to, such time, without prejudice to the rights of such Holders to receive any further accrued and unpaid interest from such date to the date of payment.

Holders may not enforce the Indenture, the Notes or any Guarantees except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default (except a Default relating to the payment of principal, premium, if any, or interest) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the Notes then outstanding by written notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default or and its consequences under the Indenture except a continuing Default in payment of the principal of, premium, if any, or interest on, any of the Notes held by a non-consenting Holder. The Issuers are required to deliver to the Trustee annually a statement

regarding compliance with the Indenture, and the Issuers are required within ten (10) Business Days after becoming aware of any Default, to deliver to the Trustee a statement specifying such Default and what action the Issuers propose to take with respect thereto.

14. **AUTHENTICATION.** This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until authenticated by the manual signature of the Trustee.

15. **GOVERNING LAW.** THE INDENTURE, THIS NOTE AND ANY GUARANTEE WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

16. **CUSIP AND ISIN NUMBERS.** Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP and ISIN numbers to be printed on the Notes and the Trustee may use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Issuers will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to the Issuers at the following address:

Except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Issuers. Proof of execution of any such instrument or of a writing appointing any such agent, or the holding by any Person of a Note,

shall be sufficient for any purpose of this Indenture and (subject to Section 7.01 hereof) conclusive in favor of the Trustee and the Issuers, if made in the manner provided in this Section 1.05.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by or on behalf of any legal entity other than an individual, such certificate or affidavit shall also constitute proof of the authority of the Person executing the same. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that the Trustee deems sufficient.

(e) The Issuers may set a record date for purposes of determining the identity of Holders entitled to give any request, demand, authorization, direction, notice, consent, waiver or take any other act, or to vote or consent to any action by vote or consent authorized or permitted to be given or taken by Holders. Unless otherwise specified, if not set by the Issuers prior to the first solicitation of a Holder made by any Person in respect of any such action, or in the case of any such vote, prior to such vote, any such record date shall be the later of 10 days prior to the first solicitation of such consent or the date of the most recent list of Holders furnished to the Trustee prior to such solicitation.

(f) Without limiting the foregoing, a Holder entitled to take any action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents, each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any notice given or action taken by a Holder or its agents with regard to different parts of such principal amount pursuant to this paragraph shall have the same effect as if given or taken by separate Holders of each such different part.

No such request, demand, authorization, direction, notice, consent, waiver or other action shall be valid or effective if made, given or taken more than 90 days after such record date.

Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

(d) Terms. The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is subject to Section 4.09.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture and the Issuers and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

SECTION 2.02.

Execution and Authentication

. At least one Officer of each of the Issuers shall execute the Notes on behalf each of the Issuers by manual, facsimile or electronic (in “.pdf” format) signature.

If an Officer of any of the Issuers whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall nevertheless be valid.

A Note shall not be entitled to any benefit under this Indenture or be valid or obligatory for any purpose until authenticated substantially in the form of Exhibit A attached hereto, by the manual signature of the Trustee. The signature shall be conclusive evidence that the Note has been duly authenticated and delivered under this Indenture.

On the Issue Date, the Trustee shall, upon receipt of an Issuers’ Order (an “Authentication Order”), authenticate and deliver the Initial Notes in the aggregate principal amount or amounts specified in such Authentication Order. In addition, at any time, from time to time, the Trustee shall, upon receipt of an Authentication Order, authenticate and deliver any Additional Notes for an aggregate principal amount specified in such Authentication Order for such Additional Notes.

The Trustee may appoint an authenticating agent acceptable to the Issuers to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Issuers.

SECTION 2.03.

Registrar and Paying Agent

. The Issuers shall maintain in the United States (i) an office or agency where Notes may be presented for registration of transfer or for exchange (“Registrar”) and (ii) an office or agency where Notes may be presented for payment (“Paying Agent”). The Registrar shall keep a register of the Notes (“Note Register”) and of their transfer and exchange. The registered Holder of a Note will be treated as the owner of the Note for all purposes. Only registered Holders shall have rights under this Indenture and the Notes. The Issuers may appoint one or more co-registrars and one or more additional paying agents. The term “Registrar” includes any co-registrar, and the term “Paying Agent” includes any additional paying agents. The Issuers initially appoint the Trustee as Paying Agent. The Issuers shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Issuers fail to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall, to the extent that it is capable, act as such. The Issuers or any of their domestic Subsidiaries may act as Paying Agent or Registrar.

The Issuers initially appoint The Depository Trust Company (“DTC”) to act as Depository with respect to the Global Notes representing the Notes.

The Issuers initially appoint the Trustee to act as the Registrar for the Notes.

SECTION 2.04.

Paying Agent to Hold Money in Trust

. The Issuers shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal, premium, if any, or interest on the Notes, and will notify the Trustee of any default by the Issuers in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuers at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Issuers or a Subsidiary) shall have no further liability for the money. If either of the Issuers or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Issuers, the Trustee shall serve as Paying Agent for the Notes.

SECTION 2.05.

Holder Lists

. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. (a) Transfer and Exchange of Global Notes. Except as otherwise set forth in this Section 2.06, a Global Note may be transferred, in whole and not in part, only to another nominee of the Depository or to a successor thereto or a nominee of such successor thereto. A beneficial interest in a Global Note may not be exchanged for a Definitive Note of the same series unless (A) the Depository (x) notifies the Issuers that it is unwilling or unable to continue as Depository for such Global Note or (y) has ceased to be a clearing agency registered under the Exchange Act, and, in either case, a successor Depository is not appointed by the Issuers within 120 days, (B) the Issuers, at their option, notify the Trustee in writing that they elect to cause the issuance of Definitive Notes (although Regulation S Temporary Global Notes at the Issuers' election pursuant to this clause may not be exchanged for Definitive Notes prior to (1) the expiration of the applicable Restricted Period and (2) the receipt of any certificate required pursuant to Rule 903(b)(3)(ii)(B)) or (C) upon the request of the Depository if there shall have occurred and be continuing an Event of Default with respect to the Notes. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 hereof. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note of the same series or any portion thereof, pursuant to this Section 2.06 or Sections 2.07 or 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note, except for Definitive Notes issued subsequent to any of the events in (A), (B) or (C) above and pursuant to Section 2.06(c) hereof. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a); provided, however, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b), (c) or (f) hereof.

(b) Transfer and Exchange of Beneficial Interests in the Global Notes. In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(i) hereof, the transferor of such beneficial interest must deliver to the Registrar either (A) (1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase or (B) (1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Note of the same series in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (1) above; provided that in no event shall Definitive Notes be issued upon the transfer or exchange of beneficial interests in the Regulation S Temporary Global Note prior to (A) the expiration of the Restricted Period therefor and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B). Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.06(h) hereof.

(iii) Transfer of Beneficial Interests to Another Restricted Global Note. A beneficial interest in any Restricted Global Note may be transferred to a Person who

and, in each such case set forth in this subparagraph (D), if the Registrar or the Issuers so request or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Issuers to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected pursuant to subparagraph (D) above at a time when an Unrestricted Global Note has not yet been issued, the Issuers shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraph (D) above.

(ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuers shall require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.07, 2.10, 3.06, 4.14 and 9.05 hereof).

(iii) The Issuers shall not be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the mailing of a notice of redemption of the Notes to be redeemed under Section 3.03 hereof and ending at the close of business on the day of such mailing, (B) to register the transfer of or to exchange a Note between a Record Date with respect to such Note and the next succeeding Interest Payment Date with respect to such Note, (C) to register the transfer of or to exchange any Note so selected for redemption in whole or in

(v) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuers, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(vi) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuers may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of (and premium, if any) and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuers shall be affected by notice to the contrary.

(vii) Upon surrender for registration of transfer of any Note at the office or agency of the Issuers designated pursuant to Section 4.02 hereof, the Issuers shall execute, and the Trustee shall authenticate and mail, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(xi) Neither the Trustee nor any Agent shall have any responsibility or liability for any actions taken or not taken by the Depository.

SECTION 2.07.

Replacement Notes

. If (i) any mutilated Note is surrendered to the Trustee, the Registrar or the Issuers or (ii) each of the Trustee and the Issuers receives evidence to its satisfaction of the ownership and destruction, loss or theft of any Note, then the Issuers shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements are met. An indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuers to protect the Issuers, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuers and the Trustee may charge the Holder for their expenses in replacing a Note.

Every replacement Note is a contractual obligation of the Issuers and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

SECTION 2.08.

Outstanding Notes

. The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof and those described in this Section 2.08 as not outstanding.

Any Notes acquired by any of the Issuers or the Guarantors or by any Affiliate of the Issuers or a Guarantor shall be cancelled pursuant to Section 2.11 (and, if not cancelled by the Issuers, shall be deemed to be cancelled) and be deemed to be no longer outstanding under this Indenture; provided that the foregoing shall not apply to any Additional Notes initially issued pursuant to Section 4.09(iii) hereof to any such Affiliate or held by any transferee of such Affiliate that is an Affiliate of such Affiliate (the foregoing proviso to only be applicable so long as such Additional Notes are held by such Affiliate or Transferee).

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code).

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Issuers or a Guarantor or an Affiliate of the Issuers or a Guarantor) holds, on a Redemption Date or maturity date, money sufficient to pay Notes (or portions thereof) payable on that date, then on and after that date such Notes (or portions thereof) shall be deemed to be no longer outstanding and shall cease to accrue interest.

SECTION 2.09.

Treasury Notes

. In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes

owned by the Issuers or a Guarantor or by any Affiliate of the Issuers or a Guarantor, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to such pledged Notes and that the pledgee is not the Issuers or a Guarantor or any Affiliate of the Issuers or a Guarantor.

SECTION 2.10.

Temporary Notes

. Until certificates representing Notes are ready for delivery, the Issuers may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Issuers consider appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuers shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes.

Holders and beneficial holders, as the case may be, of temporary Notes shall be entitled to all of the benefits accorded to Holders, or beneficial holders, respectively, of Notes under this Indenture.

SECTION 2.11.

Cancellation

. The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such cancelled Notes in accordance with its customary procedures (subject to the record retention requirement of the Exchange Act). Evidence of the cancellation of all surrendered Notes shall be delivered to the Issuers at the Issuers' written request. The Issuers may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

If any of the Issuers or the Guarantors or any Affiliate of the Issuers or a Guarantor shall acquire any of the Notes, the Issuers shall deliver such Notes to the Trustee for cancellation (and, if not so delivered for cancellation, shall be deemed to be cancelled); provided that the foregoing shall not apply to any Additional Notes initially issued pursuant to Section 4.09(iii) hereof to any such Affiliate or held by any transferee of such Affiliate that is an Affiliate of such Affiliate (the foregoing proviso to only be applicable so long as such Additional Notes are held by such Affiliate or Transferee).

SECTION 2.12.

Defaulted Interest

. If the Issuers default in a payment of interest on the Notes, the Issuers shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuers may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Issuers shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuers shall deposit with the Trustee an amount of

money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Trustee shall fix or cause to be fixed any such special record date and payment date; provided that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. The Trustee shall promptly notify the Issuers of any such special record date. At least 15 days before any such special record date, the Issuers (or, upon the written request of the Issuers, the Trustee in the name and at the expense of the Issuers) shall mail or cause to be mailed, first-class postage prepaid, or otherwise deliver in accordance with the Applicable Procedures, to each Holder, with a copy to the Trustee, a notice at his or her address as it appears in the Note Register that states the special record date, the related payment date and the amount of such interest to be paid.

Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.13.

CUSIP/ISIN Numbers

. The Issuers in issuing the Notes may use CUSIP and ISIN numbers (in each case, if then generally in use) and, if so, the Trustee shall use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuers will as promptly as practicable notify the Trustee in writing of any change in the CUSIP and ISIN numbers.

ARTICLE III

REDEMPTION

SECTION 3.01.

Notices to Trustee

. If the Issuers elect to redeem the Notes pursuant to Section 3.07 hereof, the Issuers shall furnish to the Trustee, at least two Business Days (unless a shorter period shall be agreed to by the Trustee) before notice of redemption is required to be delivered to Holders pursuant to Section 3.03 hereof, an Officer's Certificate setting forth (i) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption shall occur, (ii) the date of redemption (the "Redemption Date"), (iii) the principal amount of the Notes to be redeemed and (iv) the redemption price.

SECTION 3.02.

Selection of Notes to Be Redeemed

. If less than all of the Notes are to be redeemed at any time, the Trustee shall select the Notes to be redeemed (a) if the Notes are listed on an exchange, in compliance with the requirements of such exchange or (b) on a pro rata basis to the extent practicable, or, if the pro rata basis is not practicable for any reason, by lot or by such other method as the Trustee shall deem fair and appropriate in accordance with the Applicable Procedures of the Depository. In the event of partial redemption

by lot, the particular Notes to be redeemed shall be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the Redemption Date by the Trustee from the outstanding Notes not previously called for redemption.

The Trustee shall promptly notify the Issuer in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. No Notes of \$2,000 or less may be redeemed in part, except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder shall be redeemed. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption

SECTION 3.03.

Notice of Redemption

. The Issuers shall deliver electronically, mail or cause to be mailed by first-class mail, postage prepaid, notices of redemption at least 10 days but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed at such Holder's registered address or otherwise in accordance with Applicable Procedures, except that redemption notices may be delivered more than 60 days prior to a Redemption Date if the notice is issued in connection with Article VIII or Article XI hereof.

The notice shall identify the Notes to be redeemed and shall state:

(a) the Redemption Date;

(b) the redemption price;

(c) if any Definitive Note is to be redeemed in part only, the portion of the principal amount of that Note that is to be redeemed and that, after the Redemption Date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion of the original Note representing the same indebtedness to the extent not redeemed will be issued in the name of the Holder upon cancellation of the original Note;

(d) the name and address of the Paying Agent;

(e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(f) that, unless the Issuers default in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;

(g) the paragraph or subparagraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(h) the CUSIP and ISIN number, if any, printed on the Notes being redeemed and that no representation is made as to the correctness or accuracy of any such CUSIP and ISIN number that is listed in such notice or printed on the Notes.

At the Issuers' request, the Trustee shall give the notice of redemption in the Issuers' name and at their expense; provided that the Issuers shall have delivered to the Trustee, at least five days before notice of redemption is required to be delivered to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

If any Notes are listed on an exchange, and the rules of such exchange so require, the Issuers will notify the exchange of any such redemption and, if applicable, of the principal amount of any Notes outstanding following any partial redemption of Notes. The Issuers may provide in such notice that payment of the redemption price and performance of the Issuers' obligations with respect to such redemption may be performed by another Person.

SECTION 3.04.

Effect of Notice of Redemption

. Once notice of redemption is delivered in accordance with Section 3.03 hereof, subject to satisfaction of any conditions precedent relating thereto, Notes called for redemption become irrevocably due and payable on the Redemption Date at the redemption price. The notice, if delivered in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to deliver such notice or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 3.05 hereof, on and after the Redemption Date, interest shall cease to accrue on Notes or portions of Notes called for redemption.

SECTION 3.05.

Deposit of Redemption Price

(a) Prior to 11:00 a.m. (New York City time) on the Redemption Date, the Issuers shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued and unpaid interest on all Notes to be redeemed on that Redemption Date. The Trustee or the Paying Agent shall promptly return to the Issuers any money deposited with the Trustee or the Paying Agent by the Issuers in excess of the amounts necessary to pay the redemption price of, and accrued and unpaid interest on, all Notes to be redeemed.

(b) If the Issuers comply with the provisions of the preceding paragraph (a), on and after the Redemption Date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest to the Redemption Date shall be paid to the Person in whose name such Note was registered at the close of business on such Record Date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Issuers to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the Redemption Date until such principal is paid, and to the extent lawful on any interest accrued to the Redemption Date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

SECTION 3.06.

Notes Redeemed in Part

. Upon surrender of a Definitive Note that is redeemed in part, the Issuers shall issue and the Trustee shall authenticate

for the Holder at the expense of the Issuers a new Note equal in principal amount to the unredeemed portion of the Note surrendered representing the same indebtedness to the extent not redeemed; provided that each new Note will be in a principal amount of \$2,000 and any integral multiple of \$1,000 in excess of \$2,000. It is understood that, notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate such new Note.

SECTION 3.07.

Optional Redemption

SECTION 6.02.

Acceleration

If any Event of Default (other than an Event of Default specified in clause (6) or (7) of Section 6.01 hereof with respect to any of the Issuers or any Guarantor) occurs and is continuing under this Indenture, the Trustee or the Holders of at least 25.0% in principal amount of the then total outstanding Notes may, by written notice to the Issuers, declare all the then outstanding Notes to be due and payable immediately. Upon the effectiveness of such declaration, Holders of the Notes will be entitled, notwithstanding such acceleration, maturity of such Notes of the commencement of bankruptcy, insolvency or liquidation proceedings or any other event of the nature described in clauses (6) or (7) above, and irrespective of how such Notes are subsequently paid or redeemed (including any distribution pursuant to a plan of reorganization), to the payment of all amounts that would have been due upon redemption of the Notes if the Issuers redeemed the Notes at their option at such time pursuant to Section 3.07 hereof, which, for the avoidance of doubt, shall be 100% of the principal amount of Notes at such time plus the Applicable Premium (calculated as though such date were the Redemption Date), and accrued and unpaid interest, if any, to, such time, without prejudice to the rights of such Holders to receive any further accrued and unpaid interest from such date to the date of payment. The Trustee may withhold from the Holders notice of any continuing Default, except a Default relating to the payment of principal, premium, if any, or interest, if it determines that withholding notice is in the Holders’ interest. The Trustee shall have no obligation to accelerate the Notes if, in the best judgment of the Trustee, acceleration is not in the best interests of the Holders.

Notwithstanding the foregoing, in the case of an Event of Default arising under clause (6) or (7) of Section 6.01 hereof with respect to any of the Issuers or any of the Guarantors, all outstanding Notes shall be due and payable immediately without further action or notice, and Holders of the Notes will be entitled, notwithstanding such acceleration, maturity of such Notes of the commencement of bankruptcy, insolvency or liquidation proceedings or any other event of the nature described in clauses (6) or (7) above, and irrespective of how such Notes are subsequently paid or redeemed (including any distribution pursuant to a plan of reorganization), to the payment of all amounts that would have been due upon redemption of the Notes if the Issuers redeemed the Notes at their option at such time pursuant to Section 3.07 hereof, which, for the avoidance of doubt, shall be 100% of the principal amount of Notes at such time plus the Applicable Premium (calculated as though such date were the Redemption Date), and accrued and unpaid interest, if any, to, such time, without prejudice to the rights of such Holders to receive any further accrued and unpaid interest from such date to the date of payment.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of the Holders of all of the Notes rescind any acceleration with respect to the Notes and its consequences if such rescission would not conflict with any judgment of a court of competent jurisdiction and if all existing Events of Default (except a continuing Default in the payment of interest on, premium, if any, or the principal of any Note held by a non-consenting Holder that has become due solely because of the acceleration) have been cured or waived.

SECTION 6.03.

Other Remedies

. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes, this Indenture or the Security Documents.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

SECTION 6.04.

Waiver of Past Defaults

. Subject to Section 6.02 hereof, Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default and its consequences hereunder (except a continuing Default in the payment of the principal of, premium, if any, or interest on, any Note held by a non-consenting Holder) (including in connection with a Change of Control Offer). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.05.

Control by Majority

. Holders of a majority in principal amount of the then total outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power

conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder of a Note or that would involve the Trustee in personal liability.

SECTION 6.06.

Limitation on Suits

. Subject to Section 6.07 hereof, no Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 25.0% in principal amount of the then outstanding Notes have requested in writing the Trustee to pursue the remedy;
- (3) Holders have offered the Trustee security or indemnity reasonably satisfactory to it against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and
- (5) Holders of a majority in principal amount of the total outstanding Notes have not given the Trustee a written direction inconsistent with such written request within such 60-day period.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

SECTION 6.07.

Rights of Holders to Receive Payment

. Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with a Change of Control Offer), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08.

Collection Suit by Trustee

. If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuers for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 6.09.

Restoration of Rights and Remedies

. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Issuers, the Trustee and the Holders shall be restored

severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

SECTION 6.10.

Rights and Remedies Cumulative

. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07 hereof, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11.

Delay or Omission Not Waiver

. No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.12.

Trustee May File Proofs of Claim

. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.13.

. If the Trustee, Collateral Agent or any Agent collects any money or property pursuant to this Article VI, it shall pay out the money in the following order:

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10.0% in principal amount of the then outstanding Notes.

ARTICLE VII

TRUSTEE

SECTION 7.01.

Duties of Trustee

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements

of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph (c) does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.02, 6.04 or 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) The Trustee shall be under no obligation to exercise any of its rights or powers under this Indenture at the request or direction of any of the Holders unless the Holders have offered to the Trustee indemnity or security reasonably satisfactory to it against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuers. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

SECTION 7.02.

Rights of Trustee

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuers and the Guarantors, personally or by agent or attorney at the sole cost of the Issuers and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or

any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuers shall be sufficient if signed by an Officer of each of the Issuers.

(f) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(h) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(j) [Reserved]

(k) Delivery of reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuers' compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

(l) The permissive rights of the Trustee to take certain actions under this Indenture shall not be construed as a duty unless so specified herein.

(m) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of Indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuers, personally or by agent or attorney at the sole cost of the Issuers and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(n) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(o) The Trustee may request that the Issuers deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

SECTION 7.03.

Individual Rights of Trustee

. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuers or any of their Affiliates with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as Trustee (if this Indenture has been qualified under the Trust Indenture Act) or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

SECTION 7.04.

Trustee's Disclaimer

. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuers' use of the proceeds from the Notes or any money paid to the Issuers or upon the Issuers' direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

SECTION 7.05.

Notice of Defaults

. If a Default occurs and is continuing and if it is actually known to a Responsible Officer of the Trustee, the Trustee shall deliver to Holders a notice of the Default within 90 days after it occurs. Except in the case of a Default relating to the payment of principal, premium, if any, or interest on any Note, the Trustee may withhold from the Holders notice of any continuing Default if and so long as it in good faith determines that withholding the notice is in the interests of the Holders.

SECTION 7.06.

[Reserved]

SECTION 7.07.

Compensation and Indemnity

. The Issuers shall, jointly and severally, pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuers shall, jointly and severally, reimburse the Trustee promptly upon

request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Issuers and the Guarantors, jointly and severally, shall indemnify the Trustee and its officers, directors, employees, agents and any predecessor trustee and its officers, directors, employees and agents for, and hold the Trustee harmless against, any and all loss, damage, claims, liability or expense (including attorneys' fees and expenses) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the costs and expenses of enforcing this Indenture against the Issuers or any Guarantor (including this Section 7.07) or defending itself against any claim whether asserted by any Holder, the Issuers or any Guarantor, or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder). The Trustee shall notify the Issuers promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuers shall not relieve the Issuers of their obligations hereunder. The Issuers shall defend the claim and the Trustee may have separate counsel and the Issuer shall pay the fees and expenses of such counsel. The Issuers need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or negligence.

The obligations of the Issuers under this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee.

To secure the payment obligations of the Issuers and the Guarantors in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except for money or property held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(6) or (7) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

SECTION 7.08.

Replacement of Trustee

. A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08. The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuers. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuers in writing. The Issuers may remove the Trustee if:

- (A) the Trustee fails to comply with Section 7.10 hereof;
 - (B) the Trustee is adjudged bankrupt or insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
 - (C) a custodian or public officer takes charge of the Trustee or its property;
- or

(D)

the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuers shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuers.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Issuers' expense), the Issuers or the Holders of at least 10.0% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; provided all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuers' obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

SECTION 7.09.

Successor Trustee by Merger, etc

. If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

SECTION 7.10.

Eligibility; Disqualification

. There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has, together with its parent, a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition.

SECTION 7.11.

Collateral Agent

. All of the rights, protections and immunities, including the right to indemnification, granted to the Trustee in this Article 7 shall be applicable to the Collateral Agent.

ARTICLE VIII

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Covenant Defeasance

. The Issuers may, at their option and at any time, elect to have either Section 8.2 or 8.03 hereof applied to all outstanding Notes and all obligations of the Guarantors with respect to the Guarantees and the obligations of the Supplemental Guarantor with respect to the Supplemental Guarantee upon compliance with the conditions set forth below in this Article VIII.

SECTION 8.02.

Legal Defeasance and Discharge

. Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuers and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes and Guarantees and the Supplemental Guarantee, if any, on the date the conditions set forth below are satisfied ("Legal Defeasance"). For this purpose, Legal Defeasance means that the Issuers and the Guarantors shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof, and to have satisfied all its other obligations under such Notes and this Indenture (including curing all then existing Events of Default) including that of any Guarantors (and the Trustee, on demand of and at the expense of the Issuers, shall execute proper instruments acknowledging the same) and under the Security Documents, except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (A) the rights of Holders to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due solely out of the trust created pursuant to this Indenture referred to in Section 8.04 hereof;
- (B) the Issuers' obligations with respect to Notes concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (C) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuers' obligations in connection therewith; and
- (D) this Section 8.02.

Subject to compliance with this Article VIII, the Issuers may exercise its option under this Section 8.2 notwithstanding the prior exercise of its option under Section 8.03 hereof.

SECTION 8.03.

Covenant Defeasance

. Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuers and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from their obligations under the covenants contained in Sections 4.03, 4.04, 4.05, 4.07, 4.08, 4.09, 4.11, 4.12, 4.13, 4.14, 4.18 and 4.19 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied ("Covenant Defeasance"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof)

in connection with such covenants, but shall continue to be deemed “outstanding” for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Guarantees and the Supplemental Guarantee the Issuers and the Guarantors and the Supplemental Guarantor may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and the Guarantees and the Supplemental Guarantee, if any, shall be unaffected thereby. In addition, upon the Issuers’ exercise under Section 8.01 hereof of the option applicable to this Section 8.03 hereof, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(3) (solely with respect to the covenants that are released upon a Covenant Defeasance), 6.01(4), 6.01(5), 6.01(6) (solely with respect to the Issuers and the Guarantors), 6.01(7) (solely with respect to the Issuers and the Guarantors) and 6.01(8), 6.01(9), 6.01(10), 6.01(11), 6.01(12) and 6.01(13) hereof shall not constitute Events of Default.

SECTION 8.04.

Conditions to Legal or Covenant Defeasance

. The following shall be the conditions to the application of either Section 8.02 or 8.03 hereof to the outstanding Notes:

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes:

(1) the Issuers must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars, U.S. dollar-denominated Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, investment bank or appraisal firm, to pay the principal of, premium, if any, and interest due on the Notes on the stated maturity date or on the Redemption Date, as the case may be, of such principal, premium, if any, or interest on such Notes and the Issuers must specify whether such Notes are being defeased to maturity or to a particular Redemption Date; provided, that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of redemption (any such amount, the “Applicable Premium Deficit”) only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer’s Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(2) in the case of Legal Defeasance, the Issuers shall have delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions

(A) the Issuers have received from, or there has been published by, the United States Internal Revenue Service a ruling or

(B) since the issuance of the Notes, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the beneficial owners of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes, as applicable, as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuers shall have delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions, the beneficial owners of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than this Indenture) to which, any of the Issuers or any Guarantor is a party or by which any of the Issuers or any Guarantor is bound (other than that resulting from any borrowing of funds to be applied to make the deposit required to effect such Legal Defeasance or Covenant Defeasance and any similar and simultaneous deposit relating to other Indebtedness, and, in each case, the granting of Liens in connection therewith);

(6) the Issuers shall have delivered to the Trustee an Opinion of Counsel to the effect that, as of the date of such opinion and subject to customary assumptions and exclusions following the deposit, the trust funds will not be subject to the effect of Section 547 of Title 11 of the United States Code;

(7) the Issuers shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuers with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuers or any Guarantor or others; and

(8) the Issuers shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

Notwithstanding the foregoing, an Opinion of Counsel required by the immediately preceding paragraph with respect to Legal Defeasance need not be delivered if all of the Notes not theretofore delivered to the Trustee for cancellation (x) have become due and payable or (y) will become due and payable within one year or are to be called for redemption within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuers.

All of the Collateral will be released from the Lien securing the Notes, as provided under Section 5.04 hereof, upon a Legal Defeasance or Covenant Defeasance in accordance with the provisions described above.

SECTION 8.05.
Securities to Be Held in Trust; Other Miscellaneous Provisions

Deposited Money and Government

. Subject to Section 8.06 hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the “Trustee”) pursuant to Section 8.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuers or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuers shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article VIII to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuers from time to time upon the request of the Issuers any money or Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.06.

Repayment to Issuers

. Subject to any applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Issuers, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall be paid to the Issuers on their request or (if then held by any of the Issuers) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Issuers for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuers as trustee thereof, shall thereupon cease.

SECTION 8.07.

Reinstatement

. If the Trustee or Paying Agent is unable to apply any United States dollars or Government Securities in accordance with Section 8.02

or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuers' and any Guarantor's obligations under this Indenture and the Notes and the Guarantees and the Supplemental Guarantee, shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; provided that, if the Issuers make any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE IX

AMENDMENT, SUPPLEMENT AND WAIVER

SECTION 9.01.

Without Consent of Holders

. Notwithstanding Section 9.02 hereof, the Issuers, the Guarantors, the Trustee and the Collateral Agent may amend or supplement this Indenture and any Guarantee or the Supplemental Guarantee or Notes or the Security Documents without the consent of any Holder:

- (1) to cure any ambiguity, omission, mistake, defect or inconsistency;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (3) to comply with Section 4.10 hereof;
- (4) to provide the assumption of the Issuers' or any Guarantor's obligations to the Holders;
- (5) to make any change that would provide any additional rights or benefits to the Holders or that does not materially adversely affect the legal rights under this Indenture of any such Holder;
- (6) to add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Issuers or any Guarantor;
- (7) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act, if such qualification is required;
- (8) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee hereunder pursuant to the requirements hereof;
- (9) to provide for the issuance of exchange notes or private exchange notes, which are identical to exchange notes except that they are not freely transferable;

- (10) to add a Guarantor under this Indenture in accordance with the terms of this Indenture;
- (11) [Reserved];
- (12) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes; provided that (a) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (b) such amendment does not materially and adversely affect the rights of Holders to transfer Notes;
- (13) to provide for the issuance of Additional Notes in accordance with the terms of this Indenture;
- (14) to add additional assets as Collateral; or
- (15) to make, complete or confirm any grant of Collateral permitted or required by this Indenture or any of the Security Documents or any release, termination or discharge of Collateral that becomes effective as set forth in this Indenture or any of the Security Documents.

Upon the request of the Issuers accompanied by a resolution of their respective boards of directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof (to the extent requested by the Trustee), the Trustee shall join with the Issuers and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall have the right, but not be obligated to, enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

SECTION 9.02.

With Consent of Holders

. Except as provided below in this Section 9.02, the Issuers, the Guarantors, the Trustee and the Collateral Agent may amend or supplement this Indenture, the Notes and the Guarantees and the Supplemental Guarantee or the Security Documents with the consent of the Holders of at least a majority in principal amount of the Notes (including Additional Notes, if any) then outstanding voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, any Guarantees, the Supplemental Guarantee or the Notes or any Security Document may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes (including Additional Notes, if any) voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes); Section 2.08 hereof and

Section 2.09 hereof shall determine which Notes are considered to be “outstanding” for the purposes of this Section 9.02.

Upon the request of the Issuers accompanied by a resolution of their respective boards of directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Issuers (and, in respect of any Guarantee or the Supplemental Guarantee, the applicable Guarantors and the Supplemental Guarantor) in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuers shall deliver to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuers to deliver such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver.

Without the consent of each affected Holder of Notes, an amendment or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) reduce the principal amount of such Notes whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed final maturity of any such Note or reduce the premium payable upon the redemption of such Notes (other than provisions relating to Section 4.14 hereof); provided, that any amendment to the notice requirements may be made with the consent of the Holders of a majority in aggregate principal amount of then outstanding Notes prior to giving of any notice;
- (3) reduce the rate of or change the time for payment of interest on any Note;
- (4) waive a Default in the payment of principal of or premium, if any, or interest on the Notes, except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes (including Additional Notes, if any) and a waiver of the payment default that resulted from such acceleration, or in respect of a covenant or provision contained in this Indenture or any Guarantee or the Supplemental Guarantee which cannot be amended or modified without the consent of all affected Holders;
- (5) make any Note payable in money other than that stated therein;

- (6) make any change in the provisions of this Indenture relating to waivers of past Defaults;
- (7) make any change in these amendment and waiver provisions;
- (8) impair the right of any Holder to receive payment of principal of, or premium, if any, or interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;
- (9) make any change to or modify the ranking of the Notes that would adversely affect the Holders; or
- (10) except as expressly permitted by this Indenture, modify the Security Documents, the Guarantees of any Guarantor or the Supplemental Guarantee in any manner materially adverse to the Holders.

In addition, without the consent of the Holders of Notes of at least 66 2/3% in principal amount of the Notes then outstanding, (i) no amendment, supplement or waiver may release all or substantially all of the Collateral other than in accordance with this Indenture and the Security Documents and (ii) no amendment or waiver may be made to the provisions of Section 2.08 or Section 2.11.

SECTION 9.03.

[Reserved]

SECTION 9.04.

Revocation and Effect of Consents

. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Issuers may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date unless the consent of the requisite number of Holders has been obtained.

SECTION 9.05.

Notation on or Exchange of Notes

. The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuers in exchange for all Notes may issue and the Trustee shall, upon

receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.06.

Trustee to Sign Amendments, etc

. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article IX if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Issuers may not sign an amendment, supplement or waiver until the boards of directors of the Issuers approve it. In executing any amendment, supplement or waiver, the Trustee shall receive, and shall be fully protected in relying conclusively upon, in addition to the documents required by Section 12.04 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuers and any Guarantors party thereto, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof.

SECTION 9.07.

Payment for Consent

. None of the Issuers or the Guarantors shall, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to all Holders and is paid to all Holders that so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement. Notwithstanding the foregoing, the Issuers and the Guarantors shall be permitted, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture, to exclude Holders in any jurisdiction or any category of Holders where (1) the solicitation of such consent, waiver or amendment, including in connection with any tender or exchange offer, or (2) the payment of the consideration therefor, could reasonably be interpreted as requiring the Issuers or any Guarantor to file a registration statement, prospectus or similar document under any applicable securities laws or listing requirements (including, but not limited to, the United States federal securities laws and the laws of the European Union or any of its member states), which the Issuers in their sole discretion reasonably determine (acting in good faith) (a) would be materially burdensome (it being understood that it would not be materially burdensome to file the consent documents used in other jurisdictions, any substantially similar documents or any summary thereof with the securities or financial services authorities in such jurisdiction); or (b) such solicitation would otherwise not be permitted under applicable law in such jurisdiction or with respect to such category of Holders.

ARTICLE X

GUARANTEES

SECTION 10.01.

Guarantee

. Each Guarantor, subject to this Article X, hereby, jointly and severally, irrevocably and unconditionally guarantees, on a secured senior

basis, to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuers hereunder, that: (a) the principal of and interest and premium, if any, on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuers to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection. The guaranteed Obligations of all Guarantors shall be secured by security interests (subject to Permitted Liens and Liens permitted by Section 4.12) in the Collateral owned by such Guarantor pursuant to the terms of the Security Documents (but subject to the terms and conditions of the Security Documents).

Each Guarantor agrees that its obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuers, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor (other than payment in full of all of the Obligations of the Issuers hereunder and under the Notes). Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuers, any right to require a proceeding first against the Issuers, protest, notice and all demands whatsoever and covenants that this Guarantee shall not be discharged except by full payment of the obligations contained in the Notes and this Indenture or by release in accordance with the provisions of this Indenture.

Each Guarantor hereby also agrees to pay any and all costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

If any Holder or the Trustee is required by any court or otherwise to return to the Issuers, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to the Issuers or any Guarantor, any amount paid either to the Trustee or such Holder, then this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article VI hereof for the purposes of the Guarantee of such Guarantor, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and

(y) in the event of any declaration of acceleration of such obligations as provided in Article VI hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of such Guarantee. The Guarantors shall have the right to seek contribution from any nonpaying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Guarantees.

Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuers for liquidation, reorganization, should the Issuers become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuers' assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or Guarantees, if any, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

The Guarantee issued by any Guarantor shall be a senior first-lien secured obligation of such Guarantor and shall be senior in right of payment to all existing and future senior or secured Indebtedness of such Guarantor.

Each payment to be made by a Guarantor in respect of its Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

Each Holder of Notes, by its acceptance thereof, consents and agrees to the terms of the Supplemental Guarantee Agreement, and authorizes and directs the Trustee to enter into the Supplemental Guarantee Agreement, and to perform its obligations and exercise its rights thereunder in accordance therewith.

SECTION 10.02.

Limitation on Guarantor Liability

. Each Guarantor, and by its acceptance of the Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law affecting the rights of creditors generally to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and each Guarantor irrevocably agree that the obligations of such Guarantor under its Guarantee shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article X, result in the obligations of such

Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's *pro rata* portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

SECTION 10.03.

Execution and Delivery

. To evidence its Guarantee set forth in Section 10.01 hereof, an authorized Officer of each Guarantor hereunder as of the Issue Date shall execute this Indenture, and an authorized Officer of each Person that otherwise becomes a Guarantor hereunder in accordance with Section 4.10 hereof shall execute and deliver to the Trustee a supplemental indenture in substantially the form of Exhibit E hereto.

Each Guarantor hereby agrees that its Guarantee set forth in Section 10.01 hereof shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

If an Officer whose signature is on this Indenture or any supplemental indenture no longer holds that office at the time the Trustee authenticates the Note, the Guarantee shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

SECTION 10.04.

Subrogation

. Each Guarantor is hereby subrogated to all rights of Holders against the Issuers in respect of any amounts paid by any Guarantor pursuant to Section 10.01 hereof; provided that, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuers under this Indenture or the Notes shall have been paid in full.

SECTION 10.05.

Benefits Acknowledged

. Each Guarantor hereby acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Guarantee are knowingly made in contemplation of such benefits.

SECTION 10.06.

Release of Guarantees

. A Guarantee by a Guarantor shall be automatically and unconditionally released and discharged, and no further action by such Guarantor, the Issuers or the Trustee is required for the release of such Guarantor's Guarantee, upon:

(1) the exercise by the Issuers of their Legal Defeasance option or Covenant Defeasance option in accordance with Article VIII hereof or the discharge of the Issuers' obligations under this Indenture in accordance with the terms of this Indenture; and

(2) the Issuers delivering to the Trustee an Officer's Certificate of such Guarantor and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

ARTICLE XI

SATISFACTION AND DISCHARGE

SECTION 11.01.

Satisfaction and Discharge

. This Indenture shall be discharged and shall cease to be of further effect as to all Notes, when either:

(1) all Notes theretofore authenticated and delivered, except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has heretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(2) (A) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuers and the Issuers or any Guarantor have irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, U.S. dollar-denominated Government Securities, or a combination thereof, in such amounts as will be sufficient without consideration of any reinvestment of interest to pay and discharge the entire indebtedness on the Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption; provided, that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(B) the Issuers have paid or caused to be paid all sums payable by it under this Indenture; and

(C) the Issuers have delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or the Redemption Date, as the case may be.

In addition, the Issuers must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money shall have been deposited with the Trustee pursuant to subclause (A) of clause (2) of this Section 11.01, the provisions of Section 11.02 and Section 8.06 hereof shall survive such satisfaction and discharge.

SECTION 11.02.

Application of Trust Money

. Subject to Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuers or a Guarantor acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuers' and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; provided that if the Issuers have made any payment of principal of, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

ARTICLE XII

MISCELLANEOUS

SECTION 12.01.

Security Interest Absolute

. All rights of each Agent hereunder, the security interest in the Collateral as described in Article V and all obligations of each of the Issuers and the Guarantors hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of this Indenture or any of the other Notes Documents, any agreement with respect to any of the Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from this Indenture, any of the other Notes Document or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Obligations or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any of the Issuers or any Guarantors in respect of the Obligations or this Indenture (other than a defense of payment or performance).

SECTION 12.02.

. Any notice or communication by the Issuers, any Guarantor or the Trustee to the others is duly given if in writing and delivered in person or mailed by first-class mail (registered or certified, return receipt requested), fax, electronic mail (in ".pdf" format) or overnight air courier guaranteeing next day delivery, to the others' address:

If the Issuers deliver a notice or communication to Holders, they shall mail a copy to the Trustee and each Agent at the same time.

Notwithstanding any other provision of this Indenture or any Note, where this Indenture or any Note provides for notice of any event or any other communication (including any notice of redemption or repurchase) to a Holder of a Global Note (whether by mail or otherwise), such notice shall be sufficiently given if given to the Depository (or its designee) pursuant to the standing instructions from the Depository or its designee, including by electronic mail in accordance with accepted practices at the Depository.

. No past, present or future director, officer, employee, manager, member, partner, incorporator or stockholder of the Issuers or any Guarantor or any of their parent companies (other than the Issuers and any Guarantors) shall have any liability for any obligations of the Issuers or any Guarantors under the Notes, any Guarantees or the Supplemental Guarantee, this Indenture or any supplemental indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting Notes waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. **INTEREST.** The Issuers, jointly and severally, promise to pay interest on the principal amount of this Note at a rate of 13.00% per annum from the most recent date to which interest has been paid or provided for, or, if no interest has been paid, from [ISSUE DATE]. The Issuer will pay interest on this Note semi-annually in arrears on [March 15] and [September 15] of each year, commencing [September 15, 2017] or, if any such day is not a Business Day, on the next succeeding Business Day (each, an “**Interest Payment Date**”). The Issuers will make each interest payment to the Holder of record of this Note on the immediately preceding [March 1] and [September 1] (each, a “**Record Date**”). Interest on this Note will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance. Principal, interest and premium, if any, on the Notes shall be payable entirely in cash.

The Issuers will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at the rate borne by this Note; the Issuers shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the rate borne by this Note. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. **METHOD OF PAYMENT.** The Issuers shall pay interest on this Note to the Person who is the registered Holder of this Note at the close of business on the Record Date (whether or not a Business Day) next preceding the Interest Payment Date, even if this Note is cancelled after such Record Date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest.

Principal of, premium, if any, and interest on the Notes will be payable at the office or agency of the Issuers maintained pursuant to Section 4.02 of the Indenture or, at the option of the Issuers, payment of interest may be made by check mailed to the Holders of the Notes at their respective addresses set forth in the Note Register; provided that (1) all payments of principal, premium, if any, and interest with respect to the Notes represented by Global Notes registered in the name of, or held by, DTC or its nominee will be made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof, and (2) all payments of principal, premium, if any, and interest with respect to certificated Notes will be made by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion). Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. **PAYING AGENT AND REGISTRAR.** Initially, U.S. Bank National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuers may change

any Paying Agent or Registrar without notice to the Holders. The Issuers or any of their domestic Subsidiaries may act in any such capacity.

4. **INDENTURE**. The Issuers issued the Notes under an Indenture, dated as of [], 2017 (the “**Indenture**”), among the Issuers, the Guarantors, the Trustee and the Collateral Agent. The Issuers shall be entitled to issue Additional Notes pursuant to Sections 2.01 and 4.09 of the Indenture. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. To the extent any provision of this Note conflicts with the express provisions of a Security Document, such Security Document shall govern and be controlling. The Notes are secured obligations of the Issuers on a joint and several basis.

Each Guarantor under the Indenture has, jointly and severally, irrevocably and unconditionally guaranteed, on a secured senior basis, to the extent set forth in, and subject to, the Indenture, that (a) the principal of and interest and premium, if any, on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuers to the Holders or the Trustee hereunder or under the Indenture shall be promptly paid in full, all in accordance with the terms hereof and of the Indenture; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. The obligations of the Guarantors to the Holders and to the Trustee pursuant to the Guarantees and the Indenture, and the limitations thereon, are expressly set forth in Article X of the Indenture.

5. **OPTIONAL REDEMPTION**.

- (a) At any time prior to September 15, 2021, the Issuers may, at their option and on one or more occasions, redeem all or any portion of the Notes, upon notice as described under Section 3.03 of the Indenture, at a redemption price equal to the sum of (i) 100% of the principal amount of the Notes redeemed, *plus* (ii) the Applicable Premium as of the Redemption Date, *plus* (iii) accrued and unpaid interest, if any, to, but not including, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date.
- (b) Except pursuant to clause 5(a) hereof, the Notes will not be redeemable at the Issuers’ option prior to September 15, 2021.
- (c) Any redemption pursuant to this paragraph 5 shall be made pursuant to Sections 3.01 through 3.06 of the Indenture.

6. **MANDATORY REDEMPTION; OFFERS TO PURCHASE**. The Issuers shall not be required to make any mandatory redemption or sinking fund payments with respect to the

Notes. However, under certain circumstances, the Issuers may be required to offer to purchase Notes as described under Section 4.14 of the Indenture.

The Notes are callable upon the occurrence of a Purchase Event (as defined in the Call Right Agreement), as further described in Section 3.09 of the Indenture.

7. **NOTICE OF REDEMPTION.** Subject to Section 3.03 of the Indenture, the Issuers shall deliver electronically, mail or cause to be mailed by first-class mail, postage prepaid, notices of redemption at least 10 days but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed at such Holder's registered address or otherwise in accordance with Applicable Procedures, except that redemption notices may be delivered more than 60 days prior to a Redemption Date if the notice is issued in connection with Article VIII or Article XI of the Indenture. The Issuers may provide in such notice that payment of the redemption price and performance of the Issuers' obligations with respect to such redemption may be performed by another Person.

8. **OFFERS TO REPURCHASE.** Upon the occurrence of a Change of Control, the Issuers shall make a Change of Control Offer in accordance with Section 4.14 of the Indenture.

9. **DENOMINATIONS, TRANSFER, EXCHANGE.** The Notes are in registered form without coupons in denominations of \$2,000 and any integral multiple of \$1,000 in excess of \$2,000. The transfer of Notes shall be registered and Notes may only be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers need not issue, exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuers need not issue, exchange or register the transfer of any Notes for a period of 15 days before the mailing of a notice of redemption of Notes to be redeemed or between a Record Date with respect to such Note and the next succeeding Interest Payment Date with respect to such Note.

10. **SECURITY.** The Notes will be secured by the Collateral on the terms and subject to the conditions set forth in the Indenture, the Intercreditor Agreement and the Security Documents. Each Holder, by accepting this Note, consents and agrees to the terms of the Security Documents (including, without limitation, the provisions providing for foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and the Indenture and authorizes and directs the Collateral Agent to enter into the Security Documents and the Trustee to enter into the Intercreditor Agreement, and to perform its obligations and exercise its rights thereunder in accordance therewith. Enforcement of the Security Documents is subject to the Intercreditor Agreement.

11. **PERSONS DEEMED OWNERS.** The registered Holder shall be treated as its owner for all purposes. Only registered Holders shall have rights hereunder and under the Indenture.

12. **AMENDMENT, SUPPLEMENT AND WAIVER.** The Indenture, the Guarantees, the Security Documents, the Supplemental Guarantee or the Notes may be amended or supplemented as provided in the Indenture.

13. **DEFAULTS AND REMEDIES.** The Events of Default relating to the Notes are defined in Section 6.01 of the Indenture. If any Event of Default (other than an Event of Default specified in clauses (6) or (7) of Section 6.01 of the Indenture with respect to any of the Issuers or any Guarantor) occurs and is continuing, the Trustee or the Holders of at least 25.0% in principal amount of the then outstanding Notes may, by written notice to the Issuers, declare all the then outstanding Notes to be due and payable immediately. Upon the effectiveness of such declaration, Holders of the Notes will be entitled, notwithstanding such acceleration, maturity of such Notes of the commencement of bankruptcy, insolvency or liquidation proceedings or any other event of the nature described in clauses (6) or (7) of Section 6.01 of the Indenture, and irrespective of how such Notes are subsequently paid or redeemed (including any distribution pursuant to a plan of reorganization), to the payment of all amounts that would have been due upon redemption of the Notes if the Issuers redeemed the Notes at their option at such time pursuant to Section 3.07 of the Indenture, which, for the avoidance of doubt, shall be 100% of the principal amount of Notes at such time plus the Applicable Premium (calculated as though such date were the Redemption Date), and accrued and unpaid interest, if any, to, such time, without prejudice to the rights of such Holders to receive any further accrued and unpaid interest from such date to the date of payment.

Notwithstanding the foregoing, in the case of an Event of Default arising under clauses (6) or (7) of Section 6.01 of the Indenture with respect to any of the Issuers or any Guarantor, all outstanding Notes will become due and payable immediately without further action or notice, and Holders of the Notes will be entitled, notwithstanding such acceleration, maturity of such Notes of the commencement of bankruptcy, insolvency or liquidation proceedings or any other event of the nature described in clauses (6) or (7) of Section 6.01 of the Indenture, and irrespective of how such Notes are subsequently paid or redeemed (including any distribution pursuant to a plan of reorganization), to the payment of all amounts that would have been due upon redemption of the Notes if the Issuers redeemed the Notes at their option at such time pursuant to Section 3.07 of the Indenture, which, for the avoidance of doubt, shall be 100% of the principal amount of Notes at such time plus the Applicable Premium (calculated as though such date were the Redemption Date), and accrued and unpaid interest, if any, to, such time, without prejudice to the rights of such Holders to receive any further accrued and unpaid interest from such date to the date of payment.

Holders may not enforce the Indenture, the Notes or any Guarantees except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default (except a Default relating to the payment of principal, premium, if any, or interest) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the Notes then outstanding by written notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default or and its consequences under the Indenture except a continuing Default in payment of the principal of, premium, if any, or interest on, any of the Notes held by a non-consenting Holder. The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuers are required within ten (10) Business Days after becoming aware of any Default, to deliver to the Trustee a statement specifying such Default and what action the Issuers propose to take with respect thereto.

14. **AUTHENTICATION.** This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until authenticated by the manual signature of the Trustee.

15. **GOVERNING LAW.** THE INDENTURE, THIS NOTE AND ANY GUARANTEE WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

16. **CUSIP AND ISIN NUMBERS.** Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP and ISIN numbers to be printed on the Notes and the Trustee may use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Issuers will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to the Issuers at the following address:

TO HAVE AND TO HOLD the Pledged Collateral, together with all right, title, interest, powers, privileges and preferences pertaining or incidental thereto, unto the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, forever; subject, however, to the terms, covenants and conditions hereinafter set forth.

Section 2.02. Delivery of the Pledged Collateral.

(a) On the Issue Date, each Grantor shall deliver or cause to be delivered to the Collateral Agent, for the benefit of the applicable Secured Parties, any and all Pledged Securities (other than any uncertificated Pledged Securities, but only for so long as such Pledged Securities remain uncertificated); provided that Promissory Notes and Instruments evidencing Indebtedness shall only be so required to be delivered to the extent required pursuant to paragraph (b) of this Section 2.02. Thereafter, whenever such Grantor acquires any other Pledged Security (other than any uncertificated Pledged Securities, but only for so long as such Pledged Securities remain uncertificated), such Grantor shall promptly deliver or cause to be delivered to the Collateral Agent such Pledged Security as Collateral; provided that Promissory Notes and Instruments evidencing Indebtedness shall only be so required to be delivered to the extent required pursuant to paragraph (b) of this Section 2.02.

(b) As promptly as practicable (and in any event within thirty (30) days after receipt by Grantor (or such longer period as the Collateral Agent may agree in its reasonable discretion)), each Grantor will cause any Indebtedness for borrowed money having an aggregate principal amount equal to or in excess of \$250,000 owed to such Grantor by any Person (other than a Grantor) to be evidenced by a duly executed Promissory Note that is pledged and delivered to the Collateral Agent, for the benefit of the Secured Parties, pursuant to the terms hereof.

(c) Upon delivery to the Collateral Agent, (i) any certificate or promissory note representing Pledged Collateral shall be accompanied by undated stock or note powers, as applicable, duly executed in blank or other undated instruments of transfer duly-executed in blank reasonably satisfactory to the Collateral Agent and by such other instruments and documents as the Collateral Agent may reasonably request and (ii) all other property comprising part of the Pledged Collateral shall be accompanied by such instruments and documents as the Collateral Agent may reasonably request. Each delivery of Pledged Securities shall be accompanied by a schedule describing such Pledged Securities, which schedule shall be deemed to supplement Schedule II and be made a part hereof; provided that failure to provide any such schedule hereto shall not affect the validity of such pledge of such Pledged Securities. Each schedule so delivered shall supplement any prior schedules so delivered.

(d)The assignment, pledge and security interest granted in Section 2.01 are granted as security only and shall not subject the Collateral Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Pledged Collateral.

Section 2.03.Representations, Warranties and Covenants. Each Grantor, jointly and severally, represents, warrants and covenants, as to itself and the other Grantors, to and with the Collateral Agent, for the benefit of the Secured Parties, that:

(a)Schedule II sets forth, as of the Issue Date and as of each date on which a supplement to Schedule II is delivered pursuant to Section 2.02(c), a true and correct list of (i) all the issued and outstanding units of each class of the Equity Interests of the issuer thereof represented by the Pledged Equity directly owned beneficially, or of record, by such Grantor specifying the issuer and certificate number (if any) of, and the number and percentage of ownership represented by, such Pledged Equity and (ii) all the Pledged Debt owned by such Grantor (other than checks to be deposited in the ordinary course of business), including all Promissory Notes and Instruments required to be pledged hereunder;

(b)the Pledged Equity issued by each Issuer, each other Grantor or their respective Subsidiaries and the Pledged Debt (solely with respect to Pledged Debt issued by a Person other than any Grantor or any of their respective Subsidiaries, to the best of each Grantor's knowledge) have been duly and validly authorized and issued by the issuers thereof and (i) in the case of Pledged Equity (other than Pledged Equity consisting of limited liability company interests or partnership interests which, pursuant to the relevant organizational or formation documents, cannot be fully paid and non-assessable), are fully paid and nonassessable and (ii) in the case of Pledged Debt (solely with respect to Pledged Debt issued by a Person other than any Grantor or any of their respective Subsidiaries to the best of each Grantor's knowledge), are legal, valid and binding obligations of the issuers thereof, subject to applicable Debtor Relief Laws and general principles of equity;

(c)Each of the Grantors (i) holds the Pledged Securities indicated on Schedule II as owned by such Grantor free and clear of all Liens, other than (A) Liens created by the Security Documents and (B) Permitted Liens, (ii) will make no assignment, pledge, hypothecation or transfer of, or create or permit to exist any security interest in or other Lien on, the Pledged Collateral, other than (A) Liens created by the Security Documents and (B) Permitted Liens, and (iii) will defend its title or interest thereto or therein against any and all Liens (other than the Liens permitted pursuant to this Section 2.03(c)), however arising, of all Persons whomsoever;

(d)except for (i) restrictions and limitations imposed by the Notes Documents or securities laws generally or by Permitted Liens and (ii) in the case of Pledged Equity of Persons that are not Subsidiaries, transfer restrictions that exist at the time of acquisition of Equity Interests in such Persons, the Pledged Equity is and will continue to be freely transferable and assignable, and none of the Pledged Equity is or will be subject to any option, right of first refusal, shareholders agreement, charter or by-law or other organizational document provisions or contractual restriction of any nature that might prohibit, impair, delay or otherwise affect in any manner material and adverse to the Secured Parties the pledge of such Pledged Equity hereunder, the sale or disposition thereof pursuant hereto or the exercise by the Collateral Agent of rights and remedies hereunder;

(e)each of the Grantors has the power and authority to pledge the Pledged Collateral pledged by it hereunder in the manner hereby done or contemplated;

(f)no consent or approval of any governmental authority, any securities exchange or any other Person was or is necessary to the validity and perfection of the pledge effected hereby (other than such as have been obtained and are in full force and effect);

(g) by virtue of the execution and delivery by the Grantors of this Agreement, when any Pledged Securities are delivered to the Collateral Agent in accordance with this Agreement, the Collateral Agent will (i) obtain a legal, valid and first-priority (subject to non-consensual Permitted Liens and the Intercreditor Agreement) perfected lien upon and security interest in such Pledged Securities as security for the payment and performance of the Secured Obligations, (ii) have Control of such Pledged Securities and (iii) assuming that neither the Collateral Agent nor any of the Secured Parties have “notice of an adverse claim” (as defined in Section 8-105 of the UCC) with respect to such Pledged Securities at the time such Pledged Securities are delivered to the Collateral Agent, be a protected purchaser (within the meaning of Section 8-303 of the UCC) thereof;

(h) the pledge effected hereby is effective to vest in the Collateral Agent, for the benefit of the Secured Parties, the rights of the Collateral Agent in the Pledged Collateral as set forth herein; and

(i) subject to the terms of this Agreement and to the extent permitted by applicable Law, each Grantor hereby agrees that upon the occurrence and during the continuation of an Event of Default, it will comply with instructions of the Collateral Agent with respect to the Equity Interests in such Grantor that constitute Pledged Equity hereunder that are not certificated without further consent by the applicable owner or holder of such Pledged Equity.

Section 2.04. Certification of Limited Liability Company and Limited Partnership Interests. Each Grantor acknowledges and agrees that, to the extent any interest in any limited liability company or limited partnership controlled by any Grantor and pledged under Section 2.01 is a “security” within the meaning of Article 8 of the UCC and is governed by Article 8 of the UCC, such interest shall be represented by a certificate. Each Grantor further acknowledges and agrees that with respect to any interest in any limited liability company or limited partnership controlled on or after the date hereof by such Grantor and pledged hereunder that is not a “security” within the meaning of Article 8 of the UCC, such Grantor shall at no time elect to treat any such interest as a “security” within the meaning of Article 8 of the UCC, nor shall such interest be represented by a certificate, unless such election and such interest is thereafter represented by a certificate that is promptly delivered to the Collateral Agent pursuant to the terms hereof.

Section 2.05. Registration in Nominee Name; Denominations. If an Event of Default shall have occurred and be continuing and the Collateral Agent shall have given the Issuers notice of its intent to exercise such rights, (a) the Collateral Agent, on behalf of the Secured Parties, shall have the right (in its sole and absolute discretion) to cause each of the Pledged Securities to be transferred of record into the name of the Collateral Agent and (b) the Collateral Agent shall have the right to exchange the certificates representing Pledged Securities for certificates of smaller or larger denominations for any purpose consistent with this Agreement; provided that, notwithstanding the foregoing, if a Bankruptcy Event of Default shall have occurred and be continuing, the Collateral Agent shall not be required to give the notice referred to above in order to exercise the rights described above. Each Grantor will promptly give to the Collateral Agent copies of any material notices received by it with respect to Pledged Securities registered in the name of such Grantor. Each Grantor will take any and all actions reasonably requested by the Collateral Agent to facilitate compliance with this Section 2.05.

Section 2.06. Voting Rights; Dividends and Interest. (a) Unless and until an Event of Default shall have occurred and be continuing and the Collateral Agent shall have notified the Issuers that the rights of the Grantors under this Section 2.06 are being suspended:

(i) Each Grantor shall be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner of Pledged Securities or any part thereof for any purpose consistent with the terms of this Agreement, the Indenture and the other Notes Documents; provided that such rights and powers shall not be exercised in any manner that could materially and adversely affect the rights inuring to a holder of any Pledged Securities or the rights and remedies of any of the Collateral Agent or the other Secured Parties under

this Agreement, the Indenture or any other Notes Document or the ability of the Secured Parties to exercise the same.

(ii) The Collateral Agent shall promptly execute and deliver to each Grantor, or cause to be executed and delivered to such Grantor, all such proxies, powers of attorney and other instruments as such Grantor may reasonably request in writing for the purpose of enabling such Grantor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to subparagraph (i) above, in each case as shall be specified in such request and be in form and substance reasonably satisfactory to the Collateral Agent.

(iii) Each Grantor shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Securities, to the extent (and only to the extent) that such dividends, interest, principal and other distributions are permitted by, and otherwise paid or distributed in accordance with, the terms and conditions of the Indenture, the other Notes Documents and applicable Laws; provided that any noncash dividends, interest, principal or other distributions that would constitute Pledged Equity or Pledged Debt, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Securities or received in exchange for Pledged Securities or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be and become part of the Pledged Collateral, and, if received by any Grantor, shall not be commingled by such Grantor with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of the Collateral Agent and the other Secured Parties and shall be forthwith delivered to the Collateral Agent in the same form as so received (with any necessary endorsement reasonably requested by the Collateral Agent). So long as no Event of Default has occurred and is continuing, the Collateral Agent shall promptly deliver to each Grantor (at the expense of such Grantor) any Pledged Securities in its possession if requested to be delivered to the issuer thereof in connection with any exchange or redemption of such Pledged Securities.

(b) Upon the occurrence and during the continuance of any Event of Default, after the Collateral Agent shall have notified the Issuers of the suspension of the rights of the Grantors under Section 2.06, then all rights of any Grantor to dividends, interest, principal or other distributions that such Grantor is authorized to receive pursuant to Section 2.06(a)(iii) shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions. All dividends, interest, principal or other distributions received by any Grantor contrary to the provisions of this Section 2.06 shall be held in trust for the benefit of the Collateral Agent and the other Secured Parties, shall be segregated from other property or funds of such Grantor and shall be forthwith delivered to the Collateral Agent upon demand in the same form as so received (with any necessary stock or note powers and other instruments of transfer reasonably requested by the Collateral Agent). Any and all money and other property paid over to or received by the Collateral Agent pursuant to the provisions of this paragraph (b) shall be retained by the Collateral Agent in an account to be established by the Collateral Agent upon receipt of such money or other property and shall be applied in accordance with the provisions of Section 5.02. After all Events of Default have been cured or waived and the Issuers have delivered to the Collateral Agent a certificate to such effect, the Collateral Agent shall promptly repay to each Grantor (without interest) all dividends, interest, principal or other distributions that such Grantor would otherwise be permitted to retain pursuant to the terms of Section 2.06(a)(iii) in the absence of any such Event of Default and that remain in such account, and such Grantor's right to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Securities shall be automatically reinstated.

(c) Upon the occurrence and during the continuance of an Event of Default, after the Collateral Agent shall have notified the Issuers of the suspension of the rights of the Grantors under Section 2.06, then all rights of any Grantor to exercise the voting and consensual rights and powers it is entitled to exercise pursuant to Section 2.06(a)(i), and the obligations of the Collateral Agent under Section 2.06(a)(ii), shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall have the sole and exclusive right and authority to exercise such voting and consensual rights and powers; provided that, unless otherwise directed by the Required Lenders, the Collateral Agent shall have the right from time to time following and during the continuance of an Event of Default to permit the Grantors to exercise such rights. After all Events of Default have been cured or waived and the Issuers have delivered to the Collateral Agent a certificate to such effect, each Grantor shall have the exclusive right to exercise the voting and/or consensual rights and powers that such Grantor would otherwise be entitled to exercise pursuant to the terms of Section 2.06(a)(i), and the obligations of the Collateral Agent under Section 2.06(a)(ii) shall be reinstated.

(d) Any notice given by the Collateral Agent to the Issuers suspending the rights of the Grantors under this Section 2.06, (i) shall be given in writing, (ii) may be given with respect to one or more of the Grantors at the same or different times and (iii) may suspend the rights of the Grantors under Sections 2.06(a)(i) or (iii) in part without suspending all such rights (as specified by the Collateral Agent in its sole and absolute discretion) and without waiving or otherwise affecting the Collateral Agent's rights to give additional notices from time to time suspending other rights so long as an Event of Default has occurred and is continuing. Notwithstanding anything to the contrary contained in Section 2.06(a), (b) or (c), if a Bankruptcy Event of Default shall have occurred and be continuing, the Collateral Agent shall not be required to give any notice referred to in said Sections in order to exercise any of its rights described in such Sections, and the suspension of the rights of each of the Grantors under each such Section shall be automatic upon the occurrence of such Bankruptcy Event of Default

Section 2.07. Collateral Agent Not a Partner or Limited Liability Company Member. Nothing contained in this Agreement shall be construed to make the Collateral Agent or any other Secured Party liable as a member of any limited liability company or as a partner of any partnership and neither the Collateral Agent nor any other Secured Party by virtue of this Agreement or otherwise (except as referred to in the following sentence) shall have any of the duties, obligations or liabilities of a member of any limited liability company or as a partner in any partnership. The parties hereto expressly agree that, unless the Collateral Agent shall become the absolute owner of Pledged Equity consisting of a limited liability company interest or a partnership interest pursuant hereto, this Agreement shall not be construed as creating a partnership or joint venture among the Collateral Agent, any other Secured Party, any Grantor and/or any other Person.

(xviii)to the extent not otherwise included, all Proceeds and products of any and all of the foregoing and all collateral security and guarantees given by any Person with respect to any of the foregoing;

provided that “Collateral” shall not include any “intent to use” trademark application, solely during the period in which the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable federal law, after which period such application shall be automatically subject to the security interest granted herein and deemed to be included in the Collateral.

(b)Each Grantor hereby irrevocably authorizes the Collateral Agent for the benefit of the Secured Parties at any time and from time to time to file in any relevant jurisdiction any financing statements or continuation statements (including fixture filings) with respect to the Article 9 Collateral or any part thereof and amendments thereto that (i) describe the collateral covered thereby in any manner necessary or advisable to ensure the perfection of the security interest in the Article 9 Collateral granted under this Agreement including indicating the Collateral as all assets or all personal property of such Grantor or words of similar effect and (ii) contain the information required by Article 9 of the UCC of each applicable jurisdiction for the filing of any financing statement or amendment, including (A) whether such Grantor is an organization, the type of organization and any organizational identification number issued to such Grantor and (B) in the case of a financing statement filed as a fixture filing, a sufficient description of the real property to which such Article 9 Collateral relates. Each Grantor agrees to provide such information to the Collateral Agent promptly upon request.

(c)The Security Interest is granted as security only and shall not subject the Collateral Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Article 9 Collateral.

(d)Each Grantor hereby further authorizes the Collateral Agent to file a Grant of Security Interest substantially in the form of Exhibit II, III or IV, as applicable, covering relevant IP Collateral consisting of Patents (and Patents for which applications are pending), registered Trademarks (and Trademarks for which registration applications are pending) and registered Copyrights (and Copyrights for which registration applications are pending) with the United States Patent and Trademark Office or United States Copyright Office (or any successor office), as applicable, and such other documents as may be necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing or protecting the Security Interest granted by such Grantor hereunder, without the signature of such Grantor, and naming such Grantor, as debtor, and the Collateral Agent, as secured party.

Section 3.02.Representations and Warranties. Each Grantor represents and warrants, as to itself and the other Grantors, to the Collateral Agent and the Secured Parties that:

(a)Each Grantor has good and valid rights (not subject to any Liens other than Permitted Liens) and/or good or marketable title in the Article 9 Collateral with respect to which it has purported to grant a Security Interest hereunder (which rights and/or title, are in any event, sufficient under Section 9-203 of the UCC), and has full power and authority to grant to the Collateral Agent the Security Interest in such Article 9 Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person other than any consent or approval that has been obtained.

(b)The Perfection Certificate has been duly executed and delivered to the Collateral Agent and the information set forth therein, including the exact legal name of each Grantor and its jurisdiction of organization, taken as a whole, is correct and complete in all material respects as of the Issue Date. The UCC financing statements (including fixture filings as applicable) prepared by the Collateral Agent based upon the information provided to the Collateral Agent in the Perfection Certificate for filing in each governmental, municipal or other office specified in Schedule IV of this Agreement (or specified by notice from the applicable Grantor to the Collateral Agent after the Issue Date in the case of filings, recordings or registrations required by Section 5.03 of the Indenture), are all the filings, recordings and registrations (other than any filings required to be made in the United States Patent and Trademark Office or the United States Copyright Office in order to perfect the Security Interest in Article 9 Collateral consisting of Intellectual Property) necessary to establish a legal, valid and perfected security interest in favor of the Collateral Agent (for the benefit of the Secured Parties) in respect of all Article 9 Collateral in which the Security Interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration with respect to such Article 9 Collateral is necessary in any such jurisdiction, except as provided under applicable law with respect to the filing of continuation statements. Each Grantor represents and warrants that, as of the Issue Date, fully executed Grants of Security Interest in the form attached as Exhibit II, III or IV, as applicable, containing a description of all IP Collateral consisting of Patents (and Patents for which applications are pending), registered Trademarks (and Trademarks for which registration applications are pending) or registered Copyrights (and Copyrights for which registration applications are pending), as applicable, have been delivered to the Collateral Agent for recording by the United States Patent and Trademark Office or the United States Copyright Office, as applicable, pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205 and the regulations thereunder.

(c)The Security Interest constitutes (i) a legal and valid security interest in all the Article 9 Collateral securing the payment and performance of the Secured Obligations, (ii) subject to the filings described in Section 3.02(b), a perfected security interest in all Article 9 Collateral in which a security interest may be perfected by filing, recording or registering a financing statement in the United States (or any political

subdivision thereof) and its territories and possessions pursuant to the UCC and (iii) a security interest that shall be perfected in all Article 9 Collateral (other than with respect to any Copyright that is not material to the business of the Grantors, taken as a whole) in which a security interest may be perfected upon the receipt and recording of the relevant Grants of Security Interest with the United States Patent and Trademark Office and the United States Copyright Office, as applicable, within the three month period (commencing as of the date hereof) pursuant to 35 U.S.C. § 261 or 15 U.S.C. § 1060 or the one month period (commencing as of the date hereof) pursuant to 17 U.S.C. § 205. The Security Interest is and shall be prior to any other Lien on any of the Article 9 Collateral, other than Permitted Liens.

(d)The Article 9 Collateral is owned by the Grantors free and clear of any Lien, except for Permitted Liens. None of the Grantors has filed or consented to the filing of (i) any financing statement or analogous document under the UCC or any other applicable Laws covering any Article 9 Collateral, (ii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with the United States Patent and Trademark Office or the United States Copyright Office, or (iii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Permitted Liens.

(e)All Commercial Tort Claims of each Grantor where the amount of the damages claimed by such Grantor is in excess of \$250,000 in existence on the date of this Agreement (or on the date upon which such Grantor becomes a party to this Agreement) are described on Schedule III hereto.

(f)With respect to the IP Collateral:

(i)such Grantor is the exclusive owner of all right, title and interest in and to the IP Collateral or has the right or license to use the IP Collateral subject only to the terms of the Licenses;

(ii)the operation of such Grantor's business as currently conducted and the use of the IP Collateral in connection therewith do not conflict with, infringe, misappropriate, dilute, misuse or otherwise violate the intellectual property rights of any third party;

(iii)the IP Collateral set forth on the Perfection Certificate includes all of the patents, patent applications, domain names, trademark registrations and applications, copyright registrations and applications owned by such Grantor as of the date hereof;

(iv)the IP Collateral is subsisting and has not been adjudged invalid or unenforceable in whole or in part, and to such Grantor's knowledge, is valid and enforceable. Such Grantor is not aware of any uses of any material item of IP Collateral that could be expected to lead to such item becoming invalid or unenforceable;

(v)such Grantor has made or performed all filings, recordings and other acts and has paid all required fees and taxes to maintain and protect its interest in each and every item of IP Collateral in full force and effect, and to protect and maintain its interest therein, except where the failure to do so would be permitted under Section 4.02(b);

(vi)no claim, action, suit, investigation, litigation or proceeding has been asserted or is pending or, to such Grantor's knowledge, threatened against such Grantor (A) except as set forth in Schedule V hereto, based upon or challenging or seeking to deny or restrict the Grantor's rights in or use of any of the IP Collateral, (B) alleging that the Grantor's rights in or use of the IP Collateral or that any services provided by, processes used by, or products manufactured or sold by, such Grantor infringe, misappropriate, dilute, misuse

or otherwise violate any Patent, Trademark, Copyright or any other Intellectual Property right of any third party, or (C) alleging that the IP Collateral is being licensed or sublicensed in violation or contravention of the terms of any license or other agreement. To such Grantor's knowledge, no Person is engaging in any activity that infringes, misappropriates, dilutes, misuses or otherwise violates the material IP Collateral or the Grantor's rights in or use thereof. The consummation of the transactions contemplated by the Notes Documents will not result in the termination or impairment of any of the IP Collateral;

(vii)with respect to each License: (A) such License is valid and binding and in full force and effect; (B) such Grantor has not received any notice of termination or cancellation under such License; (C) such Grantor has not received any notice of a breach or default under such License; and (D) neither such Grantor nor, to such Grantor's knowledge, any other party to such License is in breach or default thereof in any material respect, and no event has occurred that, with notice or lapse of time or both, would constitute such a breach or default or permit termination, modification or acceleration under such License; and

(viii)to such Grantor's knowledge, (A) none of the material trade secrets of such Grantor has been used, divulged, disclosed or appropriated to the detriment of such Grantor for the benefit of any other Person other than such Grantor; (B) no employee, independent contractor or agent of such Grantor has misappropriated any material trade secrets of any other Person in the course of the performance of his or her duties as an employee, independent contractor or agent of such Grantor; and (C) no employee, independent contractor or agent of such Grantor is in default or breach of any material term of any employment agreement, non-disclosure agreement, assignment of inventions agreement or similar agreement or contract relating in any way to the protection, ownership, development, use or transfer of such Grantor's material IP Collateral.

Section 3.03.Covenants.

(a)The Grantors agree to promptly (and in any event within thirty (30) calendar days of such event, or such later date as the Collateral Agent may agree in its reasonable discretion) notify the Collateral Agent of any change (i) in the legal name of any Grantor, (ii) in the identity or type of organization or corporate structure of any Grantor, (iii) in the jurisdiction of organization of any Grantor, (iv) in the location of any Grantor under the UCC or (v) in the organizational identification number of any Grantor. In addition, if any Grantor does not have an organizational identification number on the Issue Date (or the date such Grantor becomes a party to this Agreement) and later obtains one, the Issuers shall promptly thereafter notify the Collateral Agent of such organizational identification number and shall take all actions reasonably satisfactory to the Collateral Agent to the extent necessary to maintain the security interests (and the priority thereof) of the Collateral Agent in the Collateral intended to be granted hereby fully perfected and in full force and effect. The Grantors agree not to effect or permit any change referred to in the preceding sentence unless all filings, publications and registrations, have been made (or will be made in a timely fashion) under the UCC or other applicable law that are required in order for the Collateral Agent to continue at all times following such change to have a valid, legal and perfected first priority security interest to the extent required under the Notes Documents (subject only to Permitted Liens and the Intercreditor Agreement).

(b)Each Grantor shall, at its own expense, take any and all commercially reasonable actions necessary to defend title to the Article 9 Collateral against all Persons, except with respect to Article 9 Collateral that such Grantor determines in its reasonable business judgment is no longer necessary or beneficial to the conduct of the business, and to defend the Security Interest of the Collateral Agent in the Article 9 Collateral and the priority thereof against any Lien not permitted pursuant to Section 4.12 of the Indenture.

(c)At the time of delivery of a Compliance Certificate pursuant to Section 4.04(a) of the Indenture in connection with the delivery of annual financial statements with respect to the preceding fiscal

year pursuant to Section 4.03(a)(iv) of the Indenture, the Issuers shall deliver to the Collateral Agent a certificate executed by a Responsible Officer of the Issuers setting forth the information required pursuant to the Perfection Certificate (other than Section 1(b) or Section 1(c)(ii) of the Perfection Certificate) or confirming that there has been no change in such information since the date of such certificate or the date of the most recent certificate delivered pursuant to this Section 3.03(c).

(d)Each Grantor agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Collateral Agent may from time to time reasonably request to better assure, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and Taxes required in connection with the execution and delivery of this Agreement, the granting of the Security Interest and the filing of any financing statements (including fixture filings) or other documents in connection herewith or therewith. If any amount payable under or in connection with any of the Article 9 Collateral (other than by a Grantor) that equals or exceeds \$250,000 shall be or become evidenced by any Promissory Note or Instrument, such Promissory Note or Instrument shall be promptly pledged and delivered to the Collateral Agent, for the benefit of the Secured Parties in a manner reasonably satisfactory to the Collateral Agent.

(e)At its option, the Collateral Agent may discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Article 9 Collateral and not permitted pursuant to Section 4.12 of the Indenture, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Grantor fails to do so as required by the Indenture, this Agreement or any other Notes Document and within a reasonable period of time after the Collateral Agent has requested that it do so, and each Grantor jointly and severally agrees to reimburse the Collateral Agent within ten (10) days after demand for any payment made or any reasonable out-of-pocket expense incurred by the Collateral Agent pursuant to the foregoing authorization; provided that nothing in this paragraph shall be interpreted as excusing any Grantor from the performance of, or imposing any obligation on the Collateral Agent or any Secured Party to cure or perform, any covenants or other promises of any Grantor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein or in the other Notes Documents.

(f)If at any time any Grantor shall take a security interest in any property of an Account Debtor or any other Person the value of which equals or exceeds \$250,000 to secure payment and performance of an Account or related contracts, such Grantor shall promptly assign such security interest to the Collateral Agent for the benefit of the applicable Secured Parties. Such assignment need not be filed of public record unless necessary to continue the perfected status of the security interest against creditors of and transferees from the Account Debtor or other Person granting the security interest.

(g)Each Grantor (rather than the Collateral Agent or any Secured Party) shall remain liable (as between itself and any relevant counterparty) to observe and perform all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Article 9 Collateral, all in accordance with the terms and conditions thereof, and each Grantor jointly and severally agrees to indemnify and hold harmless the Collateral Agent and the Secured Parties from and against any and all liability for such performance.

(h)Notwithstanding anything in this Agreement to the contrary other than the filing of a UCC financing statement, (i) no actions shall be required to perfect the security interest granted hereunder in Letter-of-Credit Rights, (ii) no actions shall be required to perfect the security interest granted hereunder in motor vehicles and other assets subject to certificates of title and (iii) no Grantor shall be required to complete any filings or other action with respect to the perfection of the security interests created hereby in any jurisdiction outside of the United States or any State thereof.

Section 3.04. Other Actions. In order to further insure the attachment, perfection and priority of, and the ability of the Collateral Agent to enforce, the Security Interest, each Grantor agrees, in each case at such Grantor's own expense, to take the following actions with respect to the following Article 9 Collateral:

(a) Instruments. If any Grantor shall at any time hold or acquire any Instruments constituting Collateral and evidencing an amount equal to or in excess of \$250,000 such Grantor shall promptly endorse, assign and deliver the same to the Collateral Agent for the benefit of the applicable Secured Parties, accompanied by such undated instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably request.

(b) Investment Property. Except to the extent otherwise provided in Article II, if any Grantor shall at any time hold or acquire any Certificated Securities, such Grantor shall promptly endorse, assign and deliver the same to the Collateral Agent for the benefit of the applicable Secured Parties, accompanied by such undated instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably request. If any Securities now or hereafter acquired by any Grantor are uncertificated and are issued to such Grantor or its nominee directly by the issuer thereof, upon the Collateral Agent's request and following the occurrence of an Event of Default such Grantor shall promptly notify the Collateral Agent thereof and, at the Collateral Agent's reasonable request, pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent, either (but only to the extent such Securities and other Investment Property constitute Collateral) (i) cause the issuer to agree to comply with instructions from the Collateral Agent as to such Securities, without further consent of any Grantor or such nominee, or (ii) arrange for the Collateral Agent to become the registered owner of the Securities. If any Securities, whether certificated or uncertificated, or other Investment Property are held by any Grantor or its nominee through a Securities Intermediary, upon the Collateral Agent's request and following the occurrence of an Event of Default, such Grantor shall immediately notify the Collateral Agent thereof and at the Collateral Agent's request and option, pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent shall either (i) cause such Securities Intermediary to agree to comply with Entitlement Orders or other instructions from the Collateral Agent to such Securities Intermediary as to such Security Entitlements without further consent of any Grantor or such nominee, or (ii) in the case of Financial Assets or other Investment Property held through a Securities Intermediary, arrange for the Collateral Agent to become the Entitlement Holder with respect to such Investment Property, with the Grantor being permitted, only with the consent of the Collateral Agent, to exercise rights to withdraw or otherwise deal with such Investment Property. Notwithstanding the foregoing, unless and until an Event of Default has occurred and is continuing, the Collateral Agent agrees with each of the Grantors that the Collateral Agent shall not give any such Entitlement Orders or instructions or directions to any such issuer, or Securities Intermediary, and shall not withhold its consent to the exercise of any withdrawal or dealing rights by any Grantor.

(c) Commercial Tort Claims. If any Grantor shall at any time after the date of this Agreement acquire a Commercial Tort Claim in an amount (taking the greater of the aggregate claimed damages thereunder or the reasonably estimated value thereof) of \$250,000 or more, such Grantor shall promptly notify the Collateral Agent thereof in a writing signed by such Grantor and provide supplements to Schedule III describing the details thereof and shall grant to the Collateral Agent a security interest therein and in the proceeds thereof, all upon the terms of this Agreement.

(d) Deposit Accounts and Securities Accounts. Each Grantor shall (i) cause all Deposit Accounts and Security Accounts (other than Excluded Accounts) existing on the Issue Date to be subject to a Control Agreement for such Deposit Accounts and Securities Accounts as promptly as practicable, and in any event within 60 days (or such longer period as agreed by the Collateral Agent in its sole discretion) after the Issue Date and (ii) cause any Deposit Account or Security Account (other than Excluded Accounts) opened or otherwise acquired after the Issue Date by any Grantor, to be subject to a Control Agreement for such Deposit Account or Securities Account at all times.

ARTICLE IV

Special Provisions Concerning IP Collateral

Section 4.01. Grant of License to Use Intellectual Property.

Without limiting the provisions of Section 3.01 hereof or any other rights of the Collateral Agent as the holder of a Security Interest in any IP Collateral, for the purpose of enabling the Collateral Agent to exercise rights and remedies under this Agreement at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to the Grantors) to use, license or sublicense any of the IP Collateral now owned or hereafter acquired by such Grantor, and wherever the same may be located (whether or not any license agreement by and between any Grantor and any other Person relating to the use of such IP Collateral may be terminated hereafter), and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof, provided, however, that any such license granted by the Collateral Agent to a third party shall include reasonable and customary terms necessary to preserve the existence, validity and value of the affected IP Collateral, including without limitation, provisions requiring the continuing confidential handling of trade secrets, requiring the use of appropriate notices and prohibiting the use of false notices, protecting and maintaining the quality standards of the Trademarks in the manner set forth below (it being understood and agreed that, without limiting any other rights and remedies of the Collateral Agent under this Agreement, any other Notes Document or applicable Law, nothing in the foregoing license grant shall be construed as granting the Collateral Agent rights in and to such IP Collateral above and beyond (x) the rights to such IP Collateral that each Grantor has reserved for itself and (y) in the case of IP Collateral that is licensed to any such Grantor by a third party, the extent to which such Grantor has the right to grant a sublicense to such IP Collateral hereunder).

The use of such license by the Collateral Agent may only be exercised, at the option of the Collateral Agent, during the continuation of an Event of Default; provided that any license, sublicense or other transaction entered into by the Collateral Agent in accordance herewith shall immediately terminate at such time as the Collateral Agent is no longer lawfully entitled to exercise its rights and remedies under this Agreement. Nothing in this Section 4.01 shall require a Grantor to grant any license that is prohibited by any rule of law, statute or regulation, or is prohibited by, or constitutes a breach or default under or results in the termination of any contract, license, agreement, instrument or other document evidencing, giving rise to or theretofore granted, with respect to such property or otherwise unreasonably prejudices the value thereof to the relevant Grantor. In the event the license set forth in this Section 4.01 is exercised with regard to any Trademarks, then the following shall apply: (i) all goodwill arising from any licensed or sublicensed use of any Trademark shall inure to the benefit of the Grantor; (ii) the licensed or sublicensed Trademarks shall only be used in association with goods or services of a quality and nature consistent with the quality and reputation with which such Trademarks were associated when used by Grantor prior to the exercise of the license rights set forth herein; and (iii) at the Grantor's request and expense, licensees and sublicensees shall provide reasonable cooperation in any effort by the Grantor to maintain the registration or otherwise secure the ongoing validity and effectiveness of such licensed Trademarks, including, without limitation the actions and conduct described in Section 4.02 below.

Section 4.02. Protection of Collateral Agent's Security.

(a) With respect to registration or pending application of each item of its IP Collateral for which such Grantor has standing to do so, each Grantor agrees to take, at its expense, all reasonable steps, including, without limitation, in the U.S. Patent and Trademark Office, the U.S. Copyright Office and any other governmental authority located in the United States to (i) maintain the validity and enforceability of any registered IP Collateral and maintain such IP Collateral in full force and effect, and (ii) pursue the registration

and maintenance of each Patent, Trademark, or Copyright registration or application, now or hereafter included in such IP Collateral of such Grantor, including, without limitation, the payment of required fees and taxes, the filing of responses to office actions issued by the U.S. Patent and Trademark Office, the U.S. Copyright Office or other governmental authorities, the filing of applications for renewal or extension, the filing of affidavits under Sections 8 and 15 of the U.S. Trademark Act, the filing of divisional, continuation, continuation-in-part, reissue and renewal applications or extensions, the payment of maintenance fees and the participation in interference, reexamination, opposition, cancellation, infringement and misappropriation proceedings.

(b) No Grantor shall do or permit any act or knowingly omit to do any act whereby any of its IP Collateral may lapse, be terminated, or become invalid or unenforceable or placed in the public domain (or in case of a trade secret, lose its competitive value).

(c) In the event that any Grantor becomes aware that any material item of the IP Collateral is being infringed or misappropriated by a third party, such Grantor shall promptly notify the Collateral Agent and shall take such actions (except to the extent the failure to take such actions is permitted by subsection 4.02(h)), at its expense, as such Grantor reasonably deems appropriate under the circumstances to protect or enforce such IP Collateral, including, without limitation, suing for infringement or misappropriation and for an injunction against such infringement or misappropriation.

(d) Each Grantor shall use proper statutory notice as commercially practical in connection with its use of each item of its IP Collateral. No Grantor shall do or permit any act or knowingly omit to do any act whereby any of its IP Collateral may lapse or become invalid or unenforceable or placed in the public domain.

(e) Each Grantor shall take all reasonable steps to preserve and protect each item of its IP Collateral, including, without limitation, maintaining the quality of any and all products or services used or provided in connection with any of the Trademarks, consistent with the quality of the products and services as of the date hereof, and taking all reasonable steps necessary to ensure that all licensed users of any of the Trademarks abide by the applicable license's terms with respect to the standards of quality.

(f) Each Grantor agrees that, should it obtain an ownership or other interest in any IP Collateral after the Issue Date (the "After-Acquired Intellectual Property") (i) the provisions of this Agreement shall automatically apply thereto, and (ii) any such After-Acquired Intellectual Property and, in the case of Trademarks, the goodwill symbolized thereby, shall automatically become part of the IP Collateral subject to the terms and conditions of this Agreement with respect thereto.

(g) At the time of delivery of quarterly financial statements pursuant to Section 4.03 (a)(v) of the Indenture with respect to the fiscal quarter in which the relevant IP Collateral was acquired, each Grantor shall sign and deliver to the Collateral Agent an appropriate Grant of Security Interest with respect to applications for registration or registrations of IP Collateral owned or exclusively licensed by it as of the last day of such fiscal quarter, to the extent that such IP Collateral is not covered by any previous Grant of Security Interest so signed and delivered by it. In each case, it will promptly cooperate as reasonably necessary to enable the Collateral Agent to make any necessary or reasonably desirable recordings with the U.S. Copyright Office or the U.S. Patent and Trademark Office, as appropriate.

(h) Notwithstanding the foregoing provisions of this Section 4.02 or elsewhere in this Agreement, nothing in this Agreement shall prevent any Grantor from abandoning or discontinuing the use or maintenance of any or its IP Collateral, or from failing to take action to enforce license agreements or pursue actions against infringers, if (i) such IP Collateral is of de minimis value and (ii) is no longer used in, or useful to, the business of such Grantor or its Affiliates and such Grantor determines in its reasonable business judgment that such abandonment, discontinuance, or failure to take action is desirable in the conduct of its business or the business of its Affiliates.

ARTICLE V

Remedies

Section 5.01. Remedies Upon Default.

Upon the occurrence and during the continuance of an Event of Default, subject to the Intercreditor Agreement, it is agreed that the Collateral Agent shall have the right to exercise any and all rights afforded to a secured party under this Agreement, the UCC or other applicable Law, and, subject to the Intercreditor Agreement, also may (i) require each Grantor to, and each Grantor agrees that it will at its expense and upon request of the Collateral Agent forthwith, assemble all or part of the Collateral as directed by the Collateral Agent and make it available to the Collateral Agent at a place and time to be designated by the Collateral Agent that is reasonably convenient to both parties; (ii) occupy any premises owned or, to the extent lawful and permitted, leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor in respect of such occupation; provided that the Collateral Agent shall provide the applicable Grantor with thereof prior to or promptly after such occupancy (iii) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral; provided that the Collateral Agent shall provide the applicable Grantor with notice thereof prior to or promptly after such exercise; (iv) withdraw any and all cash or other Collateral from any Deposit Account or Securities Account (other than an Excluded Account) and apply such cash and other Collateral to the payment of any and all Secured Obligations in the manner provided in Section 5.02 of this Agreement; (v) subject to the mandatory requirements of applicable law and the notice requirements described below, sell or otherwise dispose of all or any part of the Collateral securing the Secured Obligations at a public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Collateral Agent shall deem appropriate and (vi) with respect to any IP Collateral, on demand, cause the Security Interest to become an assignment, transfer and conveyance of any of or all such IP Collateral by the applicable Grantors to the Collateral Agent, or license or sublicense, whether general, special or otherwise, and whether on an exclusive or nonexclusive basis, any such IP Collateral throughout the world on such terms and conditions and in such manner as the Collateral Agent shall determine, provided, however, that such terms shall include all terms and restrictions that customarily required to ensure the continuing validity and effectiveness of the IP Collateral at issue, such as, without limitation, notice, quality control and inurement provisions with regard to Trademarks, patent designation provisions with regard to Patents, and copyright notices and restrictions or decompilation and reverse engineering of copyrighted software, and confidentiality protections for trade secrets. Each Grantor acknowledges and recognizes that (a) the Collateral Agent may be unable to effect a public sale of all or a part of the Collateral consisting of securities by reason of certain prohibitions contained in the Securities Act of 1933, 15 U.S.C. §77, (as amended and in effect, the "Securities Act") or the securities laws of various states (the "Blue Sky Laws"), but may be compelled to resort to one or more private sales to a restricted group of purchasers who will be obliged to agree, among other things, to acquire such securities for their own account, for investment and not with a view to the distribution or resale thereof, (b) private sales so made may be at prices and upon other terms less favorable to the seller than if such securities were sold at public sales, (c) neither the Collateral Agent nor any other Secured Party has any obligation to delay sale of any of the Collateral for the period of time necessary to permit such securities to be registered for public sale under the Securities Act or the Blue Sky Laws, and (d) private sales made under the foregoing circumstances shall be deemed to have been made in a commercially reasonable manner. To the maximum extent permitted by Law, each Grantor hereby waives any claim against any Secured Party arising because the price at which any Collateral may have been sold at a private sale was less than the price that might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree. Upon consummation of any such sale the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any sale of Collateral shall hold the property sold absolutely, free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable Law) all rights of redemption,

stay and appraisal which such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

The Collateral Agent shall give the applicable Grantors ten (10) days' written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the UCC or its equivalent in other jurisdictions) of the Collateral Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Collateral Agent may fix and state in the notice (if any) of such sale. The Collateral Agent may conduct one or more going out of business sales, in the Collateral Agent's own right or by one or more agents and contractors. Such sale(s) may be conducted upon any premises owned, leased, or occupied by any Grantor. The Collateral Agent and any such agent or contractor, in conjunction with any such sale, may augment the Inventory with other goods (all of which other goods shall remain the sole property of the Collateral Agent or such agent or contractor). Any amounts realized from the sale of such goods which constitute augmentations to the Inventory (net of an allocable share of the costs and expenses incurred in their disposition) shall be the sole property of the Collateral Agent or such agent or contractor and neither any Grantor nor any Person claiming under or in right of any Grantor shall have any interest therein. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Collateral Agent may (in its sole and absolute discretion) determine. The Collateral Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Collateral Agent until the sale price is paid by the purchaser or purchasers thereof, but the Collateral Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by applicable Law, private) sale made pursuant to this Agreement, any Secured Party may bid for or purchase, free (to the extent permitted by applicable Law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor (all said rights being also hereby waived and released to the extent permitted by applicable Law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Party from any Grantor as a credit against the purchase price, and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any Grantor therefor. For purposes of determining the Grantors' rights in the Collateral, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Collateral Agent shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Collateral Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Secured Obligations paid in full, provided, however, that such agreements shall include all terms and restrictions that are customarily required to ensure the continuing validity and effectiveness of the IP Collateral at issue, such as, without limitation, quality control and inurement provisions with regard to Trademarks, patent designation provisions with regard to patents, and copyright notices and restrictions or decompilation and reverse engineering of copyrighted software, and protecting the confidentiality of trade secrets. As an alternative to exercising the power of sale herein conferred upon it, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court appointed receiver. Any sale pursuant to the provisions of this Section 5.01 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the UCC or its equivalent in other jurisdictions.

Each Grantor irrevocably makes, constitutes and appoints the Collateral Agent (and all officers, employees or agents designated by the Collateral Agent) as such Grantor's true and lawful agent (and attorney-in-fact) during the continuance of an Event of Default and after notice to the Issuers of its intent to exercise such rights (except in the case of a Bankruptcy Event of Default, in which case no such notice shall be required), for the purpose of (i) making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and (ii) making all determinations and decisions with respect thereto. All sums disbursed by the Collateral Agent in connection with this paragraph, including reasonable out-of-pocket attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, within ten (10) days of demand, by the Grantors to the Collateral Agent and shall be additional Secured Obligations secured hereby.

By accepting the benefits of this Agreement and each other Security Document, the Secured Parties expressly acknowledge and agree that this Agreement and each other Security Document may be enforced only by the action of the Collateral Agent and that no other Secured Party shall have any right individually to seek to enforce or to enforce this Agreement or to realize upon the security to be granted hereby, it being understood and agreed that such rights and remedies may be exercised by the Collateral Agent for the benefit of the Secured Parties upon the terms of this Agreement and the other Security Documents.

Section 5.02. Application of Proceeds.

The Collateral Agent shall apply the proceeds of any collection or sale of Collateral, including any Collateral consisting of cash, in accordance with the provisions of Section 6.13 of the Indenture and the Intercreditor Agreement. The Collateral Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement and the Intercreditor Agreement. Upon any sale of Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof. It is understood and agreed that the Grantors shall remain jointly and severally liable to the extent of any deficiency between the amount of the proceeds of the Collateral and the aggregate amount of the Secured Obligations.

ARTICLE VI

Indemnity, Subrogation and Subordination

Upon payment by any Grantor of any Secured Obligations, all rights of such Grantor against any Issuer or any other Grantor arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subordinate and junior in right of payment to the prior payment in full in cash of all the Secured Obligations (other than contingent indemnity obligations for then unasserted claims) and the termination of all Commitments to any Grantor under any Notes Document. If any amount shall erroneously be paid to any Issuer or any other Grantor on account of (i) such subrogation, contribution, reimbursement, indemnity or similar right or (ii) any such indebtedness of any Issuer or any other Grantor, such amount shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Collateral Agent to be credited against the payment of the Secured Obligations, whether matured or unmatured, in accordance with the terms of the Indenture and the other Notes Documents. Subject to the foregoing, to the extent that any Grantor (other than the Issuers) shall, under this Agreement or the Indenture as a joint and several obligor, repay any of the Secured Obligations (an "Accommodation Payment"), then the Grantor making such Accommodation Payment shall be entitled to contribution and indemnification from, and be reimbursed by, each of the other Grantors in an amount equal to a fraction of such Accommodation Payment, the numerator of which fraction is such other Grantor's Allocable Amount and the denominator of which is the sum of the Allocable Amounts of all of the Grantors. As of any date of determination, the

“Allocable Amount” of each Grantor shall be equal to the maximum amount of liability for Accommodation Payments which could be asserted against such Grantor hereunder and under the Indenture without (a) rendering such Grantor “insolvent” within the meaning of Section 101 (31) of U.S. Bankruptcy Law, Section 2 of the Uniform Fraudulent Transfer Act (“UFTA”) or Section 2 of the Uniform Fraudulent Conveyance Act (“UFCA”), (b) leaving such Grantor with unreasonably small capital or assets, within the meaning of Section 548 of the Bankruptcy Code, Section 4 of the UFTA, or Section 5 of the UFCA, or (c) leaving such Grantor unable to pay its debts as they become due within the meaning of Section 548 of the U.S. Bankruptcy Code or Section 4 of the UFTA, or Section 5 of the UFCA.

ARTICLE VII

Miscellaneous

Section 7.01.Notices.

All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 12.02 of the Indenture.

Section 7.02.Waivers; Amendment.

(a)No failure or delay by the Collateral Agent in exercising any right or power hereunder or under any other Notes Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Collateral Agent hereunder and under the other Notes Documents are cumulative and are not exclusive of any other rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Grantor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 7.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given.

(b)Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Collateral Agent and the Grantor or Grantors with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Article IX of the Indenture.

Section 7.03.Collateral Agent’s Fees and Expenses; Indemnification.

(a)The parties hereto agree that the Collateral Agent shall be entitled to reimbursement of its expenses incurred hereunder as provided in Section 7.07 of the Indenture.

No Indemnitee nor any Grantor shall have any liability and each party hereby waives, any claim against any other party to this Agreement or any Indemnitee, for any special, punitive, indirect or consequential damages relating to this Agreement or arising out of its activities in connection herewith or therewith (whether before or after the Issue Date) (other than, in the case of any Grantor, in respect of any such damages incurred or paid by an Indemnitee to a third party).

(c) Any such amounts payable as provided hereunder shall be additional Secured Obligations secured hereby and by the other Security Documents. The provisions of this Section 7.03 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Notes Document, the repayment of any of the Secured Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Notes Document, any resignation of the Trustee, Collateral Agent, or any investigation made by or on behalf of the Collateral Agent or any other Secured Party. All amounts due under this Section 7.03 shall be payable within twenty (20) Business Days after written demand therefor.

Section 7.04. Successors and Assigns.

Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Grantor or the Collateral Agent that are contained in this Agreement shall bind and inure to the benefit of their respective permitted successors and assigns. No Grantor may assign any of its rights or obligations hereunder without the written consent of the Collateral Agent.

Section 7.05. Survival of Agreement.

Without limitation of any provision of the Indenture or Section 7.03 hereof, all covenants, agreements, indemnities, representations and warranties made by the Grantors in the Notes Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Notes Document shall be considered to have been relied upon by the Secured Parties and shall survive the execution and delivery of the Notes Documents and the issuance of the Notes, regardless of any investigation made by any such Secured Party or on its behalf and notwithstanding that the Collateral Agent or any Secured Party may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time of the issuance of the Notes, and shall continue in full force and effect until this Agreement is terminated as provided in Section 7.12 hereof, or with respect to any individual Grantor until such Grantor is otherwise released from its obligations under this Agreement in accordance with the terms hereof.

Section 7.06. Counterparts; Effectiveness; Several Agreement.

This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which when taken together shall constitute one and the same instrument. Delivery by telecopier or by electronic .pdf copy of an executed counterpart of a signature page to this Agreement shall be

effective as delivery of an original executed counterpart of this Agreement. This Agreement shall become effective when it shall have been executed by each Grantor and the Collateral Agent and thereafter shall be binding upon and inure to the benefit of each Grantor and the Collateral Agent and the other Secured Parties and their respective permitted successors and assigns, subject to Section 7.04 hereof. This Agreement shall be construed as a separate agreement with respect to each Grantor and may be amended, restated, modified, supplemented, waived or released with respect to any Grantor without the approval of any other Grantor and without affecting the obligations of any other Grantor hereunder.

Section 7.07.Severability.

If any provision of this Agreement is held to be invalid, illegal, or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 7.12. Termination or Release.

(a) This Agreement, the Security Interest and all other security interests granted hereby shall terminate with respect to all Secured Obligations when all the outstanding Secured Obligations (other than contingent indemnification obligations with respect to then unasserted claims) shall have been paid in full in cash, provided that in connection with the termination of this Agreement, the Trustee or Collateral Agent may require such indemnities as it shall reasonably deem necessary or appropriate to protect the Secured Parties against loss on account of credits previously applied to the Secured Obligations that may subsequently be reversed or revoked.

(b) The Security Interest in any Collateral shall be automatically released in accordance with Section 5.04 of the Indenture.

(c) In connection with any termination or release pursuant to paragraph (a) or (b) above, the Collateral Agent shall promptly execute and deliver to any Grantor, at such Grantor's expense, all documents that such Grantor shall reasonably request to evidence such termination or release. Section 7.15.General Authority of the Collateral Agent.

Section 7.16. Collateral Agent's Duties.

Except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Collateral, whether or not any Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which it accords its own property.

Section 7.17. Recourse.

This Agreement is made with full recourse to each Grantor and pursuant to and upon all the warranties, representations, covenants and agreements on the part of such Grantor contained herein, in the Indenture, the Notes and the other Notes Documents and otherwise in writing in connection herewith or therewith, with respect to the Secured Obligations of each applicable Secured Party. It is the desire and intent of each Grantor and each applicable Secured Party that this Agreement shall be enforced against each Grantor to the fullest extent permissible under applicable law applied in each jurisdiction in which enforcement is sought.

Section 7.18. Discretionary Actions.

Notwithstanding anything else to the contrary herein, whenever reference is made in this Agreement to any discretionary action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Collateral Agent or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the Collateral Agent, it is understood that the Collateral Agent shall be acting at the direction of the Holders and shall be fully protected in acting pursuant to such directions. In all cases the Collateral Agent shall be fully justified in failing or refusing to take any such action under this Agreement if they shall not have received written instruction, advice or concurrence from the Holders of a majority in principal amount of the then total outstanding Notes. For purposes of clarity, phrases such as "satisfactory to the Collateral Agent", "approved", "approved by the Collateral Agent", "acceptable to the Collateral Agent", "as determined by the Collateral Agent", "in the Collateral Agent's discretion", "selected by the Collateral Agent", and phrases of similar import, except as otherwise expressly provided herein, authorize and permit the Collateral Agent to approve, disapprove, determine, act or decline to act only at the direction of the Holders of a majority in principal amount of the then total outstanding Notes.

Section 7.19. Intercreditor Agreement.

(a) Notwithstanding anything herein to the contrary, the relative rights and remedies of the Collateral Agent and the Secured Parties hereunder shall be subject to and governed by the terms of the Intercreditor Agreement. In the event of any inconsistency between the terms hereof and the terms of the

Intercreditor Agreement, the terms of the Intercreditor Agreement shall control at any time the Intercreditor Agreement is in effect.

(b)Notwithstanding anything herein to the contrary, the requirements of this Agreement to deliver pledged collateral and any certificate, instrument and/or document in relation thereto to the collateral agent or any obligation with respect to the delivery, transfer, control, notation or provision of voting rights with respect to any collateral shall be deemed satisfied by the delivery, transfer, control, notation or provision thereof in favor of the person entitled thereto under the Intercreditor Agreement as gratuitous bailee and non-fiduciary agent for the collateral agent for so long as the Intercreditor Agreement requires delivery to such person.

Section 2.03.Representations, Warranties and Covenants. Each Grantor, jointly and severally, represents, warrants and covenants, as to itself and the other Grantors, to and with the Collateral Agent, for the benefit of the Secured Parties, that:

(a)Schedule II sets forth, as of the Issue Date and as of each date on which a supplement to Schedule II is delivered pursuant to Section 2.02(c), a true and correct list of (i) all the issued and outstanding units of each class of the Equity Interests of the issuer thereof represented by the Pledged Equity directly owned beneficially, or of record, by such Grantor specifying the issuer and certificate number (if any) of, and the number and percentage of ownership represented by, such Pledged Equity and (ii) all the Pledged Debt owned by such Grantor (other than checks to be deposited in the ordinary course of business), including all Promissory Notes and Instruments required to be pledged hereunder;

(b)the Pledged Equity issued by each Issuer, each other Grantor or their respective Subsidiaries and the Pledged Debt (solely with respect to Pledged Debt issued by a Person other than any Grantor or any of their respective Subsidiaries, to the best of each Grantor's knowledge) have been duly and validly authorized and issued by the issuers thereof and (i) in the case of Pledged Equity (other than Pledged Equity consisting of limited liability company interests or partnership interests which, pursuant to the relevant organizational or formation documents, cannot be fully paid and non-assessable), are fully paid and nonassessable and (ii) in the case of Pledged Debt (solely with respect to Pledged Debt issued by a Person other than any Grantor or any of their respective Subsidiaries to the best of each Grantor's knowledge), are legal, valid and binding obligations of the issuers thereof, subject to applicable Debtor Relief Laws and general principles of equity;

(c)Each of the Grantors (i) holds the Pledged Securities indicated on Schedule II as owned by such Grantor free and clear of all Liens, other than (A) Liens created by the Security Documents and (B) Permitted Liens, (ii) will make no assignment, pledge, hypothecation or transfer of, or create or permit to exist any security interest in or other Lien on, the Pledged Collateral, other than (A) Liens created by the Security Documents and (B) Permitted Liens, and (iii) will defend its title or interest thereto or therein against any and all Liens (other than the Liens permitted pursuant to this Section 2.03(c)), however arising, of all Persons whomsoever;

(d)except for (i) restrictions and limitations imposed by the Notes Documents or securities laws generally or by Permitted Liens and (ii) in the case of Pledged Equity of Persons that are not Subsidiaries, transfer restrictions that exist at the time of acquisition of Equity Interests in such Persons, the Pledged Equity is and will continue to be freely transferable and assignable, and none of the Pledged Equity is or will be subject to any option, right of first refusal, shareholders agreement, charter or by-law or other organizational document provisions or contractual restriction of any nature that might prohibit, impair, delay or otherwise affect in any manner material and adverse to the Secured Parties the pledge of such Pledged Equity hereunder, the sale or disposition thereof pursuant hereto or the exercise by the Collateral Agent of rights and remedies hereunder;

(e)each of the Grantors has the power and authority to pledge the Pledged Collateral pledged by it hereunder in the manner hereby done or contemplated;

(f)no consent or approval of any governmental authority, any securities exchange or any other Person was or is necessary to the validity and perfection of the pledge effected hereby (other than such as have been obtained and are in full force and effect);

(g) by virtue of the execution and delivery by the Grantors of this Agreement, when any Pledged Securities are delivered to the Collateral Agent in accordance with this Agreement, the Collateral Agent will (i) obtain a legal, valid and first-priority (subject to non-consensual Permitted Liens and the Intercreditor Agreement) perfected lien upon and security interest in such Pledged Securities as security for the payment and performance of the Secured Obligations, (ii) have Control of such Pledged Securities and (iii) assuming that neither the Collateral Agent nor any of the Secured Parties have “notice of an adverse claim” (as defined in Section 8-105 of the UCC) with respect to such Pledged Securities at the time such Pledged Securities are delivered to the Collateral Agent, be a protected purchaser (within the meaning of Section 8-303 of the UCC) thereof;

(h) the pledge effected hereby is effective to vest in the Collateral Agent, for the benefit of the Secured Parties, the rights of the Collateral Agent in the Pledged Collateral as set forth herein; and

(i) subject to the terms of this Agreement and to the extent permitted by applicable Law, each Grantor hereby agrees that upon the occurrence and during the continuation of an Event of Default, it will comply with instructions of the Collateral Agent with respect to the Equity Interests in such Grantor that constitute Pledged Equity hereunder that are not certificated without further consent by the applicable owner or holder of such Pledged Equity.

Section 2.04. Certification of Limited Liability Company and Limited Partnership Interests. Each Grantor acknowledges and agrees that, to the extent any interest in any limited liability company or limited partnership controlled by any Grantor and pledged under Section 2.01 is a “security” within the meaning of Article 8 of the UCC and is governed by Article 8 of the UCC, such interest shall be represented by a certificate. Each Grantor further acknowledges and agrees that with respect to any interest in any limited liability company or limited partnership controlled on or after the date hereof by such Grantor and pledged hereunder that is not a “security” within the meaning of Article 8 of the UCC, such Grantor shall at no time elect to treat any such interest as a “security” within the meaning of Article 8 of the UCC, nor shall such interest be represented by a certificate, unless such election and such interest is thereafter represented by a certificate that is promptly delivered to the Collateral Agent pursuant to the terms hereof.

Section 2.05. Registration in Nominee Name; Denominations. If an Event of Default shall have occurred and be continuing and the Collateral Agent shall have given the Issuers notice of its intent to exercise such rights, (a) the Collateral Agent, on behalf of the Secured Parties, shall have the right (in its sole and absolute discretion) to cause each of the Pledged Securities to be transferred of record into the name of the Collateral Agent and (b) the Collateral Agent shall have the right to exchange the certificates representing Pledged Securities for certificates of smaller or larger denominations for any purpose consistent with this Agreement; provided that, notwithstanding the foregoing, if a Bankruptcy Event of Default shall have occurred and be continuing, the Collateral Agent shall not be required to give the notice referred to above in order to exercise the rights described above. Each Grantor will promptly give to the Collateral Agent copies of any material notices received by it with respect to Pledged Securities registered in the name of such Grantor. Each Grantor will take any and all actions reasonably requested by the Collateral Agent to facilitate compliance with this Section 2.05.

Section 2.06. Voting Rights; Dividends and Interest. (a) Unless and until an Event of Default shall have occurred and be continuing and the Collateral Agent shall have notified the Issuers that the rights of the Grantors under this Section 2.06 are being suspended:

(i) Each Grantor shall be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner of Pledged Securities or any part thereof for any purpose consistent with the terms of this Agreement, the Indenture and the other Notes Documents; provided that such rights and powers shall not be exercised in any manner that could materially and adversely affect the rights inuring to a holder of any Pledged Securities or the rights and remedies of any of the Collateral Agent or the other Secured Parties under

this Agreement, the Indenture or any other Notes Document or the ability of the Secured Parties to exercise the same.

(ii) The Collateral Agent shall promptly execute and deliver to each Grantor, or cause to be executed and delivered to such Grantor, all such proxies, powers of attorney and other instruments as such Grantor may reasonably request in writing for the purpose of enabling such Grantor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to subparagraph (i) above, in each case as shall be specified in such request and be in form and substance reasonably satisfactory to the Collateral Agent.

(iii) Each Grantor shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Securities, to the extent (and only to the extent) that such dividends, interest, principal and other distributions are permitted by, and otherwise paid or distributed in accordance with, the terms and conditions of the Indenture, the other Notes Documents and applicable Laws; provided that any noncash dividends, interest, principal or other distributions that would constitute Pledged Equity or Pledged Debt, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Securities or received in exchange for Pledged Securities or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be and become part of the Pledged Collateral, and, if received by any Grantor, shall not be commingled by such Grantor with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of the Collateral Agent and the other Secured Parties and shall be forthwith delivered to the Collateral Agent in the same form as so received (with any necessary endorsement reasonably requested by the Collateral Agent). So long as no Event of Default has occurred and is continuing, the Collateral Agent shall promptly deliver to each Grantor (at the expense of such Grantor) any Pledged Securities in its possession if requested to be delivered to the issuer thereof in connection with any exchange or redemption of such Pledged Securities.

(b) Upon the occurrence and during the continuance of any Event of Default, after the Collateral Agent shall have notified the Issuers of the suspension of the rights of the Grantors under Section 2.06, then all rights of any Grantor to dividends, interest, principal or other distributions that such Grantor is authorized to receive pursuant to Section 2.06(a)(iii) shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions. All dividends, interest, principal or other distributions received by any Grantor contrary to the provisions of this Section 2.06 shall be held in trust for the benefit of the Collateral Agent and the other Secured Parties, shall be segregated from other property or funds of such Grantor and shall be forthwith delivered to the Collateral Agent upon demand in the same form as so received (with any necessary stock or note powers and other instruments of transfer reasonably requested by the Collateral Agent). Any and all money and other property paid over to or received by the Collateral Agent pursuant to the provisions of this paragraph (b) shall be retained by the Collateral Agent in an account to be established by the Collateral Agent upon receipt of such money or other property and shall be applied in accordance with the provisions of Section 5.02. After all Events of Default have been cured or waived and the Issuers have delivered to the Collateral Agent a certificate to such effect, the Collateral Agent shall promptly repay to each Grantor (without interest) all dividends, interest, principal or other distributions that such Grantor would otherwise be permitted to retain pursuant to the terms of Section 2.06(a)(iii) in the absence of any such Event of Default and that remain in such account, and such Grantor's right to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Securities shall be automatically reinstated.

(c) Upon the occurrence and during the continuance of an Event of Default, after the Collateral Agent shall have notified the Issuers of the suspension of the rights of the Grantors under Section 2.06, then all rights of any Grantor to exercise the voting and consensual rights and powers it is entitled to exercise pursuant to Section 2.06(a)(i), and the obligations of the Collateral Agent under Section 2.06(a)(ii), shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall have the sole and exclusive right and authority to exercise such voting and consensual rights and powers; provided that, unless otherwise directed by the Required Lenders, the Collateral Agent shall have the right from time to time following and during the continuance of an Event of Default to permit the Grantors to exercise such rights. After all Events of Default have been cured or waived and the Issuers have delivered to the Collateral Agent a certificate to such effect, each Grantor shall have the exclusive right to exercise the voting and/or consensual rights and powers that such Grantor would otherwise be entitled to exercise pursuant to the terms of Section 2.06(a)(i), and the obligations of the Collateral Agent under Section 2.06(a)(ii) shall be reinstated.

(d) Any notice given by the Collateral Agent to the Issuers suspending the rights of the Grantors under this Section 2.06, (i) shall be given in writing, (ii) may be given with respect to one or more of the Grantors at the same or different times and (iii) may suspend the rights of the Grantors under Sections 2.06(a)(i) or (iii) in part without suspending all such rights (as specified by the Collateral Agent in its sole and absolute discretion) and without waiving or otherwise affecting the Collateral Agent's rights to give additional notices from time to time suspending other rights so long as an Event of Default has occurred and is continuing. Notwithstanding anything to the contrary contained in Section 2.06(a), (b) or (c), if a Bankruptcy Event of Default shall have occurred and be continuing, the Collateral Agent shall not be required to give any notice referred to in said Sections in order to exercise any of its rights described in such Sections, and the suspension of the rights of each of the Grantors under each such Section shall be automatic upon the occurrence of such Bankruptcy Event of Default

Section 2.07. Collateral Agent Not a Partner or Limited Liability Company Member. Nothing contained in this Agreement shall be construed to make the Collateral Agent or any other Secured Party liable as a member of any limited liability company or as a partner of any partnership and neither the Collateral Agent nor any other Secured Party by virtue of this Agreement or otherwise (except as referred to in the following sentence) shall have any of the duties, obligations or liabilities of a member of any limited liability company or as a partner in any partnership. The parties hereto expressly agree that, unless the Collateral Agent shall become the absolute owner of Pledged Equity consisting of a limited liability company interest or a partnership interest pursuant hereto, this Agreement shall not be construed as creating a partnership or joint venture among the Collateral Agent, any other Secured Party, any Grantor and/or any other Person.

ARTICLE III

Security Interests in Personal Property

Section 3.01. Security Interest.

(a) As security for the payment or performance, as the case may be, in full of the Secured Obligations, each Grantor hereby grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest (the "Security Interest") in, all of such Grantor's right, title and interest in, to or under any and all of the following assets and properties, whether now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Article 9 Collateral"):

- (i) all Accounts;
- (ii) all Chattel Paper;
- (iii) all Documents;

- (iv)all Equipment;
- (v)all General Intangibles;
- (vi)all Instruments;
- (vii)all Inventory;
- (viii)all Investment Property;
- (ix)all books and records pertaining to the Article 9 Collateral;
- (x)all Goods and Fixtures;
- (xi)all Money, cash, cash equivalents and Deposit Accounts;
- (xii)all Letter-of-Credit Rights;
- (xiii)all Commercial Tort Claims described on Schedule III from time to time;
- (xiv)all Deposit Accounts, and all cash, Money, Securities and other investments deposited therein;
- (xv)all Supporting Obligations;
- (xvi)all Security Entitlements in any or all of the foregoing;
- (xvii)all Intellectual Property; and

(xviii)to the extent not otherwise included, all Proceeds and products of any and all of the foregoing and all collateral security and guarantees given by any Person with respect to any of the foregoing;

provided that “Collateral” shall not include any “intent to use” trademark application, solely during the period in which the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable federal law, after which period such application shall be automatically subject to the security interest granted herein and deemed to be included in the Collateral.

(b)Each Grantor hereby irrevocably authorizes the Collateral Agent for the benefit of the Secured Parties at any time and from time to time to file in any relevant jurisdiction any financing statements or continuation statements (including fixture filings) with respect to the Article 9 Collateral or any part thereof and amendments thereto that (i) describe the collateral covered thereby in any manner necessary or advisable to ensure the perfection of the security interest in the Article 9 Collateral granted under this Agreement including indicating the Collateral as all assets or all personal property of such Grantor or words of similar effect and (ii) contain the information required by Article 9 of the UCC of each applicable jurisdiction for the filing of any financing statement or amendment, including (A) whether such Grantor is an organization, the type of organization and any organizational identification number issued to such Grantor and (B) in the case of a financing statement filed as a fixture filing, a sufficient description of the real property to which such Article 9 Collateral relates. Each Grantor agrees to provide such information to the Collateral Agent promptly upon request.

(c)The Security Interest is granted as security only and shall not subject the Collateral Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Article 9 Collateral.

(d)Each Grantor hereby further authorizes the Collateral Agent to file a Grant of Security Interest substantially in the form of Exhibit II, III or IV, as applicable, covering relevant IP Collateral consisting of Patents (and Patents for which applications are pending), registered Trademarks (and Trademarks for which registration applications are pending) and registered Copyrights (and Copyrights for which registration applications are pending) with the United States Patent and Trademark Office or United States Copyright Office (or any successor office), as applicable, and such other documents as may be necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing or protecting the Security Interest granted by such Grantor hereunder, without the signature of such Grantor, and naming such Grantor, as debtor, and the Collateral Agent, as secured party.

Section 3.02.Representations and Warranties. Each Grantor represents and warrants, as to itself and the other Grantors, to the Collateral Agent and the Secured Parties that:

(a)Each Grantor has good and valid rights (not subject to any Liens other than Permitted Liens) and/or good or marketable title in the Article 9 Collateral with respect to which it has purported to grant a Security Interest hereunder (which rights and/or title, are in any event, sufficient under Section 9-203 of the UCC), and has full power and authority to grant to the Collateral Agent the Security Interest in such Article 9 Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person other than any consent or approval that has been obtained.

(b)The Perfection Certificate has been duly executed and delivered to the Collateral Agent and the information set forth therein, including the exact legal name of each Grantor and its jurisdiction of organization, taken as a whole, is correct and complete in all material respects as of the Issue Date. The UCC financing statements (including fixture filings as applicable) prepared by the Collateral Agent based upon the information provided to the Collateral Agent in the Perfection Certificate for filing in each governmental, municipal or other office specified in Schedule IV of this Agreement (or specified by notice from the applicable Grantor to the Collateral Agent after the Issue Date in the case of filings, recordings or registrations required by Section 5.03 of the Indenture), are all the filings, recordings and registrations (other than any filings required to be made in the United States Patent and Trademark Office or the United States Copyright Office in order to perfect the Security Interest in Article 9 Collateral consisting of Intellectual Property) necessary to establish a legal, valid and perfected security interest in favor of the Collateral Agent (for the benefit of the Secured Parties) in respect of all Article 9 Collateral in which the Security Interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration with respect to such Article 9 Collateral is necessary in any such jurisdiction, except as provided under applicable law with respect to the filing of continuation statements. Each Grantor represents and warrants that, as of the Issue Date, fully executed Grants of Security Interest in the form attached as Exhibit II, III or IV, as applicable, containing a description of all IP Collateral consisting of Patents (and Patents for which applications are pending), registered Trademarks (and Trademarks for which registration applications are pending) or registered Copyrights (and Copyrights for which registration applications are pending), as applicable, have been delivered to the Collateral Agent for recording by the United States Patent and Trademark Office or the United States Copyright Office, as applicable, pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205 and the regulations thereunder.

(c)The Security Interest constitutes (i) a legal and valid security interest in all the Article 9 Collateral securing the payment and performance of the Secured Obligations, (ii) subject to the filings described in Section 3.02(b), a perfected security interest in all Article 9 Collateral in which a security interest may be perfected by filing, recording or registering a financing statement in the United States (or any political

subdivision thereof) and its territories and possessions pursuant to the UCC and (iii) a security interest that shall be perfected in all Article 9 Collateral (other than with respect to any Copyright that is not material to the business of the Grantors, taken as a whole) in which a security interest may be perfected upon the receipt and recording of the relevant Grants of Security Interest with the United States Patent and Trademark Office and the United States Copyright Office, as applicable, within the three month period (commencing as of the date hereof) pursuant to 35 U.S.C. § 261 or 15 U.S.C. § 1060 or the one month period (commencing as of the date hereof) pursuant to 17 U.S.C. § 205. The Security Interest is and shall be prior to any other Lien on any of the Article 9 Collateral, other than Permitted Liens.

(d)The Article 9 Collateral is owned by the Grantors free and clear of any Lien, except for Permitted Liens. None of the Grantors has filed or consented to the filing of (i) any financing statement or analogous document under the UCC or any other applicable Laws covering any Article 9 Collateral, (ii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with the United States Patent and Trademark Office or the United States Copyright Office, or (iii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Permitted Liens.

(e)All Commercial Tort Claims of each Grantor where the amount of the damages claimed by such Grantor is in excess of \$250,000 in existence on the date of this Agreement (or on the date upon which such Grantor becomes a party to this Agreement) are described on Schedule III hereto.

(f)With respect to the IP Collateral:

(i)such Grantor is the exclusive owner of all right, title and interest in and to the IP Collateral or has the right or license to use the IP Collateral subject only to the terms of the Licenses;

(ii)the operation of such Grantor's business as currently conducted and the use of the IP Collateral in connection therewith do not conflict with, infringe, misappropriate, dilute, misuse or otherwise violate the intellectual property rights of any third party;

(iii)the IP Collateral set forth on the Perfection Certificate includes all of the patents, patent applications, domain names, trademark registrations and applications, copyright registrations and applications owned by such Grantor as of the date hereof;

(iv)the IP Collateral is subsisting and has not been adjudged invalid or unenforceable in whole or in part, and to such Grantor's knowledge, is valid and enforceable. Such Grantor is not aware of any uses of any material item of IP Collateral that could be expected to lead to such item becoming invalid or unenforceable;

(v)such Grantor has made or performed all filings, recordings and other acts and has paid all required fees and taxes to maintain and protect its interest in each and every item of IP Collateral in full force and effect, and to protect and maintain its interest therein, except where the failure to do so would be permitted under Section 4.02(h);

(vi)no claim, action, suit, investigation, litigation or proceeding has been asserted or is pending or, to such Grantor's knowledge, threatened against such Grantor (A) except as set forth in Schedule V hereto, based upon or challenging or seeking to deny or restrict the Grantor's rights in or use of any of the IP Collateral, (B) alleging that the Grantor's rights in or use of the IP Collateral or that any services provided by, processes used by, or products manufactured or sold by, such Grantor infringe, misappropriate, dilute, misuse

or otherwise violate any Patent, Trademark, Copyright or any other Intellectual Property right of any third party, or (C) alleging that the IP Collateral is being licensed or sublicensed in violation or contravention of the terms of any license or other agreement. To such Grantor's knowledge, no Person is engaging in any activity that infringes, misappropriates, dilutes, misuses or otherwise violates the material IP Collateral or the Grantor's rights in or use thereof. The consummation of the transactions contemplated by the Notes Documents will not result in the termination or impairment of any of the IP Collateral;

(vii)with respect to each License: (A) such License is valid and binding and in full force and effect; (B) such Grantor has not received any notice of termination or cancellation under such License; (C) such Grantor has not received any notice of a breach or default under such License; and (D) neither such Grantor nor, to such Grantor's knowledge, any other party to such License is in breach or default thereof in any material respect, and no event has occurred that, with notice or lapse of time or both, would constitute such a breach or default or permit termination, modification or acceleration under such License; and

(viii)to such Grantor's knowledge, (A) none of the material trade secrets of such Grantor has been used, divulged, disclosed or appropriated to the detriment of such Grantor for the benefit of any other Person other than such Grantor; (B) no employee, independent contractor or agent of such Grantor has misappropriated any material trade secrets of any other Person in the course of the performance of his or her duties as an employee, independent contractor or agent of such Grantor; and (C) no employee, independent contractor or agent of such Grantor is in default or breach of any material term of any employment agreement, non-disclosure agreement, assignment of inventions agreement or similar agreement or contract relating in any way to the protection, ownership, development, use or transfer of such Grantor's material IP Collateral.

Section 3.03.Covenants.

(a)The Grantors agree to promptly (and in any event within thirty (30) calendar days of such event, or such later date as the Collateral Agent may agree in its reasonable discretion) notify the Collateral Agent of any change (i) in the legal name of any Grantor, (ii) in the identity or type of organization or corporate structure of any Grantor, (iii) in the jurisdiction of organization of any Grantor, (iv) in the location of any Grantor under the UCC or (v) in the organizational identification number of any Grantor. In addition, if any Grantor does not have an organizational identification number on the Issue Date (or the date such Grantor becomes a party to this Agreement) and later obtains one, the Issuers shall promptly thereafter notify the Collateral Agent of such organizational identification number and shall take all actions reasonably satisfactory to the Collateral Agent to the extent necessary to maintain the security interests (and the priority thereof) of the Collateral Agent in the Collateral intended to be granted hereby fully perfected and in full force and effect. The Grantors agree not to effect or permit any change referred to in the preceding sentence unless all filings, publications and registrations, have been made (or will be made in a timely fashion) under the UCC or other applicable law that are required in order for the Collateral Agent to continue at all times following such change to have a valid, legal and perfected first priority security interest to the extent required under the Notes Documents (subject only to Permitted Liens and the Intercreditor Agreement).

(b)Each Grantor shall, at its own expense, take any and all commercially reasonable actions necessary to defend title to the Article 9 Collateral against all Persons, except with respect to Article 9 Collateral that such Grantor determines in its reasonable business judgment is no longer necessary or beneficial to the conduct of the business, and to defend the Security Interest of the Collateral Agent in the Article 9 Collateral and the priority thereof against any Lien not permitted pursuant to Section 4.12 of the Indenture.

(c)At the time of delivery of a Compliance Certificate pursuant to Section 4.04(a) of the Indenture in connection with the delivery of annual financial statements with respect to the preceding fiscal

year pursuant to Section 4.03(a)(iv) of the Indenture, the Issuers shall deliver to the Collateral Agent a certificate executed by a Responsible Officer of the Issuers setting forth the information required pursuant to the Perfection Certificate (other than Section 1(b) or Section 1(c)(ii) of the Perfection Certificate) or confirming that there has been no change in such information since the date of such certificate or the date of the most recent certificate delivered pursuant to this Section 3.03(c).

(d)Each Grantor agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Collateral Agent may from time to time reasonably request to better assure, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and Taxes required in connection with the execution and delivery of this Agreement, the granting of the Security Interest and the filing of any financing statements (including fixture filings) or other documents in connection herewith or therewith. If any amount payable under or in connection with any of the Article 9 Collateral (other than by a Grantor) that equals or exceeds \$250,000 shall be or become evidenced by any Promissory Note or Instrument, such Promissory Note or Instrument shall be promptly pledged and delivered to the Collateral Agent, for the benefit of the Secured Parties in a manner reasonably satisfactory to the Collateral Agent.

(e)At its option, the Collateral Agent may discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Article 9 Collateral and not permitted pursuant to Section 4.12 of the Indenture, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Grantor fails to do so as required by the Indenture, this Agreement or any other Notes Document and within a reasonable period of time after the Collateral Agent has requested that it do so, and each Grantor jointly and severally agrees to reimburse the Collateral Agent within ten (10) days after demand for any payment made or any reasonable out-of-pocket expense incurred by the Collateral Agent pursuant to the foregoing authorization; provided that nothing in this paragraph shall be interpreted as excusing any Grantor from the performance of, or imposing any obligation on the Collateral Agent or any Secured Party to cure or perform, any covenants or other promises of any Grantor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein or in the other Notes Documents.

(f)If at any time any Grantor shall take a security interest in any property of an Account Debtor or any other Person the value of which equals or exceeds \$250,000 to secure payment and performance of an Account or related contracts, such Grantor shall promptly assign such security interest to the Collateral Agent for the benefit of the applicable Secured Parties. Such assignment need not be filed of public record unless necessary to continue the perfected status of the security interest against creditors of and transferees from the Account Debtor or other Person granting the security interest.

(g)Each Grantor (rather than the Collateral Agent or any Secured Party) shall remain liable (as between itself and any relevant counterparty) to observe and perform all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Article 9 Collateral, all in accordance with the terms and conditions thereof, and each Grantor jointly and severally agrees to indemnify and hold harmless the Collateral Agent and the Secured Parties from and against any and all liability for such performance.

(h)Notwithstanding anything in this Agreement to the contrary other than the filing of a UCC financing statement, (i) no actions shall be required to perfect the security interest granted hereunder in Letter-of-Credit Rights, (ii) no actions shall be required to perfect the security interest granted hereunder in motor vehicles and other assets subject to certificates of title and (iii) no Grantor shall be required to complete any filings or other action with respect to the perfection of the security interests created hereby in any jurisdiction outside of the United States or any State thereof.

Section 3.04. Other Actions. In order to further insure the attachment, perfection and priority of, and the ability of the Collateral Agent to enforce, the Security Interest, each Grantor agrees, in each case at such Grantor's own expense, to take the following actions with respect to the following Article 9 Collateral:

(a) Instruments. If any Grantor shall at any time hold or acquire any Instruments constituting Collateral and evidencing an amount equal to or in excess of \$250,000 such Grantor shall promptly endorse, assign and deliver the same to the Collateral Agent for the benefit of the applicable Secured Parties, accompanied by such undated instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably request.

(b) Investment Property. Except to the extent otherwise provided in Article II, if any Grantor shall at any time hold or acquire any Certificated Securities, such Grantor shall promptly endorse, assign and deliver the same to the Collateral Agent for the benefit of the applicable Secured Parties, accompanied by such undated instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably request. If any Securities now or hereafter acquired by any Grantor are uncertificated and are issued to such Grantor or its nominee directly by the issuer thereof, upon the Collateral Agent's request and following the occurrence of an Event of Default such Grantor shall promptly notify the Collateral Agent thereof and, at the Collateral Agent's reasonable request, pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent, either (but only to the extent such Securities and other Investment Property constitute Collateral) (i) cause the issuer to agree to comply with instructions from the Collateral Agent as to such Securities, without further consent of any Grantor or such nominee, or (ii) arrange for the Collateral Agent to become the registered owner of the Securities. If any Securities, whether certificated or uncertificated, or other Investment Property are held by any Grantor or its nominee through a Securities Intermediary, upon the Collateral Agent's request and following the occurrence of an Event of Default, such Grantor shall immediately notify the Collateral Agent thereof and at the Collateral Agent's request and option, pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent shall either (i) cause such Securities Intermediary to agree to comply with Entitlement Orders or other instructions from the Collateral Agent to such Securities Intermediary as to such Security Entitlements without further consent of any Grantor or such nominee, or (ii) in the case of Financial Assets or other Investment Property held through a Securities Intermediary, arrange for the Collateral Agent to become the Entitlement Holder with respect to such Investment Property, with the Grantor being permitted, only with the consent of the Collateral Agent, to exercise rights to withdraw or otherwise deal with such Investment Property. Notwithstanding the foregoing, unless and until an Event of Default has occurred and is continuing, the Collateral Agent agrees with each of the Grantors that the Collateral Agent shall not give any such Entitlement Orders or instructions or directions to any such issuer, or Securities Intermediary, and shall not withhold its consent to the exercise of any withdrawal or dealing rights by any Grantor.

(c) Commercial Tort Claims. If any Grantor shall at any time after the date of this Agreement acquire a Commercial Tort Claim in an amount (taking the greater of the aggregate claimed damages thereunder or the reasonably estimated value thereof) of \$250,000 or more, such Grantor shall promptly notify the Collateral Agent thereof in a writing signed by such Grantor and provide supplements to Schedule III describing the details thereof and shall grant to the Collateral Agent a security interest therein and in the proceeds thereof, all upon the terms of this Agreement.

(d) Deposit Accounts and Securities Accounts. Each Grantor shall (i) cause all Deposit Accounts and Security Accounts (other than Excluded Accounts) existing on the Issue Date to be subject to a Control Agreement for such Deposit Accounts and Securities Accounts as promptly as practicable, and in any event within 60 days (or such longer period as agreed by the Collateral Agent in its sole discretion) after the Issue Date and (ii) cause any Deposit Account or Security Account (other than Excluded Accounts) opened or otherwise acquired after the Issue Date by any Grantor, to be subject to a Control Agreement for such Deposit Account or Securities Account at all times.

ARTICLE IV

Special Provisions Concerning IP Collateral

Section 4.01. Grant of License to Use Intellectual Property.

Without limiting the provisions of Section 3.01 hereof or any other rights of the Collateral Agent as the holder of a Security Interest in any IP Collateral, for the purpose of enabling the Collateral Agent to exercise rights and remedies under this Agreement at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to the Grantors) to use, license or sublicense any of the IP Collateral now owned or hereafter acquired by such Grantor, and wherever the same may be located (whether or not any license agreement by and between any Grantor and any other Person relating to the use of such IP Collateral may be terminated hereafter), and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof, provided, however, that any such license granted by the Collateral Agent to a third party shall include reasonable and customary terms necessary to preserve the existence, validity and value of the affected IP Collateral, including without limitation, provisions requiring the continuing confidential handling of trade secrets, requiring the use of appropriate notices and prohibiting the use of false notices, protecting and maintaining the quality standards of the Trademarks in the manner set forth below (it being understood and agreed that, without limiting any other rights and remedies of the Collateral Agent under this Agreement, any other Notes Document or applicable Law, nothing in the foregoing license grant shall be construed as granting the Collateral Agent rights in and to such IP Collateral above and beyond (x) the rights to such IP Collateral that each Grantor has reserved for itself and (y) in the case of IP Collateral that is licensed to any such Grantor by a third party, the extent to which such Grantor has the right to grant a sublicense to such IP Collateral hereunder).

The use of such license by the Collateral Agent may only be exercised, at the option of the Collateral Agent, during the continuation of an Event of Default; provided that any license, sublicense or other transaction entered into by the Collateral Agent in accordance herewith shall immediately terminate at such time as the Collateral Agent is no longer lawfully entitled to exercise its rights and remedies under this Agreement. Nothing in this Section 4.01 shall require a Grantor to grant any license that is prohibited by any rule of law, statute or regulation, or is prohibited by, or constitutes a breach or default under or results in the termination of any contract, license, agreement, instrument or other document evidencing, giving rise to or theretofore granted, with respect to such property or otherwise unreasonably prejudices the value thereof to the relevant Grantor. In the event the license set forth in this Section 4.01 is exercised with regard to any Trademarks, then the following shall apply: (i) all goodwill arising from any licensed or sublicensed use of any Trademark shall inure to the benefit of the Grantor; (ii) the licensed or sublicensed Trademarks shall only be used in association with goods or services of a quality and nature consistent with the quality and reputation with which such Trademarks were associated when used by Grantor prior to the exercise of the license rights set forth herein; and (iii) at the Grantor's request and expense, licensees and sublicensees shall provide reasonable cooperation in any effort by the Grantor to maintain the registration or otherwise secure the ongoing validity and effectiveness of such licensed Trademarks, including, without limitation the actions and conduct described in Section 4.02 below.

Section 4.02. Protection of Collateral Agent's Security.

(a) With respect to registration or pending application of each item of its IP Collateral for which such Grantor has standing to do so, each Grantor agrees to take, at its expense, all reasonable steps, including, without limitation, in the U.S. Patent and Trademark Office, the U.S. Copyright Office and any other governmental authority located in the United States to (i) maintain the validity and enforceability of any registered IP Collateral and maintain such IP Collateral in full force and effect, and (ii) pursue the registration

and maintenance of each Patent, Trademark, or Copyright registration or application, now or hereafter included in such IP Collateral of such Grantor, including, without limitation, the payment of required fees and taxes, the filing of responses to office actions issued by the U.S. Patent and Trademark Office, the U.S. Copyright Office or other governmental authorities, the filing of applications for renewal or extension, the filing of affidavits under Sections 8 and 15 of the U.S. Trademark Act, the filing of divisional, continuation, continuation-in-part, reissue and renewal applications or extensions, the payment of maintenance fees and the participation in interference, reexamination, opposition, cancellation, infringement and misappropriation proceedings.

(b) No Grantor shall do or permit any act or knowingly omit to do any act whereby any of its IP Collateral may lapse, be terminated, or become invalid or unenforceable or placed in the public domain (or in case of a trade secret, lose its competitive value).

(c) In the event that any Grantor becomes aware that any material item of the IP Collateral is being infringed or misappropriated by a third party, such Grantor shall promptly notify the Collateral Agent and shall take such actions (except to the extent the failure to take such actions is permitted by subsection 4.02(h)), at its expense, as such Grantor reasonably deems appropriate under the circumstances to protect or enforce such IP Collateral, including, without limitation, suing for infringement or misappropriation and for an injunction against such infringement or misappropriation.

(d) Each Grantor shall use proper statutory notice as commercially practical in connection with its use of each item of its IP Collateral. No Grantor shall do or permit any act or knowingly omit to do any act whereby any of its IP Collateral may lapse or become invalid or unenforceable or placed in the public domain.

(e) Each Grantor shall take all reasonable steps to preserve and protect each item of its IP Collateral, including, without limitation, maintaining the quality of any and all products or services used or provided in connection with any of the Trademarks, consistent with the quality of the products and services as of the date hereof, and taking all reasonable steps necessary to ensure that all licensed users of any of the Trademarks abide by the applicable license's terms with respect to the standards of quality.

(f) Each Grantor agrees that, should it obtain an ownership or other interest in any IP Collateral after the Issue Date (the "After-Acquired Intellectual Property") (i) the provisions of this Agreement shall automatically apply thereto, and (ii) any such After-Acquired Intellectual Property and, in the case of Trademarks, the goodwill symbolized thereby, shall automatically become part of the IP Collateral subject to the terms and conditions of this Agreement with respect thereto.

(g) At the time of delivery of quarterly financial statements pursuant to Section 4.03 (a)(v) of the Indenture with respect to the fiscal quarter in which the relevant IP Collateral was acquired, each Grantor shall sign and deliver to the Collateral Agent an appropriate Grant of Security Interest with respect to applications for registration or registrations of IP Collateral owned or exclusively licensed by it as of the last day of such fiscal quarter, to the extent that such IP Collateral is not covered by any previous Grant of Security Interest so signed and delivered by it. In each case, it will promptly cooperate as reasonably necessary to enable the Collateral Agent to make any necessary or reasonably desirable recordings with the U.S. Copyright Office or the U.S. Patent and Trademark Office, as appropriate.

(h) Notwithstanding the foregoing provisions of this Section 4.02 or elsewhere in this Agreement, nothing in this Agreement shall prevent any Grantor from abandoning or discontinuing the use or maintenance of any or its IP Collateral, or from failing to take action to enforce license agreements or pursue actions against infringers, if (i) such IP Collateral is of de minimis value and (ii) is no longer used in, or useful to, the business of such Grantor or its Affiliates and such Grantor determines in its reasonable business judgment that such abandonment, discontinuance, or failure to take action is desirable in the conduct of its business or the business of its Affiliates.

ARTICLE V

Remedies

Section 5.01. Remedies Upon Default.

Upon the occurrence and during the continuance of an Event of Default, subject to the Intercreditor Agreement, it is agreed that the Collateral Agent shall have the right to exercise any and all rights afforded to a secured party under this Agreement, the UCC or other applicable Law, and, subject to the Intercreditor Agreement, also may (i) require each Grantor to, and each Grantor agrees that it will at its expense and upon request of the Collateral Agent forthwith, assemble all or part of the Collateral as directed by the Collateral Agent and make it available to the Collateral Agent at a place and time to be designated by the Collateral Agent that is reasonably convenient to both parties; (ii) occupy any premises owned or, to the extent lawful and permitted, leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor in respect of such occupation; provided that the Collateral Agent shall provide the applicable Grantor with thereof prior to or promptly after such occupancy (iii) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral; provided that the Collateral Agent shall provide the applicable Grantor with notice thereof prior to or promptly after such exercise; (iv) withdraw any and all cash or other Collateral from any Deposit Account or Securities Account (other than an Excluded Account) and apply such cash and other Collateral to the payment of any and all Secured Obligations in the manner provided in Section 5.02 of this Agreement; (v) subject to the mandatory requirements of applicable law and the notice requirements described below, sell or otherwise dispose of all or any part of the Collateral securing the Secured Obligations at a public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Collateral Agent shall deem appropriate and (vi) with respect to any IP Collateral, on demand, cause the Security Interest to become an assignment, transfer and conveyance of any of or all such IP Collateral by the applicable Grantors to the Collateral Agent, or license or sublicense, whether general, special or otherwise, and whether on an exclusive or nonexclusive basis, any such IP Collateral throughout the world on such terms and conditions and in such manner as the Collateral Agent shall determine, provided, however, that such terms shall include all terms and restrictions that customarily required to ensure the continuing validity and effectiveness of the IP Collateral at issue, such as, without limitation, notice, quality control and inurement provisions with regard to Trademarks, patent designation provisions with regard to Patents, and copyright notices and restrictions or decompilation and reverse engineering of copyrighted software, and confidentiality protections for trade secrets. Each Grantor acknowledges and recognizes that (a) the Collateral Agent may be unable to effect a public sale of all or a part of the Collateral consisting of securities by reason of certain prohibitions contained in the Securities Act of 1933, 15 U.S.C. §77, (as amended and in effect, the "Securities Act") or the securities laws of various states (the "Blue Sky Laws"), but may be compelled to resort to one or more private sales to a restricted group of purchasers who will be obliged to agree, among other things, to acquire such securities for their own account, for investment and not with a view to the distribution or resale thereof, (b) private sales so made may be at prices and upon other terms less favorable to the seller than if such securities were sold at public sales, (c) neither the Collateral Agent nor any other Secured Party has any obligation to delay sale of any of the Collateral for the period of time necessary to permit such securities to be registered for public sale under the Securities Act or the Blue Sky Laws, and (d) private sales made under the foregoing circumstances shall be deemed to have been made in a commercially reasonable manner. To the maximum extent permitted by Law, each Grantor hereby waives any claim against any Secured Party arising because the price at which any Collateral may have been sold at a private sale was less than the price that might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree. Upon consummation of any such sale the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any sale of Collateral shall hold the property sold absolutely, free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable Law) all rights of redemption,

stay and appraisal which such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

The Collateral Agent shall give the applicable Grantors ten (10) days' written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the UCC or its equivalent in other jurisdictions) of the Collateral Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Collateral Agent may fix and state in the notice (if any) of such sale. The Collateral Agent may conduct one or more going out of business sales, in the Collateral Agent's own right or by one or more agents and contractors. Such sale(s) may be conducted upon any premises owned, leased, or occupied by any Grantor. The Collateral Agent and any such agent or contractor, in conjunction with any such sale, may augment the Inventory with other goods (all of which other goods shall remain the sole property of the Collateral Agent or such agent or contractor). Any amounts realized from the sale of such goods which constitute augmentations to the Inventory (net of an allocable share of the costs and expenses incurred in their disposition) shall be the sole property of the Collateral Agent or such agent or contractor and neither any Grantor nor any Person claiming under or in right of any Grantor shall have any interest therein. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Collateral Agent may (in its sole and absolute discretion) determine. The Collateral Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Collateral Agent until the sale price is paid by the purchaser or purchasers thereof, but the Collateral Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by applicable Law, private) sale made pursuant to this Agreement, any Secured Party may bid for or purchase, free (to the extent permitted by applicable Law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor (all said rights being also hereby waived and released to the extent permitted by applicable Law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Party from any Grantor as a credit against the purchase price, and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any Grantor therefor. For purposes of determining the Grantors' rights in the Collateral, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Collateral Agent shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Collateral Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Secured Obligations paid in full, provided, however, that such agreements shall include all terms and restrictions that are customarily required to ensure the continuing validity and effectiveness of the IP Collateral at issue, such as, without limitation, quality control and inurement provisions with regard to Trademarks, patent designation provisions with regard to patents, and copyright notices and restrictions or decompilation and reverse engineering of copyrighted software, and protecting the confidentiality of trade secrets. As an alternative to exercising the power of sale herein conferred upon it, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court appointed receiver. Any sale pursuant to the provisions of this Section 5.01 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the UCC or its equivalent in other jurisdictions.

Each Grantor irrevocably makes, constitutes and appoints the Collateral Agent (and all officers, employees or agents designated by the Collateral Agent) as such Grantor's true and lawful agent (and attorney-in-fact) during the continuance of an Event of Default and after notice to the Issuers of its intent to exercise such rights (except in the case of a Bankruptcy Event of Default, in which case no such notice shall be required), for the purpose of (i) making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and (ii) making all determinations and decisions with respect thereto. All sums disbursed by the Collateral Agent in connection with this paragraph, including reasonable out-of-pocket attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, within ten (10) days of demand, by the Grantors to the Collateral Agent and shall be additional Secured Obligations secured hereby.

By accepting the benefits of this Agreement and each other Security Document, the Secured Parties expressly acknowledge and agree that this Agreement and each other Security Document may be enforced only by the action of the Collateral Agent and that no other Secured Party shall have any right individually to seek to enforce or to enforce this Agreement or to realize upon the security to be granted hereby, it being understood and agreed that such rights and remedies may be exercised by the Collateral Agent for the benefit of the Secured Parties upon the terms of this Agreement and the other Security Documents.

Section 5.02. Application of Proceeds.

The Collateral Agent shall apply the proceeds of any collection or sale of Collateral, including any Collateral consisting of cash, in accordance with the provisions of Section 6.13 of the Indenture and the Intercreditor Agreement. The Collateral Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement and the Intercreditor Agreement. Upon any sale of Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof. It is understood and agreed that the Grantors shall remain jointly and severally liable to the extent of any deficiency between the amount of the proceeds of the Collateral and the aggregate amount of the Secured Obligations.

ARTICLE VI

Indemnity, Subrogation and Subordination

Upon payment by any Grantor of any Secured Obligations, all rights of such Grantor against any Issuer or any other Grantor arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subordinate and junior in right of payment to the prior payment in full in cash of all the Secured Obligations (other than contingent indemnity obligations for then unasserted claims) and the termination of all Commitments to any Grantor under any Notes Document. If any amount shall erroneously be paid to any Issuer or any other Grantor on account of (i) such subrogation, contribution, reimbursement, indemnity or similar right or (ii) any such indebtedness of any Issuer or any other Grantor, such amount shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Collateral Agent to be credited against the payment of the Secured Obligations, whether matured or unmatured, in accordance with the terms of the Indenture and the other Notes Documents. Subject to the foregoing, to the extent that any Grantor (other than the Issuers) shall, under this Agreement or the Indenture as a joint and several obligor, repay any of the Secured Obligations (an "Accommodation Payment"), then the Grantor making such Accommodation Payment shall be entitled to contribution and indemnification from, and be reimbursed by, each of the other Grantors in an amount equal to a fraction of such Accommodation Payment, the numerator of which fraction is such other Grantor's Allocable Amount and the denominator of which is the sum of the Allocable Amounts of all of the Grantors. As of any date of determination, the

“Allocable Amount” of each Grantor shall be equal to the maximum amount of liability for Accommodation Payments which could be asserted against such Grantor hereunder and under the Indenture without (a) rendering such Grantor “insolvent” within the meaning of Section 101 (31) of U.S. Bankruptcy Law, Section 2 of the Uniform Fraudulent Transfer Act (“UFTA”) or Section 2 of the Uniform Fraudulent Conveyance Act (“UFCA”), (b) leaving such Grantor with unreasonably small capital or assets, within the meaning of Section 548 of the Bankruptcy Code, Section 4 of the UFTA, or Section 5 of the UFCA, or (c) leaving such Grantor unable to pay its debts as they become due within the meaning of Section 548 of the U.S. Bankruptcy Code or Section 4 of the UFTA, or Section 5 of the UFCA.

ARTICLE VII

Miscellaneous

Section 7.01.Notices.

All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 12.02 of the Indenture.

Section 7.02.Waivers; Amendment.

(a)No failure or delay by the Collateral Agent in exercising any right or power hereunder or under any other Notes Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Collateral Agent hereunder and under the other Notes Documents are cumulative and are not exclusive of any other rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Grantor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 7.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given.

(b)Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Collateral Agent and the Grantor or Grantors with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Article IX of the Indenture.

Section 7.03.Collateral Agent’s Fees and Expenses; Indemnification.

(a)The parties hereto agree that the Collateral Agent shall be entitled to reimbursement of its expenses incurred hereunder as provided in Section 7.07 of the Indenture.

(b)Without limitation of its indemnification obligations under the other Notes Documents, each Grantor jointly and severally agrees to indemnify the Collateral Agent and its officers, directors, employees and agents (each an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and disbursements (including, without limitation, all actual reasonable and documented fees and expenses of one counsel to the Collateral Agent, one counsel to the Secured Parties, taken as a whole, and, if reasonably necessary, one local counsel in each relevant jurisdiction material to the interests of all Indemnitees taken as a whole), imposed on, incurred by or asserted against any such Indemnitee arising out of, in connection with, (a) the execution, delivery, enforcement, performance or administration of this Agreement or any other agreement, letter or instrument delivered in connection with the transactions contemplated hereby or the consummation of the transactions contemplated hereby, (b) the ownership, delivery, lease, possession, use, operation, condition, sale, return or other disposition of any Collateral or (c) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any

other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) and regardless of whether or not such investigation, litigation or proceeding is brought by any Grantor, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and, in each case, whether or not caused by or arising, in whole or in part, out of the negligence of the Indemnitee; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses or disbursements (i) resulted from the gross negligence, bad faith, or willful misconduct of such Indemnitee or of any Affiliate or Related Indemnified Person of such Indemnitee, as determined by the final non-appealable judgment of a court of competent jurisdiction, (ii) are relating to disputes amongst Indemnitees other than (1) any claim against an Indemnitee or its Related Parties in its capacity or in fulfilling its role as Collateral Agent and (2) any claim arising out of any act or omission of any Issuer or any of its Affiliates or (iii) related to Taxes (other than Taxes relating to liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses or disbursements indemnified under this Section 7.03(b)). No Indemnitee nor any Grantor shall have any liability and each party hereby waives, any claim against any other party to this Agreement or any Indemnitee, for any special, punitive, indirect or consequential damages relating to this Agreement or arising out of its activities in connection herewith or therewith (whether before or after the Issue Date) (other than, in the case of any Grantor, in respect of any such damages incurred or paid by an Indemnitee to a third party).

(c) Any such amounts payable as provided hereunder shall be additional Secured Obligations secured hereby and by the other Security Documents. The provisions of this Section 7.03 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Notes Document, the repayment of any of the Secured Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Notes Document, any resignation of the Trustee, Collateral Agent, or any investigation made by or on behalf of the Collateral Agent or any other Secured Party. All amounts due under this Section 7.03 shall be payable within twenty (20) Business Days after written demand therefor.

Section 7.04. Successors and Assigns.

Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Grantor or the Collateral Agent that are contained in this Agreement shall bind and inure to the benefit of their respective permitted successors and assigns. No Grantor may assign any of its rights or obligations hereunder without the written consent of the Collateral Agent.

Section 7.05. Survival of Agreement.

Without limitation of any provision of the Indenture or Section 7.03 hereof, all covenants, agreements, indemnities, representations and warranties made by the Grantors in the Notes Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Notes Document shall be considered to have been relied upon by the Secured Parties and shall survive the execution and delivery of the Notes Documents and the issuance of the Notes, regardless of any investigation made by any such Secured Party or on its behalf and notwithstanding that the Collateral Agent or any Secured Party may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time of the issuance of the Notes, and shall continue in full force and effect until this Agreement is terminated as provided in Section 7.12 hereof, or with respect to any individual Grantor until such Grantor is otherwise released from its obligations under this Agreement in accordance with the terms hereof.

Section 7.06. Counterparts; Effectiveness; Several Agreement.

This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which when taken together shall constitute one and the same instrument. Delivery by telecopier or by electronic .pdf copy of an executed counterpart of a signature page to this Agreement shall be

effective as delivery of an original executed counterpart of this Agreement. This Agreement shall become effective when it shall have been executed by each Grantor and the Collateral Agent and thereafter shall be binding upon and inure to the benefit of each Grantor and the Collateral Agent and the other Secured Parties and their respective permitted successors and assigns, subject to Section 7.04 hereof. This Agreement shall be construed as a separate agreement with respect to each Grantor and may be amended, restated, modified, supplemented, waived or released with respect to any Grantor without the approval of any other Grantor and without affecting the obligations of any other Grantor hereunder.

Section 7.07.Severability.

If any provision of this Agreement is held to be invalid, illegal, or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 7.08.GOVERNING LAW, ETC.

(a)THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b)THE GRANTORS AND THE COLLATERAL AGENT EACH IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO AGREES THAT THE COLLATERAL AGENT RETAINS THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY GRANTOR IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER THIS AGREEMENT OR THE ENFORCEMENT OF ANY JUDGMENT.

(c)THE GRANTORS AND THE COLLATERAL AGENT EACH IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

Section 7.09.WAIVER OF RIGHT TO TRIAL BY JURY.

Section 7.11. Security Interest Absolute.

All rights of the Collateral Agent hereunder, the Security Interest, the grant of a security interest in the Pledged Collateral and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Indenture, the Notes, any other Notes Document, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Indenture, the Notes, any other Notes Document, or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Secured Obligations or (d) subject only to termination of a Grantor's obligations hereunder in accordance with the terms of Section 7.12, but without prejudice to reinstatement rights related to the Guarantee under Section 10.01 of the Indenture, any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Secured Obligations or this Agreement.

Section 7.12. Termination or Release.

(a) This Agreement, the Security Interest and all other security interests granted hereby shall terminate with respect to all Secured Obligations when all the outstanding Secured Obligations (other than contingent indemnification obligations with respect to then unasserted claims) shall have been paid in full in cash, provided that in connection with the termination of this Agreement, the Trustee or Collateral Agent may require such indemnities as it shall reasonably deem necessary or appropriate to protect the Secured Parties against loss on account of credits previously applied to the Secured Obligations that may subsequently be reversed or revoked.

(b) The Security Interest in any Collateral shall be automatically released in accordance with Section 5.04 of the Indenture.

(c) In connection with any termination or release pursuant to paragraph (a) or (b) above, the Collateral Agent shall promptly execute and deliver to any Grantor, at such Grantor's expense, all documents that such Grantor shall reasonably request to evidence such termination or release. The Collateral Agent shall have no liability whatsoever to any

Secured Party as the result of any release of Collateral by it as permitted (or which the Collateral Agent in good faith believes to be permitted) by this Section 7.12.

Section 7.13.[Reserved].

Section 7.14.Collateral Agent Appointed Attorney-in-Fact.

(a)Each Grantor hereby appoints the Collateral Agent the true and lawful attorney-in-fact of such Grantor for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument that the Collateral Agent may deem necessary or advisable to accomplish the purposes hereof at any time after and during the continuance of an Event of Default, which appointment is irrevocable and coupled with an interest. The Collateral Agent and the other Secured Parties shall be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct or that of any of their Affiliates, directors, officers, employees, counsel, agents or attorneys-in-fact.

Section 7.15.General Authority of the Collateral Agent.

By acceptance of the benefits of this Agreement and any other Security Documents, each Secured Party (whether or not a signatory hereto) shall be deemed irrevocably (a) to consent to the appointment of the Collateral Agent as its agent hereunder and under such other Security Documents, (b) to confirm that the Collateral Agent shall have the authority to act as the exclusive agent of such Secured Party for the

Section 7.16. Collateral Agent's Duties.

Except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Collateral, whether or not any Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which it accords its own property.

Section 7.17. Recourse.

This Agreement is made with full recourse to each Grantor and pursuant to and upon all the warranties, representations, covenants and agreements on the part of such Grantor contained herein, in the Indenture, the Notes and the other Notes Documents and otherwise in writing in connection herewith or therewith, with respect to the Secured Obligations of each applicable Secured Party. It is the desire and intent of each Grantor and each applicable Secured Party that this Agreement shall be enforced against each Grantor to the fullest extent permissible under applicable law applied in each jurisdiction in which enforcement is sought.

Section 7.18. Discretionary Actions.

Notwithstanding anything else to the contrary herein, whenever reference is made in this Agreement to any discretionary action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Collateral Agent or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the Collateral Agent, it is understood that the Collateral Agent shall be acting at the direction of the Holders and shall be fully protected in acting pursuant to such directions. In all cases the Collateral Agent shall be fully justified in failing or refusing to take any such action under this Agreement if they shall not have received written instruction, advice or concurrence from the Holders of a majority in principal amount of the then total outstanding Notes. For purposes of clarity, phrases such as "satisfactory to the Collateral Agent", "approved", "approved by the Collateral Agent", "acceptable to the Collateral Agent", "as determined by the Collateral Agent", "in the Collateral Agent's discretion", "selected by the Collateral Agent", and phrases of similar import, except as otherwise expressly provided herein, authorize and permit the Collateral Agent to approve, disapprove, determine, act or decline to act only at the direction of the Holders of a majority in principal amount of the then total outstanding Notes.

Section 7.19. Intercreditor Agreement.

(a) Notwithstanding anything herein to the contrary, the relative rights and remedies of the Collateral Agent and the Secured Parties hereunder shall be subject to and governed by the terms of the Intercreditor Agreement. In the event of any inconsistency between the terms hereof and the terms of the

Intercreditor Agreement, the terms of the Intercreditor Agreement shall control at any time the Intercreditor Agreement is in effect.

(b)Notwithstanding anything herein to the contrary, the requirements of this Agreement to deliver pledged collateral and any certificate, instrument and/or document in relation thereto to the collateral agent or any obligation with respect to the delivery, transfer, control, notation or provision of voting rights with respect to any collateral shall be deemed satisfied by the delivery, transfer, control, notation or provision thereof in favor of the person entitled thereto under the Intercreditor Agreement as gratuitous bailee and non-fiduciary agent for the collateral agent for so long as the Intercreditor Agreement requires delivery to such person.

(i) they will not take or cause to be taken any action, the purpose or effect of which is to make any Lien on any Senior Collateral that secures any Junior Obligation pari passu with or senior to, or to give any Junior Secured Party any preference or priority relative to, the Liens on the Senior Collateral securing the Senior Obligations;

(ii) they will not contest, oppose, object to, interfere with, hinder or delay, in any manner, whether by judicial proceedings (including without limitation the filing of an Insolvency Proceeding) or otherwise, any foreclosure, sale, lease, exchange, transfer or other disposition of the Senior Collateral by any Senior Secured Party or any other Enforcement Action taken (or any forbearance from taking any Enforcement Action) in respect of the Senior Collateral by or on behalf of any Senior Secured Party;

(iii) except as otherwise provided in this Agreement, they have no right to (x) direct either the Senior Representative or any other Senior Secured Party to exercise any right, remedy or power with respect to the Senior Collateral or pursuant to the Senior Security Documents in respect of the Senior Collateral or (y) consent or object to the exercise by the Senior Representative or any other Senior Secured Party of any right, remedy or power with respect to the Senior Collateral or pursuant to the Senior Security Documents with respect to the Senior Collateral or to the timing or manner in which any such right is exercised or not exercised (or, to the extent they may have any such right described in this clause (iii), whether as a junior lien creditor in respect of the Senior Collateral or otherwise, they hereby irrevocably waive such right);

(iv) except as otherwise provided in this Agreement, they will not institute any suit or other proceeding or assert in any suit, Insolvency Proceeding or other proceeding any claim against any Senior Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise, with respect to, and no Senior Secured Party shall be liable for, any action taken or omitted to be taken by any Senior Secured Party with respect to the Senior Collateral or pursuant to the Senior Documents in respect of the Senior Collateral;

(v) except as otherwise provided in this Agreement, they will not commence judicial or nonjudicial foreclosure proceedings with respect to, seek to have a trustee, receiver, liquidator or similar official appointed for or over, attempt any action to take possession of any Senior

Collateral, exercise any right, remedy or power with respect to, or otherwise take any action to enforce their interest in or realize upon, the Senior Collateral; and

(vi) except as otherwise provided in this Agreement, they will not seek, and hereby waive any right, to have the Senior Collateral or any part thereof marshaled upon any foreclosure or other disposition of the Senior Collateral;

provided that, the Junior Representative and any Junior Secured Party may take any action (not adverse to the priority status of the Liens on the Senior Collateral securing the Senior Obligations, or the rights of the Senior Representative or the Senior Secured Parties to exercise remedies in respect thereof or in contravention of this Section 3) in accordance with the Junior Documents and the terms of this Agreement in order to create, prove, perfect, preserve or protect its Junior Lien on the Collateral.

3.3 Judgment Creditors. In the event that any New Notes Secured Party becomes a judgment lien creditor in respect of Collateral as a result of its enforcement of its rights as an unsecured creditor, such judgment lien shall be subject to the terms of this Agreement for all purposes (including in relation to the New Private Placement Notes Liens and the New Private Placement Notes Obligations) to the same extent as all other Liens securing the New Notes Obligations are subject to the terms of this Agreement. In the event that any New Private Placement Notes Secured Party becomes a judgment lien creditor in respect of Collateral as a result of its enforcement of its rights as an unsecured creditor, such judgment lien shall be subject to the terms of this Agreement for all purposes (including in relation to the New Notes Obligations) to the same extent as all other Liens securing the New Private Placement Notes Obligations are subject to the terms of this Agreement.

3.4 Disposition of the U.S. Marks.

(a) Notwithstanding anything contained herein, including anything in this Section 3, to the contrary, if upon an Enforcement Action, either (i) the Majority New Notes Holders and the Majority New Private Placement Notes Holders, collectively, or (ii) the Majority Holders wish to sell, transfer or otherwise dispose of all or substantially all of the U.S. Marks (a "Proposed Disposition"), the Collateral Agents shall consummate the Proposed Disposition so long as the proceeds thereof are applied to New Notes Obligations and New Private Placement Notes Obligations pro rata in accordance with the respective amounts of the New Notes Obligations and New Private Placement Notes Obligations (and in connection with the consummation of such Proposed Disposition, the Liens of the Collateral Agents on the U.S. Marks shall be released).

(b) If the Proposed Disposition is requested by the Majority Holders pursuant to clause (ii) of Section 3.4(a) and such requesting Majority Holders include the Majority New Note Holders but not the Majority New Private Placement Notes Holders (such requesting Majority Holders, the "Requesting New Notes Holders"; and such Proposed Disposition, a "New Notes Proposed Disposition"), then (i) the Requesting New Notes Holders shall give the New Private Placement Collateral Agent at least 15 days prior written notice of the Proposed Disposition and proposed date of disposition (such notice, the "Priority Collateral Disposition Notice") and (ii) shall consult with the New Private Placement Notes Collateral Agent in conducting the Proposed Disposition. If the New Private Placement Notes Secured Parties object to the New Notes Proposed Disposition, the New Private Placement Notes Secured Parties may, at their sole expense and effort, upon delivery of a Call Right Election Notice by the New Private Placement Notes Collateral Agent (acting pursuant to the written direction of the Purchasing New Private Placement Notes Secured Parties (as such term is defined below)) to the New Notes Collateral Agent irrevocably elect to acquire from the New Notes Secured Parties, without warranty or representation or recourse from or to the New Notes Secured Parties, all (but not less than all) of the New Notes Obligations outstanding on the Purchase Date (as defined below), for the purchase price specified below, and all rights of the New Notes

Secured Parties under the New Notes Documents (the “New Private Placement Notes Call Right”); provided that (x) any such call right must be exercised within 10 days after the receipt by the New Private Placement Notes Collateral Agent of the Priority Collateral Disposition Notice (such 10 day period, the “Call Right Election Period”), (y) the New Notes Collateral Agent and the New Notes Secured Parties shall retain all rights to be indemnified or to be held harmless by the Obligors in accordance with the terms of the New Notes Documents, and (z) the Purchasing New Private Placement Notes Secured Parties shall have paid to the New Notes Collateral Agent, for the account of the respective New Notes Secured Parties, in immediately available funds, a purchase price in an amount equal to (I) 110% of the principal amount of the New Notes Obligations outstanding on the Purchase Date, plus (II) all accrued and unpaid interest thereon plus (III) all accrued and unpaid costs and expenses (including reasonable attorney’s fees and costs). Absent receipt by the New Notes Collateral Agent of a Call Right Election Notice from the New Private Placement Notes Collateral Agent within the prescribed period, the New Notes Collateral Agent can assume that the New Private Placement Notes Secured Parties have not elected to exercise the call right set forth in this Section 3.4(b). In order to effectuate the foregoing, the New Notes Collateral Agent shall calculate, upon the written request of the New Private Placement Notes Collateral Agent or the Purchasing New Private Placement Notes Secured Parties from time to time, the aggregate amount of principal and accrued and unpaid interest with respect to the New Notes Obligations as of the Purchase Date and shall provide the amount of any unpaid expenses of the New Notes Collateral Agent.

(c) If the New Private Placement Notes Call Right set forth in this Section 3.4(b) is exercised: (1) the parties shall close on the date occurring ten (10) Business Days after the date of receipt by the New Notes Collateral Agent of the Call Right Election Notice (such date, the “Purchase Date”; the period from receipt of the Call Right Election Notice through and including the date of the closing of the call right transaction contemplated by Section 3.4(b), the “Call Right Notice Period”), (2) the New Notes Obligations shall be purchased pro rata among the New Private Placement Notes Secured Parties giving notice to the New Notes Collateral Agent of their intent to exercise the purchase option hereunder (the “Purchasing New Private Placement Notes Secured Parties”) according to the Purchasing New Private Placement Notes Secured Parties’ portion of the New Private Placement Notes Obligations outstanding on the Purchase Date (or pursuant to such other allocation as the Purchasing New Private Placement Notes Secured Parties may agree), and the New Notes Collateral Agent shall arrange for the delivery of the New Notes to the designee of the Purchasing New Private Placement Notes Secured Parties specified in the Call Right Election Notice who will distribute the New Notes to the Purchasing New Private Placement Notes Secured Parties, and (3) during the Call Right Notice Period, the New Notes Collateral Agent and the New Notes Secured Parties shall (x) refrain from taking any enforcement action or exercise of remedies with respect to any Priority Collateral and (y) shall terminate any existing enforcement action or exercise of remedies with respect to any Priority Collateral, to the extent commenced prior to the commencement of the Call Right Notice Period. In connection with the foregoing, the Purchasing New Private Placement Notes Secured Parties shall provide any transmittal, wire or other similar instructions or information reasonably required by the New Notes Collateral Agent in order to effectuate the purchase contemplated hereby.

Following the receipt of a Call Right Election Notice, the New Notes Collateral Agent agrees that it will resign under the New Notes Indenture until the date following the later of (i) the Purchase Date, (ii) the expiration of the Call Right Election Period and (iii) the date any successor trustee is appointed under the New Notes Indenture who accedes to this Agreement by delivering a signature page hereto. Nothing herein shall require the New Notes Collateral Agent to resign or prohibit the New Notes Collateral Agent from availing itself of its rights under Section 7.08 of the New Notes Indenture to petition a court of competent jurisdiction for the appointment of a successor trustee pursuant to the terms therein.

3.5No Additional Rights For the Obligors Hereunder. If any New Notes Secured Party or New Private Placement Notes Secured Party shall enforce its rights or remedies in violation of the terms of

this Agreement, no Obligor shall be entitled to use such violation as a defense to any action by any New Notes Secured Party or New Private Placement Notes Secured Party, nor to assert such violation as a counterclaim or basis for set off or recoupment against any New Notes Secured Party or New Private Placement Notes Secured Party.

3.6 Actions Upon Breach. Should any New Notes Secured Party or New Private Placement Notes Secured Party, contrary to this Agreement, in any way take, attempt to or threaten to take any action with respect to the Collateral (including, without limitation, any attempt to realize upon or enforce any remedy with respect to this Agreement), or fail to take any action required by this Agreement, any New Notes Secured Party or New Private Placement Notes Secured Party (in its own name or in the name of the relevant Obligor), as applicable, may obtain relief against such New Notes Secured Party or New Private Placement Notes Secured Party, as applicable, by injunction, specific performance and/or other appropriate equitable relief, it being understood and agreed by each of the New Notes Collateral Agent on behalf of each New Notes Secured Party and the New Private Placement Notes Collateral Agent on behalf of each New Private Placement Notes Secured Party that (i) the New Notes Secured Parties' or New Private Placement Notes Secured Parties', as applicable, damages from its actions may at that time be difficult to ascertain and may be irreparable, and (ii) each New Private Placement Notes Secured Party or New Notes Secured Party, as applicable, waives any defense that the New Private Placement Notes Secured Parties and/or New Notes Secured Parties, as applicable, cannot demonstrate damage and/or be made whole by the awarding of damages.

3.7 Rights As Unsecured Creditors. Except as otherwise set forth in this Agreement, each Junior Representative and Junior Secured Party may exercise rights and remedies as unsecured creditors against any Obligor in accordance with the terms of the Notes Documents to which it is a party and applicable law. Except as otherwise set forth in this Agreement, nothing in this Agreement shall prohibit the receipt by a Junior Representative or any Junior Secured Party of the required payments of interest, principal, premiums, fees and other amounts in respect of Junior Obligations so long as such receipt is not the direct or indirect result of the (x) exercise by the Junior Representative or any Junior Secured Party of rights or remedies as a secured creditor (including set-off) in respect of the Junior Collateral in contravention of this Agreement or (y) enforcement in contravention of this Agreement of any Lien held by any of them. In the event the Junior Representative or any other Junior Secured Party becomes a judgment Lien creditor in respect of Collateral as a result of its enforcement of its rights as an unsecured creditor, such judgment Lien shall be subordinated to the Liens securing Senior Obligations on the same basis as the other Junior Liens on the Collateral securing the Junior Obligations are so subordinated to the Senior Liens on the Collateral securing such Senior Obligations under this Agreement.

SECTION 4. Application of Proceeds of Collateral; Dispositions and Releases of Lien.

4.1 Application of Proceeds.

(a) Application of Proceeds of Senior Collateral. The Senior Representative, on behalf of the Senior Secured Parties, and Junior Representative, on behalf of the Junior Secured Parties, hereby agree

that all Senior Collateral, and all Proceeds thereof, received by any of them in connection with the collection, sale or disposition of Senior Collateral shall be applied:

first, to the payment of costs and expenses (including reasonable attorneys' fees and expenses and court costs) of the Senior Representative,

second, to the payment of the Senior Obligations in accordance with the Senior Documents until the payment in full in cash of the Senior Obligations,

third, to the payment of the Junior Obligations in accordance with the Junior Documents until the payment in full in cash of the Junior Obligations, and

fourth, the balance, if any, to the applicable Obligor or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

(b) Limited Obligation or Liability. In exercising remedies, whether as a secured creditor or otherwise, the Senior Representative shall have no obligation or liability to the Junior Representative or to any Junior Secured Party, regarding the adequacy of any Proceeds or for any action or omission, save and except solely for an action or omission that breaches the express obligations undertaken by each party under the terms of this Agreement.

(c) Segregation of Collateral. Until the occurrence of the Senior Obligations Payment Date, any Senior Collateral that may be received by any Junior Secured Party in violation of this Agreement shall be segregated and held in trust and promptly paid over to the Senior Representative, for the benefit of the Senior Secured Parties, in the same form as received, with any necessary endorsements, and each Junior Secured Party hereby authorizes the Senior Representative to make any such endorsements as agent for the Junior Representative (which authorization, being coupled with an interest, is irrevocable).

(d) Application of Proceeds of Pari Collateral. The Collateral Agents, on behalf of the Secured Parties, hereby agree that all Pari Collateral, and all Proceeds thereof, received by any of them in connection with the collection, sale or disposition of Pari Collateral shall be applied:

first, to the payment of costs and expenses (including reasonable attorneys' fees and expenses and court costs) of the Representatives,

second, to the payment in full in cash of the New Notes Obligations and New Private Placement Notes Obligations pro rata in accordance with the respective amounts of the New Notes Obligations and New Private Placement Notes Obligations owed to them on the date of any such distribution, and

third, the balance, if any, to the applicable Obligor or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

Anything contained herein or in any of the Notes Documents to the contrary notwithstanding, if an event of default has occurred and is continuing under the Notes Documents and any Collateral Agent or any Secured Party is taking action to enforce rights in respect of any Pari Collateral, or any distribution is made to any Collateral Agent or any Secured Party in respect of any Pari Collateral in any Insolvency Proceeding of any Obligor, the proceeds of any sale, collection or other liquidation of any such Pari Collateral by any Collateral Agent or any Secured Party (and any distribution or other amount so received

by any Collateral Agent or any Secured Party with respect to such Pari Collateral in any such Insolvency Proceeding) shall be applied by the Collateral Agents in the order specified in this Section 4.1(d).

4.2Releases of Liens. Upon (A) the exercise of any Senior Representative's remedies in respect of the Senior Collateral upon the occurrence of an Enforcement Action (with the net proceeds thereof being applied to in accordance with Section 4.1(a)), including any sale, lease, exchange, transfer or other disposition of any Senior Collateral, (B) any release, sale or disposition of Senior Collateral other than in connection with an Enforcement Action permitted pursuant to the terms of the Senior Documents and the Junior Documents or (C) any private or public sale, lease, exchange, transfer or other disposition of all or any material portion of the Senior Collateral by one or more Obligor with the consent of Senior Representative after the occurrence and during the continuance of an event of default under the Senior Documents, including any disposition contemplated by Section 9-620 of the UCC, which disposition is conducted by such Obligor with the consent of the Senior Representative in connection with good faith efforts by the Senior Representative to collect the Senior Obligations through such disposition of Senior Collateral (with the proceeds thereof being applied to in accordance with Section 4.1(a)), the Junior Lien on such Senior Collateral (excluding any portion of the proceeds of such Senior Collateral remaining after the Senior Obligations Payment Date occurs) shall be automatically and unconditionally released with no further consent or action of any Person. The Junior Representative shall promptly execute and deliver such release documents and instruments and shall take such further actions as the Senior Representative shall reasonably request to evidence any release of the Junior Lien described in this Section 4.2. The Junior Representative hereby appoints the Senior Representative and any officer or duly authorized person of the Senior Representative, with full power of substitution, as its true and lawful attorney in fact with full irrevocable power of attorney in the place and stead of the Junior Representative and in the name of the Junior Representative or in the Senior Representative's own name, from time to time, in the Senior Representative's sole discretion, for the purposes of carrying out the terms of this Section 4.2, to execute, deliver, file and take any other action with respect to any public records, including without limitation any termination or amendment of any financing statement.

4.3Notices. The Senior Representative shall give the Junior Representative prompt written notice after the commencement of any Enforcement Action against its Senior Priority Collateral; provided that the failure to provide such written notice shall not result in a liability hereunder.

SECTION 5. Insolvency Proceedings.

5.1Effectiveness in Insolvency Proceedings. This Agreement shall continue in full force and effect notwithstanding the commencement of any proceeding under the Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency, receivership or similar law by or against the Obligor.

SECTION 6. New Private Placement Notes Documents and New Notes Documents.

6.1Amendment to New Private Placement Notes Documents. The New Private Placement Notes Collateral Agent, on behalf of itself and the New Private Placement Notes Secured Parties, agrees that it shall not at any time execute or deliver any amendment or other modification to any of the New Private Placement Notes Documents inconsistent with or in violation of this Agreement.

6.2Amendments to New Notes Documents. The New Notes Collateral Agent, on behalf of itself and the New Notes Secured Parties, agrees that it shall not at any time execute or deliver any

amendment or other modification to any of the New Notes Documents inconsistent with or in violation of this Agreement.

6.3No Debt Subordination. Nothing contained in this Agreement is intended to or shall impair, as among Obligors and the New Private Placement Notes Secured Parties, the obligations of Obligors, which are absolute and unconditional, to pay the principal, interest, premiums, fees and other amounts included in the New Private Placement Notes Obligations, as and when the same shall become due and payable in accordance with the terms of the New Private Placement Notes Documents (as in effect on the date of this Agreement (or amended, modified or supplemented thereafter in accordance with the provisions of this Agreement)). Nothing contained in this Agreement is intended to or shall impair, as among Obligors and the New Notes Secured Parties, the obligations of Obligors, which are absolute and unconditional, to pay the principal, interest, premiums, fees and other amounts included in the New Notes Obligations, as and when the same shall become due and payable in accordance with the terms of the New Notes Documents (as in effect on the date of this Agreement (or amended, modified or supplemented thereafter in accordance with the provisions of this Agreement)).

SECTION 7. Reliance; Waivers; etc.

7.1Reliance. The New Notes Documents are deemed to have been executed and delivered, and all extensions of credit thereunder are deemed to have been made or incurred, in reliance upon this Agreement. The New Private Placement Notes Collateral Agent, on behalf of it itself and the other New Private Placement Notes Secured Parties, expressly waives all notice of the acceptance of and reliance on this Agreement by the New Notes Collateral Agent and the other New Notes Secured Parties. The New Private Placement Notes Documents are deemed to have been executed and delivered and all extensions of credit thereunder are deemed to have been made or incurred, in reliance upon this Agreement. The New Notes Collateral Agent, on behalf of itself and the other New Notes Secured Parties, expressly waives all notices of the acceptance of and reliance on this Agreement by the New Private Placement Notes Collateral Agent and the other New Private Placement Notes Secured Parties.

7.2No Warranties or Liability. The New Private Placement Notes Collateral Agent and the New Notes Collateral Agent acknowledge and agree that neither has made any representation or warranty with respect to the execution, validity, legality, completeness, collectibility or enforceability of any other New Notes Document or any New Private Placement Notes Document. Except as otherwise provided in this Agreement, the New Private Placement Notes Collateral Agent and the New Notes Collateral Agent will be entitled to manage and supervise the respective extensions of credit to any Obligor in accordance with law and their usual practices, modified from time to time as they deem appropriate.

7.3No Waivers. No right or benefit of any party hereunder shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of such party or any other party hereto or by any noncompliance by any Obligor with the terms and conditions of any of the New Notes Documents or the New Private Placement Notes Documents.

SECTION 8. Obligations Unconditional. All rights, interests, agreements and obligations hereunder of the Senior Representative and the Senior Secured Parties in respect of any Collateral and the Junior

Representative and the Junior Secured Parties in respect of such Collateral shall remain in full force and effect regardless of:

(a) any lack of validity or enforceability of any Senior Document or any Junior Document and regardless of whether the Liens of the Senior Representative and Senior Secured Parties are not perfected or are voidable for any reason;

(b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the Senior Obligations or Junior Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any Senior Document or any Junior Document;

(c) any exchange, release or lack of perfection of any Lien on any Collateral or any other asset, or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Senior Obligations or Junior Obligations or any guarantee thereof;

(d) the commencement of any Insolvency Proceeding in respect of any Obligor; or

(e) any other circumstances which otherwise might constitute a defense available to, or a discharge of, any Obligor in respect of any Secured Obligation or of any Junior Secured Party in respect of this Agreement.

SECTION 9. Miscellaneous.

9.1Rights of Subrogation. The New Private Placement Notes Collateral Agent, for and on behalf of itself and the New Private Placement Notes Secured Parties, agrees that no payment to the New Notes Collateral Agent or any New Notes Secured Party pursuant to the provisions of this Agreement shall entitle the New Private Placement Notes Collateral Agent or any New Private Placement Notes Secured Party to exercise any rights of subrogation in respect thereof until the New Notes Obligations Payment Date. Following the New Notes Obligations Payment Date, the New Notes Collateral Agent agrees to execute such documents, agreements, and instruments as the New Private Placement Notes Collateral Agent or any New Private Placement Notes Secured Party may reasonably request to evidence the transfer by subrogation to any such Person of an interest in the New Notes Obligations resulting from payments to the New Notes Collateral Agent by such Person, so long as all costs and expenses (including all reasonable legal fees and disbursements) incurred in connection therewith by the New Notes Collateral Agent are paid by such Person upon request for payment thereof. The New Notes Collateral Agent, for and on behalf of itself and the New Notes Secured Parties, agrees that no payment to the New Private Placement Notes Collateral Agent or any New Private Placement Notes Secured Party pursuant to the provisions of this Agreement shall entitle the New Notes Collateral Agent or any New Notes Secured Party to exercise any rights of subrogation in respect thereof until the New Private Placement Notes Obligations Payment Date. Following the New Private Placement Notes Obligations Payment Date, the New Private Placement Notes Collateral Agent agrees to execute such documents, agreements, and instruments as the New Notes Collateral Agent or any New Notes Secured Party may reasonably request to evidence the transfer by subrogation to any such Person of an interest in the New Private Placement Notes Obligations resulting from payments to the New Private Placement Notes Collateral Agent by such Person, so long as all costs and expenses (including all reasonable legal fees and disbursements) incurred in connection therewith by the New Private Placement Notes Collateral Agent are paid by such Person upon request for payment thereof.

9.2Further Assurances. Each of the New Private Placement Notes Collateral Agent and the New Notes Collateral Agent will, from time to time, promptly execute and deliver all further instruments

and documents, and take all further action, that may be necessary or desirable, or that the other party may reasonably request, in order to protect any right or interest granted or purported to be granted hereby or to enable the New Notes Collateral Agent or the New Private Placement Notes Collateral Agent to exercise and enforce its rights and remedies hereunder; provided, however, that no party shall be required to pay over any payment or distribution, execute any instruments or documents, or take any other action referred to in this Section 9.2, to the extent that such action would contravene any law, order or other legal requirement or any of the terms or provisions of this Agreement, and in the event of a controversy or dispute, such party may interplead any payment or distribution in any court of competent jurisdiction, without further responsibility in respect of such payment or distribution under this Section 9.2.

9.3Conflicts. In the event of any conflict between the provisions of this Agreement and the provisions of any New Notes Document or any New Private Placement Notes Document, the provisions of this Agreement shall govern.

9.4Continuing Nature of Provisions. This Agreement shall continue to be effective, and shall not be revocable by any party hereto, until the earlier of (i) the New Notes Obligations Payment Date and (ii) the New Private Placement Notes Obligations Payment Date, provided that, notwithstanding any such revocation, each of the Collateral Agent shall remain obligated to perform the obligations thereof specified in the proviso to Section 2.6 hereof. This is a continuing agreement and the New Notes Secured Parties and the New Private Placement Notes Secured Parties may continue, at any time and without notice to the other parties hereto, to extend credit and other financial accommodations, lend monies and provide indebtedness to, or for the benefit of, any Obligor on the faith hereof.

9.5Amendments; Waivers. No amendment or modification of any of the provisions of this Agreement shall be effective unless the same shall be in writing and signed by the New Notes Collateral Agent and the New Private Placement Notes Collateral Agent.

9.6Information Concerning Financial Condition of the Obligors. Each of the New Private Placement Notes Collateral Agent and the New Notes Collateral Agent hereby assume responsibility for keeping itself informed of the financial condition of the Obligors and all other circumstances bearing upon the risk of nonpayment of the New Notes Obligations or the New Private Placement Notes Obligations. The New Private Placement Notes Collateral Agent and the New Notes Collateral Agent hereby agree that no party shall have any duty to advise any other party of information known to it regarding such condition or any such circumstances (except as otherwise provided in the New Notes Documents and New Private Placement Notes Documents). In the event the New Private Placement Notes Collateral Agent or the New Notes Collateral Agent, in its sole discretion, undertakes at any time or from time to time to provide any information to any other party to this Agreement, it shall be under no obligation (a) to provide any such information to such other party or any other party on any subsequent occasion, (b) to undertake any investigation not a part of its regular business routine, or (c) to disclose any other information.

9.7Governing Law. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK (INCLUDING FOR SUCH PURPOSE SECTIONS 5-1401 AND 5-1402 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK), EXCEPT AS OTHERWISE REQUIRED BY MANDATORY PROVISIONS OF LAW AND EXCEPT TO THE EXTENT THAT REMEDIES PROVIDED BY THE LAWS OF ANY JURISDICTION OTHER THAN THE STATE OF NEW YORK ARE GOVERNED BY THE LAWS OF SUCH JURISDICTION.

9.8Submission to Jurisdiction; JURY TRIAL WAIVER. (a) Each New Notes Secured Party, each New Private Placement Notes Secured Party and each Obligor hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any U.S. Federal or New York State

court sitting in New York, New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement, or for recognition or enforcement of any judgment, and each such party hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each such party agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any New Notes Secured Party or New Private Placement Notes Secured Party may otherwise have to bring any action or proceeding against any Obligor or its properties in the courts of any jurisdiction.

(b) Each New Notes Secured Party, each New Private Placement Notes Secured Party and each Obligor hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so (i) any objection it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in paragraph (a) of this Section and (ii) the defense of an inconvenient forum to the maintenance of such action or proceeding.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.9. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

(d) EACH PARTY HERETO HEREBY WAIVES ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREIN, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW OR STATUTORY CLAIMS. EACH PARTY HERETO REPRESENTS THAT IT HAS REVIEWED THIS WAIVER AND IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. IN THE EVENT OF LITIGATION, A COPY OF THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

9.9Notices. Unless otherwise specifically provided herein, any notice or other communication herein required or permitted to be given shall be in writing and may be personally served, telecopied, or sent by overnight express courier service or United States mail and shall be deemed to have been given when delivered in person or by courier service, upon receipt of a telecopy or five days after deposit in the United States mail (certified, with postage prepaid and properly addressed). For the purposes hereof, the addresses of the parties hereto (until notice of a change thereof is delivered as provided in this Section 9.9) shall be as set forth below each party's name on the signature pages hereof, or, as to each party, at such other address as may be designated by such party in a written notice to all of the other parties.

9.10Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of each of the parties hereto and each of the New Notes Secured Parties and New Private Placement Notes Secured Parties and their respective successors and assigns, and nothing herein is intended, or shall be construed to give, any other Person any right, remedy or claim under, to or in respect of this Agreement or any Collateral.

9.11Headings. Section headings used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

9.12Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or

unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

9.13Other Remedies. For avoidance of doubt, it is understood that nothing in this Agreement shall prevent any New Notes Secured Party or any New Private Placement Notes Secured Party from exercising any available remedy to accelerate the maturity of any indebtedness or other obligations owing under the New Notes Documents or the New Private Placement Notes Documents, as applicable, or to demand payment under any guarantee in respect thereof.

9.14Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by telecopy shall be effective as delivery of a manually executed counterpart of this Agreement. This Agreement shall become effective when it shall have been executed by each party hereto.

9.15Benefit of the Agreement; No Impairment. This Agreement and the rights and benefits hereof shall inure to the benefit of New Notes Creditors and the New Private Placement Notes Creditors and to their respective successors. Nothing in this Agreement shall impair, as between any Obligor and the New Notes Creditors, or as between any Obligor and the New Private Placement Notes Creditors, the obligations of the Obligors under the New Notes Documents and the New Private Placement Notes Documents, respectively.

9.16Provisions Solely to Define Relative Rights. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the New Notes Creditors on the one hand and the New Private Placement Notes Creditors on the other hand. No Obligor or any other creditor thereof shall have any rights hereunder and no Obligor may rely on the terms hereof or enforce the terms hereof.

Call Right.

reasonable attorney's fees and costs). Absent receipt by each IPCO Notes Trustee of a Call Right Election Notice from the Term Loan Agent within the prescribed period, the IPCO Notes Trustees can assume that no Purchase Event has occurred.

(b) In order to effectuate the foregoing, each IPCO Notes Trustee shall calculate, upon the written request of the Term Loan Agent or the Purchasing Term Loan Claimholders from time to time, the aggregate amount of principal and accrued and unpaid interest with respect to the applicable IPCO Notes Obligations as of the Purchase Date and shall provide the amount of any unpaid expenses of such IPCO Notes Trustee.

In connection with the foregoing, the Purchasing Term Loan Claimholders shall provide any transmittal, wire or other similar instructions or information reasonably required by the IPCO Notes Trustees in order to effectuate the purchase contemplated hereby.

For the avoidance of doubt, except for providing a Call Right Election Notice to the IPCO Notes Trustees upon the written direction of the Purchasing Term Loan Claimholders, the Term Loan Agent shall have no responsibility with respect to this Section 2, including, without limitation, any duty to confirm whether a Purchase Event has occurred, to provide notice of the occurrence of a Purchase Event or to perform, monitor or verify any calculation contemplated or required hereunder.

(1) there shall be first allocated to each ROFO Purchaser a number of Company Shares equal to the lesser of (A) the number of Company Shares elected to be purchased by such ROFO Purchaser and (B) a number of Company Shares equal to such ROFO Purchaser’s Pro Rata Portion; and

(2) the balance, if any, of Company Shares not allocated pursuant to clause (1) above shall be allocated to those ROFO Purchasers which offered to purchase a number of Company Shares in excess of such ROFO Purchasers’ respective Pro Rata Portions in proportion, as nearly as practicable, to the respective number of Company Shares which each ROFO Purchaser offered to purchase.

(iii) If the ROFO Offerees elect to purchase (or to cause one or more of their Affiliates to purchase) all of the Company Shares which are the subject of the proposed Transfer within the ROFO Election Period, such purchase shall be consummated within thirty (30) days after the date on which each such ROFO Offeree notifies the ROFO Stockholder of such election (subject to extension if necessary to permit the expiration or early termination of the HSR Waiting Period). Subject to Section 4.4, if the ROFO Offerees do not elect to purchase all of the Company Shares within the ROFO Election

Period, the ROFO Stockholder may Transfer all of the Company Shares specified in the ROFO Notice at any time within one hundred and twenty (120) days following such period at a price which is not less than the purchase price specified in the ROFO Notice and on terms and conditions no more favorable, in any material respect, to the purchaser than those specified in the ROFO Notice, and thereafter the ROFO Stockholder may not Transfer any such Company Shares without first following the procedures set forth in this Section 4.3.

(b) In connection with the Transfer of all or any portion of a ROFO Stockholder's Company Shares pursuant to this Section 4.3 to one or more ROFO Offerees, the ROFO Stockholder shall only be required to represent and warrant as to its authority to sell, the enforceability of agreements against the ROFO Stockholder, that the Company Shares to be transferred shall be free and clear of any liens, claims or encumbrances (other than restrictions imposed by this Agreement and pursuant to applicable federal, state and foreign securities laws), that it is the record and beneficial owner of such Company Shares and that it has obtained or made all necessary consents, approvals, filings and notices from governmental authorities or third parties to consummate the Transfer.

(c) The provisions of this Section 4.3 shall not apply to Transfers of Company Shares (i) to Permitted Transferees in accordance with Section 4.2 (Permitted Transferees); (ii) pursuant to, or consequent upon the exercise of the drag-along rights set forth in Section 4.5 (Drag-Along Rights); (iii) consequent upon the exercise of the tag-along rights set forth in Section 4.4 (Tag-Along Rights); (iv) pursuant to a registered public offering; or (v) by any Noteholder Investor.

Section 4.4 Tag-Along Rights.

(a) Subject to the provisions of Section 4.3, if and to the extent applicable, a Stockholder proposes to Transfer (a "Transferring Stockholder") (i) if such Transferring Stockholder is a Noteholder Investor, any or all of its Company Shares representing more than 7.5% of the outstanding number of Company Shares and (ii) if such Transferring Stockholder is any Stockholder other than a Noteholder Investor, any or all of its Company Shares, other than (w) pursuant to Section 4.2, (x) Transfers pursuant to a registered public offering, (y) to a ROFO Offeree pursuant to the exercise of such ROFO Offeree's rights set forth in Section 4.3 or (z) pursuant to or consequent upon the exercise of the drag-along rights set forth in Section 4.5 (a "Proposed Transfer"), each holder of Company Shares who exercises its rights under this Section 4.4(a) (a "Tagging Stockholder") shall have the right to Transfer its Pro Rata Portion of Company Shares to the proposed Transferee (a "Proposed Transferee") on the same terms and conditions as those proposed by the Transferring Stockholder.

(b) The Transferring Stockholder shall promptly give written notice (a "Tag-Along Notice") to each other holder of Company Shares (the "Tag-Along Offeree") of a Proposed Transfer, setting forth the number of Company Shares proposed to be Transferred, the name of the Transferring Stockholder, the name and address of the Proposed Transferee, the proposed per share purchase price (or amount) and form of consideration for such Company Shares and any other material terms and conditions of the Proposed Transfer. Each Tag-Along Offeree shall have a period of fifteen (15) Business Days from the date of the Tag-Along Notice

within which to elect to sell up to its Pro Rata Portion of Company Shares in connection with such Proposed Transfer. Any Tag-Along Offeree may exercise such right by delivery of an irrevocable written notice to the Transferring Stockholder specifying the number of Company Shares (which shall be not more than its Pro Rata Portion) it desires to include in the Proposed Transfer. If the Proposed Transferee fails to purchase all Company Shares proposed to be Transferred by the Transferring Stockholder, the Company stockholders who have exercised their tag-along rights under the Management Stockholders' Agreement and the Tagging Stockholders, then the number of Company Shares the Transferring Stockholder and each Tagging Stockholder is permitted to sell in such Transfer shall be allocated among the Tagging Stockholders and the other Company stockholders who have exercised their tag-along rights under the Management Stockholders' Agreement in proportion, as nearly as practicable, to the respective number of Company Shares which each Tagging Stockholder properly requested to be included in the Proposed Transfer. The Transferring Stockholder shall have a period of ninety (90) days following the expiration of the fifteen (15) Business Day period, to sell such Company Shares to the Proposed Transferee, on the payment terms specified in the Tag-Along Notice, and thereafter the Transferring Stockholder may not Transfer any such Company Shares without first following the procedures set forth in this Section 4.4.

(c) Each Tagging Stockholder shall agree (i) to make the same representations, warranties, covenants, indemnities and agreements to the Proposed Transferee as made by the Transferring Stockholder in connection with the Proposed Transfer (other than any non-competition, non-solicitation or other non-financial related agreements or covenants that would bind such Tagging Stockholder or its Affiliates without such Tagging Stockholder's prior written consent), and (ii) to the same terms and conditions to the Transfer as the Transferring Stockholder agrees. Notwithstanding the foregoing, however, all such representations, warranties, covenants, indemnities and agreements shall be made by each Tagging Stockholder and the Transferring Stockholder severally and not jointly, and, except with respect to individual representations, warranties, covenants, indemnities and other agreements of the Tagging Stockholder as to the unencumbered title to its Company Shares and the power, authority and legal right to Transfer such Company Shares, any liability for breach of any such representations and warranties or under any indemnities shall be allocated among each Tagging Stockholder, the other holders of shares of Common Stock who have exercised their tag-along rights under the Management Stockholders' Agreement and the Transferring Stockholder pro rata based on the relative sale price of the shares of Common Stock to be Transferred by each of them, and the aggregate amount of liability for each such Tagging Stockholder and the Transferring Stockholder shall not in any event exceed the U.S. dollar value of the net proceeds received by such Tagging Stockholder or the Transferring Stockholder, respectively, from the Transferee. Any Transfer of Company Shares by a Tagging Stockholder pursuant to the terms hereof shall be at a per share purchase price (or amount) specified in the Tag-Along Notice and all Stockholders shall receive the same relative proportion of cash and Marketable Securities.

(d) All reasonable costs and expenses incurred in connection with any Proposed Transfer (whether or not consummated), including all attorneys fees and charges, all accounting fees and charges and all finders, brokerage or investment banking fees, charges or commissions, shall be allocated among the Transferring Stockholder, the other holders of shares of Common Stock who have exercised their tag-along rights under the Management Stockholders' Agreement and each Tagging Stockholder pro rata based on the relative proceeds

to be received by each of them from the sale of the shares of Common Stock to be Transferred by each of them.

(e) Each Stockholder may assign its tag-along rights (in whole or in part) under the terms of this Section 4.4 to any of its Affiliates that is a Stockholder.

Section 4.5 Drag-Along Rights.

(a) If TPG agrees at any time to Transfer, in any single or series of related transactions, at least eighty percent (80%) of the aggregate Purchase Price Value of the Sponsor Shares then held by TPG and its Affiliates to a non-affiliated third party (a “Drag-Along Transfer” and such purchaser, the “Drag-Along Buyer”) for cash and/or Marketable Securities, TPG may exercise drag-along rights with respect to all other Stockholders in accordance with the terms, conditions and procedures set forth herein.

(b) TPG shall promptly give notice (a “Drag-Along Notice”) to each holder of Company Shares (the “Drag-Along Stockholders”) of any election by TPG to exercise its drag-along rights under this Section 4.5, setting forth the name and address of the Transferee, the total number of Company Shares proposed to be Transferred by TPG and its Affiliates, the proposed amount per share and form of consideration for the Company Shares, and all other material terms and conditions of the Drag-Along Transfer. Such notice shall also specify the number of Company Shares such Drag-Along Stockholders shall be required to Transfer, up to such Drag-Along Stockholders’ Pro Rata Portion for the Company Shares; provided that the portion of Company Shares with respect to each Drag Along Stockholder is the same relative proportion for all Drag-Along Stockholders. Any Transfer of Company Shares by a Drag-Along Stockholder pursuant to the terms hereof shall be at the same per share purchase price for the Company Shares sold by TPG and its Affiliates and specified in the Drag-Along Notice and each Drag-Along Stockholder shall receive the same relative proportion of cash and Marketable Securities.

(c) Each Drag-Along Stockholder agrees, severally and not jointly, to (i) make individual representations, warranties, covenants, indemnities and other agreements solely as to the title to, and the absence of any Adverse Claims with respect to, its Company Shares and the power, authority and legal right to Transfer such Company Shares, (ii) execute and deliver agreements, covenants and indemnities as made by TPG in connection with the Drag-Along Transfer (other than any non-competition, non-solicitation or other non-financial agreements or covenants that would bind such Drag-Along Stockholder or its Affiliates without the prior written consent of such Drag-Along Stockholder), (iii) agree to, except as provided in the preceding subclause (ii), the same terms and conditions to the Transfer as TPG agrees, (iv) not demand or exercise appraisal or dissenters rights under any applicable business corporation or other law with respect to a transaction subject to this Section 4.5 as to which such appraisal rights are available and (v) be liable as to all representations, warranties, covenants, indemnities and other agreements being made, agreed to or delivered by the Company or any of its subsidiaries, or in respect of the Company or any of its subsidiaries or their respective businesses, in connection with such transaction (other than the individual representations, warranties, covenants, indemnities and other agreements of the type set forth in subclause (i)), in each case to the same extent as TPG but pro rata based on the relative proceeds to be received by each of them from the sale of the shares of Common Stock Transferred by each of

them. Notwithstanding the foregoing, the aggregate amount of liability for TPG and such Drag-Along Stockholders shall not in any event exceed the U.S. dollar value of the net proceeds received by TPG and such Drag-Along Stockholders, respectively.

(d) In the event that any such Transfer is structured as a merger, consolidation, or similar business combination, each Drag-Along Stockholder agrees to (i) subject to Section 3.2, vote in favor of the transaction and (ii) subject to Section 4.5(b), take such other action as may be required to effect such transaction.

(e) Solely for purposes of Section 4.5(d)(i) and in order to secure the performance of each holder of Company Share's obligations under Section 4.5(d)(i) (but subject in all instances to Section 3.2), each holder of Company Shares hereby irrevocably appoints TPG (or a designee thereof) the attorney-in-fact and proxy of such holder of Company Shares (with full power of substitution) to vote or provide a written consent with respect to its Company Shares as described in this paragraph if, and only in the event that, such holder of Company Shares fails to vote or provide a written consent with respect to its Company Shares in accordance with the terms of Section 4.5(d)(i) (each such holder of Company Shares, a "Breaching Drag-Along Stockholder") within three (3) days of a request for such vote or written consent. Upon such failure, TPG shall have and is hereby irrevocably granted a proxy to vote or provide a written consent with respect to each such Breaching Drag-Along Stockholder's Company Shares for the purposes of taking the actions required by Section 4.5(d)(i). Each holder of Company Shares intends this proxy to be, and it shall be, irrevocable and coupled with an interest, and each holder of Company Shares will take such further action and execute such other instruments as may be necessary to effectuate the intent of this proxy and hereby revokes any proxy previously granted by it with respect to the matters set forth in Section 4.5(d)(i) with respect to the Company Shares owned by such holder of Company Shares. Notwithstanding the foregoing, the conditional proxy granted by this Section 4.5(e) shall be deemed to be revoked upon the termination of this Article IV in accordance with its terms.

(f) All reasonable costs and expenses incurred in connection with any Drag-Along Transfer (whether or not consummated), including all attorneys fees and charges, all accounting fees and charges and all finders, brokerage or investment banking fees, charges or commissions, incurred in connection with any proposed Drag-Along Transfer, shall be borne by the Company.

(g) If a Drag-Along Stockholder fails to transfer to the Drag-Along Buyer the Company Shares required to be sold pursuant to this Section 4.5, TPG may, at its option, in addition to all other remedies it may have, deposit the purchase price for such Company Shares with any national bank or trust company having combined capital, surplus and undivided profits in excess of \$500 million (the "Escrow Agent"), and the Company will cancel on its books the certificate or certificates representing such Company Shares and thereupon all of such Drag-Along Stockholder's rights in and to such Company Shares shall terminate. Thereafter, upon delivery to the Company by such Drag-Along Stockholder of appropriate documentation evidencing the Transfer of such Company Shares to the Drag-Along Buyer (including, to the extent applicable, certificate or certificates evidencing such Company Shares (duly endorsed, or with stock powers duly endorsed, for transfer, with signature guaranteed, free and clear of any liens or encumbrances, and with any transfer tax stamps affixed)), TPG shall instruct the Escrow

Agent to deliver the purchase price (without any interest from the date of the closing to the date of such delivery, any such interest to accrue to the Company) to such Drag-Along Stockholder.

Section 4.6

Miscellaneous.

(a) Any Transfer of Company Shares, which Transfer is otherwise in compliance herewith, shall be permitted hereunder only if the transferee of such Company Shares agrees in writing that it shall, upon such Transfer, assume with respect to such Company Shares the rights and obligations under this Agreement and become a party to this Agreement for such purpose, and any other agreement or instrument executed and delivered by such transferor in respect of the Company Shares; provided, however, that this Section 4.6(a) shall not apply to (i) Transfers of Company Shares to a Stockholder that is already a party to this Agreement, (ii) Transfers pursuant to a registered public offering or (iii) Transfers pursuant to Section 4.4 or Section 4.5; provided, further, that no Transferee (other than any Permitted Transferee of the applicable Stockholder) shall acquire any of the rights of the applicable transferor provided in Article III, Section 4.3, Section 4.4, Section 4.5 or Article VI hereof by reason of such Transfer and any Transferee (other than a Permitted Transferee of the applicable Stockholder) of Company Shares held by TPG, LGP, MD Investor or any Other Investor shall be deemed an “Other Investor”, and such transferred Company Shares deemed “Other Investor Shares”, for purposes of this Agreement.

(b) Each Tagging Stockholder or Drag-Along Stockholder (each, a “Participating Seller”) and each Stockholder Transferring any Company Shares to a ROFO Purchaser pursuant to Section 4.3, whether in his, her or its capacity as a Participating Seller, stockholder, officer or director of the Company, or otherwise, shall take or cause to be taken all such actions as may be necessary or reasonably desirable in order to expeditiously consummate each Transfer pursuant to Section 4.3, Section 4.4 or Section 4.5 hereof and any related transactions, including, without limitation, executing, acknowledging and delivering consents, assignments, waivers and other documents or instruments; furnishing information and copies of documents; filing applications, reports, returns, filings and other documents or instruments with governmental authorities; and otherwise using commercially reasonable efforts to cooperate with the ROFO Purchaser (in a Transfer pursuant to Section 4.3 hereof), Transferring Stockholder (in a Transfer pursuant to Section 4.4 hereof) or TPG (in a Transfer pursuant to Section 4.5 hereof), as applicable, and the Proposed Transferee or Drag-Along Buyer, as applicable.

(c) The Transferring Stockholder (in a Transfer pursuant to Section 4.4 hereof) or TPG (in a Transfer pursuant to Section 4.5 hereof), as applicable, may, in their sole discretion, decide whether or not to pursue, consummate, postpone or abandon any proposed Transfer and the terms and conditions thereof.

(d) Each Participating Seller agrees that to the extent he, she or it desires to include vested and exercisable Options, Warrants or Convertible Securities in any Transfer of Company Shares pursuant to this Article IV, he, she or it will be deemed to have exercised, converted or exchanged such vested and exercisable Options, Warrants or Convertible Securities immediately prior to the closing of such Transfer to the extent necessary to Transfer shares of Common Stock to the Proposed Transferee, except to the extent permitted under the terms of any such Option, Warrant or Convertible Security and agreed to by the Board of Directors and the

Proposed Transferee. In the event that Options, Warrants or Convertible Securities are deemed exercised pursuant to the preceding sentence, payment of any purchase or exercise price, if applicable, and minimum statutory withholding tax amount, if any, shall be satisfied through payment of shares of Common Stock otherwise deliverable upon such exercise, conversion, or exchange. If any Participating Seller Transfers Options, Warrants or Convertible Securities in any Transfer pursuant to this Article IV, such Participating Seller shall receive in exchange for such Options, Warrants or Convertible Securities consideration equal to the amount (if greater than zero) determined by multiplying (a) the purchase price per share of the Common Stock received by the Transferring Stockholder in such Transfer less the unpaid exercise or conversion price, if any, per share of such Option, Warrant or Convertible Security by (b) the number of shares of the Common Stock issuable upon exercise, conversion or exchange of such Option, Warrant or Convertible Security (to the extent exercisable, convertible or exchangeable at the time of such Transfer), subject to reduction for any tax or other amounts required to be withheld under applicable law.

(e) The closing of a Transfer to which Section 4.3, 4.4 or 4.5 hereof applies will take place at such time and place as the ROFO Stockholder specifies (in a Transfer pursuant to Section 4.3 hereof), Transferring Stockholder specifies (in a Transfer pursuant to Section 4.4 hereof) or TPG specifies (in a Transfer pursuant to Section 4.5 hereof) by notice to each ROFO Offeree or Participating Seller, as applicable, each subject to any restrictions as to timing set forth in Section 4.4 or 4.5. At the closing of such Transfer, each ROFO Purchaser or Participating Seller, as applicable, shall deliver the certificates evidencing the Company Shares to be sold by such ROFO Purchaser or Participating Seller, as applicable, duly endorsed, or with stock (or equivalent) powers duly endorsed, for transfer with signature guaranteed, free and clear of any Adverse Claim, with any stock (or equivalent) transfer tax stamps affixed, against delivery of the applicable consideration.

Section 4.7 Termination of Transfer Restrictions. The provisions of this Article IV (other than Sections 4.1(b) and 4.6(a)) shall terminate and be of no further force and effect upon an IPO.

ARTICLE V

PREEMPTIVE RIGHTS

Section 5.1 Preemptive Rights. (a) At any time following the date hereof until an IPO, subject to the provisions of Section 3.2, if the Company, Intermediate Holdings, J. Crew or any of their respective subsidiaries proposes to issue additional Company Shares or equity securities of the Company, Intermediate Holdings, J. Crew or any of their respective subsidiaries, including any warrants, options or other rights to acquire Company Shares, equity securities of the Company, Intermediate Holdings, J. Crew or any of their respective subsidiaries or debt securities that are convertible into Company Shares or equity securities of the Company, Intermediate Holdings, J. Crew or any of their respective subsidiaries to any Person (with the exception of any issuance (i) as consideration in any merger, acquisition or similar transaction, (ii) in an IPO, (iii) as consideration in a joint venture or any other strategic transaction, (iv) to a financial institution in connection with any borrowing, (v) to employees, advisors or consultants pursuant to an employee incentive plan approved by the Board of Directors or to employees

pursuant to a subscription agreement for the purchase of shares in connection with the Closing, (vi) by a direct or indirect subsidiary of the Company, Intermediate Holdings, J. Crew or any of their respective subsidiaries to the Company, Intermediate Holdings, J. Crew or any of their respective subsidiaries, (vii) as a result of the conversion of convertible securities or the exercise of any warrants, options or other rights (in each case, having been issued in accordance with this Section 5.1 and otherwise approved in accordance with the terms of this Agreement) and (viii) in connection with any stock split, stock combination, stock dividend, distribution or recapitalization) (a “New Issuance” and any such Company Shares or equity securities of the Company, Intermediate Holdings, J. Crew or any of their respective subsidiaries, “Newly Issued Securities”), the Company shall provide written notice to each Sponsor, each Noteholder Investor and the MD Investor (each, a “Preemptive Rights Holders”) of such anticipated issuance no later than fifteen (15) Business Days prior to the anticipated issuance date (the “Preemptive Rights Notice”). The Preemptive Rights Notice shall set forth the material terms and conditions of the New Issuance, including the proposed purchase price for the Newly Issued Securities, the anticipated issuance date, and the purpose of such New Issuance. Each Preemptive Rights Holder shall have the right to purchase up to its Pro Rata Portion of such Newly Issued Securities at the price and on the terms and conditions specified in the Preemptive Rights Notice by delivering an irrevocable written notice to the Company no later than five (5) Business Days before the anticipated issuance date, setting forth the number of such Newly Issued Securities for which such right is exercised. Such notice shall also include the maximum number of Newly Issued Securities such Preemptive Rights Holders would be willing to purchase in the event any other Stockholder with preemptive rights and entitled to participate elects to purchase less than its Pro Rata Portion of such Newly Issued Securities. If any such stockholder elects not to purchase its full Pro Rata Portion of such Newly Issued Securities, the Company shall allocate any remaining amount among those Preemptive Rights Holders (pro rata in accordance with the Over-Allocation Pro-Rata Portion of each such Stockholder up to, in the case of each such stockholder, the maximum number specified by such Stockholder pursuant to the immediately preceding sentence) who have indicated in their notice to the Company a desire to purchase Newly Issued Securities in excess of their respective Pro Rata Portions.

(b) In the event the Preemptive Rights Holders do not purchase all such Newly Issued Securities (including the Preemptive Rights Holders in accordance with the procedures set forth in Section 5.1(a)), the Company, Intermediate Holdings, J. Crew or the other relevant subsidiary, as applicable, shall have sixty (60) days after the expiration of the anticipated issuance date (subject to extension if necessary to permit the expiration or early termination of the HSR Waiting Period) to sell to other Persons (including any Stockholder) the remaining Newly Issued Securities at the price and on the terms and conditions specified in the Preemptive Rights Notice. If the Company, Intermediate Holdings, J. Crew or the other relevant subsidiary, as applicable, fails to sell such Newly Issued Securities within such period, the Company, Intermediate Holdings, J. Crew or the other relevant subsidiary, as applicable, shall not thereafter issue or sell such Newly Issued Securities without first offering the same to the Preemptive Rights Holders in the manner provided in Section 5.1(a).

(c) In the event that any Preemptive Rights Holder purchases any equity securities from the Company, Intermediate Holdings, J. Crew or any subsidiary thereof, other than new Company Shares pursuant to Section 5.1(a), such Stockholder shall execute a shareholders’ agreement with respect to such securities with terms that are substantially

equivalent, *mutatis mutandis*, to this Agreement (including the registration rights provided for in Article VI hereof); provided that such shareholders' agreement shall terminate upon the same terms and conditions as provided herein.

(d) Any Newly Issued Securities constituting shares of capital stock of the Company acquired by any Sponsor or MD Investor pursuant to this Article V shall be deemed for all purposes hereof to be Sponsor Shares or MD Investor Shares hereunder, as applicable.

(e) The election by a Preemptive Rights Holder not to exercise its preemptive rights under this Section 5.1 in any one instance shall not affect its right (other than in respect of a reduction in its Ownership Interest, if applicable) to exercise its preemptive rights with respect to any future issuances under Section 5.1. Any attempted Transfer of such securities by the Company, Intermediate Holdings, J. Crew or any other subsidiary without first giving the Stockholders the rights described in Section 5.1 shall be void and of no force and effect.

(f) Notwithstanding the notice requirements of Section 5.1(a) above, the Company may proceed with any New Issuance prior to having complied with the provisions of Section 5.1(a); provided that the Company shall:

(i) provide to each such holder of Company Shares who would have been a recipient of a Preemptive Rights Notice (i) notice within two (2) Business Days thereafter of such New Issuance and (ii) the Preemptive Rights Notice described in Section 5.1(a) in which the actual purchase price of Newly Issued Securities shall be set forth;

(ii) offer to issue to each such holder of Company Shares such number of Newly Issued Securities as may be requested by such holder (not to exceed an amount equal to (i) the Pro Rata Portion that such holder would have been entitled to pursuant to Section 5.1(a) multiplied by the number of Newly Issued Securities included in the New Issuance plus (ii) a number of additional securities sufficient to permit such holder to acquire, in total, the same percentage of the aggregate number of all securities included in the relevant New Issuances effected pursuant to this Section 5.1 as such holder would have been entitled to acquire had the Company proceeded with the relevant New Issuances under Section 5.1(a) rather than pursuant to this Section 5.1(f) on the same economic terms and conditions with respect to such securities as the subscribers in the New Issuance received); and

(iii) keep such offer open for a period of at least fifteen (15) Business Days, during which period, each such holder may accept such offer by sending a written acceptance to the Company committing to purchase an amount of such securities (not in any event to exceed the Pro Rata Portion that such holder would have been entitled to pursuant to Section 5.1 multiplied by the number of all such Newly Issued Securities included in all such relevant New Issuances).

Section 5.2 Termination of Preemptive Rights. The provisions of this Article V shall terminate and be of no further force and effect upon an IPO.

ARTICLE VI

REGISTRATION RIGHTS

Section 6.1

Demand Registration.

(a) IPO and Demand by Holders.

(i) TPG, following consultation with LGP, and, until the earlier of (i) MD's Death or Disability and (ii) such time that the MD Investors have sold more than 50% of the Company Shares held by the MD Investors as of the date of this Agreement, MD, shall have the right, by delivering or causing to be delivered a written notice to the Issuer by the Majority TPG Investors, to require the Issuer to register, pursuant to the terms of this Agreement, under and in accordance with the provisions of the Securities Act, the sale of the number of shares of Issuer Shares and Registrable Securities (if any) specified by TPG (in consultation with LGP and, until the earlier of (i) MD's Death or Disability and (ii) such time that the MD Investors have sold more than 50% of the Company Shares held by the MD Investors as of the date of this Agreement, MD) to be so issued and sold in an IPO (an "IPO Demand Registration"). In connection with any such IPO in which TPG is selling (or causing to be sold) Registrable Securities held by it in such IPO (whether pursuant to an IPO Demand Registration or otherwise), the Issuer shall promptly (but in no event more than five (5) Business Days after receipt of any request for an IPO Demand Registration) deliver a written notice to the other Sponsors, the MD Investors and any Noteholder Investor that holds at least 2% of the outstanding Registrable Securities on an as-converted, fully-diluted basis, and in such event each such Sponsor, MD Investor and any such Noteholder Investor(s) shall have the right to participate in such offering on a pro rata basis with TPG (it being understood that in connection with any IPO in which TPG is not selling (or causing to be sold) Registrable Securities held by it, no such notice need be sent and no Registrable Securities of the other Sponsors, the MD Investors or the Noteholder Investors need be included in the registration for the IPO).

(ii) If at any time after the Effectiveness Date, there is no currently effective Shelf Registration Statement on file with the SEC, (i) any of the Majority TPG Investors, (ii) so long as the MD Investors then hold the Demand Threshold Amount, the Majority MD Investors, (iii) so long as LGP then holds the Demand Threshold Amount, any of the Majority LGP Investors or (iv) any Noteholder Investor that holds the Demand Threshold Amount (each of the Majority TPG Investors, the Majority MD Investors, the Majority LGP Investors, or any such Noteholder Investor, a "Demand Holder") shall have the right to make a written request to the Issuer for Registration of all or part of the Registrable Securities held by it on (x) Form S-1 or any successor form or any similar long-form registration statement (a "Long-Form Registration"), or (y) Form S-3 or any successor form or any similar short-form registration statement (a "Short-Form Registration") if the Issuer is qualified to use such short form. Any such request pursuant to clauses (i) and (ii) of this Section 6.1(a) shall hereinafter be referred to as a "Demand Registration." Each request for a Demand Registration shall specify (x) the kind and aggregate amount of Registrable Securities to be Registered and/or, in the case of an IPO Demand

Registration, the number of shares of Issuer Shares to be issued and sold and the number of Registrable Securities (if any) to be sold, and (y) the intended methods of disposition thereof.

(iii) Within (x) ninety (90) days in the case of a request for a Long-Form Registration, (y) thirty (30) days in the case of a request for a Short-Form Registration, or (z) one hundred twenty (120) days in the case of an IPO Demand Registration, the Issuer shall file a Registration Statement relating to such Demand Registration (a “Demand Registration Statement”), and shall use its reasonable best efforts to cause (i) such Demand Registration Statement to promptly be declared effective under the Securities Act, and (ii) the offer and sale of Registrable Securities to be otherwise registered and/or qualified under the “Blue Sky” laws of such jurisdictions as any Holder of Registrable Securities being registered under such Registration Statement or any underwriter, if any, reasonably requests. Notwithstanding anything to the contrary herein, any registered public offering made pursuant to this Section 6.1 or Section 6.2 within twelve (12) months of an IPO shall require the consent of the Sponsors holding, in the aggregate, at least sixty-five percent (65%) of the Company Shares held by the Sponsors.

(b) Limitation on Demand Registrations. Subject to Section 6.1(a), each Demand Holder shall have the right to request up to three (3) Long-Form Registrations and an unlimited number of Short-Form Registrations. Notwithstanding the foregoing, (i) each Demand Holder may request no more than one (1) Demand Registration in any 12-month period, and (ii) in no event shall the Issuer be required to effect more than a total of three (3) Demand Registrations in any 12-month period; provided, however, that such limitations shall not apply to an IPO Demand Registration, which IPO Demand Registration may only be made as provided in Section 6.1(a)(i); and provided, further, that any Demand Registrations pursuant to which the Demand Holder(s) and all other holders of Registrable Securities joining therein are not able to include at least seventy-five percent (75%) of the Registrable Securities which they requested to include, shall not be included in the calculation of the numbers of registrations contemplated by this clause (b).

(c) Demand Withdrawal. A Demanding Holder, and any other Holder that has requested its Registrable Securities be included in a Demand Registration pursuant to Section 6.1(e) or any Sponsor or MD Investor that has elected to participate in an IPO offering pursuant to Section 6.1(a) may withdraw all or any portion of its Registrable Securities included in a Demand Registration from such Demand Registration at any time prior to the effectiveness of the applicable Demand Registration Statement. Upon receipt of a notice to such effect from a Demanding Holder (or if there is more than one Demanding Holder, from all such Demanding Holders) with respect to all of the Registrable Securities included by such Demanding Holder(s) in such Demand Registration, the Issuer shall cease all efforts to secure effectiveness of the applicable Demand Registration Statement and such Registration nonetheless shall be deemed a Demand Registration for purposes of Section 6.1(b) unless (i) the withdrawing Demanding Holder(s) shall have paid or reimbursed the Issuer for its or their pro rata share of all reasonable and documented out-of-pocket fees and expenses incurred by the Issuer in connection with the Registration (based on the number of securities the Demanding Holder(s) sought to register, as compared to the total number of securities included in such Demand Registration Statement) or

(ii) if such withdrawal is made following the occurrence of a Material Adverse Change or because the Registration would require the Company to make an Adverse Disclosure.

(d) Effective Registration. The Issuer shall be deemed to have effected a Demand Registration if the Demand Registration Statement has become effective and remains effective for not less than one hundred eighty (180) days (or such shorter period as will terminate when all Registrable Securities covered by such Demand Registration Statement have been sold or withdrawn), or if such Registration Statement relates to an Underwritten Offering, such longer period as in the opinion of counsel for the underwriter or underwriters a Prospectus is required by law to be delivered in connection with sales of Registrable Securities by an underwriter or dealer (the applicable period, the “Demand Period”). No Demand Registration shall be deemed to have been effected if (i) during the Demand Period such Registration is interfered with by any stop order, injunction or other order or requirement of the SEC or other governmental agency or court or (ii) the conditions to closing specified in the underwriting agreement, if any, entered into in connection with such Registration are not satisfied other than by reason of a wrongful act, misrepresentation or breach of such applicable underwriting agreement by a participating Holder.

(e) Demand Notice. Promptly upon receipt of any request for a Demand Registration other than an IPO Demand Registration pursuant to Section 6.1(a) (but in no event more than five (5) Business Days thereafter), the Issuer shall deliver a written notice (a “Demand Notice”) of any such Registration request to all other Holders of Registrable Securities, and the Issuer shall include in such Demand Registration all such Registrable Securities with respect to which the Issuer has received written requests for inclusion therein within ten (10) Business Days after the date that the Demand Notice has been delivered. All requests made pursuant to this Section 6.1(e) shall specify the aggregate amount of Registrable Securities to be registered and the intended method of distribution of such securities.

(f) Delay in Filing; Suspension of Registration. If the filing, initial effectiveness or continued use of a Demand Registration Statement at any time would require the Issuer to make an Adverse Disclosure, the Issuer may, upon giving prompt written notice of such action to the Holders, delay the filing or initial effectiveness of, or suspend use of, the Demand Registration Statement (a “Demand Suspension”); provided, however, that the Issuer shall not be permitted to exercise a Demand Suspension (i) more than once during any twelve (12)-month period, or (ii) for a period exceeding thirty (30) days on any one occasion. In the case of a Demand Suspension, the Holders agree to suspend use of the applicable Prospectus and any Issuer Free Writing Prospectuses in connection with any sale or purchase, or offer to sell or purchase, Registrable Securities, upon receipt of the notice referred to above. The Issuer shall immediately notify the Holders upon the termination of any Demand Suspension, amend or supplement the Prospectus or any Issuer Free Writing Prospectus, if necessary, so it does not contain any untrue statement or omission and furnish to the Holders such numbers of copies of the Prospectus and any Issuer Free Writing Prospectus as so amended or supplemented as the holders may reasonably request. The Issuer shall, if necessary, supplement or make amendments to the Demand Registration Statement, if required by the registration form used by the Issuer for the Demand Registration or by the instructions applicable to such registration form or by the Securities Act or the rules or regulations promulgated thereunder or as may reasonably be requested by the Holders of a majority of Registrable Securities that are included in such Demand Registration Statement.

(g) Underwritten Offering. If a Demanding Holder so requests, an offering of Registrable Securities pursuant to a Demand Registration shall be in the form of an Underwritten Offering. The Demanding Holder shall have the right to select the managing underwriter or underwriters to administer the offering; provided that such managing underwriter or underwriters shall be reasonably acceptable to the Issuer and TPG; provided, further, that LGP, so long as LGP then hold at least 10% of the outstanding Registrable Securities on an as-converted and fully-diluted basis, shall have the right to participate with TPG in selecting the managing underwriter or underwriters with respect to the IPO.

(h) Priority of Securities Registered Pursuant to Demand Registrations. If the managing underwriter or underwriters of a proposed Underwritten Offering of the Registrable Securities included in a Demand Registration (or, in the case of a Demand Registration not being underwritten, the Demanding Holders holding a majority of the Demanding Holders' Registrable Securities included therein), advise the Board of Directors in writing that, in its or their opinion, the number of securities requested to be included in such Demand Registration exceeds the number which can be sold in such offering without being likely to have a significant adverse effect on the price, timing or distribution of the securities offered or the market for the securities offered, then the securities to be included in such Registration shall be (i) in the case of any Demand Registration other than an IPO Demand Registration (x) first, allocated pro rata among the Holders that have requested to participate in such Demand Registration (based on the relative number of Registrable Securities requested to be included therein), (y) second, and only if all the securities referred to in clause (x) have been included, the number of other securities that, in the opinion of such managing underwriter or underwriters (or Demanding Holders holding a majority of the Demanding Holders' Registrable Securities to be included in such Registration, if applicable) can be sold without having such adverse effect, and (ii) in the case of an IPO Demand Registration, (x) first, one hundred percent (100%) of the securities that the Issuer proposes to issue, and (y) second, and only if all the securities referred to in clause (x) have been included, the number of Registrable Securities that, in the opinion of such managing underwriter or underwriters, can be sold without having such adverse effect, with such number to be allocated pro rata among the participating Sponsors based on the relative number of Registrable Securities requested to be included therein then held by each such Sponsor.

(i) In the event that a Holder requests to participate in a Registration pursuant to this Section 6.1 in connection with a distribution of Registrable Securities to its partners or members, the Registration shall provide for resale by such partners or members, if requested by the Holder.

Section 6.2 Shelf Registration.

(a) Filing. As promptly as practicable following a demand by any Demand Holder at any time after the Effectiveness Date, the Issuer shall file with the SEC a Shelf Registration Statement relating to the offer and sale of Registrable Securities by any Holders thereof from time to time in accordance with the methods of distribution elected by such Holders and set forth in the Shelf Registration Statement and, as promptly as practicable thereafter, shall use its reasonable best efforts to cause such Shelf Registration Statement to become effective under the Securities Act. If, on the date of any such demand, the Issuer does not qualify to file a Shelf Registration Statement, then the provisions of Section 6.1 shall apply instead.

(b) Continued Effectiveness. The Issuer shall use its reasonable best efforts to keep such Shelf Registration Statement continuously effective under the Securities Act in order to permit the Prospectus forming a part thereof to be usable by Holders until the earlier of (i) the date as of which all Registrable Securities have been sold pursuant to the Shelf Registration Statement or another Registration Statement filed under the Securities Act (but in no event prior to the applicable period referred to in Section 4(3) of the Securities Act and Rule 174 thereunder) and (ii) the date as of which each of the Holders is permitted to sell its Registrable Securities without Registration pursuant to Rule 144 under the Securities Act without volume limitations or other restrictions on transfer thereunder (such period of effectiveness, the “Shelf Period”). Subject to Section 6.2(d), the Issuer shall not be deemed to have used its reasonable best efforts to keep the Shelf Registration Statement effective during the Shelf Period if the Issuer voluntarily takes any action or omits to take any action that would result in Holders of the Registrable Securities covered thereby not being able to offer and sell any Registrable Securities pursuant to such Shelf Registration Statement during the Shelf Period, unless such action or omission is required by applicable law.

(c) Shelf Notice. Promptly upon receipt of any request to file a Shelf Registration Statement (but in no event more than five (5) Business Days thereafter), the Issuer shall deliver a written notice of any such request to all other Holders specifying the amount of Registrable Securities to be Registered.

(d) Suspension of Registration. If the continued use of such Shelf Registration Statement at any time would require the Issuer to make an Adverse Disclosure, the Issuer may, upon giving at least ten (10) days’ prior written notice of such action to the Holders, suspend use of the Shelf Registration Statement (a “Shelf Suspension”); provided, however, that the Issuer shall not be permitted to exercise a Shelf Suspension (i) more than one time during any twelve (12)-month period, or (ii) for a period exceeding thirty (30) days on any one occasion. In the case of a Shelf Suspension, the Holders agree to suspend use of the applicable Prospectus and any Issuer Free Writing Prospectuses in connection with any sale or purchase of, or offer to sell or purchase, Registrable Securities, upon receipt of the notice referred to above. The Issuer shall immediately notify the Holders upon the termination of any Shelf Suspension, amend or supplement the Prospectus or any Issuer Free Writing Prospectuses, if necessary, so it does not contain any untrue statement or omission and furnish to the Holders such numbers of copies of the Prospectus as so amended or supplemented or any Issuer Free Writing Prospectus as the Holders may reasonably request. The Issuer shall, if necessary, supplement or make amendments to the Shelf Registration Statement, if required by the registration form used by the Issuer for the Shelf Registration or by the instructions applicable to such registration form or by the Securities Act or the rules or regulations promulgated thereunder or as may reasonably be requested by the Holders of a majority of the Registrable Securities then outstanding.

(e) Underwritten Offering. If any Demand Holder, following consultation with each other Sponsor, so elects, an offering of Registrable Securities under a Shelf Registration Statement shall be in the form of an Underwritten Offering, and the Issuer shall amend or supplement the Shelf Registration Statement for such purpose. The electing Demand Holder shall have the right to select the managing underwriter or underwriters to administer such offering; provided that such managing underwriter or underwriters shall be reasonably

acceptable to the Issuer, TPG and any other Demand Holder seeking to participate in such Underwritten Offering.

(f) Priority of Securities Sold Pursuant to Shelf Registrations. If the managing underwriter or underwriters of a proposed Underwritten Offering of the Registrable Securities included in a Shelf Registration, advise the Board of Directors in writing that, in its or their opinion, the number of securities requested to be included in an Underwritten Offering pursuant to Section 6.2(e) exceeds the number which can be sold in such Underwritten Offering without being likely to have a significant adverse effect on the price, timing or distribution of the securities offered or the market for the securities offered, the number of Registrable Securities to be included in such offering shall be allocated pro rata among the Holders seeking to participate in such Underwritten Offering (based on the relative number of Registrable Securities requested to be included in such Underwritten Offering), to the extent necessary to reduce the total number of Registrable Securities to be included in such Underwritten Offering to the number recommended by the managing underwriter or underwriters.

(g) In the event that TPG or LGP elects to demand a Registration pursuant to this Section 6.2 in connection with a distribution of Registrable Securities to its partners or members, the Registration shall provide for resale by such partners or members, if requested by TPG or LGP.

Section 6.3 Piggyback Registration.

(a) Participation. If the Issuer at any time proposes to file a Registration Statement under the Securities Act with respect to any offering of its equity securities for its own account or for the account of any other Persons (other than (i) a Registration on Form S-4 or S-8 or any successor form to such Forms, (ii) a Registration of securities solely relating to an offering and sale to employees or directors of the Issuer pursuant to any employee stock plan or other employee benefit plan arrangement, or (iii) in connection with an IPO) (an "Issuer Public Sale"), then, as soon as practicable (but in no event less than forty-five (45) days prior to the proposed date of filing such Registration Statement), the Issuer shall give written notice (a "Piggyback Notice") of such proposed filing to all the Holders of Registrable Securities, and such notice shall offer the Holders of Registrable Securities the opportunity to Register under such Registration Statement such number of Registrable Securities as each such Holder may request in writing (a "Piggyback Registration"). Subject to Section 6.3(b), the Issuer shall include in such Registration Statement all such Registrable Securities which are requested to be included therein within fifteen (15) days after the receipt by such Holder of any such notice; provided, however, that if at any time after giving written notice of its intention to Register any securities and prior to the effective date of the Registration Statement filed in connection with such Registration, the Issuer shall determine for any reason not to Register or to delay Registration of such securities, the Issuer shall give written notice of such determination to each Holder of Registrable Securities and, thereupon, (i) in the case of a determination not to Register, shall be relieved of its obligation to Register any Registrable Securities in connection with such Registration (but not from its obligation to pay the Registration Expenses in connection therewith), without prejudice, however, to the rights of any Holders of Registrable Securities entitled to request that such Registration be effected as a Demand Registration under Section 6.1, and (ii) in the case of a determination to delay Registering, in the absence of a request for a

Demand Registration, shall be permitted to delay Registering any Registrable Securities, for the same period as the delay in Registering such other securities. If the offering pursuant to such Registration Statement is to be underwritten, then each Holder making a request for a Piggyback Registration pursuant to this Section 6.3(a) must, and the Issuer shall make such arrangements with the managing underwriter or underwriters so that each such Holder may, participate in such Underwritten Offering. If the offering pursuant to such Registration Statement is to be on any other basis, then each Holder making a request for a Piggyback Registration pursuant to this Section 6.3(a) must, and the Issuer shall make such arrangements so that each such Holder may, participate in such offering on such basis. Any Holder shall have the right to withdraw all or part of its request for inclusion of its Registrable Securities in a Piggyback Registration by giving written notice to the Issuer of its request to withdraw; provided that such request must be made in writing prior to the effectiveness of such Registration Statement. Notwithstanding the foregoing, the Noteholder Investors shall not be entitled to the rights set forth in this Section 6.3(a) to the extent that the Sponsors are not selling any Registrable Securities in such Piggyback Registration.

(b) Priority of Piggyback Registration. If the managing underwriter or underwriters of any proposed Underwritten Offering of Registrable Securities included in a Piggyback Registration informs the Issuer and the participating Holders of Registrable Securities in writing that, in its or their opinion, the number of securities which such Holders and any other Persons intend to include in such offering exceeds the number which can be sold in such offering without being likely to have a significant adverse effect on the price, timing or distribution of the securities offered or the market for the securities offered, then the securities to be included in such Registration shall be (i) first, one hundred percent (100%) of the securities that the Issuer or (subject to Section 6.7) any Person (other than a Holder of Registrable Securities) exercising a contractual right to demand Registration, as the case may be, proposes to sell, and (ii) second, and only if all the securities referred to in clause (i) have been included, the number of Registrable Securities that, in the opinion of such managing underwriter or underwriters, can be sold without having such adverse effect, with such number to be allocated pro rata among the Holders that have requested to participate in such Registration based on the relative number of Registrable Securities requested to be included therein then held by such Holder and (iii) third, and only if all of the Registrable Securities referred to in clause (ii) have been included in such Registration, any other securities eligible for inclusion in such Registration.

(c) No Effect on Demand Registrations. No Registration of Registrable Securities effected pursuant to a request under this Section 6.3 shall be deemed to have been effected pursuant to Sections 6.1 and 6.2 or shall relieve the Issuer of its obligations under Sections 6.1 or 6.2.

Section 6.4

Black-out Periods.

(a) Black-out Periods for Holders. In the event of an IPO or an Issuer Public Sale of the Issuer's equity securities in an Underwritten Offering, the Holders of Registrable Securities agree, if requested by the managing underwriter or underwriters in such Underwritten Offering, not to effect any public sale or distribution of any securities (except, in each case, as part of the applicable Registration, if permitted) that are the same as or similar to those being Registered in connection with such IPO or Issuer Public Sale, or any securities convertible into

or exchangeable or exercisable for such securities, during the period beginning seven (7) days before and ending one hundred eighty (180) days (in the event of the Issuer's IPO) or ninety (90) days (in the event of any other Issuer Public Sale) (or, in either case, such lesser period as may be permitted by the Issuer or such managing underwriter or underwriters) after, the effective date of the Registration Statement filed in connection with such Registration, to the extent timely notified in writing by the Issuer or the managing underwriter or underwriters; provided that such restrictions shall not apply to (i) securities acquired in the public market subsequent to the IPO, (ii) distributions-in-kind to a Holder's partners or members and (iii) transfers to Affiliates, but only if such Affiliates agree to be bound by the restrictions herein.

(b) Black-out Period for the Issuer and Others. In the case of a Registration of Registrable Securities pursuant to Section 6.1 or 6.2 for an Underwritten Offering, the Issuer and each Holder of Registrable Securities shall, if requested by the Demanding Holders holding a majority of the Demanding Holders' Registrable Securities to be included in such Registration or the managing underwriter or underwriters, not effect any public sale or distribution of any securities which are the same as or similar to those being Registered, or any securities convertible into or exchangeable or exercisable for such securities, during the period beginning seven (7) days before, and ending one hundred eighty (180) days (in the event of the Issuer's IPO) or ninety (90) days (in all other cases) (or such lesser period as may be permitted by such Holders or such managing underwriter or underwriters) after, the effective date of the Registration Statement filed in connection with such Registration (or, in the case of an offering under a Shelf Registration Statement, the date of the closing under the underwriting agreement in connection therewith), to the extent timely notified in writing by a Holder of Registrable Securities covered by such Registration Statement or the managing underwriter or underwriters. Notwithstanding the foregoing, the Issuer may effect a public sale or distribution of securities of the type described above and during the periods described above if such sale or distribution is made pursuant to Registrations on Form S-4 or S-8 or any successor form to such Forms or as part of any Registration of securities for offering and sale to employees or directors of the Issuer pursuant to any employee stock plan or other employee benefit plan arrangement. The Issuer shall use its reasonable best efforts to obtain from each Holder of restricted securities of the Issuer which securities are the same as or similar to the Registrable Securities being Registered, or any restricted securities convertible into or exchangeable or exercisable for any of such securities, an agreement not to effect any public sale or distribution of such securities during any such period referred to in this paragraph, except as part of any such Registration, if permitted. Notwithstanding the foregoing, with respect to Holders of Registrable Securities, the restrictions set forth in this Section 6.4(b) shall not apply to (i) securities acquired in the public market subsequent to the IPO, (ii) distributions-in-kind to a Holder's partners or members and (iii) transfers to Affiliates, but only if such Affiliates agree to be bound by the restrictions herein. Without limiting the foregoing (but subject to Section 6.7), if after the date hereof the Issuer grants any Person (other than a Holder of Registrable Securities) any rights to demand or participate in a Registration, the Issuer agrees that the agreement with respect thereto shall include such Person's agreement to comply with any black-out period required by this Section 6.4 as if it were a Holder hereunder).

(a) In connection with the Issuer's Registration obligations under Sections 6.1, 6.2 and 6.3, the Issuer shall use its reasonable best efforts to effect such Registration to permit the sale of such Registrable Securities in accordance with the intended method or methods of distribution thereof as expeditiously as reasonably practicable, and in connection therewith the Issuer shall:

(i) prepare the required Registration Statement including all exhibits and financial statements required under the Securities Act to be filed therewith, and before filing a Registration Statement, Prospectus or any Issuer Free Writing Prospectus, or any amendments or supplements thereto, (x) furnish to the underwriters, if any, and to the Holders of the Registrable Securities covered by such Registration Statement, copies of all documents prepared to be filed, which documents shall be subject to the review of such underwriters and such Holders and their respective counsel and (y) except in the case of a Registration under Section 6.3, not file any Registration Statement, Prospectus or any Issuer Free Writing Prospectus or amendments or supplements thereto to which the Holders of a majority of Registrable Securities, or any Sponsor with Registrable Securities, covered by such Registration Statement or the underwriters, if any, shall reasonably object;

(vii) promptly incorporate in a Prospectus supplement, Issuer Free Writing Prospectus or post-effective amendment such information as the managing underwriter or underwriters and the Holders of a majority of Registrable Securities being sold agree should be included therein relating to the plan of distribution with respect to such Registrable Securities; and make all required filings of such Prospectus supplement, Issuer Free Writing Prospectus or post-effective amendment as soon as reasonably practicable after being notified of the matters to be incorporated in such Prospectus supplement, Issuer Free Writing Prospectus or post-effective amendment;

(viii) furnish to each selling Holder of Registrable Securities and each underwriter, if any, without charge, as many conformed copies as such Holder or underwriter may reasonably request of the applicable Registration Statement and any amendment or post-effective amendment thereto, including financial statements and schedules, all documents incorporated therein by reference and all exhibits (including those incorporated by reference);

(ix) deliver to each selling Holder of Registrable Securities and each underwriter, if any, without charge, as many copies of the applicable Prospectus (including each preliminary prospectus) and any amendment or supplement thereto, each Issuer Free Writing Prospectus and such other documents as such Holder or underwriter may reasonably request in order to facilitate the disposition of the Registrable Securities by such Holder or underwriter (it being understood that the Issuer shall consent to the use of such Prospectus or any Issuer Free Writing Prospectus or any amendment or supplement thereto by each of the selling Holders of Registrable Securities and the underwriters, if any, in connection with the offering and sale of the Registrable Securities covered by such Prospectus or any amendment or supplement thereto or Issuer Free Writing Prospectus);

(xi) cooperate with the selling Holders of Registrable Securities and the managing underwriter or underwriters, if any, to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold and not bearing any restrictive legends; and enable such Registrable Securities to be in such denominations and registered in such names as the managing underwriters may request at least two (2) Business Days prior to any sale of Registrable Securities to the underwriters;

(c) The Issuer may require each seller of Registrable Securities as to which any Registration is being effected to furnish to the Issuer such information regarding the distribution of such securities and such other information relating to such Holder and its ownership of Registrable Securities as the Issuer may from time to time reasonably request in writing and the Issuer may exclude from such registration the Registrable Securities of any such Holder who unreasonably fails to furnish such information within a reasonable time after receiving such request. Each Holder of Registrable Securities agrees to furnish such information to the Issuer and to cooperate with the Issuer as reasonably necessary to enable the Issuer to comply with the provisions of this Agreement.

(d) Each Holder of Registrable Securities agrees that, upon receipt of any notice from the Issuer of the happening of any event of the kind described in Section 6.5(a)(v), such holder will forthwith discontinue disposition of Registrable Securities pursuant to such Registration Statement until such Holder's receipt of the copies of the supplemented or amended Prospectus or Issuer Free Writing Prospectus, as the case may be, contemplated by Section 6.5(a)(v), or until such Holder is advised in writing by the Issuer that the use of the Prospectus or Issuer Free Writing Prospectus, as the case may be, may be resumed, and has received copies of any additional or supplemental filings that are incorporated by reference in the Prospectus or such Issuer Free Writing Prospectus or any amendments or supplements thereto and if so directed by the Issuer, such Holder shall deliver to the Issuer (at the Issuer's expense) all copies, other than permanent file copies then in such Holder's possession, of the Prospectus or any Issuer Free Writing Prospectus covering such Registrable Securities current at the time of receipt of such notice. In the event the Issuer shall give any such notice, the period during which the applicable Registration Statement is required to be maintained effective shall be extended by the number of days during the period from and including the date of the giving of such notice to and including the date when each seller of Registrable Securities covered by such Registration Statement either receives the copies of the supplemented or amended Prospectus or such Issuer Free Writing Prospectus contemplated by Section 6.5(a)(v) or is advised in writing by the Issuer that the use of the Prospectus may be resumed.

(e) If any Registration Statement or comparable statement under the "Blue Sky" laws refers to any Holder by name or otherwise as the Holder of any securities of the Issuer, then such Holder shall have the right to require (i) the insertion therein of language, in

form and substance satisfactory to such Holder and the Issuer, to the effect that the holding by such Holder of such securities is not to be construed as a recommendation by such Holder of the investment quality of the Issuer's securities covered thereby and that such holding does not imply that such Holder will assist in meeting any future financial requirements of the Issuer, or (ii) in the event that such reference to such Holder by name or otherwise is not in the judgment of the Issuer, as advised by counsel, required by the Securities Act or any similar federal statute or any "Blue Sky" or securities law then in force, the deletion of the reference to such Holder.

(f) Holders may seek to register different types of Registrable Securities simultaneously and the Issuer shall use its reasonable best efforts to effect such Registration and sale in accordance with the intended method or methods of disposition specified by such Holders.

Section 6.6

Underwritten Offerings.

(a) Shelf and Demand Registrations. If requested by the underwriters for any Underwritten Offering requested by Holders of Registrable Securities pursuant to a Registration under Section 6.1 or Section 6.2, the Issuer shall enter into an underwriting agreement with such underwriters for such offering, such agreement to be reasonably satisfactory in substance and form to the Issuer, TPG and LGP (if it is seeking to participate in such Underwritten Offering and as long as LGP and its Affiliates then hold the Demand Threshold Amount) and the underwriters, and to contain such representations and warranties by the Issuer and such other terms as are generally prevailing in agreements of that type, including indemnities no less favorable to the recipient thereof than those provided in Section 6.9. The Holders of the Registrable Securities proposed to be distributed by such underwriters shall cooperate with the Issuer in the negotiation of the underwriting agreement and shall give consideration to the reasonable suggestions of the Issuer regarding the form thereof. Such Holders of Registrable Securities to be distributed by such underwriters shall be parties to such underwriting agreement, which underwriting agreement shall (i) contain such representations and warranties by, and the other agreements on the part of, the Issuer to and for the benefit of such Holders of Registrable Securities as are customarily made by issuers to selling stockholders in underwritten public offerings similar to the applicable Underwritten Offering and (ii) provide that any or all of the conditions precedent to the obligations of such underwriters under such underwriting agreement also shall be conditions precedent to the obligations of such Holders of Registrable Securities. Any such Holder of Registrable Securities shall not be required to make any representations or warranties to or agreements with the Issuer or the underwriters other than representations, warranties or agreements regarding such Holder, such Holder's title to the Registrable Securities, such Holder's intended method of distribution and any other representations required to be made by the Holder under applicable law, and the aggregate amount of the liability of such Holder shall not exceed such Holder's net proceeds from such Underwritten Offering.

(b) Piggyback Registrations. If the Issuer proposes to register any of its securities under the Securities Act as contemplated by Section 6.3 and such securities are to be distributed in an Underwritten Offering through one or more underwriters, the Issuer shall, if requested by any Holder of Registrable Securities pursuant to Section 6.3 and subject to the provisions of Sections 6.3(b), use its reasonable best efforts to arrange for such underwriters to include on the same terms and conditions that apply to the other sellers in such Registration all

the Registrable Securities to be offered and sold by such Holder among the securities of the Issuer to be distributed by such underwriters in such Registration. The Holders of Registrable Securities to be distributed by such underwriters shall be parties to the underwriting agreement between the Issuer and such underwriters, which underwriting agreement shall (i) contain such representations and warranties by, and the other agreements on the part of, the Issuer to and for the benefit of such Holders of Registrable Securities as are customarily made by issuers to selling stockholders in secondary underwritten public offerings and (ii) provide that any or all of the conditions precedent to the obligations of such underwriters under such underwriting agreement also shall be conditions precedent to the obligations of such Holders of Registrable Securities. Any such Holder of Registrable Securities shall not be required to make any representations or warranties to or agreements with the Issuer or the underwriters other than representations, warranties or agreements regarding such Holder, such Holder's title to the Registrable Securities and such Holder's intended method of distribution or any other representations required to be made by the Holder under applicable law, and the aggregate amount of the liability of such Holder shall not exceed such Holder's net proceeds from such Underwritten Offering.

(c) Participation in Underwritten Registrations. Subject to the provisions of Section 6.6(a) and (b) above, no Person may participate in any Underwritten Offering hereunder unless such Person (i) agrees to sell such Person's securities on the basis provided in any underwriting arrangements approved by the Persons entitled to approve such arrangements and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements.

(d) Price and Underwriting Discounts. In the case of an Underwritten Offering under Section 6.1 or 6.2, the price, underwriting discount and other financial terms for the Registrable Securities shall be determined by TPG and LGP (if it is seeking to participate in such Underwritten Offering and as long as LGP and its Affiliates then hold the Demand Threshold Amount). In addition, in the case of any Underwritten Offering, each of the Holders may withdraw their request to participate in the Registration pursuant to Section 6.1, 6.2 or 6.3 after being advised of such price, discount and other terms and shall not be required to enter into any agreements or documentation that would require otherwise.

Section 6.7 No Inconsistent Agreements; Additional Rights. The Issuer shall not hereafter enter into, and is not currently a party to, any agreement with respect to its securities which is inconsistent with the rights granted to the Holders of Registrable Securities by this Agreement. Without the consent of the Majority TPG Investors, the Issuer shall not enter into any agreement granting registration or similar rights to any Person, and hereby represents and warrants that, as of the date hereof, no registration or similar rights have been granted to any other Person other than pursuant to this Agreement and the Management Stockholders' Agreement.

Section 6.8 Registration Expenses. All expenses incident to the Issuer's performance of or compliance with this Agreement shall be paid by the Issuer, including (i) all registration and filing fees, and any other fees and expenses associated with filings required to be made with the SEC or FINRA, (ii) all fees and expenses in connection with compliance with any securities or "Blue Sky" laws, (iii) all printing, duplicating, word processing, messenger, telephone,

facsimile and delivery expenses (including expenses of printing certificates for the Registrable Securities in a form eligible for deposit with The Depository Trust Company and of printing prospectuses and Issuer Free Writing Prospectuses), (iv) all fees and disbursements of counsel for the Issuer and of all independent certified public accountants of the Issuer (including the expenses of any special audit and cold comfort letters required by or incident to such performance), (v) Securities Act liability insurance or similar insurance if the Issuer so desires or the underwriters so require in accordance with then-customary underwriting practice, (vi) all fees and expenses incurred in connection with the listing of the Registrable Securities on any securities exchange or quotation of the Registrable Securities on any inter-dealer quotation system, (vii) all applicable rating agency fees with respect to the Registrable Securities, (viii) all reasonable and documented fees and disbursements of legal counsel for each Sponsor and MD Investor and one (1) legal counsel to the Noteholder Investors, in each case participating in such Registration, (ix) all fees and expenses of accountants selected by the Holders of a majority of the Registrable Securities being registered, (x) any reasonable fees and disbursements of underwriters customarily paid by issuers or sellers of securities, (xi) all fees and expenses of any special experts or other Persons retained by the Issuer in connection with any Registration, (xii) all of the Issuer's internal expenses (including all salaries and expenses of its officers and employees performing legal or accounting duties) and (xiii) all expenses related to the "road-show" for any Underwritten Offering (including the reasonable out-of-pocket expenses of TPG, LGP, the MD Investors and the Noteholder Investors), including all travel, meals and lodging. All such expenses are referred to herein as "Registration Expenses." The Issuer shall not be required to pay any fees and disbursements to underwriters not customarily paid by the issuers of securities in an offering similar to the applicable Underwritten Offering, including underwriting discounts and commissions and transfer taxes, if any, attributable to the sale of Registrable Securities.

Section 6.9

Indemnification.

(a) Indemnification by the Issuer. The Issuer shall indemnify and hold harmless, to the full extent permitted by law, each Holder of Registrable Securities, each shareholder, member, limited or general partner thereof, each shareholder, member, limited or general partner of each such shareholder, member, limited or general partner, each of their respective Affiliates, officers, directors, shareholders, employees, advisors, and agents and each Person who controls (within the meaning of the Securities Act or the Exchange Act) such Persons and each of their respective Representatives from and against any and all losses, penalties, judgments, suits, costs, claims, damages, liabilities and expenses, joint or several (including reasonable costs of investigation and legal expenses) (each, a "Loss" and collectively "Losses") arising out of or based upon (i) any untrue or alleged untrue statement of a material fact contained in any Registration Statement under which such Registrable Securities were Registered under the Securities Act (including any final, preliminary or summary Prospectus contained therein or any amendment thereof or supplement thereto or any documents incorporated by reference therein), or any other disclosure document produced by or on behalf of the Issuer or any of its subsidiaries including, without limitation, reports and other documents filed under the Exchange Act or any Issuer Free Writing Prospectus or amendment thereof or supplement thereto, (ii) any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, preliminary Prospectus or any Issuer Free Writing Prospectus in light of the circumstances under

which they were made) not misleading or (iii) any actions or inactions or proceedings in respect of the foregoing whether or not such indemnified party is a party thereto. This indemnity shall be in addition to any liability the Issuer may otherwise have. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Holder or any indemnified party and shall survive the transfer of such securities by such Holder. The Issuer shall also indemnify underwriters, selling brokers, dealer managers and similar securities industry professionals participating in the distribution, their officers and directors and each Person who controls such Persons (within the meaning of the Securities Act and the Exchange Act) to the same extent as provided above with respect to the indemnification of the indemnified parties.

(b) Indemnification by the Selling Holder of Registrable Securities. Each selling Holder of Registrable Securities agrees (severally and not jointly) to indemnify and hold harmless, to the fullest extent permitted by law, the Issuer, its directors and officers and each Person who controls the Issuer (within the meaning of the Securities Act or the Exchange Act) from and against any Losses resulting from (i) any untrue statement of a material fact in any Registration Statement under which such Registrable Securities were Registered under the Securities Act (including any final, preliminary or summary Prospectus contained therein or any amendment thereof or supplement thereto or any documents incorporated by reference therein or any Issuer Free Writing Prospectus or amendment thereof or supplement thereto), or (ii) any omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, preliminary Prospectus or any Issuer Free Writing Prospectus, in light of the circumstances under which they were made) not misleading, to the extent, but only to the extent, that such untrue statement or omission is contained in any information furnished in writing by such selling Holder to the Issuer specifically for inclusion in such Registration Statement and has not been corrected in a subsequent writing prior to or concurrently with the sale of the Registrable Securities to the Person asserting the claim. In no event shall the liability of any selling Holder of Registrable Securities hereunder be greater in amount than the dollar amount of the net proceeds received by such Holder from the sale of Registrable Securities giving rise to such indemnification obligation less any amounts paid by such Holder pursuant to Section 6.9(d). The Issuer shall be entitled to receive indemnities from underwriters, selling brokers, dealer managers and similar securities industry professionals participating in the distribution, to the same extent as provided above (with appropriate modification) with respect to information furnished in writing by such Persons specifically for inclusion in any Prospectus or Registration Statement.

(c) Conduct of Indemnification Proceedings. Any Person entitled to indemnification hereunder shall (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that any delay or failure to so notify the indemnifying party shall relieve the indemnifying party of its obligations hereunder only to the extent, if at all, that it is actually and materially prejudiced by reason of such delay or failure) and (ii) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party; provided, however, that any Person entitled to indemnification hereunder shall have the right to select and employ separate counsel and to participate in the defense of such claim, but the fees and expenses of such counsel shall be at the expense of such Person unless (i) the indemnifying party has agreed in writing to pay such fees or expenses, (ii) the indemnifying party shall have failed to assume the defense of such claim

within a reasonable time after receipt of notice of such claim from the Person entitled to indemnification hereunder and employ counsel reasonably satisfactory to such Person, (iii) the indemnified party has reasonably concluded (based upon advice of its counsel) that there may be legal defenses available to it or other indemnified parties that are different from or in addition to those available to the indemnifying party, or (iv) in the reasonable judgment of any such Person (based upon advice of its counsel) a conflict of interest may exist between such Person and the indemnifying party with respect to such claims (in which case, if the Person notifies the indemnifying party in writing that such Person elects to employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such claim on behalf of such Person). If the indemnifying party assumes the defense, the indemnifying party shall not have the right to settle such action without the consent of the indemnified party. No indemnifying party shall consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of an unconditional release from all liability in respect to such claim or litigation without the prior written consent of such indemnified party. If such defense is not assumed by the indemnifying party, the indemnifying party will not be subject to any liability for any settlement made without its prior written consent, but such consent may not be unreasonably withheld. It is understood that the indemnifying party or parties shall not, except as specifically set forth in this Section 6.9(c), in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees, disbursements or other charges of more than one separate firm admitted to practice in such jurisdiction at any one time unless (x) the employment of more than one counsel has been authorized in writing by the indemnifying party or parties, (y) an indemnified party has reasonably concluded (based on the advice of counsel) that there may be legal defenses available to it that are different from or in addition to those available to the other indemnified parties or (z) a conflict or potential conflict exists or may exist (based upon advice of counsel to an indemnified party) between such indemnified party and the other indemnified parties, in each of which cases the indemnifying party shall be obligated to pay the reasonable fees and expenses of such additional counsel or counsels.

(d) Contribution. If for any reason the indemnification provided for in paragraphs (a) and (b) of this Section 6.9 is unavailable to an indemnified party (other than as a result of exceptions contained in paragraphs (a) and (b) of this Section 6.9) or insufficient in respect of any Losses referred to therein, then the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such Loss in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and the indemnified party or parties on the other hand in connection with the acts, statements or omissions that resulted in such Losses, as well as any other relevant equitable considerations. In connection with any Registration Statement filed with the SEC by the Issuer, the relative fault of the indemnifying party on the one hand and the indemnified party on the other hand shall be determined by reference to, among other things, whether any untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just or equitable if contribution pursuant to this Section 6.9(d) were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to

in this Section 6.9(d). No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The amount paid or payable by an indemnified party as a result of the Losses referred to in Sections 6.9(a) and 6.9(b) shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 6.9(d), in connection with any Registration Statement filed by the Issuer, a selling Holder of Registrable Securities shall not be required to contribute any amount in excess of the dollar amount of the net proceeds received by such holder from the sale of Registrable Securities giving rise to such contribution obligation less any amounts paid by such Holder pursuant to Section 6.9(b). If indemnification is available under this Section 6.9, the indemnifying parties shall indemnify each indemnified party to the full extent provided in Sections 6.9(a) and 6.9(b) hereof without regard to the provisions of this Section 6.9(d). The remedies provided for in this Section 6.9 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

Section 6.10 Rules 144 and 144A and Regulation S. After the IPO, the Issuer shall file the reports required to be filed by it under the Securities Act and the Exchange Act and the rules and regulations adopted by the SEC thereunder (or, if the Issuer is not required to file such reports, it will, upon the request of any Holder of Registrable Securities, make publicly available such necessary information for so long as necessary to permit sales that would otherwise be permitted by this agreement pursuant to Rule 144, Rule 144A or Regulation S under the Securities Act, as such Rules may be amended from time to time or any similar rule or regulation hereafter adopted by the SEC), and it will take such further action as any Holder of Registrable Securities may reasonably request, all to the extent required from time to time to enable such Holder to sell Registrable Securities without Registration under the Securities Act in transactions that would otherwise be permitted by this agreement and within the limitation of the exemptions provided by (i) Rules 144, 144A or Regulation S under the Securities Act, as such Rules may be amended from time to time, or (ii) any similar rule or regulation hereafter adopted by the SEC. Upon the request of any Holder of Registrable Securities, the Issuer will deliver to such Holder a written statement as to whether it has complied with such requirements and, if not, the specifics thereof.

Section 6.11 Termination. The registration rights provided for in this Article VI shall terminate upon the expiration of the Shelf Period, except for the provisions of Sections 6.9 and 6.10, which shall survive any such termination.

Section 6.12 Existing Registration Statements. Notwithstanding anything herein to the contrary and subject to applicable law and regulation, the Issuer may satisfy any obligation hereunder to file a Registration Statement or to have a Registration Statement become effective by a specified date by designating, by notice to the Holders, a registration statement that previously has been filed with the SEC or become effective, as the case may be, as the relevant Registration Statement for purposes of satisfying such obligation, and all references to any such obligation shall be construed accordingly; provided that such previously filed registration statement may be amended to add the number of Registrable Securities, and, to the extent necessary, to identify as selling stockholders those Holders demanding the filing of a

Registration Statement pursuant to the terms of this Agreement. To the extent this Agreement refers to the filing or effectiveness of other registration statements by or at a specified time and the Issuer has, in lieu of then filing such registration statements or having such registration statements become effective, designated a previously filed or effective registration statement as the relevant registration statement for such purposes in accordance with the preceding sentence, such references shall be construed to refer to such designated registration statement.

Section 6.13 Lock-Up. In connection with each underwritten public offering each Stockholder agrees to become bound by and to execute and deliver such lock-up agreement with the underwriter(s) of such public offering restricting such Stockholder's right to (a) Transfer, directly or indirectly, any Company Shares or any securities convertible into or exercisable or exchangeable for such Company Shares or (b) enter into any swap or other arrangement that transfers to another any of the economic consequences of ownership of Company Shares, as is entered into by any participating Sponsor or MD Investor with the underwriter(s) of such Public Offering (the "Principal Lock-Up Agreement"); provided, however, that no Stockholder shall be required to enter into a lock-up agreement covering a period of greater than 90 days (180 days in the case of the IPO) following the effectiveness of the related registration statement plus such additional period of up to 17 days as may be required by the underwriters to satisfy FINRA regulations and permit the managing underwriters' analysts to publish research updates. Notwithstanding the foregoing, such lock-up agreement shall not apply to (i) transactions relating to shares of Company Shares or other securities acquired in open market transactions after the completion of the IPO and (ii) Transfers to Permitted Transferees of such Stockholder in accordance with the terms of this Agreement, which shall include, for the avoidance of doubt, distributions of shares to limited partners of any Sponsor, provided such limited partners shall be subject to restrictions on further Transfers.

Section 6.14 Alternative IPO Entities. In the event that the Company, Intermediate Holdings or J. Crew elect to effect an underwritten public offering of equity securities of any of their respective parent entities or subsidiaries (each such entity, an "Alternative IPO Entity") rather than the equity securities of the Company, Intermediate Holdings or J. Crew, whether as a result of a reorganization or otherwise, the Company, Intermediate Holdings or J. Crew (as applicable) shall cause any such Alternative IPO Entity to enter into an agreement with the Sponsors that provides the Sponsors with registration rights with respect to the equity securities of such Alternative IPO Entity that are substantially the same as, and in any event no less favorable in the aggregate to, the registration rights provided to the Sponsors in this Agreement.

ARTICLE VII

GENERAL PROVISIONS

Section 7.1 Merger with J. Crew. In the event of any merger, statutory share exchange or other business combination of the Company with Intermediate Holdings, J. Crew or any of J. Crew's subsidiaries, (i) each of the Stockholders and Intermediate Holdings or J. Crew (or, if different, the surviving entity of the merger) shall execute a shareholders' agreement with terms that are equivalent to this Agreement (including the registration rights provided for in Article VI hereof); provided that such shareholders' agreement shall terminate upon the same terms and conditions as provided herein and (ii) the Company shall cause any registration rights held by the

Company in respect of any securities of Intermediate Holdings or J. Crew (or, if different, the surviving entity of the merger) distributed by the Company to be assigned to the Stockholders pro rata in accordance with the Purchase Price Value of the aggregate Company Shares held by such Stockholder.

Section 7.2

Information Rights.

(a) Financial Information. The Company will furnish TPG and LGP, so long as such Sponsor holds Company Shares and each Noteholder Investor, so long as the Noteholder Investors collectively hold at least five percent (5%) of the outstanding Company Shares, the following:

(i) As soon as available, and in any event within 90 days after the end of each fiscal year of the Company, the consolidated balance sheet of the Company and its subsidiaries (or of either Intermediate Holdings and its subsidiaries) as at the end of each such fiscal year and the consolidated statements of income, cash flows and changes in stockholders' equity for such year of the Company and its subsidiaries (or of either Intermediate Holdings and its subsidiaries), setting forth in each case in comparative form the figures for the next preceding fiscal year, accompanied by the report of independent certified public accountants of recognized national standing, to the effect that, except as set forth therein, such consolidated financial statements have been prepared in accordance with generally accepted accounting principles applied on a basis consistent with prior years and fairly present in all material respects the financial condition of the Company and its subsidiaries (or of either Intermediate Holdings and its subsidiaries) at the dates thereof and the results of their operations and changes in their cash flows and stockholders' equity for the periods covered thereby.

(ii) As soon as available, and in any event within 30 days after the end of each fiscal quarter of the Company, the consolidated balance sheet of the Company and its subsidiaries (or of either Intermediate Holdings and its subsidiaries) as at the end of such quarter and the consolidated statements of income, cash flows and changes in stockholders' equity for such quarter and the portion of the fiscal year then ended of the Company and its subsidiaries (or of either Intermediate Holdings and its subsidiaries), setting forth in each case the figures for the corresponding periods of the previous fiscal year in comparative form, all in reasonable detail.

(b) To the extent permitted by, and not inconsistent with, applicable Law, the Company will furnish to TPG and LGP, so long as such Sponsor holds Company Shares, regularly reported financial information (e.g. comparable store sales figures) and such other information as the Majority TPG Investors or Majority LGP Investors may reasonably request or any other information that is delivered by the Company or the Board of Directors to TPG.

(c) Access to Information and Consultation Rights. Upon the request of TPG (which, for the avoidance of doubt, will include a request of TPG Chinos Co-Invest, L.P.) or LGP, so long as such Sponsor holds Company Shares, such Sponsor and any representatives of such shall have (i) reasonable access (at reasonable times and upon reasonable notice) to all executive officers and accountants of the Company and its subsidiaries and (ii) reasonable access

(at reasonable times and upon reasonable notice) to all premises, properties, books, records (including tax records), contracts, financial and operating data and information and documents pertaining to the Company and its subsidiaries and make copies of such books, records, contracts, data, information and documents as such Sponsor or its representatives may reasonably request.

Section 7.3 Waiver by Stockholders. The rights and obligations contained in this Agreement are in addition to the relevant provisions of the Articles in force from time to time and shall be construed to comply with such provisions. To the extent that this Agreement is determined to be in contravention of the Articles, this Agreement shall constitute a waiver by each Stockholder, to the fullest extent permissible under applicable laws, of any right such Stockholder may have pursuant to the Articles that is inconsistent with this Agreement and the Stockholders and the Company shall take all Necessary Action to effect an amendment of the Articles, to the extent permissible under applicable law, in order to resolve such contravention.

Section 7.4 Assignment; Benefit.

(a) The rights and obligations hereunder shall not be assignable without the prior written consent of the other parties hereto except as provided under Article IV. Any attempted assignment of rights or obligations in violation of this Section 7.4 shall be null and void.

(b) This Agreement shall be binding upon and shall inure to the benefit of the parties hereto, and their respective successors and permitted assigns, and there shall be no third-party beneficiaries to this Agreement other than (i) the indemnitees under Section 6.9, (ii) the Fund Indemnitors under Section 3.1(i) and 3.1(k) and (iii) the holders of Series A Preferred under Section 3.1(a).

Section 7.5 Freedom to Pursue Opportunities. The parties expressly acknowledge and agree that: (i) each Stockholder, Sponsor Director and Affiliated Officer of the Company has the right to, and shall have no duty (contractual or otherwise, other than provisions of applicable law that may not be waived) not to, (x) directly or indirectly engage in the same or similar business activities or lines of business as the Company, Intermediate Holdings, J. Crew or any of their subsidiaries, including those deemed to be competing with the Company, Intermediate Holdings, J. Crew or any of their subsidiaries, or (y) directly or indirectly do business with any client, customer or supplier of the Company, Intermediate Holdings, J. Crew or any of their subsidiaries; and (ii) in the event that a Stockholder, Sponsor Director or Affiliated Officer of the Company acquires knowledge of a potential transaction or matter that may be a corporate opportunity for the Company, Intermediate Holdings, J. Crew or any of their subsidiaries and such Stockholder or any other Person, the Stockholder, Sponsor Director and Affiliated Officer of the Company shall have no duty (contractual or otherwise, other than provisions of applicable law that may not be waived) to communicate or present such corporate opportunity to the Company, Intermediate Holdings, J. Crew or any of their subsidiaries, as the case may be, and, notwithstanding any provision of this Agreement to the contrary, shall not be liable to the Company, Intermediate Holdings or J. Crew or their respective Affiliates or Stockholders for breach of any duty (contractual or otherwise, other than provisions of applicable law that may not be waived) by reason of the fact that such Stockholder, Sponsor Director or Affiliated

Officer, directly or indirectly, pursues or acquires such opportunity for itself, directs such opportunity to another Person, or does not present such opportunity to the Company, Intermediate Holdings, J. Crew or any of their subsidiaries.

Section 7.6 Publicity and Confidentiality. Each Stockholder shall keep confidential this Agreement, the transactions contemplated hereby and any non-public information received pursuant to this Agreement and shall not disclose, issue any press release or otherwise make any public statement in connection therewith without the prior written consent of the other Sponsors (not to be unreasonably withheld); provided that such Stockholder may disclose any such information (i) as has become generally available to the public, (ii) to its employees and professional advisers who need to know such information and agree to keep it confidential, (iii) to the extent required in order to comply with reporting obligations to its partners, members, or other equity holders (including the employees and professional advisors of such equity holders) who have agreed (subject to customary exceptions) to keep such information confidential, (iv) to persons who have expressed a bona fide interest in becoming limited partners, members or other equity holders in such Stockholder or its related investment funds, in each case who have agreed to keep such information confidential, (v) to the extent necessary in order to comply with any law, order, regulation, ruling or stock exchange rules applicable to such Stockholder and (vi) as may be required in response to any summons or subpoena or in connection with any litigation, it being agreed that, unless such information has been generally available to the public, if such information is being requested pursuant to a summons or subpoena or a discovery request in connection with a litigation, (x) such Stockholder shall, to the extent permitted by applicable law, give the Company notice of such request and shall cooperate with the Company at the Company's request so that the Company may, in its discretion, seek a protective order or other appropriate remedy, if available, and (y) in the event that such protective order is not obtained (or sought by the Company after notice), such Stockholder (a) shall furnish only that portion of the information which, in accordance with the advice of counsel, is legally required to be furnished and (b) will exercise its reasonable efforts to obtain assurances that confidential treatment will be accorded such information.

Section 7.7 Termination.

(a) If not otherwise stipulated, this Agreement shall terminate automatically (without any action by any party hereto) as to each Stockholder when such Stockholder ceases to hold any Company Shares.

(b) Upon termination of this Agreement, unless otherwise agreed, the parties hereto shall take all Necessary Action to amend the Articles to remove any provisions that are in such documents solely due to the existence of this Agreement.

Section 7.8 Severability. In the event that any provision of this Agreement shall be invalid, illegal or unenforceable such provision shall be construed by limiting it so as to be valid, legal and enforceable to the maximum extent provided by law and the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 7.9 Entire Agreement; Amendment. (a) This Agreement (together with the Management Stockholders' Agreement, the Management Services Agreement and the Sponsor

Management Services Agreement) sets forth the entire understanding and agreement between the parties with respect to the transactions contemplated herein and supersedes and replaces any prior understanding, agreement or statement of intent, in each case written or oral, of any kind and every nature with respect hereto. No provision of this Agreement may be amended, modified or waived in whole or in part at any time without the express written consent of the Majority TPG Investors and the holders of a Majority in Interest of Company Shares; provided that (i) the prior written consent of the Majority LGP Investors shall be required for any amendment, modification or waiver that would be adverse to LGP in a manner disproportionate relative to TPG, (ii) the prior written consent of the Majority MD Investors shall be required for any amendment, modification or waiver that would be adverse to the MD Investors in a manner disproportionate relative to TPG, (iii) the prior written consent of the Majority Noteholder Investors shall be required for any amendment, modification or waiver that would be adverse to the Noteholder Investors in a manner disproportionate relative to TPG, and (iv) the prior written consent of the holders of the Majority in Interest of the Other Investor Shares shall be required for any amendment, modification or waiver that would have a disproportionate adverse effect on the rights of holders of Other Investor Shares under this Agreement. Except as set forth above, there are no other agreements with respect to the governance of the Company between any Stockholders or any of their Affiliates.

The waiver by any party hereto of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. Except as otherwise expressly provided herein, no failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder, or otherwise available in respect hereof at law or in equity, shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

3.4. Transfers Pursuant to Section 5. Any Company Shares Transferred to the Company pursuant to this Agreement (in accordance with Section 5 or otherwise) will conclusively be deemed thereafter not to be Company Shares under this Agreement and not to be subject to any of the provisions hereof or entitled to the benefit of any of the provisions hereof; provided, that Company Shares Transferred to any Principal Investor pursuant to Section 5.3 shall thereafter become Investor Shares hereunder.

3.5. Transfers of Options. Any Transfer of Options by a Manager or Permitted Transferee that has become a party hereto will be governed by and subject to the terms and conditions of the applicable equity incentive plan and applicable award agreement.

Notwithstanding the foregoing, such lock-up agreement shall not apply to (i) transactions relating to shares of Company Shares or other securities acquired in open market transactions after the completion of the Initial Public Offering (or other Public Offering, as applicable) and (ii) Transfers to Permitted Transferees of such Manager in accordance with the terms of this Agreement.

3.7. Period. The foregoing provisions of this Section 3 (other than Sections 3.1.2, 3.3 and 3.6) will terminate and be of further force and effect upon an Initial Public Offering.

4. “ROFO”, “TAG ALONG” AND “DRAG ALONG” RIGHTS.

4.1. Right of First Offer. (a) If any Manager desires to Transfer all or any portion of its Company Shares in a transaction to which this Section 4.1 applies (any such Manager, a “ROFO Stockholder”), then each Principal Investor and, until the earlier of (x) MD’s Death or Disability and (y) such time that the MD Investors have sold more than 50% of the Company Shares held by the MD Investors as of the date of this Agreement, the MD Investor (each, a “ROFO Offeree”) shall have a right of first offer over such Company Shares, which shall be exercised in the following manner:

4.1.1. The ROFO Stockholder shall provide the ROFO Offerees with written notice (a “ROFO Notice”) of its desire to Transfer such Company Shares. The ROFO Notice shall specify the number of Company Shares the ROFO Stockholder wishes to Transfer, the proposed purchase price per share (which purchase price shall be in cash or cash equivalents only) for the Company Shares and any other terms and conditions material to the sale proposed by the ROFO Stockholder.

4.1.2. The ROFO Offerees shall have a period of up to ten (10) Business Days following receipt of the ROFO Notice (the “ROFO Election Period”), to elect to purchase (or to cause one or more of their Affiliates to purchase), in the aggregate, all, but not less than all, of such Company Shares on the terms and conditions set forth in the ROFO Notice by delivering to the ROFO Stockholder written notice thereof (such electing ROFO Offeree, a “ROFO Purchaser”). In the event that the aggregate number of Company Shares that the ROFO Purchasers have elected to purchase exceeds the aggregate number of Company Shares subject to the ROFO Notice, the number of Company Shares shall be sold to the ROFO Purchasers as follows:

(a) there shall be first allocated to each ROFO Purchaser a number of Company Shares equal to the lesser of (A) the number of Company Shares elected to be purchased by such ROFO Purchaser and (B) a number of Company Shares equal to such ROFO Purchaser’s Pro Rata Portion; and

(b) the balance, if any, of Company Shares not allocated pursuant to clause (a) above shall be allocated to those ROFO Purchasers which offered to purchase a number of Company Shares in excess of such ROFO Purchasers’ respective Pro Rata Portions in proportion, as nearly as practicable, to the respective number of Company Shares which each ROFO Purchaser offered to purchase.

(c) If the ROFO Offerees elect to purchase (or to cause one or more of their Affiliates to purchase) all of the Company Shares which are the subject of the proposed Transfer within the ROFO Election Period, such purchase shall be consummated within thirty (30) days after the date on which each such ROFO Offeree notifies the ROFO Stockholder of such election (subject to extension if

necessary to permit the expiration or early termination of the HSR Waiting Period). Subject to Section 4.2, if the ROFO Offerees do not elect to purchase all of the Company Shares within the ROFO Election Period, the ROFO Stockholder may Transfer all of the Company Shares specified in the ROFO Notice at any time within one hundred and twenty (120) days following such period at a price which is not less than the purchase price specified in the ROFO Notice and on terms and conditions no more favorable, in any material respect, to the purchaser than those specified in the ROFO Notice, and thereafter the ROFO Stockholder may not Transfer any such Company Shares without first following the procedures set forth in this Section 4.1.

4.1.3. In connection with the Transfer of all or any portion of a ROFO Stockholder's Company Shares pursuant to this Section 4.1 to one or more ROFO Offerees, the ROFO Stockholder shall only be required to represent and warrant as to its authority to sell, the enforceability of agreements against the ROFO Stockholder, that the Company Shares to be transferred shall be free and clear of any liens, claims or encumbrances (other than restrictions imposed by this Agreement and pursuant to applicable federal, state and foreign securities laws), that it is the record and beneficial owner of such Company Shares and that it has obtained or made all necessary consents, approvals, filings and notices from governmental authorities or third parties to consummate the Transfer.

4.1.4. The provisions of this Section 4.1 shall not apply to Transfers of Company Shares (i) to Permitted Transferees in accordance with Section 3.2 (Permitted Transferees); (ii) pursuant to, or consequent upon the exercise of the drag-along rights set forth in Section 4.3 (Drag-Along Rights); (iii) consequent upon the exercise of the tag-along rights set forth in Section 4.2 (Tag-Along Rights); (iv) pursuant to Section 5 (Options to Purchase and Sell Shares) or (v) pursuant to a registered public offering.

4.2. Tag-Along. Subject to the provisions of Section 4.1, if and to the extent applicable, a Stockholder proposes to Transfer (a "Transferring Stockholder") any or all of its Company Shares, other than (i) pursuant to Section 3.2, (ii) to a Stockholder pursuant to a contractual right providing such Stockholder a right of first offer, (iii) Transfers pursuant to a registered public offering, (iv) pursuant to or consequent upon the exercise of the drag-along rights set forth in Section 4.3 or drag-along rights or tag-along rights set forth in any other shareholders agreement entered into by the Principal Investors and MD Investors, (v) Transfers by a Principal Investor of less than 20% of Investor Shares then held by a Principal Investor or (vi) pursuant to Section 5 (a "Proposed Transfer"), each Manager that exercises its rights under this Section 4.2 (a "Tagging Stockholder"), shall have the right to Transfer its Pro Rata Portion of the Company Shares to the proposed Transferee (a "Proposed Transferee") on the same terms and conditions as those proposed by the Transferring Stockholder.

4.2.1. The Transferring Stockholder shall promptly give written notice (a "Tag-Along Notice") to each Manager of a Proposed Transfer, setting forth the number of Company Shares proposed to be Transferred, the name of the Transferring Stockholder, the name and address of the Proposed Transferee, the proposed per share purchase price (or amount) and form of consideration for the Company Shares and any

other material terms and conditions of the Proposed Transfer. Each Manager shall have a period of fifteen (15) Business Days from the date of the Tag-Along Notice within which to elect to sell up to its Pro Rata Portion of Company Shares in connection with such Proposed Transfer. Any Manager may exercise such right by delivery of an irrevocable written notice to the Transferring Stockholder specifying the number of Company Shares (which shall be not more than its Pro Rata Portion) it desires to include in the Proposed Transfer. If the Proposed Transferee fails to purchase all Company Shares proposed to be Transferred by the Transferring Stockholder, other Company stockholders who exercise tag-along rights and participate in such Proposed Transfer and the Tagging Stockholders, then the number of Company Shares the Transferring Stockholder and each Tagging Stockholder is permitted to sell in such Transfer shall be allocated among the Tagging Stockholders and the other Company stockholders who have exercised their tag-along rights with respect to the Proposed Transfer in proportion, as nearly as practicable, to the respective number of Company Shares which each Tagging Stockholder properly requested to be included in the Proposed Transfer. The Transferring Stockholder shall have a period of ninety (90) days following the expiration of the fifteen (15) Business Day period, to sell such Company Shares to the Proposed Transferee, on the payment terms specified in the Tag-Along Notice, and thereafter the Transferring Stockholder may not Transfer any such Company Shares without first following the procedures set forth in this Section 4.2.

4.2.2. Each Tagging Stockholder shall agree (i) to make the same representations, warranties, covenants, indemnities and agreements to the Proposed Transferee as made by the Transferring Stockholder in connection with the Proposed Transfer (other than any non-competition, non-solicitation or similar non-financial related agreements or covenants that would bind such Tagging Stockholder or its Affiliates without such Tagging Stockholder's prior written consent), and (ii) to the same terms and conditions to the Transfer as the Transferring Stockholder agrees. Notwithstanding the foregoing, however, all such representations, warranties, covenants, indemnities and agreements shall be made by each Tagging Stockholder and the Transferring Stockholder severally and not jointly, and, except with respect to individual representations, warranties, covenants, indemnities and other agreements of the Tagging Stockholder as to the unencumbered title to its Company Shares and the power, authority and legal right to Transfer such Company Shares, any liability for breach of any such representations and warranties or under any indemnities shall be allocated among each Tagging Stockholder, other Company stockholders who have exercised their tag-along rights with respect to such Proposed Transfer and the Transferring Stockholder pro rata based on the relative sale price of the shares of Common Stock to be Transferred by each of them, and the aggregate amount of liability for each such Tagging Stockholder and the Transferring Stockholder shall not in any event exceed the U.S. dollar value of the net proceeds received by such Tagging Stockholder or the Transferring Stockholder, respectively, from the Transferee. Any Transfer of Company Shares by a Tagging Stockholder pursuant to the terms hereof shall be at a per share purchase price (or amount) specified in the Tag-Along Notice, and subject to Section 4.4.1, all Stockholders shall receive the same relative proportion of cash and Marketable Securities.

4.3. Drag-Along. If TPG agrees at any time to Transfer, in any single or series of related transactions, at least eighty percent (80%) of the aggregate Purchase Price Value of the Investor Shares then held by TPG and its Affiliates to a non-affiliated third party (a “Drag-Along Transfer” and such purchaser, the “Drag-Along Buyer”) for cash and/or Marketable Securities, TPG may exercise drag-along rights with respect to all Managers in accordance with the terms, conditions and procedures set forth herein.

4.3.1. TPG shall promptly give notice (a “Drag-Along Notice”) to each Manager (the “Drag-Along Stockholders”) of any election by TPG to exercise its drag-along rights under this Section 4.3, setting forth the name and address of the Transferee, the total number of Investor Shares proposed to be Transferred by TPG and its Affiliates, the proposed amount per share and form of consideration for the Investor Shares and all other material terms and conditions of the Drag-Along Transfer. Such notice shall also specify the number of Company Shares such Drag-Along Stockholders shall be required to Transfer, up to such Drag-Along Stockholders’ Pro Rata Portion for the Company Shares; provided that the portion of Company Shares with respect to each Drag-Along Stockholder is the same relative proportion for all Drag-Along Stockholders. Any Transfer of Company Shares by a Drag-Along Stockholder pursuant to the terms hereof shall be at the same per share purchase price for the Company Shares sold by TPG and its Affiliates and specified in the Drag-Along Notice and each Drag-Along Stockholder shall receive the same relative proportion of cash and Marketable Securities.

4.3.2. Each Drag-Along Stockholder agrees, severally and not jointly, to (i) make individual representations, warranties, covenants, indemnities and other agreements solely as to the title to, and the absence of any Adverse Claims with respect to, its Company Shares and the power, authority and legal right to Transfer such Company Shares, (ii) execute and deliver agreements, covenants and indemnities as made by TPG in connection with the Drag-Along Transfer (other than any non-competition, non-solicitation or other non-financial agreements or covenants that would bind such Drag-Along Stockholder or its Affiliates without the prior written consent of such Drag-Along Stockholder), (iii) except as provided in the preceding subclause (ii), the same terms and conditions to the Transfer as TPG agrees, (iv) not demand or exercise appraisal or dissenters rights under any applicable business corporation or other law with respect to a transaction subject to this Section 4.3 as to which such appraisal rights are available and (v) be liable as to all representations, warranties, covenants, indemnities and other agreements being made, agreed to or delivered by the Company or any of its subsidiaries, or in respect of the Company or any of its subsidiaries or their respective businesses, in connection with such transaction (other than the individual representations, warranties, covenants, indemnities and other agreements of the type set forth in subclause (i)), in each case to the same extent as TPG but pro rata based on the relative proceeds to be received by each of them from the sale of the shares of Common Stock Transferred by each of them. Notwithstanding the foregoing, the aggregate amount of liability for TPG and such Drag-Along Stockholders shall not in any event exceed the U.S. dollar value of the net proceeds received by TPG and such Drag-Along Stockholders, respectively.

4.3.3. In the event that any such Transfer is structured as a merger, consolidation, or similar business combination, each Drag-Along Stockholder agrees to

(i) vote in favor of the transaction and (ii) take such other action as may be required to effect such transaction.

4.3.4. Solely for purposes of Section 4.3.3(i) and in order to secure the performance of each Manager's obligations under Section 4.3.3(i), each Manager hereby irrevocably appoints TPG (or a designee thereof) the attorney-in-fact and proxy of such Manager (with full power of substitution) to vote or provide a written consent with respect to its Company Shares as described in this paragraph if, and only in the event that, such Manager fails to vote or provide a written consent with respect to its Company Shares in accordance with the terms of Section 4.3.3(i) (each such Manager, a "Breaching Drag-Along Stockholder") within three (3) days of a request for such vote or written consent. Upon such failure, the TPG (or a designee thereof) shall have and is hereby irrevocably granted a proxy to vote or provide a written consent with respect to each such Breaching Drag-Along Stockholder's Company Shares for the purposes of taking the actions required by Section 4.3.3(i). Each Manager intends this proxy to be, and it shall be, irrevocable and coupled with an interest, and each Manager will take such further action and execute such other instruments as may be necessary to effectuate the intent of this proxy and hereby revokes any proxy previously granted by it with respect to the matters set forth in Section 4.3.3(i) with respect to the Company Shares owned by such Manager. Notwithstanding the foregoing, the conditional proxy granted by this Section 4.3.4 shall be deemed to be revoked upon the termination of this Section 4.3 in accordance with its terms.

4.4. Miscellaneous. The following provisions will apply to any proposed Transfer to which Sections 4.1, 4.2. and 4.3, unless otherwise stipulated, apply:

4.4.1. Certain Legal Requirements. In the event the consideration to be paid in exchange for Company Shares in a proposed Transfer pursuant to Section 4.2 or Section 4.3 hereof includes any securities, and the receipt thereof by a Tagging Stockholder or Drag-Along Stockholder (each, a "Participating Seller") would require under applicable law (a) the registration or qualification of such securities or of any person as a broker or dealer or agent with respect to such securities or (b) the provision to any Tagging Stockholder or Drag-Along Stockholder of any information regarding the Company, such securities or the issuer thereof, such Participating Seller will not have the right to sell Company Shares in such proposed Transfer. In such event, the Transferring Stockholder (in a Transfer pursuant to Section 4.2 hereof) or TPG (in a Transfer pursuant to Section 4.3 hereof) shall have the right, but not the obligation, to cause to be paid to such Participating Seller in lieu thereof, against surrender of the Company Shares (in accordance with Section 4.4.6 hereof) which would have otherwise been sold by such Participating Seller to the Proposed Transferee or Drag-Along Buyer, as applicable, in the proposed Transfer, an amount in cash equal to the Fair Market Value of such Company Shares as of the date such securities would have been issued in exchange for such Company Shares.

4.4.2. Further Assurances. Each Participating Seller and each Manager Transferring any Company Shares to a ROFO Purchaser pursuant to Section 4.1, whether in his, her or its capacity as a Participating Seller, stockholder, officer or director of the

Company, or otherwise, shall take or cause to be taken all such actions as may be necessary or reasonably desirable in order expeditiously to consummate each Transfer pursuant to Section 4.1, Section 4.2 or Section 4.3 hereof and any related transactions, including, without limitation, executing, acknowledging and delivering consents, assignments, waivers and other documents or instruments; furnishing information and copies of documents; filing applications, reports, returns, filings and other documents or instruments with governmental authorities; and otherwise using commercially reasonable efforts to cooperate with the ROFO Purchaser (in a Transfer pursuant to Section 4.1 hereof), Transferring Stockholder (in a Transfer pursuant to Section 4.2 hereof) or TPG (in a Transfer pursuant to Section 4.3 hereof), as applicable, and the Proposed Transferee or Drag-Along Buyer, as applicable.

4.4.3. Sale Process. The Transferring Stockholder (in a Transfer pursuant to Section 4.2 hereof) or TPG (in a Transfer pursuant to Section 4.3 hereof), as applicable, may, in their sole discretion, decide whether or not to pursue, consummate, postpone or abandon any proposed Transfer and the terms and conditions thereof. No Principal Investor or any Affiliate of any Principal Investor will have any liability to any Manager arising from, relating to or in connection with the pursuit, consummation, postponement, abandonment or terms and conditions of any proposed Transfer except to the extent such Principal Investor has failed to comply with the provisions of this Section 4.

4.4.4. Treatment of Options, Warrants and Convertible Securities. Each Participating Seller agrees that to the extent he, she or it desires to include vested and exercisable Options, Warrants or Convertible Securities in any Transfer of Company Shares pursuant to this Section 4, he, she or it will be deemed to have exercised, converted or exchanged such vested and exercisable Options, Warrants or Convertible Securities immediately prior to the closing of such Transfer to the extent necessary to Transfer shares of Common Stock to the Proposed Transferee, except to the extent permitted under the terms of any such Option, Warrant or Convertible Security and agreed to by the Board of Directors and the Proposed Transferee. In the event that Options, Warrants or Convertible Securities are deemed exercised pursuant to the preceding sentence, payment of any purchase or exercise price, if applicable, and minimum statutory withholding tax amount, if any, shall be satisfied through payment of shares of Common Stock otherwise deliverable upon such exercise, conversion, or exchange. If any Participating Seller Transfers Options, Warrants or Convertible Securities in any Transfer pursuant to this Section 4, such Participating Seller shall receive in exchange for such Options, Warrants or Convertible Securities consideration equal to the amount (if greater than zero) determined by multiplying (a) the purchase price per share of Common Stock received by the Transferring Stockholder in such Transfer less the unpaid exercise or conversion price, if any, per share of such Option, Warrant or Convertible Security by (b) the number of shares of Common Stock issuable upon exercise, conversion or exchange of such Option, Warrant or Convertible Security (to the extent exercisable, convertible or exchangeable at the time of such Transfer), subject to reduction for any tax or other amounts required to be withheld under applicable law.

4.4.5. Expenses. All reasonable costs and expenses, including all attorneys fees and charges, all accounting fees and charges and all finders, brokerage or investment banking fees, charges or commissions, incurred in connection with any proposed Transfer, (a) pursuant to Section 4.2 hereof (whether or not consummated), shall be allocated among the Transferring Stockholder, each Participating Seller and any other Stockholder who participates in such Transfer pro rata based on the relative proceeds to be received by each of them from the sale of the shares of Common Stock to be Transferred by each of them, and (b) pursuant to Section 4.3 hereof (whether or not) consummated, shall be borne by the Company.

4.4.6. Closing. The closing of a Transfer to which Section 4.1, 4.2 or 4.3 hereof applies will take place at such time and place as the ROFO Stockholder specifies (in a Transfer pursuant to Section 4.1 hereof), Transferring Stockholder that is a Principal Investor specifies (in a Transfer pursuant to Section 4.2 hereof) or TPG specifies (in a Transfer pursuant to Section 4.3 hereof) by notice to each ROFO Offeree or Participating Seller, as applicable, each subject to any restrictions as to timing set forth in Section 4.1, 4.2 or 4.3. At the closing of such Transfer, each ROFO Purchaser or Participating Seller, as applicable, shall deliver the certificates evidencing the Company Shares to be sold by such ROFO Purchaser or Participating Seller, as applicable, duly endorsed, or with stock (or equivalent) powers duly endorsed, for transfer with signature guaranteed, free and clear of any Adverse Claim, with any stock (or equivalent) transfer tax stamps affixed, against delivery of the applicable consideration.

4.5. Period. The provisions of this Section 4 shall terminate and be of no further force and effect upon an Initial Public Offering.

5. OPTIONS TO PURCHASE AND SELL SHARES.

5.1. Call Options. Except as the Company may otherwise agree in writing with any Manager with respect to Company Shares held by such Manager (or any Person to whom any shares of Common Stock were originally issued at the request of such Manager) or originally issued to such Manager (or other Person at the request of such Manager) but held by one or more direct or indirect Permitted Transferees (collectively, the "Management Call Group"), upon any termination of the employment by the Company and its subsidiaries of any Manager (whether such termination is by the Company, by such Manager or otherwise), the Company will have the right to purchase for cash all or any portion of Purchased Management Shares held by the Management Call Group on the following terms (the "Management Call Option"):

5.1.1. General. For all Purchased Management Shares, the following terms will apply:

(a) Termination other than for Cause. If, prior to an Initial Public Offering, a Manager's employment is terminated for any reason other than for Cause (including as a result of death, Disability or Retirement), the Company (or its designated assignee) will have the right, on one or more occasions, at any time up to and including the date that is ninety (90) days following the later to occur of (x) the termination of such Manager's employment and (y) the date that is six (6)

months plus one (1) day following the most recent acquisition of Purchased Management Shares from the Company by any member of such Manager's Management Call Group, to purchase from such Management Call Group, and upon the exercise of such call right each member of such Management Call Group shall sell to the Company (or its designated assignee), all (or a portion, as designated by the Company, or its designated assignee) of the Purchased Management Shares (including Rollover Equity) held by such member of the Management Call Group as of the date as of which such call right is exercised at a price equal to the Fair Market Value of the Purchased Management Shares being sold, determined as of the date such Management Call Notice (as defined below) is delivered, which date shall be no earlier than the date that is six (6) months plus one (1) day following the most recent acquisition from the Company by any member of such Manager's Management Call Group of any such Purchased Management Shares that are to be purchased by the Company pursuant to such exercised call right and shall be no later than the last date on which the Company is permitted to issue a Management Call Notice in respect of such Purchased Management Shares under this Section 5.1.1(a).

(b) Termination for Cause. If a Manager's employment is terminated for Cause (or it is determined that such Manager's employment could have been terminated for Cause at the time such Manager resigned or his or her employment was otherwise terminated), the Company (or its designated assignee) will have the right, on one or more occasions, at any time up to and including the date that is one hundred and eighty (180) days following the later to occur of (x) the termination of such Manager's employment and (y) the date that is six (6) months plus one (1) day following the most recent acquisition of Purchased Management Shares from the Company by any member of such Manager's Management Call Group, to purchase from such Manager's Management Call Group, and upon the exercise of such call right each member of such Management Call Group shall sell to the Company (or its designated assignee), all (or a portion, as designated by the Company or its designated assignee) of the Purchased Management Shares (including Rollover Equity) held by such member of the Management Call Group as of the date as of which such call right is exercised at a price (the "Bad Leaver Price") equal to the lesser of (i) the Fair Market Value of the Purchased Management Shares being sold, determined as of the date such Management Call Notice is delivered, which date shall be no earlier than the date that is six (6) months plus one (1) day following the most recent acquisition from the Company by any member of such Manager's Management Call Group of any such Purchased Management Shares that are to be purchased by the Company pursuant to such exercised call right and shall be no later than the last date on which the Company is permitted to issue a Management Call Notice in respect of such Purchased Management Shares under this Section 5.1.1(b), and (ii) the price paid, if any, by such Manager for such Purchased Management Shares (the "Original Purchase Price"); provided, that for purposes of the foregoing clause (ii), the price paid by a Manager for a share acquired upon exercise of an Option, Warrant or Convertible Security will be deemed to be equal to the exercise price of such Option, Warrant or Convertible.

(c) Violation of Non-Competition Obligations. If a Manager's employment is terminated for any reason or if a Manager resigns his or her employment for any reason and, within twelve (12) months of such termination or resignation, such Manager Competes, the Company (or its designated assignee) will have the right, on one or more occasions, at any time up to and including the date that is ninety (90) days following the later to occur of (x) the first date on which the Company receives notice that such Manager Competed and (y) the date that is six (6) months plus one (1) day following the most recent acquisition of Purchased Management Shares from the Company by any member of such Manager's Management Call Group, to purchase from such Management Call Group, and upon the exercise of such call right each member of such Management Call Group shall sell to the Company (or its designated assignee), all (or a portion, as designated by the Company or its designated assignee) of the Purchased Management Shares (including Rollover Equity) held by such member of the Management Call Group as of the date as of which such call right is exercised at a price equal to the Bad Leaver Price.

5.1.2. Notices, Etc. Any Management Call Option may be exercised by delivery of written notice thereof (the "Management Call Notice") to all members of the applicable Management Call Group from whom the Company has elected to purchase Purchased Management Shares no later than the end of the applicable 90 or 180 day period specified in Section 5.1.1. The Management Call Notice shall state that the Company has elected to exercise the Management Call Option, the number of Purchased Management Shares with respect to which the Management Call Option is being exercised and the price of such shares.

5.1.3. Vesting. The rights of the Company and the Majority Principal Investors to purchase Company Shares under this Section 5 are in addition to, and do not modify, any vesting or exercisability requirements that may be included in the terms of any such Company Shares.

5.2. Closing.

5.2.1. The closing of any purchase and sale of Company Shares pursuant to this Section 5 shall occur on such date as the Company shall specify, which date shall not be later than ninety (90) days after the fiscal quarter-end immediately following the date of delivery of the Management Call Notice (provided, that such time may be extended as necessary to comply with requirements of the HSR Waiting Period or applicable foreign antitrust laws or other applicable legal requirements) at the principal office of the Company, or at such other time and location as the parties to such purchase may mutually determine.

5.2.2. At the closing of any purchase and sale of Company Shares following the exercise of any Management Call Option, the holders of Company Shares to be sold shall deliver to the Company a certificate or certificates representing the Company Shares to be purchased by the Company, duly endorsed, or with stock (or equivalent) powers duly endorsed, for transfer with signature guaranteed, free and clear of any lien or

encumbrance, with any necessary stock (or equivalent) transfer tax stamps affixed, and the Company shall pay to such holder by certified or bank check or wire transfer of immediately available federal funds the purchase price of the Company Shares being purchased by the Company. The delivery of a certificate or certificates for Company Shares by any Person selling Company Shares pursuant to any Management Call Option will be deemed a representation and warranty by such Person that: (i) such Person has full right, title and interest in and to such Company Shares; (ii) such Person has all necessary power and authority and has taken all necessary action to sell such Company Shares as contemplated; (iii) such Company Shares are free and clear of any and all liens or encumbrances; and (iv) there is no Adverse Claim with respect to such Company Shares.

5.2.3. If (i) any payment of cash is required upon the purchase of Company Shares by the Company upon the exercise of any Management Call Option or (ii) any payment on a promissory note issued under this Section 5.2.3 comes due, and, in either case, such payment (or any dividend to fund such payment) would (or with notice or the lapse of time or both would) constitute, result in or give rise to a breach or violation of the terms or provisions of, or result in a default, event of default or right or cause of action under, any guarantee, financing or security agreement, indenture or document entered into by the Company or any of its subsidiaries and in effect on such date in respect of indebtedness for borrowed money or debt security, would be prohibited under Section 160 (“Section 160”) of the General Corporation Law of the State of Delaware (the “DGCL”), or would otherwise violate the DGCL (or if the Company or any such subsidiary reincorporates in another jurisdiction, the applicable business corporation law of such jurisdiction), then, to the extent permitted by Section 160:

- (a) in the case of a cash payment due at a closing of any purchase of Company Shares by the Company upon the exercise of any Management Call Option, the Company will issue a promissory note in the aggregate principal amount of such payment, the principal amount of which note will be due and payable (in four equal annual installments, the first such installment becoming due and payable on the first anniversary of the issuance of such note (in each case subject to subsection 5.2.3(c) below) and interest will accrue thereon at a rate equal to the prime rate (as reported in the Wall Street Journal Eastern Edition) plus three percent (3%));
- (b) in the case of a cash payment in respect of a promissory note issued under this Section 5.2.3, notwithstanding any of the provisions of such note, including without limitation, the stated maturity of such note and the stated date on which interest payments are due, such payment will not become due and payable until such time as such payment can be made without violating any such agreement; and
- (c) notwithstanding the terms of any promissory note issued pursuant to this Section 5.2.3, the Company must pay off the promissory note at the earliest of (i) a Change of Control, (ii) the Initial Public Offering (but only to the extent of the net proceeds received by the Company in such Initial Public Offering), (iii)

five (5) Business Days after the date on which a cash payment paying off such promissory note could be made (1) without (immediately or with notice or the lapse of time or both) constituting, resulting in or giving rise to any breach or violation of the terms or provisions of, or result in a default, event of default or right or cause of action under, any guarantee, financing or security agreement, indenture or document entered into by the Company or any of its subsidiaries and in effect on such date in respect of indebtedness for borrowed money or debt security, (2) that would not be prohibited under Section 160, and (3) that would not otherwise violate the DGCL (or if the Company or any such subsidiary reincorporates in another jurisdiction, the applicable business corporation law of such jurisdiction) and (iv) the date on which any cash dividend or distribution is made in respect of Company Shares. At any such time, the Company shall promptly notify the holder of such promissory note and make a payment on each such promissory note. If more than one such promissory note is outstanding at the time of payment, payment shall be made to the holders of all such promissory notes on a pro rata basis.

5.2.4. In the event that the Company has exercised its call right pursuant to Section 5.1 with respect to Company Shares held by (i) a Manager who (A) Competes within twelve (12) months of such Manager's termination of employment or resignation as described in Section 5.1.1(c) or (B) is determined to have been eligible for termination for Cause, in each case following the Company's exercise of such call right, and/or (ii) one or more members of such Manager's Management Call Group that held Company Shares, such Manager and/or such members of such Manager's Management Call Group will be obligated to deliver to the Company, within five (5) days following notice from the Company that such amount is due, an amount equal to the product of (x) the number of Company Shares purchased in connection with the exercise of the call right, multiplied by (y) the excess, if any, of the price paid for such Company Shares over the Bad Leaver Price for such Company Shares.

5.3. Majority Principal Investors Call Option. If the Company elects not to purchase (pursuant to Section 5.1 hereof) any or all Purchased Management Shares held by a Manager or one or more members of such Manager's Management Call Group, the Company shall notify the Majority Principal Investors and the Majority Principal Investors may purchase any or all of the remaining Purchased Management Shares held by such Persons for the purchase price identified in Section 5.1.1 hereof; provided, that nothing in this Section 5.3 will operate to extend the time within which the Management Call Notice may be delivered pursuant to Section 5.1.2 hereof. The right to purchase such Company Shares shall be allocated pro rata among the Majority Principal Investors based upon the Purchase Price Value of the shares of Common Stock then held by such Majority Principal Investors (unless the Majority Principal Investors agree otherwise); provided, further that Purchased Management Shares Transferred to any Majority Principal Investor shall thereafter become Investor Shares hereunder.

5.4. Acknowledgment. Each Manager and member of any Manager's Management Call Group acknowledges and agrees that neither the Company, nor any Person directly or indirectly affiliated with the Company (in each case whether as a director, officer, manager, partner employee, agent or otherwise), will have any duty or obligation to affirmatively disclose

to him, her or it, and he, she or it will not have any right to be advised of, any material information regarding the Company or otherwise at any time prior to, upon, or in connection with any termination of his, her or its employment by the Company and its subsidiaries upon the exercise of any Management Call Option or any purchase of the Company Shares in accordance with the terms hereof.

5.5. Call Period. The foregoing provisions of this Section 5 will expire with respect to any Company Share not called, if not earlier expired in accordance with the provisions of this Section 5, upon the earlier to occur of (a) an Initial Public Offering or (b) a Change of Control.

6. PREEMPTIVE RIGHTS.

The Preemptive Rights Notice shall set forth the material terms and conditions of the New Issuance, including the proposed purchase price for the Newly Issued Securities, the anticipated issuance date, and the purpose of such New Issuance. Each Rollover Manager shall have the right to purchase up to its Pro Rata Portion of such Newly Issued Securities at the price and on the terms and conditions specified in the Preemptive Rights Notice by delivering an irrevocable written notice to the Company no later than five (5) Business Days before the anticipated issuance date, setting forth the number of such Newly Issued Securities for which such right is exercised. Such notice shall also include the maximum number of Newly Issued Securities such Rollover Manager would be willing to purchase in the event any other Stockholder with preemptive rights and entitled to participate elects to purchase less than its Pro Rata Portion of such Newly Issued Securities. Any attempted Transfer of such securities by the Company, Intermediate Holdings, J. Crew or any other subsidiary without first giving the Stockholders the rights described in Section 6.1 shall be void and of no force and effect.

(b) offer to issue to each such holder of Company Shares such number of Newly Issued Securities as may be requested by such holder (not to exceed an amount equal to (i) the Pro Rata Portion that such holder would have been entitled to pursuant to Section 6.1 multiplied by the number of Newly Issued Securities included in the New Issuance plus (ii) a number of additional securities sufficient to permit such holder to acquire, in total, the same percentage of the aggregate number of all securities included in the relevant New Issuances effected pursuant to this Section 6.1 as such holder would have been entitled to acquire had the Company proceeded with the relevant New Issuances under Section 6.1 rather than pursuant to this Section 6.1.5 on the same economic terms and conditions with respect to such securities as the subscribers in the New Issuance received); and

(c) keep such offer open for a period of at least five (5) Business Days, during which period, each such holder may accept such offer by sending a written acceptance to the Company committing to purchase an amount of such securities (not in any event to exceed the Pro Rata Portion that such holder would have been entitled to pursuant to Section 6.1 multiplied by the number of all such Newly Issued Securities included in all such relevant New Issuances).

Crew, the Principal Investors and MD Investors, this Agreement constitutes the entire agreement of the parties with respect to its subject matter, supersedes all prior or contemporaneous oral or written agreements or discussions with respect to such subject matter, and will be binding upon and inure to the benefit of the parties hereto and their respective heirs, representatives, successors and assigns and there shall be no third-party beneficiaries to this Agreement. Notwithstanding the foregoing, in the event of any conflict between the provisions of this Agreement and the provisions of the Principal Investors Stockholders' Agreement, the provisions of the Principal Investors Stockholders' Agreement shall govern. Except as otherwise expressly provided herein or in connection with a Transfer of Company Shares by a Principal Investor or MD Investor, no Principal Investor, Manager or other party hereto may assign any of its respective rights or delegate any of its respective obligations under this Agreement without the prior written consent of the other parties hereto, and any

attempted assignment or delegation in violation of the foregoing will be null and void. This Agreement reflects the mutual intent of the parties and no rule of construction against the drafting party will apply.

12.4. Counterparts. This Agreement may be executed in any number of separate counterparts each of which when so executed shall be deemed to be an original and all of which together shall constitute one and the same agreement.

12.5. Severability. 12.6. No Recourse. Notwithstanding anything that may be expressed or implied in this Agreement, the Company, Merger Sub, Intermediate Holdings, J.Crew and each holder of Company Shares hereunder covenant, agree and acknowledge that no recourse under this Agreement or any documents or instruments delivered in connection with this Agreement may be had against any current or future director, officer, employee, general or limited partner, manager, member or stockholder of any Company stockholder or of any Affiliate or assignee thereof, as such, whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any statute, regulation or other applicable law, it being expressly agreed and acknowledged that no personal liability whatsoever will attach to, be imposed on or otherwise be incurred by any current or future director, officer, employee, general or limited partner, manager, member or stockholder of any Company stockholder or of any Affiliate or assignee thereof, as such, for any obligation of any Company stockholder under this Agreement or any documents or instruments delivered in connection with this Agreement for any claim based on, in respect of or by reason of such obligations or their creation; provided that, for the avoidance of doubt, the foregoing shall not apply with respect to the obligations set forth in Section 5 and any breach by any Manager or his, her or its Permitted Transferees of any obligations under this Agreement. Each Manager acknowledges that it is not relying upon any person, firm or corporation (including without limitation any other Manager or any Principal Investor), other than the Company and its officers, directors and other representatives (acting solely in their capacity as representatives of the Company), in deciding to invest and in making its investment in the Company. Crew's subsidiaries, (i) each of the Stockholders and Intermediate Holdings or J. Crew (or, if different, the surviving entity of the merger) shall execute a shareholders' agreement with terms that are equivalent to this Agreement; provided that such shareholders' agreement shall terminate upon the same terms and conditions as provided herein and (ii) the Company shall cause any registration rights held by the Company in respect of any securities of Intermediate Holdings or J. 12.8. Waiver by Stockholders. The rights and obligations contained in this Agreement are in addition to the relevant provisions of the Certificate of Incorporation and by-laws of the Company in force from time to time and shall be construed to comply with such provisions. To the extent that this Agreement is determined to be in contravention of the Certificate of Incorporation or by-laws of the Company, this Agreement shall constitute a waiver by each Stockholder, to the fullest extent permissible under applicable laws, of any right such Stockholder may have pursuant to the Certificate of Incorporation or by-laws of the Company that is inconsistent with this Agreement and the Stockholders and the Company shall take all necessary action to effect an amendment of the Certificate of Incorporation and by-laws of the Company, to the extent permissible under applicable law, in order to resolve such contravention.

12.9. J. Crew Liability. J. Crew and Intermediate Holdings agree that each shall be jointly and severally liable with the Company with respect to all of the Company's payment and other obligations hereunder, including any payments for any breach by the Company of the provisions hereof and any indemnification obligations hereunder.

13. GOVERNING LAW.

13.1. Governing Law. This Agreement and any related dispute shall be governed by and construed in accordance with the laws of the State of Delaware.

13.2. Jurisdiction. ANY ACTION OR PROCEEDING AGAINST THE PARTIES RELATING IN ANY WAY TO THIS AGREEMENT MAY BE BROUGHT EXCLUSIVELY IN THE COURTS OF THE STATE OF DELAWARE OR (TO THE EXTENT SUBJECT MATTER JURISDICTION EXISTS THEREFORE) THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF DELAWARE, AND THE PARTIES IRREVOCABLY SUBMIT TO THE JURISDICTION OF BOTH SUCH COURTS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING. ANY ACTIONS OR PROCEEDINGS TO ENFORCE A JUDGMENT ISSUED BY ONE OF THE FOREGOING COURTS MAY BE ENFORCED IN ANY JURISDICTION.

13.3. WAIVER OF JURY TRIAL. TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW THAT CANNOT BE WAIVED, EACH SHAREHOLDER WAIVES, AND COVENANTS THAT SUCH PARTY WILL NOT ASSERT (WHETHER AS PLAINTIFF, DEFENDANT OR OTHERWISE), ANY RIGHT TO TRIAL BY JURY IN ANY FORUM IN RESPECT OF ANY ISSUE, CLAIM OR PROCEEDING ARISING OUT OF THIS AGREEMENT OR THE SUBJECT MATTER HEREOF OR IN ANY WAY CONNECTED WITH THE DEALINGS OF ANY SHAREHOLDER OR THE COMPANY IN CONNECTION WITH ANY OF THE ABOVE, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING AND WHETHER IN CONTRACT, TORT OR OTHERWISE. THE COMPANY OR ANY STOCKHOLDER MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 13.3 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE STOCKHOLDERS TO THE WAIVER OF THEIR RIGHTS TO TRIAL BY JURY. EACH PARTY HERETO ACKNOWLEDGES THAT IT HAS BEEN INFORMED

BY THE OTHER PARTIES HERETO THAT THIS SECTION 13.3 CONSTITUTES A MATERIAL INDUCEMENT UPON WHICH THEY ARE RELYING AND WILL RELY IN ENTERING INTO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY. ANY PARTY HERETO MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 13.3 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF EACH SUCH PARTY TO THE WAIVER OF ITS RIGHT TO TRIAL BY JURY.

13.4. Exercise of Rights and Remedies. No delay of or omission in the exercise of any right, power or remedy accruing to any party as a result of any breach or default by any other party under this Agreement will impair any such right, power or remedy, nor will it be construed as a waiver of or acquiescence in any such breach or default, or of any similar breach or default occurring later; nor will any such delay, omission nor waiver of any single breach or default be deemed a waiver of any other breach or default occurring before or after that waiver.

AMENDED AND RESTATED MANAGEMENT SERVICES AGREEMENT

This Amended and Restated Management Services Agreement (the “Agreement”) is entered into as of July 13, 2017 by and among Chinos Holdings, Inc., a Delaware corporation (“Holdings”), J. Crew Group, Inc., a Delaware corporation (“Group”), Chinos Intermediate Holdings A, Inc. (“Intermediate A”), Chinos Intermediate, Inc., a Delaware corporation (“Newco”) and Chinos Intermediate Holdings B, Inc. (“Intermediate B” and, together with Group and Newco, the “Companies”).

WHEREAS, Group (as successor to Chinos Acquisition Corp.), Holdings, Intermediate A, Intermediate B, TPG Capital, L.P. (“TPG”) and Leonard Green & Partners, L.P. (“LGP”) are parties to the Management Services Agreement dated March 7, 2011 (“Original Agreement”), pursuant to which TPG and LGP provided certain management, advisory and consulting services to the Companies; and

WHEREAS, the Companies, Intermediate A, TPG, LGP and Holdings desire to amend and restate the Original Agreement on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties hereto, intending to be legally bound, hereby agree as follows:

1. Services. Holdings hereby agrees that, during the term of this Agreement (the “Term”), it will provide to the Companies, to the extent mutually agreed by the Companies and Holdings, by and through itself and/or Holdings’ successors, assigns, affiliates, officers, employees and/or representatives and third parties (collectively hereinafter referred to as the “Holdings Designees”), as Holdings in its sole discretion may designate from time to time, management, advisory and consulting services in relation to the affairs of the Companies. Such management, advisory and consulting services shall include, without limitation:

(a) advice in connection with the negotiation and consummation of agreements, contracts, documents and instruments necessary to provide the Companies with financing on terms and conditions satisfactory to the Companies;

(b) advice in connection with acquisition, disposition and change of control transactions involving any of the Companies or any of their direct or indirect subsidiaries or any of their respective successors;

(c) financial, managerial and operational advice in connection with the Companies’ day-to-day operations, including, without limitation, advice with respect to the development and implementation of strategies for improving the operating, marketing and financial performance of the Companies and/or their respective subsidiaries; and

(d) such other services (which may include financial and strategic planning and analysis, consulting services, human resources and executive recruitment services and other services) as Holdings and the Companies may from time to time agree in writing.

Holdings or Holdings Designees will devote such time and efforts to the performance of the services contemplated hereby as Holdings deems reasonably necessary or appropriate;

provided, however, that no minimum number of hours is required to be devoted by Holdings or any Holdings Designee on a weekly, monthly, annual or other basis. The Companies acknowledge that Holdings' or Holdings Designees' services are not exclusive to the Companies or their respective subsidiaries and that Holdings and each Holdings Designee may render similar services to other persons and entities. Holdings and the Companies understand that the Companies or their respective subsidiaries may at times engage one or more investment bankers or financial advisers to provide services in addition to, but not in lieu of, services provided by Holdings and the Holdings Designees under this Agreement; provided that any such engagement will be made pursuant to the terms of the Amended and Restated Principal Investors Stockholders' Agreement, dated as of July 13, 2017, among the Companies, certain affiliates of TPG and LGP and certain other parties (as may be further amended from time to time, the "Stockholders' Agreement"). In providing services to the Companies or their respective subsidiaries, Holdings and Holdings Designees will act as independent contractors, and it is expressly understood and agreed that this Agreement is not intended to create, and does not create, any partnership, agency, joint venture or similar relationship and that no party has the right or ability to contract for or on behalf of any other party or to effect any transaction for the account of any other party.

2. Payment of Fees.

(a) Subject to Section 3, during the Term, the Companies, jointly and severally, will pay to Holdings an aggregate annual retainer fee (the "Advisory Fee") equal to the greater of (i) 0.4% of the Annual Revenue for such fiscal year and (ii) \$8,000,000, as compensation for the services provided by Holdings or the Holdings Designees under this Agreement, which shall be paid as follows: (x) on a quarterly basis in advance, on each January 31, April 30, July 31 and October 31 occurring during the Term of this Agreement, 25% of the Advisory Fee then payable if the Advisory Fee were determined only pursuant to clause (ii) of this Section 2(b) and (y) within 90 days following each January 31, the excess, if any, of the Advisory Fee for the fiscal year ended on such January 31 over the quarterly payments already made in respect of such fiscal year in accordance with clause (x). Payment of any applicable amount to Holdings following the end of any applicable twelve (12) month period shall be made within three (3) business days after such amount is finally determined. For the purposes of this Agreement, "Annual Revenue" shall mean, for any applicable fiscal year, the aggregate of all amounts which would be included as revenue on the consolidated financial statements of Holdings and its subsidiaries for such period, in each case determined in accordance with generally accepted accounting principles in the United States, consistently applied.

(b) During the Term, Holdings (or Holdings Designees) will advise the Companies in connection with the consummation of any financing or refinancing (equity or debt), dividend, recapitalization, acquisition, disposition and spin-off or split-off transactions involving the Companies or any of their direct or indirect subsidiaries (however structured), and, subject to Section 3, the Companies will pay to Holdings an aggregate fee (the "Subsequent Fee") in connection with each such transaction equal to customary fees charged by internationally-recognized investment banks for serving as a financial advisor in similar transactions, such fee to be due and payable for the foregoing services at the closing of such transaction.

(c) Each payment made pursuant to this Section 2 will be paid by wire transfer of immediately available funds to the accounts specified on Schedule 1 hereto, or to such other account(s) as Holdings may specify to the Companies in writing prior to such payment.

(d) The Companies shall be entitled to deduct and withhold from the amounts otherwise payable hereunder such amounts as are required to be deducted and withheld under applicable law. Any amounts so withheld or deducted shall be treated for the purposes of this Agreement as paid to Holdings in respect of which such withholding or deduction was made.

3. Deferral. Any fee (or portion thereof) that would have been payable to Holdings pursuant to Section 2 above absent such payment constituting, resulting in or giving rise (as reasonably determined by the Companies) to a breach or violation of the terms or provisions of, or result in a default under, any guarantee, financing or security agreement, indenture or document entered into by the Company or any of its subsidiaries and in effect on such date in respect of indebtedness for borrowed money or debt security (the "Financing Documents") applicable to the Companies (the "Deferred Fees") will accrue upon the immediately succeeding period in which such amounts could, consistent with the Financing Documents, be paid, and will be paid in such succeeding period (in addition to such other amounts that would otherwise be payable at such time) in the manner set forth in Section 2.

4. Term. This Agreement will continue in full force and effect until December 31, 2021; provided that this Agreement shall be automatically extended each December 31 for an additional year; provided, further, that this Agreement (x) may be terminated at any time upon the mutual agreement of Holdings, the Companies and, for so long as any shares of the non-convertible series A preferred stock of Holdings (the "Series A Preferred") remain outstanding, the holders of not less than sixty-six percent (66%) of the outstanding Series A Preferred, (y) shall terminate automatically immediately prior to the earlier of (i) the consummation by any of the Companies, one or more of their subsidiaries or any of their successors of an IPO (as such term is defined in the Stockholders' Agreement) or (ii) the consummation of a Sale, in each case, unless otherwise agreed by Holdings, and, in each case, if no shares of the Series A Preferred remain outstanding or the Series A Preferred is redeemed in full in connection with such IPO or Sale, and (z) shall immediately terminate with respect to Holdings upon the disposition of all Company Shares held by Holdings and Holdings' affiliates, if no shares of the Series A Preferred remain outstanding or the Series A Preferred is redeemed in full in connection with such disposition. For the avoidance of doubt, termination of this Agreement will not relieve a party from liability for any breach of this Agreement on or prior to such termination. In the event of a termination of this Agreement, subject to Section 3, the Companies will pay Holdings (i) all unpaid Advisory Fees (pursuant to Section 2(b) above), Subsequent Fees (pursuant to Section 2(c) above), Deferred Fees (pursuant to Section 3 above) and Reimbursable Expenses (pursuant to Section 5(a) below) due with respect to periods prior to the date of termination plus (to the extent applicable) and (ii) solely in the event of a termination of this Agreement as a result of an IPO or a Sale where, in each case, affiliates of the TPG and LGP continue to directly or indirectly hold at least ten percent (10%) of the equity securities of the Companies upon the closing of such transaction, an amount not to exceed the sum of the net present values (using discount rates equal to the then yield on U.S. Treasury Securities of like maturity) of the Advisory Fees that would have been payable with respect to the period from the date of termination until three years after the date of such termination (such amount, the "Accelerated

Fee”); provided, that the Company will only pay the Accelerated Fee to the extent the Series A Preferred is redeemed in full in connection with such IPO or Sale. In the event of an IPO or Sale that, in either case, includes non-cash consideration, Holdings may elect to receive all or any portion of any amounts payable pursuant to this Agreement as a result of such IPO or Sale in the form of such non-cash consideration, valued at the sale price. All of Section 4 through Section 14 will survive termination of this Agreement with respect to matters arising before or after such termination (whether in respect of or relating to services rendered during or after the Term). Each payment made pursuant to this Section 4 will be paid by wire transfer of immediately available funds to the accounts specified on Schedule 1 hereto, or to such other account(s) as Holdings may specify to the Companies in writing prior to such payment. For the purposes of this Agreement, “Sale” means a transfer or issuance of equity securities of any of the Companies (including by way of a merger, consolidation, amalgamation, share exchange or other form of similar business combination), in a single or series of related transactions, resulting in a person or persons other than the existing stockholders owning, directly or indirectly, a majority of the voting power of the applicable Company, upon the consummation of such transfer or issuance, or the sale of all or substantially all of the assets of any of the Companies.

5. Expenses; Indemnification.

(a) Expenses. Subject to Section 3, the Companies, jointly and severally, will pay to Holdings on demand all documented Reimbursable Expenses whether incurred prior to or following the date of this Agreement. As used herein, “Reimbursable Expenses” means (i) all reasonable out-of-pocket expenses by Holdings to the extent arising from the services provided by Holdings or the Holdings Designees to the Companies or any of their affiliates from time to time (including, without limitation, all travel related expenses), (ii) all reasonable out-of-pocket legal expenses incurred by Holdings, its affiliates or the Holdings Designees in connection with the enforcement of rights or taking of actions under this Agreement, and (iii) all other reasonable expenses incurred by Holdings, its affiliates or the Holdings Designees on behalf of the Companies in connection with their management and operations, whether incurred prior to or following the date of this Agreement.

(b) Indemnity and Liability. The Companies, jointly and severally, will indemnify, exonerate and hold Holdings, the Holdings Designees and each of their respective partners, shareholders, members, affiliates, associated investment funds, directors, officers, fiduciaries, managers, controlling persons, employees and agents and each of the partners, shareholders, members, affiliates, associated investment funds, directors, officers, fiduciaries, managers, controlling persons, employees and agents of each of the foregoing (collectively, the “Indemnitees”), each of whom is an intended third party beneficiary of this Agreement, free and harmless from and against any and all actions, causes of action, suits, claims, liabilities, losses, damages and costs and out-of-pocket expenses in connection therewith (including without limitation reasonable attorneys’ fees and expenses) incurred by the Indemnitees or any of them before or after the date of this Agreement (collectively, the “Indemnified Liabilities”), arising out of any action, cause of action, suit, arbitration, investigation or claim (whether between the relevant Indemnitee and any of the Companies or involving a third party claim against the relevant Indemnitee) arising out of, or in any way relating to (i) this Agreement, any transaction to which any of the Companies is a party or (ii) operations of, or services provided by any of Holdings or the Holdings Designees to, the Companies, or any of their respective affiliates from

time to time; provided that the foregoing indemnification rights will not be available to the extent that any such Indemnified Liabilities arose on account of such Indemnitee's gross negligence or willful misconduct; and provided, further, that if and to the extent that the foregoing undertaking may be unavailable or unenforceable for any reason, each of the Companies hereby agrees to make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. For purposes of this Section 5(b), none of the circumstances described in the limitations contained in the two provisos in the immediately preceding sentence will be deemed to apply absent a final non-appealable judgment of a court of competent jurisdiction to such effect, in which case to the extent any such limitation is so determined to apply to any Indemnitee as to any previously advanced indemnity payments made by the Companies, then such payments will be promptly repaid by such Indemnitee to the Companies without interest. The rights of any Indemnitee to indemnification hereunder will be in addition to any other rights any such person may have under any other agreement or instrument referenced above or any other agreement or instrument to which such Indemnitee is or becomes a party or is or otherwise becomes a beneficiary or under law or regulation; provided that (i) the Companies hereby agree that they are the indemnitors of first resort under this Agreement and under any other applicable indemnification agreement (i.e., their obligations to Indemnitees under this Agreement or any other agreement or undertaking to provide advancement and/or indemnification to such Indemnitees are primary and any obligation of Holdings (or any affiliate thereof other than a Company) to provide advancement or indemnification for the Indemnified Liabilities incurred by Indemnitees are secondary), and (ii) if Holdings (or any affiliate thereof) pays or causes to be paid, for any reason, any amounts otherwise indemnifiable hereunder or under any other indemnification agreement (whether pursuant to contract, by-laws or charter) with any Indemnitee, then (x) Holdings (or such affiliate, as the case may be) shall be fully subrogated to all rights of such Indemnitee with respect to such payment and (y) the Companies shall fully indemnify, reimburse and hold harmless Holdings (or such other affiliate) for all such payments actually made by Holdings (or such other affiliate) and irrevocably waive, relinquish and release Holdings for contribution, subrogation or any other recovery of any kind in respect of any advancement of expenses or indemnification hereunder.

6.Disclaimer and Limitation of Liability; Opportunities.

(a)Disclaimer; Standard of Care. Neither Holdings nor any of the Holdings Designees makes any representations or warranties, express or implied, in respect of the services to be provided by Holdings or the Holdings Designees hereunder. In no event will Holdings, the Holdings Designees or related Indemnitees be liable to the Companies or any of their respective affiliates for any act, alleged act, omission or alleged omission that does not constitute gross negligence or willful misconduct of Holdings or the Holdings Designees as determined by a final, non-appealable determination of a court of competent jurisdiction.

(b)Limitation of Liability. In no event will Holdings, the Holdings Designees or any of their respective Indemnitees be liable to the Companies or any of their affiliates for any indirect, special, incidental or consequential damages, including, without limitation, lost profits or savings, whether or not such damages are foreseeable, or for any third party claims (whether based in contract, tort or otherwise), relating to, in connection with or arising out of this Agreement, before or after termination of this Agreement, including without limitation the

services to be provided by Holdings or the Holdings Designees hereunder, or for any act or omission that does not constitute gross negligence or willful misconduct of Holdings or the Holdings Designees or in excess of the fees received by Holdings or the applicable Holdings Designee hereunder.

7. Assignment, etc. Except as provided below, none of the parties hereto will have the right to assign this Agreement without the prior written consent of each of the other parties. Notwithstanding the foregoing, (a) Holdings may assign all or part of its rights and obligations hereunder to any of its affiliates which provides services similar to those called for by this Agreement, provided that in no event shall Holdings relinquish its rights to fees under Section 2 and Section 5 and reimbursement of Reimbursable Expenses under Section 5(a), and (b) the provisions hereof for the benefit of Indemnitees of Holdings will inure to the benefit of such Indemnitees and their successors and assigns.

8. Amendments and Waivers. No amendment or waiver of any term, provision or condition of this Agreement will be effective without the express written consent of the Companies, Holdings and, for so long as any Series A Preferred remain outstanding, the holders of not less than sixty-six percent (66%) of the outstanding Series A Preferred. No waiver on any one occasion will extend to or effect or be construed as a waiver of any right or remedy on any future occasion. No course of dealing of any person nor any delay or omission in exercising any right or remedy will constitute an amendment of this Agreement or a waiver of any right or remedy of any party hereto.

9. Governing Law; Jurisdiction. THIS AGREEMENT AND ALL MATTERS ARISING UNDER OR RELATED TO THIS AGREEMENT SHALL BE GOVERNED AND CONSTRUED IN ACCORDANCE WITH THE DOMESTIC SUBSTANTIVE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO THE CONFLICTS OF LAW PRINCIPLES THEREOF. ANY ACTION OR PROCEEDING AGAINST THE PARTIES RELATING IN ANY WAY TO THIS AGREEMENT MAY BE BROUGHT AND ENFORCED EXCLUSIVELY IN THE COURTS OF THE STATE OF NEW YORK OR (TO THE EXTENT SUBJECT MATTER JURISDICTION EXISTS THEREFOR) THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK SITTING IN MANHATTAN, AND THE PARTIES IRREVOCABLY SUBMIT TO THE JURISDICTION OF BOTH SUCH COURTS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING.

10. Waiver of Jury Trial. EACH OF THE PARTIES HERETO HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY.

11. Entire Agreement. This Agreement contains the entire understanding of the parties hereto with respect to the subject matter hereof and supersedes any prior communication or agreement with respect thereto. Notwithstanding the foregoing, the parties hereto acknowledge and agree that the provisions set forth in Sections 5 and 6 of the Original Agreement shall survive the amendment and restatement of the Original Agreement with respect to any actions that occurred prior to the date hereof.

MANAGEMENT SERVICES AGREEMENT

This Management Services Agreement (the “Agreement”) is entered into as of July 13, 2017 by and among Chinos Holdings, Inc., a Delaware corporation (“Holdings”), TPG Capital, L.P. (“TPG”) and Leonard Green & Partners, L.P. (“LGP”) and, together with TPG, the “Managers”).

WHEREAS, Holdings, J. Crew Group, Inc., a Delaware corporation (“Group”), Chinos Intermediate, Inc., a Delaware corporation (“Newco”) and Chinos Intermediate Holdings B, Inc. (“Intermediate B”) and, together with Group and Newco, the “Companies”) are parties to the Amended and Restated Management Services Agreement dated July 13, 2017 (the “Holdings Management Agreement”), pursuant to which Holdings provides certain management, advisory and consulting services to the Companies; and

WHEREAS, Holdings wishes to retain the Managers to provide those certain management, advisory and consulting services to Holdings which Holdings provides to the Companies under the Holdings Management Agreement, and the Managers are willing to provide such services on the terms set forth below.

NOW, THEREFORE, in consideration of the mutual covenants contained herein the parties hereto, intending to be legally bound, hereby agree as follows:

1. Services. Each Manager hereby severally agrees that, during the term of this Agreement (the “Term”), it will provide to Holdings, to the extent mutually agreed by Holdings and such Manager, by and through itself and/or such Manager’s successors, assigns, affiliates, officers, employees and/or representatives and third parties (collectively hereinafter referred to as the “Manager Designees”), as such Manager in its sole discretion may designate from time to time, management, advisory and consulting services in relation to the affairs of Holdings. Such management, advisory and consulting services shall include, without limitation, those services provided by Holdings to the Companies and listed in Section 1 of the Holdings Management Agreement.

Each of the Managers or their respective Manager Designees will devote such time and efforts to the performance of the services contemplated hereby as such Manager deems reasonably necessary or appropriate; provided, however, that no minimum number of hours is required to be devoted by any Manager or Manager Designee on a weekly, monthly, annual or other basis. Holdings acknowledges that each of the Manager’s or Manager Designee’s services are not exclusive to Holdings or its subsidiaries and that each Manager and Manager Designee may render similar services to other persons and entities. The Managers and Holdings understand that Holdings or its subsidiaries may at times engage one or more investment bankers or financial advisers to provide services in addition to, but not in lieu of, services provided by the Managers and the Manager Designees under this Agreement; provided that any such engagement will be made pursuant to the terms of the Amended and Restated Principal Investors Stockholders’ Agreement, dated as of July 13, 2017, among the Companies, affiliates of the Managers and certain other parties (as may be amended from time to time, the “Stockholders’ Agreement”). In providing services to Holdings or its subsidiaries, the Managers and Manager Designees will act as independent contractors, and it is expressly understood and agreed that this

Agreement is not intended to create, and does not create, any partnership, agency, joint venture or similar relationship and that no party has the right or ability to contract for or on behalf of any other party or to effect any transaction for the account of any other party.

2. Payment of Fees.

(a) Subject to Section 3, during the Term, Holdings will pay to the Managers (or their respective Manager Designees) an aggregate annual retainer fee (the "Advisory Fee") in an amount equal to (x) the Advisory Fee received under the Holdings Management Agreement (the "Holdings Advisory Fee") less (y) the cash dividend (the "Cash Dividend"), in an amount equal to 5% of the then liquidation preference on the outstanding non-convertible series A preferred stock of Holdings (the "Series A Preferred"), which Advisory Fee shall be paid on a quarterly basis in advance, on each January 31, April 30, July 31 and October 31 occurring during the Term of this Agreement. Notwithstanding the foregoing, and without limitation to Section 3, Holdings agrees that it shall at all times retain for the benefit of the holders of the Series A Preferred (for the purpose of paying the Cash Dividend) and shall not pay out or otherwise use or release funds in an amount equal to the Cash Dividend payable for the following one year period; provided that Holdings may release amounts from such reserve (including for payment to the Managers) (i) to pay Reimbursable Expenses duly incurred and reimbursable hereunder and (ii) otherwise only to the extent that the board of directors of Holdings reasonably and in good faith determines that Holdings has adequate available cash on hand (not including any amounts to be so released) that when coupled with future Holdings Advisory Fees it reasonably and in good faith expects to be receive will be sufficient to pay in full the Cash Dividend for the following one year period.

(b) During the Term, the Managers (or their respective Manager Designees) will advise Holdings in connection with the consummation of any financing or refinancing (equity or debt), dividend, recapitalization, acquisition, disposition and spin-off or split-off transactions involving Holdings or any of its direct or indirect subsidiaries (however structured), and, subject to Section 3, Holdings will pay to the Managers (or their respective Manager Designees) an aggregate fee (the "Subsequent Fee") in connection with each such transaction equal to customary fees charged by internationally-recognized investment banks for serving as a financial advisor in similar transactions, such fee to be due and payable for the foregoing services at the closing of such transaction.

(c) Each payment made pursuant to this Section 2 will be paid by wire transfer of immediately available funds to the accounts specified on Schedule 1 hereto, or to such other account(s) as the respective Managers may specify to Holdings in writing prior to such payment. Each payment made pursuant to this Section 2 shall be allocated among the Managers (or their respective Manager Designees) as follows: (i) TPG will be entitled to 75% and (ii) LGP will be entitled to 25% (the "Relative Interests"); provided that in the event that this Agreement terminates with respect to a Manager pursuant to clause (z) of Section 5, such Manager will not be entitled to any payment pursuant to this Section 2 and all other Managers' Relative Interests will be increased accordingly on a pro rata basis.

(d) Holdings shall be entitled to deduct and withhold from the amounts otherwise payable hereunder such amounts as are required to be deducted and withheld under applicable

law. Any amounts so withheld or deducted shall be treated for the purposes of this Agreement as paid to the Manager in respect of which such withholding or deduction was made.

3. Deferral. Notwithstanding anything herein to the contrary, Holdings shall not be obligated to pay to the Managers (or their respective Manager Designees), and the Managers (or their respective Manager Designees) shall not be entitled to receive payment of, any fee or other amount payable by or on behalf of Holdings hereunder, including the Advisory Fee and Subsequent Fee (but excluding Reimbursable Expenses, which the Managers shall be entitled to receive in accordance with, and subject to, the terms hereof), unless and until (i) all of the accrued dividends on the Series A Preferred have been paid and (ii) in the good faith determination of the board of directors of Holdings, as of the subsequent dividend payment date for the Series A Preferred and after giving effect to the payment of such fee or amount hereunder to the Managers (or their respective Manager Designees), Holdings is reasonably likely to have sufficient available cash to pay in full the dividend on the Series A Preferred payable on such dividend payment date. Any fees or other amounts otherwise payable to the Managers (or their respective Manager Designees), but deferred pursuant to this Section 3 shall only accrue and become payable when the conditions in the prior sentence are satisfied.

4. Term. This Agreement will continue in full force and effect until December 31, 2021; provided that this Agreement shall be automatically extended each December 31 for an additional year unless TPG provides written notice of its desire not to automatically extend the term of this Agreement to the other parties hereto at least ninety (90) days prior to such December 31; provided, further, that this Agreement (x) may be terminated at any time by (i) a majority of the board of directors of Holdings or (ii) by TPG, (y) shall terminate automatically immediately prior to the earlier of (i) the consummation by Holdings, one or more of its subsidiaries or any of their successors of an IPO (as such term is defined in the Stockholders' Agreement) or (ii) the consummation of a Sale, in each case, unless otherwise agreed by TPG and (z) shall immediately terminate with respect to any Manager upon the disposition of all Company Shares held by such Manager and such Manager's affiliates. For the avoidance of doubt, termination of this Agreement will not relieve a party from liability for any breach of this Agreement on or prior to such termination. In the event of a termination of this Agreement, subject to Section 3, Holdings will pay the Managers (or their respective Manager Designees) (i) all unpaid Advisory Fees (pursuant to Section 2(b) above), Subsequent Fees (pursuant to Section 2(c) above), and Reimbursable Expenses (pursuant to Section 5(a) below) due with respect to periods prior to the date of termination plus (to the extent applicable) and (ii) solely in the event of a termination of this Agreement as a result of an IPO or a Sale where, in each case, affiliates of the Managers continue to directly or indirectly hold at least ten percent (10%) of the equity securities of the Companies upon the closing of such transaction, an amount not to exceed the sum of the net present values (using discount rates equal to the then yield on U.S. Treasury Securities of like maturity) of the Advisory Fees that would have been payable with respect to the period from the date of termination until three years after the date of such termination. In the event of an IPO or Sale that, in either case, includes non-cash consideration, each Manager may elect for itself or its Manager Designees to receive all or any portion of any amounts payable pursuant to this Agreement as a result of such IPO or Sale in the form of such non-cash consideration values at the sale price. The amounts described in clause (ii) above shall be divided among the Managers in accordance with the Managers' Relative Interests. In the event of an IPO or Sale that, in either case, includes non-cash consideration, each Manager may elect for it

or its Manager Designees to receive all or any portion of any amounts payable pursuant to this Agreement as a result of such IPO or Sale in the form of such non-cash consideration, valued at the sale price. All of Section 3 through Section 14 will survive termination of this Agreement with respect to matters arising before or after such termination (whether in respect of or relating to services rendered during or after the Term). Each payment made pursuant to this Section 4 will be paid by wire transfer of immediately available funds to the accounts specified on Schedule 1 hereto, or to such other account(s) as the respective Managers may specify to Holdings in writing prior to such payment. For the purposes of this Agreement, “Sale” means a transfer or issuance of equity securities of any of Holdings (including by way of a merger, consolidation, amalgamation, share exchange or other form of similar business combination), in a single or series of related transactions, resulting in a person or persons other than the existing stockholders owning, directly or indirectly, a majority of the voting power of Holdings, upon the consummation of such transfer or issuance, or the sale of all or substantially all of the assets of Holdings.

5. Expenses; Indemnification.

(a) Expenses. Subject to Section 3, Holdings will pay to the Managers (or their respective Manager Designees) on demand all documented Reimbursable Expenses whether incurred prior to or following the date of this Agreement. As used herein, “Reimbursable Expenses” means (i) all reasonable out-of-pocket expenses incurred from and after the consummation of the Merger by the Managers to the extent arising from the services provided by the Managers or their respective Manager Designees to Holdings or any of its affiliates from time to time (including, without limitation, all travel related expenses), (ii) all reasonable out-of-pocket legal expenses incurred by any Managers, their respective affiliates or their respective Manager Designees in connection with the enforcement of rights or taking of actions under this Agreement or any related documents or instruments, and (iii) all other reasonable out-of-pocket expenses incurred by the Managers, their respective affiliates or their respective Manager Designees on behalf of Holdings in connection with its management and operations, whether incurred prior to or following the date of this Agreement.

(b) Indemnity and Liability. Holdings will indemnify, exonerate and hold the Managers, the Manager Designees and each of their respective partners, shareholders, members, affiliates, associated investment funds, directors, officers, fiduciaries, managers, controlling persons, employees and agents and each of the partners, shareholders, members, affiliates, associated investment funds, directors, officers, fiduciaries, managers, controlling persons, employees and agents of each of the foregoing (collectively, the “Indemnitees”), each of whom is an intended third party beneficiary of this Agreement, free and harmless from and against any and all actions, causes of action, suits, claims, liabilities, losses, damages and costs and out-of-pocket expenses in connection therewith (including without limitation reasonable attorneys’ fees and expenses) incurred by the Indemnitees or any of them before or after the date of this Agreement (collectively, the “Indemnified Liabilities”), arising out of any action, cause of action, suit, arbitration, investigation or claim (whether between the relevant Indemnitee and Holdings or involving a third party claim against the relevant Indemnitee) arising out of, or in any way relating to (i) this Agreement or (ii) operations of, or services provided by any of the Managers or the Manager Designees to, Holdings, or any of its respective affiliates from time to time; provided that the foregoing indemnification rights will not be available to the extent that

any such Indemnified Liabilities arose on account of such Indemnitee's gross negligence or willful misconduct; and provided, further, that if and to the extent that the foregoing undertaking may be unavailable or unenforceable for any reason, Holdings hereby agrees to make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. For purposes of this Section 5(b), none of the circumstances described in the limitations contained in the two provisos in the immediately preceding sentence will be deemed to apply absent a final non-appealable judgment of a court of competent jurisdiction to such effect, in which case to the extent any such limitation is so determined to apply to any Indemnitee as to any previously advanced indemnity payments made by Holdings, then such payments will be promptly repaid by such Indemnitee to Holdings without interest. The rights of any Indemnitee to indemnification hereunder will be in addition to any other rights any such person may have under any other agreement or instrument referenced above or any other agreement or instrument to which such Indemnitee is or becomes a party or is or otherwise becomes a beneficiary or under law or regulation; provided that (i) Holdings hereby agrees that it is the indemnitors of first resort under this Agreement and under any other applicable indemnification agreement (i.e., its obligations to Indemnitees under this Agreement or any other agreement or undertaking to provide advancement and/or indemnification to such Indemnitees are primary and any obligation of any Manager (or any affiliate thereof other than Holdings) to provide advancement or indemnification for the Indemnified Liabilities incurred by Indemnitees are secondary), and (ii) if any Manager (or any affiliate thereof) pays or causes to be paid, for any reason, any amounts otherwise indemnifiable hereunder or under any other indemnification agreement (whether pursuant to contract, by-laws or charter) with any Indemnitee, then (x) such Manager (or such affiliate, as the case may be) shall be fully subrogated to all rights of such Indemnitee with respect to such payment and (y) Holdings shall fully indemnify, reimburse and hold harmless such Manager (or such other affiliate) for all such payments actually made by such Manager (or such other affiliate) and irrevocably waive, relinquish and release the Managers for contribution, subrogation or any other recovery of any kind in respect of any advancement of expenses or indemnification hereunder.

6. Disclaimer and Limitation of Liability; Opportunities.

(a) Disclaimer; Standard of Care. None of the Managers or any of their respective Manager Designees makes any representations or warranties, express or implied, in respect of the services to be provided by the Managers or the Manager Designees hereunder. In no event will any Manager, its Manager Designees or related Indemnitees be liable to Holdings or any of its affiliates for any act, alleged act, omission or alleged omission that does not constitute gross negligence or willful misconduct of such Manager or its Manager Designees as determined by a final, non-appealable determination of a court of competent jurisdiction.

(b) Freedom to Pursue Opportunities. In recognition that the Managers, the Manager Designees and their respective Indemnitees currently have, and will in the future have or will consider acquiring, investments in numerous companies with respect to which the Managers, the Manager Designees or their respective Indemnitees may serve as an advisor, a director or in some other capacity, and in recognition that each Manager, each Manager Designee and their respective Indemnitees have myriad duties to various investors and partners, and in anticipation that the Companies, on the one hand and each Manager and Manager Designee (or one or more of its respective Indemnitees or portfolio companies), on the other hand, may engage in the same

or similar activities or lines of business and have an interest in the same areas of corporate opportunities, and in recognition of the benefits to be derived by the Companies hereunder and in recognition of the difficulties which may confront any advisor who desires and endeavors fully to satisfy such advisor's duties in determining the full scope of such duties in any particular situation, the provisions of this Section 6(b) are set forth to regulate, define and guide the conduct of certain affairs of the Companies as they may involve the Managers, the Manager Designees or their respective Indemnitees. Except as a Manager or Manager Designee may otherwise agree in writing after the date hereof:

(i) Such Manager or Manager Designee and their respective Indemnitees will have the right: (A) to directly or indirectly engage in any business (including, without limitation, any business activities or lines of business that are the same as or similar to those pursued by, or competitive with, the Companies and their subsidiaries), (B) to directly or indirectly do business with any client or customer of the Companies and their subsidiaries, (C) to take any other action that such Manager or Manager Designee believes in good faith is necessary to or appropriate to fulfill its obligations as described in the first sentence of this Section 6(b) to third parties, (D) not to communicate or present potential transactions, matters or business opportunities to the Companies or any of their subsidiaries, and to pursue, directly or indirectly, any such opportunity for itself, and to direct any such opportunity to another person and (E) to take any other action permitted pursuant to Section 8.5 of the Stockholders' Agreement or Article 8 of the amended and restated certificate of incorporation of Holdings.

(ii) Such Manager, Manager Designee and their respective Indemnitees will have no duty (contractual or otherwise) to communicate or present any corporate opportunities to Holdings or any of its affiliates or to refrain from any actions specified in Section 6(b)(i), and Holdings, on its own behalf and on behalf of its affiliates, hereby renounce and waive any right to require such Manager, Manager Designee or any of their respective Indemnitees to act in a manner inconsistent with the provisions of this Section 6(b).

(iii) Except as provided in this Section 6(b), none of the Managers, the Manager Designees nor any of their respective Indemnitees will be liable to Holdings or any of its affiliates for breach of any duty (contractual or otherwise) by reason of any activities or omissions of the types referred to in this Section 6(b) or of any such person's participation therein.

(c) Limitation of Liability. In no event will any Manager, its Manager Designees or any of its related Indemnitees be liable to Holdings or any of its affiliates for any indirect, special, incidental or consequential damages, including, without limitation, lost profits or savings, whether or not such damages are foreseeable, or for any third party claims (whether based in contract, tort or otherwise), relating to, in connection with or arising out of this Agreement, before or after termination of this Agreement, including without limitation the services to be provided by the Managers or the Manager Designees hereunder, or for any act or omission that does not constitute gross negligence or willful misconduct of such Manager or its Manager Designees or in excess of the fees received by the applicable Manager or Manager Designee hereunder.

7. Assignment, etc. Except as provided below, and without limiting the Managers' rights to have payments owing to it under this Agreement to be paid to its Manager Designees or other affiliates, none of the parties hereto will have the right to assign this Agreement without the prior written consent of each of the other parties. Notwithstanding the foregoing, (a) any Manager may assign all or part of its rights and obligations hereunder to any of its respective affiliates which provides services similar to those called for by this Agreement, in which event such Manager will relinquish its rights to fees under Section 2 and Section 5 and reimbursement of Reimbursable Expenses under Section 5(a), in each case to the extent such Manager has assigned the rights to receive such fees, and be released from all of the obligations hereunder that such Manager has assigned (other than any liabilities not limited by Section 6(c)); provided, for the avoidance of doubt, that the rights of such Manager to fees under Section 2 and Section 5 and reimbursement of Reimbursable Expenses under Section 5(a) shall become rights of its affiliate assignees, to the extent assigned to them by the Manager in accordance with this Section 7 and (b) the provisions hereof for the benefit of Indemnitees of the Managers will inure to the benefit of such Indemnitees and their successors and assigns.

8. Amendments and Waivers. No amendment or waiver of any term, provision or condition of this Agreement will be effective without the express written consent of Holdings and TPG; provided that any such amendment or waiver that would be disproportionately adverse to any Manager relative to the other Managers shall require the prior written consent of such Manager; and provided, further, that any Manager may waive any portion of any fee to which it is entitled pursuant to this Agreement, and, unless otherwise directed by such Manager, such waived portion will revert to Holdings. No waiver on any one occasion will extend to or effect or be construed as a waiver of any right or remedy on any future occasion. No course of dealing of any person nor any delay or omission in exercising any right or remedy will constitute an amendment of this Agreement or a waiver of any right or remedy of any party hereto.

9. Governing Law; Jurisdiction. THIS AGREEMENT AND ALL MATTERS ARISING UNDER OR RELATED TO THIS AGREEMENT SHALL BE GOVERNED AND CONSTRUED IN ACCORDANCE WITH THE DOMESTIC SUBSTANTIVE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO THE CONFLICTS OF LAW PRINCIPLES THEREOF. (d) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurodollar Rate Loans upon determination of such interest rate. The determination of the Eurodollar Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time when Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in the Administrative Agent's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Borrowings, all conversions of Loans from one Type to the other, and all continuations of Loans as the same Type, there shall not be more than ten (10) Interest Periods in effect unless otherwise agreed between the Borrower and the Administrative Agent; *provided* that after the establishment of any new Class of Loans pursuant to a Refinancing Amendment or Extension, the number of Interest Periods otherwise permitted by this Section 2.02(e) shall increase by three (3) Interest Periods for each applicable Class so established.

(f) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

(g) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's Pro Rata Share of such Borrowing, the Administrative Agent may assume that such Lender has made such Pro Rata Share available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (b) above, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (i) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, the Overnight Rate plus any administrative, processing, or similar fees customarily charged by the Administrative Agent in accordance with the foregoing. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.02(g) shall be conclusive in the absence of manifest error. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

Prepayments

(a) *Optional.*

(i) The Borrower may, upon notice to the Administrative Agent, at any time or from time to time voluntarily prepay Loans in whole or in part without premium or penalty (except as provided in Section 2.15 below); *provided* that (1) such notice must be received by the Administrative Agent not later than 11:00 a.m. (New York, New York time) (A) three (3) Business Days prior to any date of prepayment of Eurodollar Rate Loans and (B) on the date of prepayment of Base Rate Loans; (2) any partial prepayment of Eurodollar Rate Loans shall be in a principal amount of \$5,000,000 or a whole multiple of \$1,000,000 in excess thereof or, if less, the entire principal amount thereof then outstanding; and (3) any prepayment of Base Rate Loans shall be in a principal amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof or, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid and the payment amount specified in such notice shall be due and payable on the date specified therein. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share of such prepayment. Any prepayment of a Eurodollar Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.05. Each prepayment of the Loans pursuant to this Section 2.03(a) shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares; *provided*, that at the request of the Borrower, in lieu of such application on a pro rata basis among all Classes of Loans, such prepayment may be applied to any Class of Loans so long as the Maturity Date of such Class of Loans (or such Classes of Loans) precedes the Maturity Date of each other Class of Loans then outstanding or, in the event more than one Class of Loans shall have an identical Maturity Date, to such Classes on a pro rata basis.

(ii) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment under Section 2.03(a)(i) if such prepayment would have resulted from a refinancing of all or any portion of the applicable Facility, which refinancing shall not be consummated or shall otherwise be delayed.

(iii) Voluntary prepayments of any Class of Loans permitted hereunder shall be applied to the remaining scheduled installments of principal thereof pursuant to Section 2.05 in a manner determined at the discretion of the Borrower and specified in the notice of prepayment (and absent such direction, in direct order of maturity).

(iv) Notwithstanding anything in any Loan Document to the contrary, so long as (x) no Default or Event of Default has occurred and is continuing and (y) no proceeds of Loans under the ABL Facilities are used for this purpose, the Borrower may prepay the outstanding Loans (which shall, for the avoidance of doubt, be automatically and permanently canceled immediately upon acquisition by the Borrower) (or Holdings or any of its Subsidiaries may purchase such outstanding Loans and immediately cancel them) on the following basis:

(A) ~~(A)~~ Any Company Party shall have the right to make a voluntary prepayment of Loans at a discount to par pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers (any such prepayment, the “**Discounted Loan Prepayment**”), in each case made in accordance with this Section 2.03(a)(iv); *provided* that no Company Party shall initiate any action under this Section 2.03(a)(iv) in order to make a Discounted Loan Prepayment unless (I) at least ten (10) Business Days shall have passed since the consummation of the most recent Discounted Loan Prepayment as a result of a prepayment made by a Company Party on the applicable Discounted Prepayment Effective Date; or (II) at least three (3) Business Days shall have passed since the date the Company Party was notified that no Lender was willing to accept any prepayment of any Loan at the Specified Discount, within the Discount Range or at any discount to par value, as applicable, or in the case of Borrower Solicitation of Discounted Prepayment Offers, the date of any Company Party’s election not to accept any Solicited Discounted Prepayment Offers.

(B) ~~(B)~~ ~~(1)~~ (1) Subject to the proviso to subsection (A) above, any Company Party may from time to time offer to make a Discounted Loan Prepayment by providing the Auction Agent with five (5) Business Days’ notice in the form of a Specified Discount Prepayment Notice; *provided* that (I) any such offer shall be made available, at the sole discretion of the Company Party, to (x) each Lender and/or (y) each Lender with respect to any Class of Loans on an individual tranche basis, (II) any such offer shall specify the aggregate principal amount offered to be prepaid (the “**Specified Discount Prepayment Amount**”) with respect to each applicable tranche, the tranche or tranches of Loans subject to such offer and the specific percentage discount to par (the “**Specified Discount**”) of such Loans to be prepaid (it being understood that different Specified Discounts and/or Specified Discount Prepayment Amounts may be offered with respect to different tranches of Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Lenders (the “**Specified Discount Prepayment Response Date**”).

(2) ~~(2)~~ Each Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its applicable then

outstanding Loans at the Specified Discount and, if so (such accepting Lender, a “**Discount Prepayment Accepting Lender**”), the amount and the tranches of such Lender’s Loans to be prepaid at such offered discount. Each acceptance of a Discounted Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(3) ~~(3)~~ If there is at least one Discount Prepayment Accepting Lender, the relevant Company Party will make a prepayment of outstanding Loans pursuant to this paragraph (B) to each Discount Prepayment Accepting Lender in accordance with the respective outstanding amount and tranches of Loans specified in such Lender’s Specified Discount Prepayment Response given pursuant to subsection (2) above; *provided* that, if the aggregate principal amount of Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the “**Specified Discount Proration**”). The Auction Agent shall promptly, and in any case within three (3) Business Days following the Specified Discount Prepayment Response Date, notify (I) the relevant Company Party of the respective Lenders’ responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Loan Prepayment and the tranches to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the tranches of Loans to be prepaid at the Specified Discount on such date and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, tranche and Type of Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Company Party and such Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Company Party shall be due and payable by such Company Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(C) ~~(C)~~ ~~(1)~~ (1) Subject to the proviso to subsection (A) above, any Company Party may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with five (5) Business Days’ notice in the form of a Discount Range Prepayment Notice; *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Company Party, to (x) each Lender and/or (y) each Lender with respect to any Class of Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Loans (the “**Discount Range Prepayment Amount**”), the tranche or tranches of Loans subject to such offer and the maximum and minimum percentage discounts to par (the “**Discount Range**”) of the principal amount of such Loans with respect to each relevant tranche of Loans willing to be prepaid by such Company Party (it being understood that different Discount Ranges and/or Discount Range Prepayment Amounts may be offered with respect to different tranches of Loans and, in such event, each such offer will be treated as separate offer pursuant to the terms of this Section), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each

such solicitation by the Borrower shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Lenders (the “**Discount Range Prepayment Response Date**”). Each Lender’s Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the “**Submitted Discount**”) at which such Lender is willing to allow prepayment of any or all of its then outstanding Loans of the applicable tranche or tranches and the maximum aggregate principal amount and tranches of such Lender’s Loans (the “**Submitted Amount**”) such Lender is willing to have prepaid at the Submitted Discount. Any Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Loan Prepayment of any of its Loans at any discount to their par value within the Discount Range.

(2) ~~(2)~~ The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Loans to be prepaid at such Applicable Discount in accordance with this subsection (C). The relevant Company Party agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by Auction Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the “**Applicable Discount**”) which yields a Discounted Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subsection (3)) at the Applicable Discount (each such Lender, a “**Participating Lender**”).

(3) ~~(3)~~ If there is at least one Participating Lender, the relevant Company Party will prepay the respective outstanding Loans of each Participating Lender in the aggregate principal amount and of the tranches specified in such Lender’s Discount Range Prepayment Offer at the Applicable Discount; *provided that* if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the “**Identified Participating Lenders**”) shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Discount Range Proration**”). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount

Range Prepayment Response Date, notify (I) the relevant Company Party of the respective Lenders' responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount of the Discounted Loan Prepayment and the tranches to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount and tranches of Loans to be prepaid at the Applicable Discount on such date, (III) each Participating Lender of the aggregate principal amount and tranches of such Lender to be prepaid at the Applicable Discount on such date, and (IV) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the relevant Company Party and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Company Party shall be due and payable by such Company Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(D) ~~(D)~~ ~~(1)~~ Subject to the proviso to subsection (A) above, any Company Party may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with five (5) Business Days' notice in the form of a Solicited Discounted Prepayment Notice; *provided* that (I) any such solicitation shall be extended, at the sole discretion of such Company Party, to (x) each Lender and/or (y) each Lender with respect to any Class of Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate amount of the Loans (the "**Solicited Discounted Prepayment Amount**") and the tranche or tranches of Loans the Borrower is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different tranches of Loans and, in such event, each such offer will be treated as separate offer pursuant to the terms of this Section), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$10,000,000 and whole increments of \$1,000,000 in excess thereof and (IV) each such solicitation by the Borrower shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time on the third Business Day after the date of delivery of such notice to such Lenders (the "**Solicited Discounted Prepayment Response Date**"). Each Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date, and (z) specify both a discount to par (the "**Offered Discount**") at which such Lender is willing to allow prepayment of its then outstanding Loan and the maximum aggregate principal amount and tranches of such Loans (the "**Offered Amount**") such Lender is willing to have prepaid at the Offered Discount. Any Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Loans at any discount.

(2) ~~(2)~~ The Auction Agent shall promptly provide the relevant Company Party with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. Such Company Party shall review all such Solicited Discounted Prepayment Offers and select the smallest of the Offered Discounts specified by the relevant responding Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the Company Party (the "**Acceptable Discount**"), if any. If the Company Party elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the

third Business Day after the date of receipt by such Company Party from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this subsection (2) (the “**Acceptance Date**”), the Company Party shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from the Company Party by the Acceptance Date, such Company Party shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) ~~(3)~~ Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the “**Discounted Prepayment Determination Date**”), the Auction Agent will determine (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the tranches of Loans (the “**Acceptable Prepayment Amount**”) to be prepaid by the relevant Company Party at the Acceptable Discount in accordance with this Section 2.03(a)(iv)(D). If the Company Party elects to accept any Acceptable Discount, then the Company Party agrees to accept all Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Lender, a “**Qualifying Lender**”). The Company Party will prepay outstanding Loans pursuant to this subsection (D) to each Qualifying Lender in the aggregate principal amount and of the tranches specified in such Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; *provided* that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “**Identified Qualifying Lenders**”) shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with such Company Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “**Solicited Discount Proration**”). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) the relevant Company Party of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Loan Prepayment and the tranches to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Loans and the tranches to be prepaid to be prepaid at the Applicable Discount on such date, (III) each Qualifying Lender of the aggregate principal amount and the tranches of such Lender to be prepaid at the Acceptable Discount on such date, and (IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to such Company Party and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to such Company Party shall be due and payable by such Company Party on the Discounted

Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(E) ~~(E)~~ In connection with any Discounted Loan Prepayment, the Company Parties and the Lenders acknowledge and agree that the Auction Agent may require as a condition to any Discounted Loan Prepayment, the payment of customary fees and expenses from a Company Party in connection therewith.

(F) ~~(F)~~ If any Loan is prepaid in accordance with paragraphs (B) through (D) above, a Company Party shall prepay such Loans on the Discounted Prepayment Effective Date. The relevant Company Party shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's Office in immediately available funds not later than 11:00 a.m. (New York time) on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining principal installments of the relevant tranche of Loans on a pro-rata basis across such installments. The Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Loans pursuant to this Section 2.03(a)(iv) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, and shall be applied to the relevant Loans of such Lenders in accordance with their respective Pro Rata Share. The aggregate principal amount of the tranches and installments of the relevant Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the tranches of Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Loan Prepayment. In connection with each prepayment pursuant to this Section 2.03(a)(iv), the relevant Company Party shall make a representation to the Lenders that it does not possess material non-public information with respect to Holdings and its Subsidiaries or the securities of any of them that has not been disclosed to the Lenders generally (other than Lenders who elect not to receive such information).

(G) ~~(G)~~ To the extent not expressly provided for herein, each Discounted Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.03(a)(iv), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the Borrower.

(H) ~~(H)~~ Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.03(a)(iv), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; *provided* that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(I) ~~(I)~~ Each of the Company Parties and the Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this Section 2.03(a)(iv) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Loan Prepayment provided for in this Section 2.03(a)(iv) as well as activities of the Auction Agent.

~~(j)~~ ~~(h)~~ Each Company Party shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date (and if such offer is revoked pursuant to the preceding clauses, any failure by such Company Party to make any prepayment to a Lender, as applicable, pursuant to this Section 2.03(a)(iv) shall not constitute a Default or Event of Default under Section 8.01 or otherwise).

(b) *Mandatory.*

(i) Within five (5) Business Days after financial statements have been delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been delivered pursuant to Section 6.02(a), the Borrower shall, subject to clause (b)(v) of this Section 2.03, prepay an aggregate principal amount of Loans equal to (A) 50% (such percentage as it may be reduced as described below, the “**ECF Percentage**”) of Excess Cash Flow, if any, for the fiscal year covered by such financial statements (commencing with the fiscal year ending January 31, 2015) minus (B) the sum of (i) all voluntary prepayments of Loans during such fiscal year pursuant to Section 2.03(a)(i), and (ii) all voluntary prepayments of loans under the ABL Facilities or any other revolving credit facilities during such fiscal year to the extent accompanied by a corresponding permanent reduction in the commitments under the ABL Facilities or any other revolving credit facilities, in the case of each of the immediately preceding clauses (i) and (ii), to the extent such prepayments are not funded with the proceeds of Indebtedness; *provided* that (x) the ECF Percentage shall be 25% if the Senior Secured Net Leverage Ratio for the fiscal year covered by such financial statements was less than or equal to 3.25 to 1.0 and greater than 2.75 to 1.0 and (y) the ECF Percentage shall be 0% if the Senior Secured Net Leverage Ratio for the fiscal year covered by such financial statements was less than or equal to 2.75 to 1.0.

(ii) ~~(A)~~ (A) If (x) the Borrower or any of its Restricted Subsidiaries Disposes of any property or assets (other than (X) any Disposition of any property or assets permitted by Section 7.05(a), (b), (c), (d) (to the extent constituting a Disposition to the Borrower or a Restricted Subsidiary that is a Guarantor), (e), (g), (h), (i), (k), (l), (m), (n), (o), (p), (s) and (t) and (Y) so long as the ABL Credit Agreement is in effect, any Disposition of Current Asset Collateral) or (y) any Casualty Event occurs, which results in the realization or receipt by the Borrower or such Restricted Subsidiary of Net Cash Proceeds, the Borrower shall prepay on or prior to the date which is ten (10) Business Days after the date of the realization or receipt of such Net Cash Proceeds, subject to clause (b)(v) of this Section 2.03, an aggregate principal amount of Loans equal to 100% of all Net Cash Proceeds realized or received; *provided*, that if at the time that any such prepayment would be required, the Borrower is required to offer to repurchase Permitted Pari Passu Secured Refinancing Debt (or any Permitted Refinancing thereof that is secured on a *pari passu* basis with the Obligations) pursuant to the terms of the documentation governing such Indebtedness with the net proceeds of such Disposition or Casualty Event (such Permitted Pari Passu Secured Refinancing Debt (or Permitted Refinancing thereof) required to be offered to be so repurchased, “**Other Applicable Indebtedness**”), then the Borrower may apply such Net Cash Proceeds on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Loans and Other Applicable Indebtedness at such time; *provided* that the portion of such net proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of such net proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such net proceeds shall be allocated to the Loans in accordance with the terms hereof) to the prepayment of the Loans and to the repurchase or prepayment of Other Applicable Indebtedness, and the amount of prepayment of the Loans that would have otherwise been required pursuant to this Section 2.03(b)(ii)(A) shall be reduced accordingly; *provided, further*, that to the extent the holders of Other Applicable Indebtedness

decline to have such indebtedness repurchased or prepaid, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Loans in accordance with the terms hereof; *provided, further*, that except as provided in Section 7.05(j)(iii), no prepayment shall be required pursuant to this Section 2.03(b)(ii)(A) with respect to such portion of such Net Cash Proceeds that the Borrower shall have, on or prior to such date, given written notice to the Administrative Agent of its intent to reinvest in accordance with Section 2.03(b)(ii)(B).

(B) ~~(B)~~ With respect to any Net Cash Proceeds realized or received with respect to any Disposition (other than any Disposition specifically excluded from the application of Section 2.03(b)(ii)(A)) or any Casualty Event, at the option of the Borrower, the Borrower may reinvest all or any portion of such Net Cash Proceeds in assets useful for its business within (x) twelve (12) months following receipt of such Net Cash Proceeds or (y) if the Borrower enters into a legally binding commitment to reinvest such Net Cash Proceeds within twelve (12) months following receipt thereof, within the later of (1) twelve (12) months following receipt thereof and (2) one hundred and eighty (180) days of the date of such legally binding commitment; *provided* that upon receipt of any such Net Cash Proceeds, the Borrower or applicable Restricted Subsidiary shall deposit such Net Cash Proceeds into the Asset Sale Proceeds Pledged Account and such Net Cash Proceeds shall remain in the Asset Sale Proceeds Pledged Account until reinvested pursuant to this clause (b)(ii)(B) or applied to prepay the Loans in accordance with this Section 2.03(b) and *provided, further*, that if any Net Cash Proceeds are no longer intended to be or cannot be so reinvested at any time after delivery of a notice of reinvestment election, and subject to clauses (iv) and (v) of this Section 2.03(b), an amount equal to any such Net Cash Proceeds shall be applied within five (5) Business Days after the Borrower reasonably determines that such Net Cash Proceeds are no longer intended to be or cannot be so reinvested to the prepayment of the Loans as set forth in this Section 2.03.

(iii) If the Borrower or any Restricted Subsidiary incurs or issues any Indebtedness (A) not expressly permitted to be incurred or issued pursuant to Section 7.03 or (B) that constitutes Credit Agreement Refinancing Indebtedness issued or incurred to refinance any Class (or Classes) of Loans (in whole or in part), the Borrower shall prepay an aggregate principal amount of Loans equal to 100% of all Net Cash Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt of such Net Cash Proceeds.

(iv) (A) Except as may otherwise be set forth in any Refinancing Amendment, Extension Offer, amendment relating to any Replacement Loan or any Incremental Amendment, each prepayment of Loans pursuant to this Section 2.03(b) shall be applied ratably to each Class of Loans then outstanding (*provided*, that any prepayment of Loans with the Net Cash Proceeds of Credit Agreement Refinancing Indebtedness shall be applied solely to each applicable Class of Refinanced Term Debt), (B) with respect to each Class of Loans, each prepayment pursuant to clauses (i) through (iii) of this Section 2.03(b) shall be applied to the next eight (8) scheduled installments of principal thereof following the date of prepayment pursuant to Section 2.05 in direct order of maturity and to the remaining installments pro rata; and (C) each such prepayment shall be paid to the Lenders in accordance with their respective Pro Rata Shares of such prepayment.

(v) Notwithstanding any other provisions of this Section 2.03(b), (A) to the extent that any or all of the Net Cash Proceeds of any Disposition by a Foreign Subsidiary giving rise to a prepayment event pursuant to Section 2.03(b)(ii) (a "**Foreign Disposition**"), the Net Cash Proceeds of any Casualty Event from a Foreign Subsidiary (a "**Foreign Casualty Event**"), or Excess Cash Flow are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Loans at the times provided in this Section 2.03(b) but may be retained by the

applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than two (2) Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Loans pursuant to this Section 2.03(b) to the extent provided herein and (B) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Disposition, any Foreign Casualty Event or Excess Cash Flow would have a material adverse tax cost consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Cash Proceeds or Excess Cash Flow, the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary, *provided* that, in the case of this clause (B), on or before the date on which any Net Cash Proceeds so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to this Section 2.03(b) (or such Excess Cash Flow would have been so required if it were Net Cash Proceeds), (x) the Borrower applies an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the Borrower rather than such Foreign Subsidiary, less the amount of additional taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary) or (y) such Net Cash Proceeds or Excess Cash Flow are applied to the repayment of Indebtedness of a Foreign Subsidiary.

(c) *Interest, Funding Losses, Etc.* All prepayments under this Section 2.03 shall be accompanied by all accrued interest thereon, together with, in the case of any such prepayment of a Eurodollar Rate Loan on a date prior to the last day of an Interest Period therefor, any amounts owing in respect of such Eurodollar Rate Loan pursuant to Section 3.05.

Notwithstanding any of the other provisions of this Section 2.03, so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurodollar Rate Loans is required to be made under this Section 2.03 prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.03 in respect of any such Eurodollar Rate Loan prior to the last day of the Interest Period therefor, the Borrower may, in its sole discretion, deposit an amount sufficient to make any such prepayment otherwise required to be made thereunder together with accrued interest to the last day of such Interest Period into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.03. Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with the relevant provisions of this Section 2.03.

Termination or Reduction of Commitments

·
=

(a) *Optional.* The Borrower may, upon written notice to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; *provided* that (i) any such notice shall be received by the Administrative Agent one (1) Business Day prior to the date of termination or reduction and (ii) any such partial reduction shall be in an aggregate amount of \$5,000,000 or any whole multiple of \$1,000,000 in excess thereof or, if less, the entire amount thereof. Notwithstanding the foregoing, the Borrower may rescind or postpone any notice of termination of the Commitments if such termination would

have resulted from a refinancing of all or any portion of the applicable Facility, which refinancing shall not be consummated or otherwise shall be delayed.

(b) *Mandatory*. The Commitment of each Lender shall be automatically and permanently reduced to \$0 upon the making of such Lender's Loans pursuant to Section 2.01.

SECTION 2.05.

Repayment of Loans.

(a) ~~—~~ The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders ~~(a) holding Initial Loans and Amended Loans~~, on the last Business Day of each January, April, July and October, commencing with July 31, 2014, an aggregate principal amount equal to 0.25% of the aggregate principal amount of all Initial Loans outstanding on the Closing Date (including Initial Loans that were subsequently converted to Amended Loans on the Amendment No. 1 Effective Date) (which payments shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.03) ~~and (b) on~~.

(b) In addition to the repayment required with respect to the Amended Loans pursuant to Section 2.05(a) above, the Borrower shall repay to the Administrative Agent, for the ratable account of the Appropriate Lenders holding Amended Loans (i) on the date that is one day after the second anniversary of the Amendment No.1 Effective Date, 1.00% of the aggregate principal amount of the Amended Loans outstanding on the Amendment No.1 Effective Date and (ii) on the last Business Day of each January, April, July and October (commencing with the first such date to occur after the second anniversary of the Amendment No. 1 Effective Date), an additional aggregate principal amount equal to 0.125% of the Amended Loans outstanding on the Amendment No. 1 Effective Date (in each case, which payments shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.03).

(c) The Borrower shall repay to the Administrative Agent, for the ratable account of the Appropriate Lenders, on the Maturity Date for ~~the~~ any Class of Loans, the aggregate principal amount of all Loans of such Class outstanding on such date.

Interest

—

(a) Subject to the provisions of Section 2.06(b), (i) each Eurodollar Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Adjusted Eurodollar Rate for such Interest Period plus the Applicable Rate and (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable Borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate.

(b) The Borrower shall pay interest on past due amounts hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein; it being understood and agreed that on each Interest Payment Date, the PIK Interest shall be capitalized and added to the outstanding principal balance of the New Loans. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

Fees

. The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned

when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

Computation of Interest and Fees

. All computations of interest for Base Rate Loans shall be made on the basis of a year of 365 days or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360 day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.10(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Evidence of Indebtedness

(a) The Borrowings made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence absent manifest error of the amount of the Borrowings made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) Entries made in good faith by the Administrative Agent in the Register pursuant to Section 2.09(a), and by each Lender in its account or accounts pursuant to Section 2.09(a), shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

Payments Generally

(a) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office for payment and in Same Day Funds not later than 2:00 p.m. on the date specified herein. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m. (New York, New York time), shall in each case be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue.

(b) If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(c) Unless the Borrower has notified the Administrative Agent, prior to the date any payment is required to be made by it to the Administrative Agent hereunder for the account of any Lender, that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to such Lender. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then such Lender shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in Same Day Funds at the applicable Overnight Rate from time to time in effect.

(d) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Borrowing set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e) The obligations of the Lenders hereunder to make Loans are several and not joint. The failure of any Lender to make any Loan on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(f) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(g) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share of such of the outstanding Loans or other Obligations then owing to such Lender.

Sharing of Payments, Etc.

—If, other than as expressly provided elsewhere herein, any Lender shall obtain payment in respect of any principal or interest on account of the Loans made by it (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them as shall be necessary to cause such purchasing Lender to share the excess payment of principal or interest on such Loans, pro rata with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so

recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For avoidance of doubt, the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time or (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.11 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.11 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

SECTION 2.12.

Incremental Borrowings.

(a) The Borrower may at any time or from time to time after the Closing Amendment No. 1 Effective Date, by notice to the Administrative Agent (whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders), request one or more additional tranches of Loans (the “**Incremental Loans**”); *provided* that (i) upon the effectiveness of any Incremental Amendment referred to below, no Default or Event of Default shall exist and (ii) at the time when any such Incremental Loan is made (and after giving effect thereto), no Default or Event of Default shall exist. Each tranche of Incremental Loans shall be in an aggregate principal amount that is not less than \$25,000,000 (*provided* that such amount may be less than \$25,000,000 if such amount represents all remaining availability under the limit set forth in the next sentence). Notwithstanding anything to the contrary herein, the aggregate amount of the Incremental Loans shall not exceed the sum of (A) \$207,000,000 in the aggregate pursuant to this clause (A) or (B) at the Borrower’s option, up to an unlimited amount if, in the case of this clause (B) only, the Total Senior Secured Leverage Ratio for the Test Period immediately preceding the incurrence of such Indebtedness for which financial statements are available is less than or equal to 3.75 to 1.00 (calculated on a Pro Forma Basis) (the applicable amount under clause (A) or (B), the “Available Incremental Amount”) (it being understood that Incremental Loans may be incurred under clause (B) of the Available Incremental Amount regardless of whether there is capacity under clause (A) thereof, and if both clauses (A) and (B) are available and the Borrower does not make an election, the Borrower will be deemed to have elected clause (B)) plus (y) the amount of any repayment of any Loan made by the Borrower pursuant to Sections 2.05(a) and/or (b) after the Amendment No. 1 Effective Date (other than any such repayment made with proceeds of long-term funded Indebtedness (other than revolving Indebtedness)) (the amount described in this clause (y), the “Incremental Repayment Component”). The Incremental Loans (a) shall rank *pari passu* in right of payment and of security with the Loans, (b) shall not mature earlier than the Original Loan Maturity Date and (c) the Weighted Average Life to Maturity of any Incremental Loans shall be no shorter than that of the then-existing Loans, (d) subject to clauses (b) and (c) above, the amortization schedule applicable to any Incremental Loans shall be determined by the Borrower and the lenders thereunder, (e) the interest rate margin applicable to ~~any~~such Incremental Loans will be determined by the Borrower and the lenders providing such Incremental Loans, *provided* that in the event that the All-In Yield applicable to ~~such~~any Incremental Loans (other than any Incremental Loan incurred in reliance on the Incremental Repayment Component) exceeds the All-In Yield of any Class of Loans existing at such time by more than 50 basis points, then the interest rate margins for each such Class of Loans shall be increased to the extent necessary so that the All-In Yield of such Loans is equal to the All-In Yield of such Incremental Loans (other than any Incremental Loan incurred in reliance on the Incremental Repayment Component) minus 50 basis points, (f)

the representations and warranties contained in the Loan Documents shall be accurate in all material respects before and after the effectiveness of any Incremental Amendment referred to below, and (g) except as otherwise required or permitted in clauses (a) through (f) above, all other terms of such Incremental Loans, if not consistent with the terms of the existing Loans, shall be reasonably satisfactory to the Administrative Agent. Any Incremental Loans may participate on a pro rata basis or on a less than pro rata basis (but not on a greater than pro rata basis (except for prepayments pursuant to Section 2.03(b)(iii)(B))) in any voluntary or mandatory prepayments hereunder, as specified in the applicable Incremental Amendment. Each notice from the Borrower pursuant to this Section shall set forth the requested amount and proposed terms of the relevant Incremental Loans. Incremental Loans may be made by any existing Lender (it being understood that no existing Lender will have an obligation to make a portion of any Incremental Loan) or by any Additional Lender on terms permitted in this Section 2.12 and otherwise on terms reasonably acceptable to the Administrative Agent. Commitments in respect of Incremental Loans shall become Commitments under this Agreement pursuant to an amendment (an “**Incremental Amendment**”) to this Agreement and, as appropriate, the other Loan Documents, executed by Holdings, the Borrower, each Lender agreeing to provide such Commitment, if any, each Additional Lender, if any, and the Administrative Agent. The Incremental Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.12. The effectiveness of (and, in the case of any Incremental Amendment for an Incremental Loan, the Borrowing under) any Incremental Amendment shall be subject to the satisfaction on the date thereof (each, an “**Incremental Facility Closing Date**”) of each of the conditions set forth in Section 4.02 (it being understood that all references to “**the date of such Borrowing**” or similar language in such Section 4.02 shall be deemed to refer to the effective date of such Incremental Amendment) and such other conditions as the parties thereto shall agree. The Borrower shall use the proceeds of the Incremental Loans for any purpose not prohibited by this Agreement.

(b) This Section 2.12 shall supersede any provisions in Section 2.11 or 10.01 to the contrary.

Refinancing Amendments

. At any time after the Closing Date, the Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of all or any portion of ~~the~~any Class of Loans then outstanding under this Agreement (which for purposes of this Section 2.13 will be deemed to include any then outstanding Other Loans, Incremental Loans or Extended Loans), in the form of Other Loans or Other Term Commitments in each case pursuant to a Refinancing Amendment; provided that such Credit Agreement Refinancing Indebtedness (i) will rank pari passu in right of payment and of security with the other Loans and Commitments hereunder, (ii) will have such pricing, premiums and optional prepayment or redemption terms as may be agreed by the Borrower and the Lenders thereof; (iii) will have a maturity date no earlier than, and will have a Weighted Average Life to Maturity equal to or greater than, the Class of Loans being refinanced and (iv) will have terms and conditions that are substantially identical to, or (taken as a whole) are no more favorable to the lenders or holders providing such Credit Agreement Refinancing Indebtedness than those applicable to the Class of Loans being refinanced; provided, further, that the terms and conditions applicable to such Credit Agreement Refinancing Indebtedness may provide for any additional or different financial or other covenants or other provisions that are agreed between the Borrower and the Lenders thereof and applicable only during periods after the Latest Maturity Date that is in effect on the date such Credit Agreement Refinancing Indebtedness is issued, incurred or obtained. Any Other Loans may participate on a pro rata basis or on a less than pro rata basis (but not on a greater than pro rata basis (except for prepayments pursuant to Section 2.03(b)(iii)(B))) in any voluntary or mandatory prepayments hereunder, as specified in the applicable Refinancing Amendment. The effectiveness of any Refinancing Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.02 and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of legal opinions, board resolutions, officers’ certificates and/or reaffirmation agreements consistent with those delivered on the Closing Date under Section 4.01 (other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel’s form of opinion reasonably

satisfactory to the Administrative Agent). Each Credit Agreement Refinancing Indebtedness incurred under this Section 2.13 shall be in an aggregate principal amount that is not less than \$100,000,000. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Loans and/or Other Term Commitments). Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.13. This Section 2.13 shall supersede any provisions in Section 2.11 or 10.01 to the contrary.

Extensions of Loans

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an “**Extension Offer**”) made from time to time by the Borrower to all Lenders of any Class of Loans with a like Maturity Date on a pro rata basis (based on the aggregate outstanding principal amount of the respective Loans with the same Maturity Date) and on the same terms to each such Lender, the Borrower may from time to time with the consent of any Lender that shall have accepted such offer extend the maturity date of any Loans and otherwise modify the terms of such Loans of such Lender pursuant to the terms of the relevant Extension Offer (including, without limitation, by increasing the interest rate or fees payable in respect of such Loans and/or modifying the amortization schedule in respect of such Loans) (each, an “**Extension**”, and each group of Loans as so extended, as well as the original Loans not so extended, being a “**tranche**”; any Extended Loans shall constitute a separate tranche of Loans from the tranche of Loans from which they were converted), so long as the following terms are satisfied: (i) no Default shall exist at the time the notice in respect of an Extension Offer is delivered to the Lenders, and no Default shall exist immediately prior to or after giving effect to the effectiveness of any Extended Loans, (ii) except as to interest rates, fees, amortization, final maturity date, premium, required prepayment dates and participation in prepayments (which shall, subject to immediately succeeding clauses (iii), (iv) and (v), be determined by the Borrower and set forth in the relevant Extension Offer), the Loans of any Lender (an “**Extending Lender**”) extended pursuant to any Extension (“**Extended Loans**”) shall have the same terms as the trancheClass of Loans subject to such Extension Offer (except for covenants or other provisions contained therein applicable only to periods after the then Latest Maturity Date), (iii) the final maturity date of any Extended Loans shall be no earlier than the then Latest Maturity Date at the time of extension and the amortization schedule applicable to Loans pursuant to Section 2.05 for periods prior to the Original Loan Maturity Date may not be increased, (iv) the Weighted Average Life to Maturity of any Extended Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Loans extended thereby, (v) any Extended Loans may participate on a pro rata basis or on a less than pro rata basis (but not on a greater than pro rata basis (except for prepayments pursuant to Section 2.03(b)(iii)(B))) in any voluntary or mandatory prepayments hereunder, as specified in the applicable Extension Offer, (vi) if the aggregate principal amount of Loans (calculated on the face amount thereof) in respect of which Lenders shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Loans offered to be extended by the Borrower pursuant to such Extension Offer, then the Loans of such Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer, (vii) all documentation in respect of such Extension shall be consistent with the foregoing, (viii) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower and (ix) the interest rate margin applicable to any Extended Loans will be determined by the Borrower and the lenders providing such Extended Loans.

(b) With respect to all Extensions consummated by the Borrower pursuant to this Section 2.14, (i) such Extensions shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.03 and (ii) any Extension Offer is required to be in any minimum amount of \$25,000,000, *provided* that the Borrower may at its election specify as a condition (a “**Minimum Extension**”

Condition”) to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrower’s sole discretion and may be waived by the Borrower) of Loans of any or all applicable ~~tranches~~Classes be tendered.

(c) The Lenders hereby irrevocably authorize the Administrative Agent and the Collateral Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrower as may be necessary in order to establish new tranches or sub-tranches in respect of Loans so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new tranches or sub-tranches, in each case on terms consistent with this Section 2.14.

(d) In connection with any Extension, the Borrower shall provide the Administrative Agent at least five (5) Business Days’ (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably, to accomplish the purposes of this Section 2.14.

(e) This Section 2.14 shall supersede any provisions in Section 2.11 or 10.01 to the contrary.

Loan Repricing Protection

. In the event that, on or prior to the date that is twelve months after the Closing Date, the Borrower (x) prepays, refinances, substitutes or replaces any Initial Loans in connection with a Repricing Transaction (including, for avoidance of doubt, any prepayment made pursuant to Section 2.03(b)(iii) that constitutes a Repricing Transaction), or (y) effects any amendment of this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each of the applicable Lenders, (I) in the case of clause (x), a prepayment premium of 1.00% of the aggregate principal amount of the Initial Loans so prepaid, refinanced, substituted or replaced and (II) in the case of clause (y), a fee equal to 1.00% of the aggregate principal amount of the applicable Initial Loans outstanding immediately prior to such amendment. Such amounts shall be due and payable on the date of effectiveness of such Repricing Transaction.

ARTICLE III

Taxes, Increased Costs Protection and Illegality.

Taxes

.

(a) Except as required by law, any and all payments by the Borrower or any Guarantor to or for the account of any Agent or any Lender under any Loan Document shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, deductions, assessments, fees, withholdings or similar charges, and all liabilities (including additions to tax, penalties and interest) with respect thereto, excluding, in the case of each Agent and each Lender, (i) taxes imposed on or measured by net income (however denominated, and including branch profits and similar taxes), and franchise or similar taxes, imposed by the United States, the jurisdiction under the laws of which it is organized or in which its principal office is located or, in the case of any Lender, in which its applicable lending office is located, (ii) taxes imposed by reason of any connection between such Agent or Lender and any taxing jurisdiction other than a connection arising solely by executing or entering into any Loan Document, receiving payments thereunder or having been a party to, performed its obligations under, or enforced, any Loan Documents, (iii) subject to Section 3.01(e), any U.S. federal tax that is (or would be) required to be withheld with respect to amounts payable hereunder in respect of an Eligible Assignee (pursuant to an assignment under Section 10.07) on the date it becomes an Eligible Assignee to the extent such tax is in excess of the tax that would have been applicable had such assigning Lender not assigned its interest arising under any Loan Document (unless such assignment is at the express written request of the Borrower) and (iv) any U.S. federal withholding taxes imposed as a result of the failure of any Agent or Lender to comply with the provisions of

Sections 3.01(b) and 3.01(c) (in the case of any Foreign Lender, as defined below) or the provisions of Section 3.01(d) (in the case of any U.S. Lender, as defined below), (v) any taxes imposed on any amount payable to or for the account of any Agent or Lender as a result of the failure of such recipient to satisfy the applicable requirements under FATCA to establish that such payment is exempt from withholding under FATCA, (vi) amounts excluded pursuant to Section 3.01(e) hereto, and (vii) penalties and interest on the foregoing amounts (all such non-excluded taxes, duties, levies, imposts, deductions, assessments, fees, withholdings or similar charges and liabilities being hereinafter referred to as “**Taxes**”). If the Borrower or a Guarantor is required to deduct any Taxes or Other Taxes (as defined below) from or in respect of any sum payable under any Loan Document to any Agent or any Lender, (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 3.01(a)), each of such Agent and such Lender receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower or Guarantor shall make such deductions, (iii) the Borrower or Guarantor shall pay the full amount deducted to the relevant taxing authority, and (iv) within thirty (30) days after the date of such payment (or, if receipts or evidence are not available within thirty (30) days, as soon as practicable thereafter), the Borrower or Guarantor shall furnish to such Agent or Lender (as the case may be) the original or a facsimile copy of a receipt evidencing payment thereof to the extent such a receipt has been made available to the Borrower or Guarantor (or other evidence of payment reasonably satisfactory to the Administrative Agent). If the Borrower or Guarantor fails to pay any Taxes or Other Taxes when due to the appropriate taxing authority or fails to remit to any Agent or any Lender the required receipts or other required documentary evidence that has been made available to the Borrower or Guarantor, the Borrower or Guarantor shall indemnify such Agent and such Lender for any incremental Taxes that may become payable by such Agent or such Lender arising out of such failure.

(b) To the extent it is legally able to do so, each Agent or Lender (including an Eligible Assignee to which a Lender assigns its interest in accordance with Section 10.07) that is not a “**United States person**” within the meaning of Section 7701(a)(30) of the Code (each a “**Foreign Lender**”) agrees to complete and deliver to the Borrower and the Administrative Agent on or prior to the date on which the Agent or Lender (or Eligible Assignee) becomes a party hereto, two (2) accurate, complete and original signed copies of whichever of the following is applicable: (i) IRS Form W-8BEN certifying that it is entitled to benefits under an income tax treaty to which the United States is a party; (ii) IRS Form W-8ECI certifying that the income receivable pursuant to any Loan Document is effectively connected with the conduct of a trade or business in the United States; (iii) if the Foreign Lender is not (A) a bank described in Section 881(c)(3)(A) of the Code, (B) a 10-percent shareholder described in Section 871(h)(3)(B) of the Code, or (C) a controlled foreign corporation related to the Borrower within the meaning of Section 864(d) of the Code, a certificate to that effect in substantially the form attached hereto as Exhibit I (a “**Non-Bank Certificate**”) and an IRS Form W-8BEN, certifying that the Foreign Lender is not a United States person; (iv) to the extent a Lender is not the beneficial owner for U.S. federal income tax purposes, IRS Form W-8IMY (or any successor forms) of the Lender, accompanied by, as and to the extent applicable, a Form W-8BEN, Form W-8ECI, Non-Bank Certificate, Form W-9, Form W-8IMY (or other successor forms) and any other required supporting information from each beneficial owner (it being understood that a Lender need not provide certificates or supporting documentation from beneficial owners if (x) the Lender is a “qualified intermediary” or “withholding foreign partnership” for U.S. federal income tax purposes and (y) such Lender is as a result able to establish, and does establish, that payments to such Lender are, to the extent applicable, entitled to an exemption from or, if an exemption is not available, a reduction in the rate of, U.S. federal withholding taxes without providing such certificates or supporting documentation); or (v) any other form prescribed by applicable requirements of U.S. federal income tax law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable requirements of law to permit the Borrower and the Administrative Agent to determine the withholding or deduction required to be made.

(c) In addition, each such Lender shall, to the extent it is legally entitled to do so, (i) promptly submit to the Borrower and the Administrative Agent two (2) accurate, complete and original signed copies of such other or additional forms or certificates (or such successor forms or certificates as shall

be adopted from time to time by the relevant taxing authorities) as may then be applicable or available to secure an exemption from or reduction in the rate of U.S. federal withholding tax (A) on or before the date that such Lender's most recently delivered form, certificate or other evidence expires or becomes obsolete or inaccurate in any material respect, (B) after the occurrence of a change in the Foreign Lender's circumstances requiring a change in the most recent form, certificate or evidence previously delivered by it to the Borrower and the Administrative Agent, and (C) from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, and (ii) promptly notify the Borrower and the Administrative Agent of any change in the Foreign Lender's circumstances which would modify or render invalid any claimed exemption or reduction.

(d) Each Agent or Lender that is a **"United States person"** (within the meaning of Section 7701(a)(30) of the Code) (each a **"U.S. Lender"**) agrees to complete and deliver to the Borrower and the Administrative Agent two (2) original copies of accurate, complete and signed IRS Form W-9 or successor form certifying that such Agent or Lender is not subject to United States backup withholding tax (i) on or prior to the Closing Date (or on or prior to the date it becomes a party to this Agreement), (ii) on or before the date that such form expires or becomes obsolete or inaccurate in any material respect, (iii) after the occurrence of a change in the Agent's or Lender's circumstances requiring a change in the most recent form previously delivered by it to the Borrower and the Administrative Agent, and (iv) from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent.

(e) Notwithstanding anything else herein to the contrary (but subject to the succeeding sentence), if a Lender, Eligible Assignee or Agent is subject to any U.S. federal tax that is (or would be) required to be withheld with respect to amounts payable hereunder at a rate in excess of zero percent at the time such Lender, Eligible Assignee or Agent becomes a party to this Agreement or otherwise acquires an interest in ~~the~~any Loan, or pursuant to a law or other legal requirement in effect at such time (including a law with a delayed effective date), such tax (including additions to tax, penalties and interest imposed with respect to such tax) shall be considered excluded from Taxes (unless and until such time as such Lender, Eligible Assignee or Agent subsequently provides forms and certifications that establish to the reasonable satisfaction of Borrower and the Administrative Agent that such Lender, Eligible Assignee or Agent is subject to a lower rate of tax, at which time tax at such lower rate (including additions to tax, penalties and interest imposed with respect to such tax) shall be considered so excluded for periods during which such forms and certifications remain valid and are sufficient, under the law in effect at the time such forms and certifications are provided (including any law with a delayed effective date), to establish that such Lender, Eligible Assignee or Agent is subject to such lower rate of tax) except, in the case of an Eligible Assignee, to the extent the Lender's assignor was entitled to additional amounts or indemnity payments immediately prior to the assignment (unless such assignment is made at the express written request of the Borrower). Further, the Borrower shall not be required pursuant to this Section 3.01 to pay any additional amount to, or to indemnify, any Lender, Eligible Assignee or Agent, as the case may be, to the extent that such Lender, Eligible Assignee or Agent becomes subject to Taxes subsequent to the Closing Date (or, if later, the date such Lender, Eligible Assignee or Agent becomes a party to this Agreement or otherwise acquires an interest in ~~the~~any Loan) solely as a result of a change in the place of organization or place of doing business of such Lender, Eligible Assignee or Agent (or any applicable beneficial owner), a change in the Lending Office of such Lender or Eligible Assignee (or any applicable beneficial owner) (other than at the written request of the Borrower to change such Lending Office), ~~a change that results in such Lender or Eligible Assignee (or any applicable beneficial owner) being described in clauses (A), (B) or (C) of Section 3.01(b)(iii) or otherwise as a result of any change in the circumstances of such Lender, Eligible Assignee or Agent, other than a Change in Law, occurring after the date that such Lender, Eligible Assignee or Agent becomes a party to this Agreement or otherwise acquires an interest in ~~the~~any Loan.~~

(f) The Borrower agrees to pay any and all present or future stamp, court or documentary taxes and any other excise, property, intangible or mortgage recording taxes or charges or similar levies which arise from any payment made under any Loan Document or from the execution, delivery, performance, enforcement or registration of, or otherwise with respect to, any Loan Document (including

additions to tax, penalties and interest related thereto) excluding, in each case, such amounts that result from an Assignment and Assumption, grant of a participation, transfer or assignment to or designation of a new applicable Lending Office or other office for receiving payments under any Loan Document, except to the extent that any such change is requested in writing by the Borrower (all such non-excluded taxes described in this Section 3.01(f) being hereinafter referred to as “**Other Taxes**”).

(g) If any Taxes or Other Taxes are directly asserted against any Agent or Lender with respect to any payment received by such Agent or Lender in respect of any Loan Document, such Agent or Lender may pay such Taxes or Other Taxes and the Borrower will promptly indemnify and hold harmless such Agent or Lender for the full amount of such Taxes and Other Taxes (and any Taxes and Other Taxes imposed on amounts payable under this Section 3.01), and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally imposed or asserted. Payments under this Section 3.01(g) shall be made within ten (10) days after the date Borrower receives written demand for payment from such Agent or Lender.

(h) A Participant shall not be entitled to receive any greater payment under Section 3.01 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower’s prior written consent.

(i) If the Borrower determines in good faith that a reasonable basis exists for contesting any taxes for which indemnification has been demanded hereunder, the relevant Lender or the relevant Agent, as applicable, shall cooperate with the Borrower in a reasonable challenge of such taxes if so requested by the Borrower, *provided* that (a) such Lender or Agent determines in its reasonable discretion that it would not be prejudiced by cooperating in such challenge, (b) the Borrower pays all related expenses of such Agent or Lender and (c) the Borrower indemnifies such Lender or Agent for any liabilities or other costs incurred by such party in connection with such challenge.

(j) If any Agent or any Lender determines, in its reasonable discretion, that it has received or is entitled to receive a refund in respect of any Taxes or Other Taxes as to which it has been indemnified by the Borrower or Holdings, as the case may be or with respect to which the Borrower or Holdings, as the case may be has paid additional amounts pursuant to this Section 3.01, it shall use commercially reasonable efforts to obtain such refund (to the extent not yet received) (*provided* that doing so would not otherwise materially disadvantage the Agent or Lender) and it shall promptly remit such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower or Holdings, as the case may be under this Section 3.01 with respect to the Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses incurred by the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), *provided* that the Borrower or Holdings, as the case may be, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to the Borrower or Holdings, as the case may be (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. The Administrative Agent or such Lender, as the case may be, shall provide the Borrower with a copy of any notice of assessment or other evidence reasonably available of the requirement to repay such refund received from the relevant Governmental Authority (*provided* that such Lender or the Administrative Agent may delete any information therein that such Lender or the Administrative Agent deems confidential in its reasonable discretion). This subsection shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes that it reasonably deems confidential) to the Borrower, Holdings or any other Person.

(k) Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 3.01(a) or (g) with respect to such Lender, it will, if requested by the Borrower, use

commercially reasonable efforts (subject to legal and regulatory restrictions) to mitigate the effect of any such event, including by designating another Lending Office for any Loan affected by such event and by completing and delivering or filing any tax-related forms which such Lender is legally able to deliver and which would reduce or eliminate any amount of Taxes or Other Taxes required to be deducted or withheld or paid by the Borrower; provided that such efforts are made at the Borrower's expense and on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no material economic, legal or regulatory disadvantage, and provided further that nothing in this Section 3.01(k) shall affect or postpone any of the Obligations of the Borrower or the rights of such Lender pursuant to Section 3.01(a) or (g).

(l) Notwithstanding any other provision of this Agreement, the Borrower and the Administrative Agent may deduct and withhold any taxes required by any Laws to be deducted and withheld from any payment under any of the Loan Documents, subject to the provisions of this Section 3.01.

(m) With respect to any Lender's claim for compensation under this Section 3.01, the Borrower shall not be required to compensate such Lender for any amount incurred more than one hundred eighty (180) days prior to the date that such Lender notifies the Borrower of the event that gives rise to such claim; *provided* that, if the circumstance giving rise to such claim is retroactive, then such 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(n) The agreements in this Section 3.01 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

Illegality

. If any Lender reasonably determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurodollar Rate, or to determine or charge interest rates based upon the Eurodollar Rate or Adjusted Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue Eurodollar Rate Loans or to convert Base Rate Loans to Eurodollar Rate Loans shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Adjusted Eurodollar Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted Eurodollar Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans and shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted Eurodollar Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Rate Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Adjusted Eurodollar Rate component of the Base Rate with respect to any Base Rate Loans, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Adjusted Eurodollar Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurodollar Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

Inability to Determine Rates

. If the Required Lenders reasonably determine that for any reason in connection with any request for a Eurodollar Rate Loan or a conversion to or continuation thereof that (a) Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such Eurodollar Rate Loan (in each case with respect to this clause (a), "**Impacted Loans**"), (b) adequate and reasonable means do not exist for determining the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan or in connection with an existing or proposed Base Rate Loan, or (c) the Administrative Agent or the Required Lenders determine that the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurodollar Rate Loans shall be suspended, and (y) in the event of a determination described in the preceding sentence with respect to the Adjusted Eurodollar Rate component of the Base Rate, the utilization of the Adjusted Eurodollar Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

Notwithstanding the foregoing, if the Required Lenders have made the determination described in clause (a) of this Section 3.03, the Administrative Agent, in consultation with the Borrower and the affected Lenders, may establish an alternative interest rate for the Impacted Loans (it being understood and agreed that in no event shall such alternative rate be any higher than the Base Rate at such time), in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (1) the Administrative Agent revokes the notice delivered with respect to the Impacted Loans under clause (a) of the first sentence of this Section or (2) the Administrative Agent notifies the Borrower, or the Required Lenders notify the Administrative Agent and the Borrower that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding the Impacted Loans.

Increased Cost and Reduced Return; Capital Adequacy; Reserves on Eurodollar Rate Loans

.

(a) *Increased Costs Generally.* If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(ii) subject any Lender to any tax of any kind whatsoever with respect to this Agreement or any Eurodollar Rate Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (except for Taxes covered by Section 3.01 and any taxes and other amounts described in clauses (i) through (vii) of the first sentence of Section 3.01(a) that are imposed with respect to payments for or on account of any Agent or any Lender under any Loan Document, and except for Other Taxes); or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or Eurodollar Rate Loans made by such Lender that is not otherwise accounted for in the definition of Adjusted Eurodollar Rate or this clause (a);

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Loan the interest on which is determined by reference to the Eurodollar Rate (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender, or to reduce the amount of any sum received or receivable by such Lender (whether of principal, interest or any other amount) then, from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a

copy of such demand to the Administrative Agent), the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) *Capital Requirements.* If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by it to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender, as the case may be, such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) *Certificates for Reimbursement.* A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section 3.04 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) *Delay in Requests.* Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section 3.04 shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 3.04 for any increased costs incurred or reductions suffered more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

Funding Losses

. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day prior to the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Borrower; or

(c) any assignment of a Eurodollar Rate Loan on a day prior to the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 3.07;

including any loss or expense (excluding loss of anticipated profits or margin) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained.

Matters Applicable to All Requests for Compensation

(a) *Designation of a Different Lending Office.* If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material economic, legal or regulatory respect

(b) *Suspension of Lender Obligations.* If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue Eurodollar Rate Loans from one Interest Period to another Interest Period, or to convert Base Rate Loans into Eurodollar Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(c) shall be applicable); provided that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(c) *Conversion of Eurodollar Rate Loans.* If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of such Lender's Eurodollar Rate Loans no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurodollar Rate Loans made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurodollar Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans of a given Class held by the Lenders of such Class holding Eurodollar Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Pro Rata Shares.

Replacement of Lenders under Certain Circumstances

. If (i) any Lender requests compensation under Section 3.04 or ceases to make Eurodollar Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (ii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, (iii) any Lender is a Non-Consenting Lender or (iv) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement and the related Loan Documents to one or more Eligible Assignees that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(a) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 10.07(b)(iv);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(c) such Lender being replaced pursuant to this Section 3.07 shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans, and (ii)

deliver any Notes evidencing such Loans to the Borrower or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof); provided that the failure of any such Lender to execute an Assignment and Assumption or deliver such Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register and the Notes shall be deemed to be canceled upon such failure;

(d) the Eligible Assignee shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender;

(e) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter; and

(f) such assignment does not conflict with applicable Laws.

In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each Lender, all affected Lenders or all the Lenders or all affected Lenders with respect to a certain Class or Classes of the Loans and (iii) the Required Lenders or Required Facility Lenders, as applicable, have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a “**Non-Consenting Lender**”.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

Survival

. All of the Borrower’s obligations under this Article III shall survive termination of the Aggregate Commitments, repayment of all other Obligations hereunder and resignation of the Administrative Agent or the Collateral Agent.

ARTICLE IV

Conditions Precedent to Borrowings

Conditions to Initial Borrowing

. The obligation of each Lender to make a Borrowing hereunder on the Closing Date is subject to satisfaction of the following conditions precedent, except as otherwise agreed between the Borrower and the Administrative Agent or as otherwise set forth in Section 6.16 and on Schedule 1.01A:

(a) The Administrative Agent’s receipt of the following, each of which shall be originals or facsimiles (followed promptly by originals) unless otherwise specified, each properly executed by a Responsible Officer of the signing Loan Party each in form and substance reasonably satisfactory to the Administrative Agent and its legal counsel:

(i) executed counterparts of (x) this Agreement from the Borrower and Holdings and (y) a consent and reaffirmation from each Subsidiary Guarantor in form and substance reasonably satisfactory to the Administrative Agent;

(ii) a Note executed by the Borrower in favor of each Lender that has requested a Note at least two (2) Business Days in advance of the Closing Date;

(iii) certificates, if any, representing the Pledged Equity referred to therein accompanied by undated stock powers executed in blank and instruments evidencing the Pledged Debt indorsed in blank (it being agreed that this condition has been satisfied by delivery of the Pledged Equity and related stock powers previously delivered to the Collateral Agent pursuant to the Existing Credit Agreement);

ARTICLE IX

Administrative Agent and Other Agents

Appointment and Authority of the Administrative Agent

(a) Each Lender hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article IX (other than Sections 9.09 and 9.11) are solely for the benefit of the Administrative Agent and the Lenders, and the Borrower shall not have rights as a third party beneficiary of any such provision.

(b) The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (including in its capacities as a Lender and a potential Hedge Bank and/or Cash Management Bank) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or in trust for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including the ABL Intercreditor Agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

Rights as a Lender

. Any Person serving as an Agent (including as Administrative Agent) hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include each Person serving as an Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

Exculpatory Provisions

. Neither the Administrative Agent nor any other Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, an Agent (including the Administrative Agent):

(a) ~~(a)~~ shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing and without limiting the generality of the foregoing, the use of the term “agent” herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law and instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties;

(b) ~~(b)~~ shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), *provided* that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law; and

(c) ~~(c)~~ shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by any Person serving as an Agent or any of its Affiliates in any capacity.

The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrower or a Lender.

No Agent-Related Person shall be responsible for or have any duty to ascertain or inquire into (i) any recital, statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default (including, without limitation, compliance with the terms and conditions of Section 10.07(h)(iii)), (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof.

Reliance by the Administrative Agent

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such

Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders; provided that the Administrative Agent shall not be required to take any action that, in its opinion or in the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable Law.

Delegation of Duties

. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Documents by or through any one or more sub agents appointed by the Administrative Agent. The Administrative Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. The exculpatory provisions of this Article shall apply to any such sub agent and to the Agent-Related Persons of the Administrative Agent and any such sub agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Non-Reliance on Administrative Agent and Other Lenders; Disclosure of Information by Agents

. Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrower and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

Indemnification of Agents

. Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand the Administrative Agent and each other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), pro rata, and hold harmless the Administrative Agent and each other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services

on behalf of the Administrative Agent) from and against any and all Indemnified Liabilities incurred by it; *provided* that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting from such Agent-Related Person's own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction; *provided* that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 9.07. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower, *provided* that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto, *provided, further*, that the failure of any Lender to indemnify or reimburse the Administrative Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.

No Other Duties; Other Agents, Arrangers, Managers, Etc

∴ Goldman Sachs Bank USA is hereby appointed Syndication Agent hereunder, and each Lender hereby authorizes Goldman Sachs Bank USA to act as Syndication Agent in accordance with the terms hereof and the other Loan Documents. HSBC Securities (USA) Inc., Wells Fargo Bank, N.A., Mizuho Corporate Bank, Ltd. and Sumitomo Mitsui Banking Corporation are each hereby appointed a Co-Documentation Agent hereunder, and each Lender hereby authorizes each of HSBC Securities (USA) Inc., Wells Fargo Bank, N.A., Mizuho Corporate Bank, Ltd. and Sumitomo Mitsui Banking Corporation to act as a Co-Documentation Agent in accordance with the terms hereof and the other Loan Documents. Each Agent hereby agrees to act in its capacity as such upon the express conditions contained herein and the other Loan Documents, as applicable. Anything herein to the contrary notwithstanding, none of the Joint Bookrunners, Arrangers or other Agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent or a Lender hereunder and such Persons shall have the benefit of this Article IX. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any agency or fiduciary or trust relationship with any Lender, Holdings, the Borrower or any of their respective Subsidiaries. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder. Each of the Syndication Agent and each Co-Documentation Agent, without consent of or notice to any party hereto, may assign any and all of its rights or obligations hereunder to any of its Affiliates. Each of the Syndication Agent and each Co-Documentation Agent and any other Agent may resign from such role at any time, with immediate effect, by giving prior written notice thereof to the Administrative Agent and Borrower.

Resignation of Administrative Agent or Collateral Agent

∴ The Administrative Agent or Collateral Agent may at any time give notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Borrower at all times other than during the existence of an Event of Default (which consent of the Borrower shall not be unreasonably withheld or delayed), to appoint a successor, which shall be a Lender or a bank with an office in the United States, or an Affiliate of any such Lender or bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent or Collateral Agent, as applicable, gives notice of its resignation, then the retiring Administrative Agent or Collateral Agent, as applicable, may on behalf of the Lenders, appoint a successor Administrative Agent or Collateral Agent, as

applicable, meeting the qualifications set forth above; *provided* that if the Administrative Agent or Collateral Agent, as applicable, shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent or Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security until such time as a successor of such Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent, as applicable, hereunder and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to (i) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (ii) otherwise ensure that the Collateral and Guarantee Requirement is satisfied, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent or Collateral Agent, as applicable, and the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor Administrative Agent or Collateral Agent, as applicable, shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article and Sections 10.04 and 10.05 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as Administrative Agent or Collateral Agent, as applicable.

Administrative Agent May File Proofs of Claim

. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.07 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Sections 2.07 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Collateral and Guaranty Matters

. Each of the Lenders (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank) irrevocably authorizes the Administrative Agent and the Collateral Agent, and each of the Administrative Agent and the Collateral Agent agrees that it will:

(a) release any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (x) obligations and liabilities under Secured Hedge Agreements as to which arrangements satisfactory to the applicable Hedge Bank shall have been made, (y) Cash Management Obligations as to which arrangements satisfactory to the applicable Cash Management Bank shall have been made and (z) contingent indemnification obligations not yet accrued and payable), (ii) at the time the property subject to such Lien is transferred or to be transferred as part of or in connection with any transfer permitted hereunder or under any other Loan Document to any Person other than Holdings, the Borrower or any of its Domestic Subsidiaries that are Guarantors, (iii) subject to Section 10.01, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders, or (iv) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guaranty pursuant to clause (c) below;

(b) release or subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(i);

(c) release any Guarantor from its obligations under the Guaranty if (i) in the case of any Subsidiary, such Person ceases to be a Restricted Subsidiary as a result of a transaction or designation permitted hereunder or (ii) in the case of Holdings, as a result of a transaction permitted hereunder; *provided* that no such release shall occur if such Guarantor continues to be a guarantor in respect of the ABL Facilities, any Credit Agreement Refinancing Indebtedness, ~~the Senior Notes~~ or any ~~other~~ Junior Financing; and

(d) if any Guarantor shall cease to be a Material Subsidiary (as certified in writing by a Responsible Officer), and the Borrower notifies the Administrative Agent in writing that it wishes such Guarantor to be released from its obligations under the Guaranty and provides the Administrative Agent and the Collateral Agent such certifications or documents as either such Agent shall reasonably request, (i) release such Subsidiary from its obligations under the Guaranty and (ii) release any Liens granted by such Subsidiary or Liens on the Equity Interests of such Subsidiary; *provided* that no such release shall occur if such Subsidiary continues to be a guarantor in respect of the ABL Facilities, any Credit Agreement Refinancing Indebtedness, ~~the Senior Notes~~ or any ~~other~~ Junior Financing.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11. In each case as specified in this Section 9.11, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.11.

(a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a “**Supplemental Administrative Agent**” and collectively as “**Supplemental Administrative Agents**”).

(b) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Administrative Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 that refer to the Administrative Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent shall be deemed to be references to the Administrative Agent and/or such Supplemental Administrative Agent, as the context may require.

(c) Should any instrument in writing from any Loan Party be required by any Supplemental Administrative Agent so appointed by the Administrative Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrower or Holdings, as applicable, shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

. The entrance into the ABL Intercreditor Agreement by the Administrative Agent and the Collateral Agent is hereby authorized, approved and ratified in all respects, and the parties hereto acknowledge that the ABL Intercreditor Agreement is binding upon them. Each Lender (a) hereby consents to the subordination of the Liens on the Current Asset Collateral securing the Obligations on the terms set forth in the ABL Intercreditor Agreement, (b) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the ABL Intercreditor Agreement and (c) hereby authorizes, approves and ratifies (x) the entrance into the ABL Intercreditor Agreement by the Administrative Agent and Collateral Agent on the Original Closing Date and (y) the Administrative Agent and Collateral Agent’s agreement to subject the Liens on the Collateral securing the Obligations to the provisions of the ABL Intercreditor Agreement in accordance with its terms. The foregoing provisions are intended as an inducement to the ABL Secured Parties (as such term is defined in the ABL Intercreditor Agreement) to extend credit to the Borrower and such ABL Secured Parties are intended third-party beneficiaries of such provisions and the provisions of the ABL Intercreditor Agreement.

Each Lender, by its execution and delivery of this Agreement and its making of (or, as applicable, conversion into) Initial Loans on the Closing Date [and/or the Amended Loans and/or the New Loans on the Amendment No. 1 Effective Date](#), hereby (a) confirms its agreement to the foregoing provisions of this [Section 9.13](#) and (b) pursuant to [Section 5.2\(c\)](#) of the ABL Intercreditor Agreement, agrees to be bound by the terms of the ABL Intercreditor Agreement as a “**Term Secured Party**” (as defined in the ABL Intercreditor Agreement).

Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that, no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of each Lender directly affected thereby (it being understood that a waiver of any condition precedent set forth in [Section 4.02](#) or the waiver of any Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal or interest under [Section 2.05](#) or [2.06](#) without the written consent of each Lender directly affected thereby, it being understood that the waiver of (or amendment to the terms of) any mandatory prepayment of the Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest;

(c) reduce the principal of, or the rate of interest specified herein on, any Loan, or (subject to clause (i) of the second proviso to this [Section 10.01](#)) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender directly affected thereby, it being understood that any change to the definitions of the Senior Secured Net Leverage Ratio, the Total Leverage Ratio or the Total Senior Secured Leverage Ratio or, in each case, in the component definitions thereof shall not constitute a reduction in the rate of interest; *provided* that only the consent of the Required Lenders shall be necessary to amend the definition of “Default Rate” or to waive any obligation of the Borrower to pay interest at the Default Rate;

(d) change any provision of [Section 2.11 \(in a manner that alters the pro rata sharing of payments contemplated thereby \(except in connection with a transaction otherwise permitted under this](#)

Agreement)), this Section 10.01 or the definition of “Required Lenders”, “Required Facility Lenders” or “Pro Rata Share” or any other provision specifying the number of Lenders or portion of the Loans or Commitments required to take any action under the Loan Documents, without the written consent of each Lender affected thereby;

(e) other than in a transaction permitted under Section 7.04 or Section 7.05, release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender; or

(f) other than in a transaction permitted under Section 7.04 or Section 7.05, release all or substantially all of the aggregate value of the Guaranty, without the written consent of each Lender;

and *provided, further*, that (i) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; (ii) Section 10.07(g) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification and (iii) the consent of Required Facility Lenders shall be required with respect to any amendment that by its terms adversely affects the rights of Lenders under such Facility in respect of payments hereunder in a manner different than such amendment affects other Facilities.

Notwithstanding the foregoing,

(a) no Lender consent is required to effect any amendment or supplement to the ABL Intercreditor Agreement, any First Lien Intercreditor Agreement or any Second Lien Intercreditor Agreement (i) that is for the purpose of adding the holders of Permitted Pari Passu Secured Refinancing Debt or Permitted Junior Secured Refinancing Debt (or a Senior Representative with respect thereto) as parties thereto, as expressly contemplated by the terms of the ABL Intercreditor Agreement, such First Lien Intercreditor Agreement or such Second Lien Intercreditor Agreement, as applicable (it being understood that any such amendment or supplement may make such other changes to the applicable intercreditor agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing and provided, that such other changes are not adverse, in any material respect, to the interests of the Lenders) or (ii) that is expressly contemplated by the ABL Intercreditor Agreement (or the comparable provisions, if any, of any First Lien Intercreditor Agreement or any Second Lien Intercreditor Agreement); provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or the Collateral Agent, as applicable; and

(b) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Loans and the accrued interest and fees in respect thereof and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the Replacement Loans (as defined below) to permit the refinancing of all outstanding Loans of any Class (“**Refinanced Loans**”) with replacement term loans (“**Replacement Loans**”) hereunder; *provided* that (a) the aggregate principal amount of such Replacement Loans shall not exceed the aggregate principal amount of such Refinanced Loans, (b) the All-In Yield with respect to such Replacement Loans (or similar interest rate spread applicable to such Replacement Loans) shall not be higher than the All-In Yield for such Refinanced Loans (or similar interest rate spread applicable to such Refinanced Loans) immediately prior to such refinancing, (c) the Weighted

Average Life to Maturity of such Replacement Loans shall not be shorter than the Weighted Average Life to Maturity of such Refinanced Loans at the time of such refinancing (except by virtue of amortization or prepayment of the Refinanced Loans prior to the time of such incurrence) and (d) all other terms applicable to such Replacement Loans shall be substantially identical to, or less favorable to the Lenders providing such Replacement Loans than, those applicable to such Refinanced Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the Latest Maturity Date of the Loans in effect immediately prior to such refinancing.

Notwithstanding anything to the contrary contained in this Section 10.01, guarantees, collateral security documents and related documents executed by Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities or defects or (iii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents.

Notices and Other Communications; Facsimile Copies

(a) *General.* Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to Holdings, the Borrower or the Administrative Agent, to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 10.02; and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below shall be effective as provided in such subsection (b).

(b) *Electronic Communication.* Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

(c) Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice or other

communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(d) *The Platform.* THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE”. THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Agent-Related Persons or any Arranger (collectively, the “**Agent Parties**”) have any liability to Holdings, the Borrower, any Lender, or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower’s or the Administrative Agent’s transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; *provided, however*, that in no event shall any Agent Party have any liability to Holdings, the Borrower, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(e) *Change of Address.* Each of Holdings, the Borrower and the Administrative Agent may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(f) *Reliance by the Administrative Agent.* The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent each Lender and the Agent-Related Persons of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

No Waiver; Cumulative Remedies

. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Attorney Costs and Expenses

. The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Administrative Agent, the Syndication Agent, each Co-Documentation Agent and the Arrangers for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents and any amendment, waiver, consent or other modification of the provisions hereof of the Loan Documents and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated ~~hereby and~~ thereby, including all Attorney Costs of Shearman & Sterling LLP (or any replacement therefor), and, if reasonably necessary, one local counsel in each relevant jurisdiction material to the interests of the Lenders, taken as a whole, and (b) to pay or reimburse the Administrative Agent and the Lenders for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all Attorney Costs of one counsel to the Administrative Agent and the Lenders taken as a whole (and, if reasonably necessary, one local counsel in any relevant material jurisdiction and, in the event of any conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Lenders similarly situated taken as a whole)). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid promptly following receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its sole discretion. The Borrower and each other Loan Party hereby acknowledge that the Administrative Agent and/or any Lender may receive a benefit, including without limitation, a discount, credit or other accommodation, from any of such counsel based on the fees such counsel may receive on account of their relationship with the Administrative Agent and/or such Lender, including, without limitation, fees paid pursuant to this Agreement or any other Loan Document.

Indemnification by the Borrower

. The Borrower shall indemnify and hold harmless the Agents, each Lender, the Arrangers and their respective Affiliates, directors, officers, employees, agents, partners, trustees or advisors and other representatives (collectively the “**Indemnitees**”) from and against any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and disbursements (including Attorney Costs) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (but limited, in the case of legal fees and expenses, to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, a single local counsel for all Indemnitees taken as a whole in each relevant jurisdiction that is material to the interest of the Lenders, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of affected Indemnitees similarly situated taken as a whole) (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) any Commitment, Loan or the use or proposed use of the proceeds therefrom, or (c) any actual or alleged presence or release of Hazardous Materials on or from any property currently or formerly owned or operated by the Borrower, any Subsidiary or any other Loan Party, or any Environmental Liability arising out of the activities or operations of the Borrower, any Subsidiary or any other Loan Party, or (d) any actual or prospective claim, litigation,

investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) and regardless of whether any Indemnitee is a party thereto (all the foregoing, collectively, the “**Indemnified Liabilities**”); *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses or disbursements resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee or of any affiliate, director, officer, employee or agent of such Indemnitee, (y) a material breach of any obligations under any Loan Document by such Indemnitee or of any Related Indemnified Person as determined by a final, non-appealable judgment of a court of competent jurisdiction or (z) any dispute solely among Indemnitees other than any claims against an Indemnitee in its capacity or in fulfilling its role as an administrative agent or arranger or any similar role under the Facility and other than any claims arising out of any act or omission of the Borrower or any of its Affiliates. To the extent that the undertakings to indemnify and hold harmless set forth in this Section 10.05 may be unenforceable in whole or in part because they are violative of any applicable law or public policy, the Borrower shall contribute the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by the Indemnitees or any of them. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement, nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Loan Party, in respect of any such damages incurred or paid by an Indemnitee to a third party). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 10.05 shall be paid within twenty (20) Business Days after written demand therefor. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. This Section 10.05 shall not apply to Taxes, or amounts excluded from the definition of Taxes pursuant to clauses (i) through (vii) of the first sentence of Section 3.01(a), that are imposed with respect to payments to or for the account of any Agent or any Lender under any Loan Document, which shall be governed by Section 3.01. This Section 10.05 also shall not apply to Other Taxes or to taxes covered by Section 3.04.

Marshaling; Payments Set Aside

. None of the Administrative Agent or any Lender shall be under any obligation to marshal any assets in favor of the Loan Parties or any other party or against or in payment of any or all of the Obligations. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, *plus* interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

Successors and Assigns

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither Holdings

nor the Borrower may, except as permitted by Section 7.04, assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of subsection (b) of this Section, (ii) by way of participation in accordance with the provisions of subsection (d) of this Section, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of subsection (f) of this Section, or (iv) to an SPC in accordance with the provisions of subsection (g) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Agent-Related Persons of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) *Assignments by Lenders.* Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); *provided* that any such assignment shall be subject to the following conditions:

(i) ~~(i)~~ Minimum Amounts.

(A) ~~(A)~~ in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) ~~(B)~~ in any case not described in subsection (b)(i)(A) of this Section, the aggregate amount of the Commitment or, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$1,000,000 unless each of the Administrative Agent and, so long as no Event of Default under Section 8.01(a) or, solely with respect to the Borrower or any Guarantor, Section 8.01(f) has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); *provided, however*, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met.

(ii) ~~(ii)~~ Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Class of Loans or the Class of Commitment assigned.

(iii) ~~(iii)~~ Required Consents. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) of this Section and, in addition:

(A) ~~(A)~~ the consent of the Borrower (such consent not to be unreasonably withheld) shall be required unless (1) an Event of Default under Section 8.01(a) or, solely with respect to the Borrower or any Guarantor, Section 8.01(f), has occurred and is continuing at the time of such assignment, (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund or (3) such assignment is prior to the completion of the primary syndication or the 90th day after the Closing Date, whichever shall occur first; and

~~(B)~~ ~~(B)~~ the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required if such assignment is to a Person that is not a Lender, an Affiliate of such Lender or an Approved Fund with respect to such Lender; *provided, however*, that the consent of the Administrative Agent shall not be required (x) for any assignment to an Affiliated Lender or a Person that upon effectiveness of an assignment would be an Affiliated Lender, except for the separate consent rights of the Administrative Agent pursuant to clause (h)(iv) of this Section 10.07 or (y) any assignment made in accordance with Section 10.07(k).

(iv) ~~(iv)~~ Assignment and Assumption. The parties to each assignment (other than any assignment consummated in reliance on Section 10.07(k)) shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; *provided* that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire. All assignments shall be by novation.

(v) ~~(v)~~ No Assignments to Certain Persons. No such assignment shall be made (A) to Holdings, the Borrower or any of the Borrower's Subsidiaries except as permitted under Section 2.03(a)(iv) or Section 10.07(k), (B) subject to subsection (h) below, any of the Borrower's Affiliates or (C) to a natural person.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to clause (c) of this Section (and, in the case of an Affiliated Lender or a Person that, after giving effect to such assignment, would become an Affiliated Lender, to the requirements of clause (h) of this Section), from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with subsection (d) of this Section.

(c) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall, subject to clause (h) of this Section, be conclusive absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(c) and Section 2.09 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations).

(d) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 (other than clause (d) thereof) that directly affects such Participant. Subject to subsection (e) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01 (subject to the requirements of Section 3.01(b) and (c) or Section 3.01(d), as applicable), 3.04 and 3.05 (through the applicable Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section. To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.11 as though it were a Lender.

(e) *Limitations upon Participant Rights.* A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant shall not be entitled to the benefits of Section 3.01 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply and does in fact comply with Section 3.01 as though it were a Lender. Each Lender that sells a participation shall (acting solely for this purpose as a non-fiduciary agent of the Borrower) maintain a register complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the Treasury regulations issued thereunder relating to the exemption from withholding for portfolio interest on which is entered the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "**Participant Register**"). A Lender shall not be obligated to disclose the Participant Register to any Person except to the extent such disclosure is necessary to establish that any Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "**SPC**") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs

or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under [Section 3.01](#), [3.04](#) or [3.05](#)), (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of \$3,500 (which processing fee may be waived by the Administrative Agent in its sole discretion), assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) Any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement to a Person who is or will become, after such assignment, an Affiliated Lender through (x) Dutch auctions open to all Lenders in accordance with procedures of the type described in [Section 2.03\(a\)\(iv\)](#) or (y) open market purchase on a non-pro rata basis, in each case subject to the following limitations:

(i) Affiliated Lenders will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to [Article II](#);

(ii) each Affiliated Lender that (A) purchases any Loans pursuant to this clause (h) shall represent and warrant to the seller and (B) sells any Loan hereunder shall represent and warrant to the buyer, in each case, that it does not possess material non-public information with respect to Holdings and its Subsidiaries or the securities of any of them that has not been disclosed to the Lenders generally (other than Lenders who elect not to receive such information);

(iii) (A) the aggregate principal amount of Loans held at any one time by Affiliated Lenders shall not exceed ~~20~~15% of the original principal amount of all Loans at such time outstanding (but excluding in any event any New Loans) (such percentage, the "**Affiliated Lender Cap**"), (B) unless otherwise agreed to in writing by the Required Lenders, regardless of whether consented to by the Administrative Agent or otherwise, no assignment which would result in Affiliated Lenders holding in excess of such Affiliated Lender Cap shall be effective with respect to such excess amount of the Loans (and such excess assignment shall be and be deemed null and void); *provided* that each of the parties hereto agrees and acknowledges that the Administrative Agent shall not be liable for any losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever incurred or suffered by any Person in connection with any compliance or non-compliance with this [clause \(h\)\(iii\)](#), or any purported assignment exceeding such ~~20~~15% limitation or for any assignment being deemed null and void hereunder and (C) in the event of an acquisition pursuant to the last sentence of this [clause \(h\)](#) which would result in the Affiliated Lender Cap being exceeded, the most recent assignment to an Affiliate of the Sponsor involved in such acquisition shall be unwound and deemed null and void to the extent that the Affiliated Lender Cap would otherwise be exceeded; ~~and~~

(iv) as a condition to each assignment pursuant to this clause (h), (A) the Administrative Agent shall have been provided a notice in the form of Exhibit D-2 to this Agreement in connection with each assignment to an Affiliated Lender or a Person that upon effectiveness of such assignment would constitute an Affiliated Lender, and (without limitation of the provisions of clause (iii) above) shall be under no obligation to record such assignment in the Register until three (3) Business Days after receipt of such notice and (B) the Administrative Agent shall have consented to such assignment (which consent shall not be withheld unless the Administrative Agent reasonably believes that such assignment would violate clause (h)(iii) of this Section 10.07); and

(v) no Affiliated Lender may exercise or participate in the “call right” provided under the Call Right Agreement.

Each Affiliated Lender agrees to notify the Administrative Agent promptly (and in any event within 10 Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent promptly (and in any event within 10 Business Days) if it becomes an Affiliated Lender. Such notice shall contain the type of information required and be delivered to the same addressee as set forth in Exhibit D-2.

(i) Notwithstanding anything in Section 10.01 or the definition of “Required Lenders” to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, or subject to Section 10.07(j), any plan of reorganization pursuant to the U.S. Bankruptcy Code, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, no Affiliated Lender shall have any right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action and:

(A) ~~(A)~~ all Loans held by any Affiliated Lenders shall be deemed to be not outstanding for all purposes of calculating whether the Required Lenders have taken any actions; and

(B) ~~(B)~~ all Loans held by Affiliated Lenders shall be deemed to be not outstanding for all purposes of calculating whether all Lenders have taken any action unless the action in question affects such Affiliated Lender in a disproportionately adverse manner than its effect on other Lenders.

(j) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender hereby agrees that, if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Loans held by such Affiliated Lender in any manner in the Administrative Agent’s sole discretion, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Loans held by it as the Administrative Agent directs; provided that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a manner that is less favorable in any material respect to such Affiliated Lender than the proposed treatment of similar Obligations held by Lenders that are not Affiliates of the Borrower.

(k) Notwithstanding anything to the contrary in this Agreement, after the Initial Amendment Effective Time (as defined in Amendment No.1), any Lender may assign all or a portion of its rights and obligations under this Agreement to the Borrower, and the Borrower may purchase all or a portion

of the rights and obligations of any Lender and pay accrued interest in respect thereof, in each case on a non-pro rata basis, for the purpose of satisfying the condition set forth in Section 3(b)(viii)(A) of Amendment No. 1; provided that any Loan purchased by the Borrower in reliance on this Section 10.07(k) shall be automatically and permanently canceled immediately upon acquisition by the Borrower.

Confidentiality

. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information in accordance with its customary procedures (as set forth below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, *provided* that the Administrative Agent or such Lender, as applicable, agrees that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person (other than at the request of a regulatory authority) unless such notification is prohibited by law, rule or regulation, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions at least as restrictive as those of this Section 10.08, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee invited to be an Additional Lender or (ii) any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (g) with the consent of the Borrower, (h) to any rating agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from such Lender) or (i) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any Lender, or any of their respective Affiliates on a nonconfidential basis from a source other than Holdings, the Borrower or any Subsidiary thereof, and which source is not known by such Agent or Lender to be subject to a confidentiality restriction in respect thereof in favor of the Borrower or any Affiliate of the Borrower.

For purposes of this Section, "**Information**" means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof or their respective businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by any Loan Party or any Subsidiary thereof; it being understood that all information received from Holdings, the Borrower or any Subsidiary after the date hereof shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so in accordance with its customary procedures if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent and the Lenders acknowledges that (a) the Information may include material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including United States Federal and state securities Laws.

Setoff

. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent, ~~to~~ to the fullest extent permitted by applicable law, to setoff and apply any and all deposits (general or special, time or demand, provisional or final, in

whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of the Borrower or any other Loan Party against any and all of the obligations of the Borrower or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower or such Loan Party may be contingent or unmatured or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Lender and its Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or its Affiliates may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

Interest Rate Limitation

. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “**Maximum Rate**”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Counterparts; Integration; Effectiveness

. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or other electronic imaging means shall be effective as delivery of a manually executed counterpart of this Agreement.

Electronic Execution of Assignments and Certain Other Documents

. The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Survival of Representations and Warranties

. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Borrowing, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

Severability

. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

GOVERNING LAW

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) THE BORROWER, HOLDINGS, THE ADMINISTRATIVE AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO AGREES THAT THE AGENTS AND LENDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY LOAN PARTY IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER ANY COLLATERAL DOCUMENT OR THE ENFORCEMENT OF ANY JUDGMENT.

(c) THE BORROWER, HOLDINGS, THE ADMINISTRATIVE AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

WAIVER OF RIGHT TO TRIAL BY JURY

. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING

WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Binding Effect

. This Agreement shall become effective when it shall have been executed by the Borrower, Holdings and the Administrative Agent and the Administrative Agent shall have been notified by each Lender that each such Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, Holdings, each Agent and each Lender and their respective successors and assigns.

Judgment Currency

. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable Law).

Lender Action

. Each Lender agrees that it shall not, and hereby waives any right to, take or institute any actions or proceedings, judicial or otherwise, for any right or remedy or assert any other Cause of Action against any Loan Party ~~under any of the Loan Documents or the Secured Hedge Agreements~~ (including the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings or any other Cause of Action, or otherwise commence any remedial procedures, against Holdings, the Borrower and/or any of their respective Subsidiaries or parent companies with respect to any Collateral or any other property of any such ~~Loan Party Person~~, without the prior written consent of the Administrative Agent (which shall not be withheld in contravention of Section 9.04), including with respect to the Specified Liability Management Transactions that are released pursuant to Section 10.25. The provisions of this Section 10.19 are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Loan Party with respect to the Administrative Agent's actions or omissions taken or omitted to be taken pursuant to this Section 10.19.

Use of Name, Logo, etc.

. Each Loan Party consents to the publication in the ordinary course by Administrative Agent or the Arrangers of customary advertising material relating to the financing transactions contemplated by this Agreement using such Loan Party's name, product photographs, logo or trademark. Such consent shall remain effective until revoked by such Loan Party in writing to the Administrative Agent and the Arrangers.

USA PATRIOT Act Notice

. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and

record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act. The Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the USA PATRIOT Act.

. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

No Advisory or Fiduciary Responsibility

. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrower and Holdings acknowledges and agrees, and acknowledges its Affiliates’ understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Agents and the Arrangers are arm’s-length commercial transactions between the Borrower, Holdings and their respective Affiliates, on the one hand, and the Administrative Agents and the Arrangers, on the other hand, (B) each of the Borrower and Holdings has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each of the Borrower and Holdings is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Agents, the Arrangers and each Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, Holdings or any of their respective Affiliates, or any other Person and (B) none of the Agents, the Arrangers nor any Lender has any obligation to the Borrower, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents, the Arrangers, the Lender and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings their respective Affiliates, and none of the Agents, the Arrangers nor any Lender has any obligation to disclose any of such interests to the Borrower, Holdings or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and Holdings hereby waives and releases any claims that it may have against the Agents, the Arrangers nor any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Amendment and Ratification

. ~~(a)~~ (a) This Agreement amends and restates in its entirety the Existing Credit Agreement.

(b) ~~(b)~~ Each Loan Party hereby consents to the amendment and restatement of the Existing Credit Agreement effected pursuant to the terms of this Agreement and confirms and agrees that (a) notwithstanding the effectiveness of the amendment and restatement of the Existing Credit Agreement, the Loan Documents are, and shall continue to be, in full force and effect and are hereby ratified and confirmed in all respects, in each case as amended and reaffirmed pursuant to the terms of this Agreement, and, unless the context otherwise requires, any reference to the Existing Credit Agreement contained therein shall be deemed to refer to this Agreement, (b) the Obligations (as defined in the Existing Credit Agreement) of the Borrower and the other Loan Parties under the Existing Credit Agreement and the other Loan Documents (as defined in the Existing Credit Agreement) that remain unpaid and outstanding as of the date of this Agreement after giving effect to the Transaction shall continue to exist under and be evidenced by this Agreement and the other Loan Documents and (c) the Collateral Documents to which such Loan Party is a party and all of the Collateral described therein do, and shall continue to, secure the payment of all of the Obligations.

SECTION 10.25.

Specified Liability Management Transactions. Notwithstanding anything to the contrary herein or in any other Loan Document, by accepting the benefits of this Agreement, each Lender, on behalf of itself and each of its Related Parties, hereby:

(a) acknowledges and agrees that each Specified Liability Management Transaction (and any action or intermediate step necessary to consummate any Specified Liability Management Transaction), whether consummated prior to, on or after the Amendment No. 1 Effective Date, is permitted under the provisions of this Agreement and each other Loan Document (and was permitted under the provisions of this Agreement and each other Loan Document prior to the Amendment No.1 Effective Date);

(b) ratifies each Specified Liability Management Transaction (other than the Specified Liability Management Transaction Litigation), acknowledges that each Specified Liability Management Transaction was permitted under the terms of this Agreement prior to the Amendment No.1 Effective Date and waives any breach or alleged breach of any provision of this Agreement or any other Loan Document and/or any Default or Event of Default that arose or is alleged to have arisen as a result of any Specified Liability Management Transaction, including, without limitation, any Default or Event of Default alleged in the Answer and Counterclaim, any Default or Event of Default that could have been alleged in the Answer and Counterclaim, any Default or Event of Default resulting or alleged to have resulted from any failure to deliver any notice of any Default or Event of Default under this Agreement or any other document, any Default or Event of Default resulting from or alleged to have resulted from the purported untruth of any representation, warranty, certification or statement of fact made in any document delivered on or after December 5, 2016 and prior to the date hereof, any "cross default" and/or any failure to make any payment owing under Section 10.04 or Section 10.05 of this Agreement on or prior to the date hereof;

(c) directs the Administrative Agent to withdraw and dismiss, with prejudice, any claim, obligation, suit, judgment, damage, demand, debt, right, cause of action, loss and/or liability, including any derivative claim (collectively, "Causes of Action"), alleged (or that could have been alleged with respect to the Specified Liability Management Transactions) in the Answer and Counterclaim; and

(d) forever releases and discharges Holdings, the Borrower, their respective Subsidiaries and each of their respective Related Parties from, and waives and agrees that it will not directly or indirectly, on behalf of itself or any other Person, support, any Cause of Action asserted or assertable against Holdings, the Borrower and/or any Subsidiary of any of them and/or any of their respective Related Parties, whether liquidated or unliquidated, fixed or contingent, disputed or undisputed, suspected or unsuspected, choate or inchoate, matured or unmatured, known or unknown, foreseen or unforeseen, existing on the Amendment No. 1 Effective Date or arising thereafter, in contract or tort, in law or in equity or pursuant to any other theory that such Person would have been legally entitled to assert solely based on or otherwise relating to, or in any manner arising from, in whole or in part, any Specified Liability Management Transaction (but not any other matter), including, without limitation, any claim, counterclaim or Cause of Action alleged and/or asserted by WSFS, or that could have been alleged and/or asserted by WSFS, in the Answer and Counterclaim.

It is understood and agreed for the avoidance of doubt that nothing in this Section 10.25 or anything else in this Agreement (or Amendment No. 1) shall be deemed to constitute an admission on the part of Holdings, the Borrower, any of their respective subsidiaries or any other Person that any Specified Liability Management Transaction occurring prior to the Amendment No.1 Effective Date gave rise to any Default or Event of Default under, or any other breach of, this Agreement or any other Loan Document.

SECTION 10.26.

Acknowledgment and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding of the parties hereto, each such party acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Licensee agrees that in using the Licensed Marks it will neither gain nor represent in any way that it has any right or title in or to the Licensed Marks (other than as granted hereunder).

5.2 Licensee and/or Payor shall neither challenge nor assist any third party to challenge (a) Licensor's ownership interest in the Licensed Marks, (b) the validity of the Licensed Marks, or (c) the United States federal registrations or applications for federal registration for the Licensed Marks, whether in existence as of the Effective Date or thereafter. Licensee and/or Payor will not assist any third party, directly or indirectly, in infringing any of the Licensed Marks or in the defense of any suit or action against any third party relating to infringement of any of the Licensed Marks. For the avoidance of doubt, nothing in this Section 5.2 limits the general provisions of Section 5.1 or Section 5.4 in any way.

5.3 All Products and Services offered by Licensee under the Licensed Marks in the Territory during the Term shall conform to standards of quality at least comparable to that of the Products and Services offered under the Licensed Marks as of the Effective Date. Licensor reserves the right to modify such quality standards at any time. Upon Licensor's written request, Licensee shall, at its own expense, supply representative samples of the Products (including related marketing, advertising, and promotional materials) for Licensor's review and approval. If Licensor reasonably determines in good faith that Licensee fails to maintain a consistent level

of quality in accordance with the terms of this Agreement, then Licensor shall notify Licensee in writing of any such alleged deficiencies, and Licensee shall take commercially-reasonable steps to remedy such deficiencies to Licensor's reasonable satisfaction. Licensor will have the right at reasonable times to inspect the production, service, retail, or other facilities of Licensee or any sublicensee for the purpose of determining whether the Licensee or any sublicensee is adhering to the requirements of this Agreement relating to the nature and quality of the Products and Services. Licensor hereby designates Payor to supervise and enforce any action taken with regard to the above-described quality control activities for the Licensed Marks, and Payor hereby accepts such designation; provided, however, that Licensor reserves the right (in its sole discretion) to revoke such designation at any time.

5.4 Licensee shall not knowingly take any action with the Licensed Marks that would adversely affect the Licensed Marks (including the value of the Licensed Marks), the goodwill associated with the Licensed Marks, and/or the reputation of Licensor or the Business. Licensee's use of the Licensed Marks shall at all times be in accordance with reasonable trademark, trade dress, and trade name usage principles and comply with all applicable federal, state, and local laws and regulations that govern its use of the Licensed Marks and the conduct of the Business.

5.5 As between the Parties, Licensee shall bear all costs related to correcting any product defect or related to any recall of Products featuring the Licensed Marks, whether voluntary or required by a government entity or a court order. If Licensee determines that a recall of Products is necessary, Licensee shall notify Licensor within three (3) days of such determination and shall consult with Licensor, and Licensor must approve (or not expressly object to) all aspects of Licensee's handling of such recall, such approval not to be unreasonably withheld or delayed by Licensor.

6. Registration, Maintenance, and Enforcement of Licensed Marks.

6.1 Licensee shall maintain the registrations and prosecute the applications for registration for the Licensed Marks during the Term, and, subject to its reasonable business judgment, shall ensure that all postregistration and prosecution filings and renewal applications, including any prosecution, registration, renewal, or maintenance fees, required by a government entity or by applicable law in connection with the foregoing are completed and paid in a timely manner. At Licensee's reasonable request, Licensor shall cooperate with Licensee to provide information reasonably required by Licensee to submit to the U.S. Patent and Trademark Office and other relevant offices for such postregistration and prosecution filings and renewal applications, including, without limitation, specimens of the Licensed Marks showing current usage of such marks on the Products and/or in promotion and rendering of the Services. At Licensor's reasonable request, Licensee shall prepare, file, and prosecute new applications on behalf of Licensor to register the Licensed Marks with the U.S. Patent and Trademark Office or any applicable government entity. Licensee shall keep Licensor fully informed of progress with regard to the preparation, filing, prosecution, and maintenance of any Licensed Marks in the Territory, and shall provide Licensor with copies of all documentation relating to the foregoing. Licensee may seek additional registrations for the Licensed Marks outside of the Territory. Nothing set forth herein shall prohibit Licensee from filing new applications in its name, so long as such applications do not diminish the value or validity of the Licensed Marks, or impair the

Licensed Marks as collateral of the New Notes Collateral Agent (or representative therefor) under the applicable collateral documents.

6.2 As between the Parties, and except as provided in this Agreement, Licensee shall be solely responsible for the payment of all costs associated with the enforcement, prosecution, and maintenance of the registrations for and applications for registration of the Licensed Marks, and the enforcement and defense of the Licensed Marks. At Licensee's reasonable expense, Licensor shall in good faith assist Licensee to fulfill the foregoing responsibilities.

6.3 Each Party shall immediately inform the other of any potential infringements, dilution, or other misuse of any Licensed Mark in the Territory, or use of any marks or designs confusingly similar to any Licensed Mark, or if either Party receives notice of any claims from any third party alleging that any Licensed Mark (or such Party's use thereof) infringes or otherwise violates the rights of a third party. Licensee shall have the right to commence, control, or respond to any such action or claim, and the authority and sole control of the defense or settlement of such claim, including the negotiation, litigation, prosecution, or settlement of any such action or claim, as well as the first right to recover profits and damages from such actions. Licensor shall cooperate with all reasonable requests for assistance by Licensee in connection with the foregoing, including being named as a party in any related court proceedings. Licensee shall provide Licensor copies of all notices, complaints, court proceedings, and other documentation relating to the foregoing, and Licensor will have the option to participate in any such proceeding and be represented by counsel of its choosing at its own cost and expense.

6.4 If Licensee fails to bring an action or proceeding with respect to infringement of the Licensed Marks within ninety (90) days following notice by Licensor or notice of any alleged third party infringement, dilution, or misuse of the Licensed Marks or use of confusingly similar marks to any Licensed Mark, or Licensee requests Licensor assume control of any such action, then Licensor shall have the right to bring and control any such action, by counsel of its choosing. Licensor shall have the right to commence, control, or respond to any such action or claim, and the authority and sole control of the defense or settlement of such claim, including the negotiation, litigation, prosecution, or settlement of any such action or claim, as well as the first right to recover profits and damages from such actions. To the extent Licensor assumes such control, all costs associated with an action shall be at Licensor's sole expense. Licensee shall cooperate with all reasonable requests for assistance by Licensor in connection with the foregoing, including being named as a party in any related court proceedings.

7. Representations and Warranties.

7.1 Licensor represents and warrants to Licensee that (a) it has good title to and/or the right to license the Licensed Marks; and (b) except as may be provided herein, it will not use or otherwise license any other party to use the Licensed Marks in any way during the Term.

7.2 Licensee represents and warrants to Licensor that (a) this Agreement, and the License Fee to be paid by Payor on behalf of Licensee to Licensor pursuant to this Agreement, are and will all be for reasonably equivalent value, and are and will all be made for fair consideration and in good faith; (b) Licensee has and will have sufficient capital to satisfy its obligations under this Agreement; (c) Licensee shall use commercially-reasonable efforts to

ensure that the Products and Services offered by Licensee under the Licensed Marks meet and maintain the quality standards set forth in Section 5 of this Agreement; and (d) Licensee's use of the Licensed Marks shall not be in conflict with any other agreement.

7.3 Each Party represents and warrants to the other Party, that: (a) it is duly authorized and licensed to do business and carry out its obligations under this Agreement; (b) it has full power and authority to enter into this Agreement and the execution, delivery, and performance of this Agreement has been authorized by all necessary corporate action; (c) it has obtained all third party consents required to enter into this Agreement and none of the execution, delivery, or performance of this Agreement will conflict with or constitute a breach of its certificate of incorporation, charter, or bylaws; (d) this Agreement is valid and enforceable in accordance with its terms, including under federal trademark law and other applicable law, and no Party shall challenge the validity or enforceability of this Agreement; and (e) the provisions of this Agreement are not and were not intended to hinder, delay, or defraud any creditor.

8. Indemnification.

8.1 Licensee agrees to protect, indemnify, and hold harmless Licensor and its parent and affiliates, and their directors, officers, employees, licensees, agents, representatives, successors, and assigns (collectively, the "Indemnified Parties"), from and against any and all claims, suits, actions, or allegations brought or asserted by a third party (each, a "Claim") and any resulting liabilities, judgments, costs, and expenses, including reasonable attorneys' fees, arising out of or related to: (a) Licensee's use or any use by any sublicensee of Licensee of the Licensed Marks pursuant to this Agreement; (b) Licensee's breach of its representations, warranties, and other obligations under this Agreement; and (c) Licensee's or any of its sublicensees' manufacture, distribution, advertising, marketing, and sale of the Products, provision of the Services, and operation of the Business, including without limitation any personal injury claims or product liability claims related to the foregoing; provided, however, that Licensee shall not be obligated to protect, indemnify, and hold harmless the Indemnified Parties from and against Claims, resulting liabilities, judgments, costs, and expenses, including reasonable attorneys' fees, arising out of or related to, Licensor's fraud, gross negligence, or bad faith. Licensee shall keep Licensor fully informed of the status and progress with regard to any Claim, and shall provide Licensor with copies of all documentation relating to the foregoing.

8.2 Licensor shall promptly notify Licensee upon the assertion of any Claim against an Indemnified Party, and shall give Licensee a reasonable opportunity to defend and/or settle the Claim at its own expense. Licensee shall have the sole right to designate the counsel to handle any such defense and/or settlement negotiations, and the Indemnified Parties shall provide Licensee with such assistance as it may reasonably request in order to ensure a proper and adequate defense of a Claim. Any settlement of a Claim must be approved in writing by Licensor (such approval not to be unreasonably withheld, conditioned, or delayed) prior to the execution of any settlement agreement.

9. Disclaimer of Warranties. Licensor licenses the Licensed Marks to Licensee "as is." Licensor makes no warranties of any kind, express or implied, in relation to the Licensed Marks. Without limiting the foregoing, Licensor expressly disclaims any and all implied warranties of merchantability, fitness for a particular purpose, and noninfringement.

10. Further Assurances. Each of Licensor, Licensee, and Payor shall promptly execute, acknowledge, and deliver, at the reasonable request of another party to this Agreement, such additional documents, instruments, conveyances, and assurances and take such further actions as such other Party may reasonably request to carry out the provisions of this Agreement and to give effect to the transactions contemplated by this Agreement.

11. Term.

11.1 This Agreement will remain in effect from the Effective Date and will continue for a period of ten (10) years (the “Initial Term”) unless terminated earlier by one of the Parties, as permitted by and in accordance with Section 12.

11.2 At the end of the Initial Term, the term of the Agreement shall automatically renew for successive one (1) year periods (the Initial Term and all such renewal periods, collectively referred to as the “Term”) unless a Party provides written notice of nonrenewal to the other at least sixty (60) days prior to the applicable renewal date.

12. Termination and Events of Default.

12.1 If Payor fails to pay any portion of the License Fee or make any other payment as required by this Agreement, within three (3) days after Payor and Licensee have received written notice from Licensor of such failure, then Licensor may immediately terminate this Agreement upon written notice to Licensee.

12.2 Subject to Section 12.1 above, which covers Licensor’s right to terminate this Agreement for a failure by Payor to pay any portion of the License Fee or make any other payment as required by this Agreement, Licensor may terminate this Agreement immediately upon written notice to Licensee in the event that Licensee fails to cure a material breach of this Agreement within thirty (30) days after Licensee has received written notice from Licensor of such breach. Any failure by Licensee to comply with the quality control provisions included in Section 5 of this Agreement shall be deemed a material breach of this Agreement. In the event any material breach cannot be cured within thirty (30) days, except for non-payment by Payor that must be cured within three (3) days after Payor has received written notice of such breach, and so long as Licensee is making reasonable efforts to implement a cure, the cure period will be automatically extended by a reasonable amount of time to permit such cure (if a cure is feasible).

12.3 The Parties may terminate this Agreement by mutual consent. Licensee shall not otherwise have any right to terminate this Agreement under this Section 12.

12.4 Notwithstanding the foregoing, Licensor may not terminate this Agreement under Sections 12.1 or 12.2 or consent to termination under Section 12.3 without the written consent of the New Notes Collateral Agent.

12.5 If this Agreement is terminated pursuant to Sections 12.1, 12.2, or 12.3, then (w) all rights of Licensee and its affiliates (other than Licensor) under this Agreement shall automatically and immediately cease, (x) all rights of Licensee under Section 6 regarding registration, maintenance, and enforcement of the Licensed Marks will automatically and immediately revert to Licensor and Licensor shall have the exclusive right and authority, in its

sole discretion, to make decisions and take all actions with respect to registration, enforcement, and maintenance of the Licensed Marks, (y) all sublicenses granted by Licensee and its affiliates pursuant to Section 2.2 shall automatically and immediately terminate, and (z) Licensee and Payor, and their affiliates (except for Licensor), shall immediately cease using in any manner the Licensed Marks. Licensee and Payor agree that upon termination of this Agreement pursuant to Sections 12.1, 12.2, or 12.3, they and their affiliates (except for Licensor) shall have no rights to use the Licensed Marks in any manner and, as between Licensor and Licensee, Licensor shall have the exclusive rights to use, license, sublicense, and otherwise exploit, in any manner, the Licensed Marks and may freely assign or transfer such exclusive rights.

12.6 This Agreement shall automatically and immediately terminate if the 2017 IP License Agreement terminates or is terminated for any reason.

13. Effects of Termination. In the event of any expiration or termination of this Agreement, the following provisions of this Agreement shall survive: Sections 1, 6, 7, 8, 9, 10, 12.5, 13, 15, and 16. In addition, any payment obligations that have accrued under this Agreement (including with respect to any License Fee or Payment pursuant to Section 4) shall remain in full force and effect until they are satisfied in full.

14. Assignment. Licensor may not assign, transfer, delegate, or otherwise dispose of (i) any and all of its rights and/or responsibilities under this Agreement or (ii) any of its right, title, or interest in and to the Licensed Marks to any person in each case without the prior written consent of Licensee (such consent not to be unreasonably withheld or delayed). Except as otherwise permitted in this Agreement, Licensee may not assign, transfer, delegate, or otherwise dispose of any of its rights or obligations under this Agreement without Licensor's prior written consent (such consent not to be unreasonably withheld or delayed); provided, however, that a merger, consolidation, combination, or restructuring involving Licensee or a change in control of Licensee shall not be deemed to be an assignment of this Agreement. Notwithstanding the foregoing, Licensor and Licensee shall be permitted to pledge their respective rights under this Agreement as collateral to secure their respective obligations in respect of any financing arrangement (including, in the case of Licensee, the Term Loan Facility and/or the ABL Facility; and in the case of Licensor, the New Notes Indenture). Any assignment, delegation, and/or pledge in violation of this provision or Section 2.2 will be without force or effect. The Agreement shall be binding upon and shall inure to the benefit of the Parties and their successors and permitted assigns, each of which must agree in writing to be bound by the Agreement.

15. Confidentiality.

15.1 Confidential Information. "Confidential Information" means information disclosed by one Party hereunder to the other in connection this Agreement, or by Payor on either Party's behalf, which information is or should be reasonably understood to be confidential or proprietary to the disclosing Party or Payor, including product designs, costs, unpublished marketing, sales and financial information, product and business plans, projections, and marketing data. Confidential Information will not include information that is: (a) already lawfully known to or independently developed by the receiving party; (b) disclosed in published materials without a breach of this Agreement; (c) generally known to the public without a breach

of this Agreement; or (d) lawfully obtained from any third party who was not under an obligation to keep such information confidential.

15.2 Obligation. Neither Party nor Payor will (a) disclose any Confidential Information of the other Party or Payor to any third party, or (b) fail to take all reasonable measures to maintain the confidentiality of Confidential Information in its possession or control, which measures shall in no event be less than the measures it uses to maintain the confidentiality of its own information of similar importance. Notwithstanding the foregoing, a Party or Payor may disclose another's Confidential Information to investors and legal and financial advisors who are subject to confidentiality restrictions not less restrictive than those in this Agreement; provided, however, that Party or Payor shall be liable to the other Party or Payor for any breach of the confidentiality obligations of such investors, legal, and/or financial advisors, and to the extent reasonably necessary to comply with a court order or government order to which the disclosing party is subject, provided that prior to such disclosure of Confidential Information, the disclosing party will provide the party whose Confidential Information is to be disclosed prompt notice of the anticipated disclosure so that party can take all necessary measures to prevent the disclosure and/or maintain the confidentiality of such information. A Party or Payor may also disclose Confidential Information in areas specifically required to meet General Accepted Accounting Principles (GAAP) or Securities Exchange Commission (SEC) filing requirements or the listing requirements of any securities exchange on which the capital stock of either Party or Payor is traded or any automated quotation system.

16. Miscellaneous.

16.1 Notices. All notices given pursuant to this Agreement shall be in writing and either (a) delivered personally, (b) delivered or mailed by registered or certified mail, postage prepaid, or (c) sent by a nationally-recognized overnight delivery or courier service, with delivery charges prepaid, and proof of delivery or receipt requested, as follows:

16.2 Third-Party Beneficiaries. This Agreement is for the sole benefit of the Parties and their permitted successors and assigns and nothing in this Agreement, express or implied, is intended to or shall confer upon any other party or entity any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of this Agreement.

16.3 Choice of Law; Choice of Forum. This Agreement, and any dispute arising from this Agreement or the subject matter of this Agreement, shall be governed by the laws of the State of New York, without regard to its conflicts of law principles, and the federal and state courts in the State of New York shall be the exclusive jurisdiction for resolving all disputes relating to this Agreement. The Parties and Payor submit to the jurisdiction of such courts over such a dispute and waive any objection to the propriety or convenience of venue in such courts.

16.4 365(n) Acknowledgment. The Parties and Payor agree that section 365(n) of title 11 of the United States Code (as amended, the “Bankruptcy Code”) shall apply to the Licensee; provided, however, that in the event a court determines that section 365(n) of the Bankruptcy Code does not apply to the Licensee, the Parties and Payor agree that, following a material breach of this Agreement by the Licensor, the Licensee may continue to use the Licensed Marks if and only if the Licensee continues to pay the Licensor the License Fee and otherwise comply with its obligations under this Agreement.

16.5 No Construction. The Parties and Payor have participated in the negotiation and drafting of this Agreement, and in the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted collectively by the Parties and Payor, and no presumption or burden of proof shall arise favoring or disfavoring any Party or Payor by virtue of the authorship of any provisions of this Agreement.

16.6 Amendment. This Agreement may only be amended, supplemented, or modified, and any of the terms, covenants, representations, warranties, or conditions may only be waived, by a written amendment executed by both Parties and Payor, or in the case of a waiver, by the Party waiving compliance. No waiver by either Party of any breach of this Agreement shall be deemed to be a waiver of any preceding or succeeding breach of the same or any other provision of this Agreement.

16.7 Severability. If any provision of this Agreement or the application of any such provision to any person, entity, or circumstance is held invalid, illegal, or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other provision of this Agreement or the application of such provision to any other persons, entities, or circumstances and, to the extent permissible under applicable law, any such invalid, illegal, or unenforceable provision shall be deemed amended lawfully to conform with the intent of the Parties and Payor.

16.8 Integration. This Agreement (including any amendments and exhibits hereto), together with the 2017 IP License Agreement (and any amendments and exhibits thereto), constitutes the entire agreement between the Parties and Payor with respect to its subject matter, and supersedes all prior and/or contemporaneous oral or written negotiations, offers, representations, warranties, and agreements with respect to this subject matter.

16.9 Counterparts. This Agreement may be executed in one or more counterparts, each of which when executed and delivered shall be deemed to be an original and all of which counterparts taken together shall constitute one and the same instrument. This Agreement shall become binding when one or more counterparts taken together shall have been shown to have been executed by each Party and Payor and delivered to the others.

AMENDED AND RESTATED MANAGEMENT SERVICES AGREEMENT

This Amended and Restated Management Services Agreement (the “Agreement”) is entered into as of July [●], 2017 by and among Chinos Holdings, Inc., a Delaware corporation (“Holdings”), J. Crew Group, Inc., a Delaware corporation (“Group”), Chinos Intermediate Holdings A, Inc. (“Intermediate A”), [Newco], a Delaware corporation (“[Newco]”) and Chinos Intermediate Holdings B, Inc. (“Intermediate B” and, together with Group and [Newco], the “Companies”).

WHEREAS, Group (as successor to Chinos Acquisition Corp.), Holdings, Intermediate A, Intermediate B, TPG Capital, L.P. (“TPG”) and Leonard Green & Partners, L.P. (“LGP”) are parties to the Management Services Agreement dated March 7, 2011 (“Original Agreement”), pursuant to which TPG and LGP provided certain management, advisory and consulting services to the Companies; and

WHEREAS, the Companies, Intermediate A, TPG, LGP and Holdings desire to amend and restate the Original Agreement on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties hereto, intending to be legally bound, hereby agree as follows:

1. Services. Holdings hereby agrees that, during the term of this Agreement (the “Term”), it will provide to the Companies, to the extent mutually agreed by the Companies and Holdings, by and through itself and/or Holdings’ successors, assigns, affiliates, officers, employees and/or representatives and third parties (collectively hereinafter referred to as the “Holdings Designees”), as Holdings in its sole discretion may designate from time to time, management, advisory and consulting services in relation to the affairs of the Companies. Such management, advisory and consulting services shall include, without limitation:

(a) advice in connection with the negotiation and consummation of agreements, contracts, documents and instruments necessary to provide the Companies with financing on terms and conditions satisfactory to the Companies;

(b) advice in connection with acquisition, disposition and change of control transactions involving any of the Companies or any of their direct or indirect subsidiaries or any of their respective successors;

(c) financial, managerial and operational advice in connection with the Companies’ day-to-day operations, including, without limitation, advice with respect to the development and implementation of strategies for improving the operating, marketing and financial performance of the Companies and/or their respective subsidiaries; and

(d) such other services (which may include financial and strategic planning and analysis, consulting services, human resources and executive recruitment services and other services) as Holdings and the Companies may from time to time agree in writing.

Holdings or Holdings Designees will devote such time and efforts to the performance of the services contemplated hereby as Holdings deems reasonably necessary or appropriate; provided, however, that no minimum number of hours is required to be devoted by Holdings or any Holdings Designee on a weekly, monthly, annual or other basis. The Companies acknowledge that Holdings’ or Holdings Designees’ services are not exclusive to the Companies or their respective subsidiaries and that Holdings and each Holdings Designee may render similar services to other persons and entities. Holdings and the Companies understand

that the Companies or their respective subsidiaries may at times engage one or more investment bankers or financial advisers to provide services in addition to, but not in lieu of, services provided by Holdings and the Holdings Designees under this Agreement; provided that any such engagement will be made pursuant to the terms of the Amended and Restated Principal Investors Stockholders' Agreement, dated as of July [●], 2017, among the Companies, certain affiliates of TPG and LGP and certain other parties (as may be further amended from time to time, the "Stockholders' Agreement"). In providing services to the Companies or their respective subsidiaries, Holdings and Holdings Designees will act as independent contractors, and it is expressly understood and agreed that this Agreement is not intended to create, and does not create, any partnership, agency, joint venture or similar relationship and that no party has the right or ability to contract for or on behalf of any other party or to effect any transaction for the account of any other party.

2. Payment of Fees.

(a) Subject to Section 3, during the Term, the Companies, jointly and severally, will pay to Holdings an aggregate annual retainer fee (the "Advisory Fee") equal to the greater of (i) 0.4% of the Annual Revenue for such fiscal year and (ii) \$8,000,000, as compensation for the services provided by Holdings or the Holdings Designees under this Agreement, which shall be paid as follows: (x) on a quarterly basis in advance, on each January 31, April 30, July 31 and October 31 occurring during the Term of this Agreement, 25% of the Advisory Fee then payable if the Advisory Fee were determined only pursuant to clause (ii) of this Section 2(b) and (y) within 90 days following each January 31, the excess, if any, of the Advisory Fee for the fiscal year ended on such January 31 over the quarterly payments already made in respect of such fiscal year in accordance with clause (x). Payment of any applicable amount to Holdings following the end of any applicable twelve (12) month period shall be made within three (3) business days after such amount is finally determined. For the purposes of this Agreement, "Annual Revenue" shall mean, for any applicable fiscal year, the aggregate of all amounts which would be included as revenue on the consolidated financial statements of Holdings and its subsidiaries for such period, in each case determined in accordance with generally accepted accounting principles in the United States, consistently applied.

(b) During the Term, Holdings (or Holdings Designees) will advise the Companies in connection with the consummation of any financing or refinancing (equity or debt), dividend, recapitalization, acquisition, disposition and spin-off or split-off transactions involving the Companies or any of their direct or indirect subsidiaries (however structured), and, subject to Section 3, the Companies will pay to Holdings an aggregate fee (the "Subsequent Fee") in connection with each such transaction equal to customary fees charged by internationally-recognized investment banks for serving as a financial advisor in similar transactions, such fee to be due and payable for the foregoing services at the closing of such transaction.

(c) Each payment made pursuant to this Section 2 will be paid by wire transfer of immediately available funds to the accounts specified on Schedule 1 hereto, or to such other account(s) as Holdings may specify to the Companies in writing prior to such payment.

(d) The Companies shall be entitled to deduct and withhold from the amounts otherwise payable hereunder such amounts as are required to be deducted and withheld under applicable law. Any amounts so withheld or deducted shall be treated for the purposes of this Agreement as paid to Holdings in respect of which such withholding or deduction was made.

3.Deferral. Any fee (or portion thereof) that would have been payable to Holdings pursuant to Section 2 above absent such payment constituting, resulting in or giving rise (as reasonably determined by the Companies) to a breach or violation of the terms or provisions of, or result in a default under, any guarantee, financing or security agreement, indenture or document entered into by the Company or any of its subsidiaries and in effect on such date in respect of indebtedness for borrowed money or debt security (the “Financing Documents”) applicable to the Companies (the “Deferred Fees”) will accrue upon the immediately succeeding period in which such amounts could, consistent with the Financing Documents, be paid, and will be paid in such succeeding period (in addition to such other amounts that would otherwise be payable at such time) in the manner set forth in Section 2.

4.Term. This Agreement will continue in full force and effect until December 31, 2021; provided that this Agreement shall be automatically extended each December 31 for an additional year; provided, further, that this Agreement (x) may be terminated at any time upon the mutual agreement of Holdings, the Companies and, for so long as any shares of the non-convertible series A preferred stock of Holdings (the “Series A Preferred”) remain outstanding, the holders of not less than sixty-six percent (66%) of the outstanding Series A Preferred, (y) shall terminate automatically immediately prior to the earlier of (i) the consummation by any of the Companies, one or more of their subsidiaries or any of their successors of an IPO (as such term is defined in the Stockholders’ Agreement) or (ii) the consummation of a Sale, in each case, unless otherwise agreed by Holdings, and, in each case, if no shares of the Series A Preferred remain outstanding or the Series A Preferred is redeemed in full in connection with such IPO or Sale, and (z) shall immediately terminate with respect to Holdings upon the disposition of all Company Shares held by Holdings and Holdings’ affiliates, if no shares of the Series A Preferred remain outstanding or the Series A Preferred is redeemed in full in connection with such disposition. For the avoidance of doubt, termination of this Agreement will not relieve a party from liability for any breach of this Agreement on or prior to such termination. In the event of a termination of this Agreement, subject to Section 3, the Companies will pay Holdings (i) all unpaid Advisory Fees (pursuant to Section 2(b) above), Subsequent Fees (pursuant to Section 2(c) above), Deferred Fees (pursuant to Section 3 above) and Reimbursable Expenses (pursuant to Section 5(a) below) due with respect to periods prior to the date of termination plus (to the extent applicable) and (ii) solely in the event of a termination of this Agreement as a result of an IPO or a Sale where, in each case, affiliates of the TPG and LGP continue to directly or indirectly hold at least ten percent (10%) of the equity securities of the Companies upon the closing of such transaction, an amount not to exceed the sum of the net present values (using discount rates equal to the then yield on U.S. Treasury Securities of like maturity) of the Advisory Fees that would have been payable with respect to the period from the date of termination until three years after the date of such termination (such amount, the “Accelerated Fee”); provided, that the Company will only pay the Accelerated Fee to the extent the Series A Preferred is redeemed in full in connection with such IPO or Sale. In the event of an IPO or Sale that, in either case, includes non-cash consideration, Holdings may elect to receive all or any portion of any amounts payable pursuant to this Agreement as a result of such IPO or Sale in the form of such non-cash consideration, valued at the sale price. All of Section 4 through Section 14 will survive termination of this Agreement with respect to matters arising before or after such termination (whether in respect of or relating to services rendered during or after the Term). Each payment made pursuant to this Section 4 will be paid by wire transfer of immediately available funds to the accounts specified on Schedule 1 hereto, or to such other account(s) as

Holdings may specify to the Companies in writing prior to such payment. For the purposes of this Agreement, “Sale” means a transfer or issuance of equity securities of any of the Companies (including by way of a merger, consolidation, amalgamation, share exchange or other form of similar business combination), in a single or series of related transactions, resulting in a person or persons other than the existing stockholders owning, directly or indirectly, a majority of the voting power of the applicable Company, upon the consummation of such transfer or issuance, or the sale of all or substantially all of the assets of any of the Companies.

5. Expenses; Indemnification.

(a) Expenses. Subject to Section 3, the Companies, jointly and severally, will pay to Holdings on demand all documented Reimbursable Expenses whether incurred prior to or following the date of this Agreement. As used herein, “Reimbursable Expenses” means (i) all reasonable out-of-pocket expenses by Holdings to the extent arising from the services provided by Holdings or the Holdings Designees to the Companies or any of their affiliates from time to time (including, without limitation, all travel related expenses), (ii) all reasonable out-of-pocket legal expenses incurred by Holdings, its affiliates or the Holdings Designees in connection with the enforcement of rights or taking of actions under this Agreement, and (iii) all other reasonable expenses incurred by Holdings, its affiliates or the Holdings Designees on behalf of the Companies in connection with their management and operations, whether incurred prior to or following the date of this Agreement.

(b) Indemnity and Liability. The Companies, jointly and severally, will indemnify, exonerate and hold Holdings, the Holdings Designees and each of their respective partners, shareholders, members, affiliates, associated investment funds, directors, officers, fiduciaries, managers, controlling persons, employees and agents and each of the partners, shareholders, members, affiliates, associated investment funds, directors, officers, fiduciaries, managers, controlling persons, employees and agents of each of the foregoing (collectively, the “Indemnitees”), each of whom is an intended third party beneficiary of this Agreement, free and harmless from and against any and all actions, causes of action, suits, claims, liabilities, losses, damages and costs and out-of-pocket expenses in connection therewith (including without limitation reasonable attorneys’ fees and expenses) incurred by the Indemnitees or any of them before or after the date of this Agreement (collectively, the “Indemnified Liabilities”), arising out of any action, cause of action, suit, arbitration, investigation or claim (whether between the relevant Indemnitee and any of the Companies or involving a third party claim against the relevant Indemnitee) arising out of, or in any way relating to (i) this Agreement, any transaction to which any of the Companies is a party or (ii) operations of, or services provided by any of Holdings or the Holdings Designees to, the Companies, or any of their respective affiliates from time to time; provided that the foregoing indemnification rights will not be available to the extent that any such Indemnified Liabilities arose on account of such Indemnitee’s gross negligence or willful misconduct; and provided, further, that if and to the extent that the foregoing undertaking may be unavailable or unenforceable for any reason, each of the Companies hereby agrees to make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. For purposes of this Section 5(b), none of the circumstances described in the limitations contained in the two provisos in the immediately preceding sentence will be deemed to apply absent a final non-appealable judgment of a court of competent jurisdiction to such effect, in which case to the extent any such limitation is so

determined to apply to any Indemnitee as to any previously advanced indemnity payments made by the Companies, then such payments will be promptly repaid by such Indemnitee to the Companies without interest. The rights of any Indemnitee to indemnification hereunder will be in addition to any other rights any such person may have under any other agreement or instrument referenced above or any other agreement or instrument to which such Indemnitee is or becomes a party or is or otherwise becomes a beneficiary or under law or regulation; provided that (i) the Companies hereby agree that they are the indemnitors of first resort under this Agreement and under any other applicable indemnification agreement (i.e., their obligations to Indemnitees under this Agreement or any other agreement or undertaking to provide advancement and/or indemnification to such Indemnitees are primary and any obligation of Holdings (or any affiliate thereof other than a Company) to provide advancement or indemnification for the Indemnified Liabilities incurred by Indemnitees are secondary), and (ii) if Holdings (or any affiliate thereof) pays or causes to be paid, for any reason, any amounts otherwise indemnifiable hereunder or under any other indemnification agreement (whether pursuant to contract, by-laws or charter) with any Indemnitee, then (x) Holdings (or such affiliate, as the case may be) shall be fully subrogated to all rights of such Indemnitee with respect to such payment and (y) the Companies shall fully indemnify, reimburse and hold harmless Holdings (or such other affiliate) for all such payments actually made by Holdings (or such other affiliate) and irrevocably waive, relinquish and release Holdings for contribution, subrogation or any other recovery of any kind in respect of any advancement of expenses or indemnification hereunder.

6.Disclaimer and Limitation of Liability; Opportunities.

(a)Disclaimer; Standard of Care. Neither Holdings nor any of the Holdings Designees makes any representations or warranties, express or implied, in respect of the services to be provided by Holdings or the Holdings Designees hereunder. In no event will Holdings, the Holdings Designees or related Indemnitees be liable to the Companies or any of their respective affiliates for any act, alleged act, omission or alleged omission that does not constitute gross negligence or willful misconduct of Holdings or the Holdings Designees as determined by a final, non-appealable determination of a court of competent jurisdiction.

(b)Limitation of Liability. In no event will Holdings, the Holdings Designees or any of their respective Indemnitees be liable to the Companies or any of their affiliates for any indirect, special, incidental or consequential damages, including, without limitation, lost profits or savings, whether or not such damages are foreseeable, or for any third party claims (whether based in contract, tort or otherwise), relating to, in connection with or arising out of this Agreement, before or after termination of this Agreement, including without limitation the services to be provided by Holdings or the Holdings Designees hereunder, or for any act or omission that does not constitute gross negligence or willful misconduct of Holdings or the Holdings Designees or in excess of the fees received by Holdings or the applicable Holdings Designee hereunder.

7.Assignment, etc. Except as provided below, none of the parties hereto will have the right to assign this Agreement without the prior written consent of each of the other parties. Notwithstanding the foregoing, (a) Holdings may assign all or part of its rights and obligations hereunder to any of its affiliates which provides services similar to those called for by this

Agreement, provided that in no event shall Holdings relinquish its rights to fees under Section 2 and Section 5 and reimbursement of Reimbursable Expenses under Section 5(a), and (b) the provisions hereof for the benefit of Indemnitees of Holdings will inure to the benefit of such Indemnitees and their successors and assigns.

8. Amendments and Waivers. No amendment or waiver of any term, provision or condition of this Agreement will be effective without the express written consent of the Companies, Holdings and, for so long as any Series A Preferred remain outstanding, the holders of not less than sixty-six percent (66%) of the outstanding Series A Preferred. No waiver on any one occasion will extend to or effect or be construed as a waiver of any right or remedy on any future occasion. No course of dealing of any person nor any delay or omission in exercising any right or remedy will constitute an amendment of this Agreement or a waiver of any right or remedy of any party hereto.

9. Governing Law; Jurisdiction. THIS AGREEMENT AND ALL MATTERS ARISING UNDER OR RELATED TO THIS AGREEMENT SHALL BE GOVERNED AND CONSTRUED IN ACCORDANCE WITH THE DOMESTIC SUBSTANTIVE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO THE CONFLICTS OF LAW PRINCIPLES THEREOF. ANY ACTION OR PROCEEDING AGAINST THE PARTIES RELATING IN ANY WAY TO THIS AGREEMENT MAY BE BROUGHT AND ENFORCED EXCLUSIVELY IN THE COURTS OF THE STATE OF NEW YORK OR (TO THE EXTENT SUBJECT MATTER JURISDICTION EXISTS THEREFOR) THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK SITTING IN MANHATTAN, AND THE PARTIES IRREVOCABLY SUBMIT TO THE JURISDICTION OF BOTH SUCH COURTS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING.

10. Waiver of Jury Trial. EACH OF THE PARTIES HERETO HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY.

11. Entire Agreement. This Agreement contains the entire understanding of the parties hereto with respect to the subject matter hereof and supersedes any prior communication or agreement with respect thereto. Notwithstanding the foregoing, the parties hereto acknowledge and agree that the provisions set forth in Sections 5 and 6 of the Original Agreement shall survive the amendment and restatement of the Original Agreement with respect to any actions that occurred prior to the date hereof.

12. Notice. All notices, demands, and communications required or permitted under this Agreement will be in writing and will be effective if served upon such other party and such other party's copied persons as specified below to the address set forth for it below (or to such other address as such party will have specified by notice to each other party) if (i) delivered personally, (ii) sent and received by facsimile, (iii) sent by electronic mail or (iv) sent by certified or registered mail or by Federal Express, UPS or any other comparably reputable overnight courier service, postage prepaid, to the appropriate address as follows:

FORM OF GUARANTOR CONSENT AND REAFFIRMATION

July [●], 2017

Reference is made to the Amended and Restated Credit Agreement dated as of March 5, 2014 (as amended, amended and restated, supplemented or otherwise modified through the date hereof, including pursuant to Amendment No. 1, the "Credit Agreement"), among, *inter alios*, J. Crew Group, Inc., a Delaware corporation, as the Borrower, Chinos Intermediate Holdings B, Inc., a Delaware corporation, as Holdings, Wilmington Savings Fund Society FSB, as administrative agent (as successor in such capacity to Bank of America, N.A.) and the Lenders from time to time party thereto. Capitalized terms used but not otherwise defined in this Guarantor Consent and Reaffirmation (this "Consent") are used with the meanings attributed thereto in the Credit Agreement.

Each Guarantor hereby consents to the execution, delivery and performance of this Amendment No. 1 and agrees that each reference to the Credit Agreement in the Loan Documents shall, on and after the Amendment No. 1 Effective Date, be deemed to be a reference to the Credit Agreement in accordance with the terms of Amendment No. 1.

Each Guarantor hereby acknowledges and agrees that, after giving effect to Amendment No. 1, all of its respective obligations and liabilities under the Loan Documents to which it is a party, as such obligations and liabilities have been amended by Amendment No. 1, are reaffirmed and remain in full force and effect.

After giving effect to Amendment No. 1, each Guarantor reaffirms each Lien granted by it to the Collateral Agent for the benefit of the Secured Parties under each of the Loan Documents to which it is a party, which Liens shall continue in full force and effect during the term of the Credit Agreement, and shall continue to secure the Obligations (after giving effect to the Amendment), in each case, on and subject to the terms and conditions set forth in the Credit Agreement and the other Loan Documents.

Nothing in this Consent shall create or otherwise give rise to any right to consent on the part of the Guarantors to the extent not required by the express terms of the Loan Documents.

All references to the "License Fee" and "Payment(s)" throughout this Agreement shall be deemed to include the Initial Payments.

4.4 Past Due Payments. In addition to the other remedies provided for in this Agreement (and notwithstanding automatic termination of this Agreement pursuant to Section 12.1), Payor, on behalf of Licensee, shall pay interest on all past due Payment amounts at a rate of two percent (2%) per month (or the maximum rate permitted by applicable law, whichever is less), commencing immediately after the Payment was first due and accruing until the Payment is paid in full. Notwithstanding the foregoing, this Section 4.4 shall not limit or amend the rights of Licensor under Section 12.1 and Section 12.5 of this Agreement regarding failure by Payor to pay any portion of the License Fee in accordance with this Section 4.

4.5 Costs. Payor, on behalf of Licensee, shall pay all costs relating to or arising out of the collection of any delinquent License Fee amount, including, but not limited to, any and all collection fees, collection agency fees, reasonable attorneys' fees, accountants' fees, court costs, and expenses.

5. Ownership of the Licensed Marks and Quality Control for the Licensed Marks.

5.1 The Parties and Payor acknowledge that the Licensed Marks are owned in their entirety by Licensor. Licensee and Payor acknowledge and agree that all goodwill arising through the licensed use by Licensee of the Licensed Marks shall inure solely to Licensor's benefit, and that Licensee and/or Payor shall obtain no proprietary or other rights in or to the Licensed Marks by virtue of any use or exploitation Licensee may make thereof. Licensee and/or Payor will not at any time do or suffer to be done by any act, anything which will in any way impair Licensor's rights to any Licensed Marks. Licensee agrees that in using the Licensed Marks it will neither gain nor represent in any way that it has any right or title in or to the Licensed Marks (other than as granted hereunder).

5.2 Licensee and/or Payor shall neither challenge nor assist any third party to challenge (a) Licensor's ownership interest in the Licensed Marks, (b) the validity of the Licensed Marks, or (c) the United States federal registrations or applications for federal registration for the Licensed Marks, whether in existence as of the Effective Date or thereafter. Licensee and/or Payor will not assist any third party, directly or indirectly, in infringing any of the Licensed Marks or in the defense of any suit or action against any third party relating to

infringement of any of the Licensed Marks. For the avoidance of doubt, nothing in this Section 5.2 limits the general provisions of Section 5.1 or Section 5.4 in any way.

5.3 All Products and Services offered by Licensee under the Licensed Marks in the Territory during the Term shall conform to standards of quality at least comparable to that of the Products and Services offered under the Licensed Marks as of the Effective Date. Licensor reserves the right to modify such quality standards at any time. Upon Licensor's written request, Licensee shall, at its own expense, supply representative samples of the Products (including related marketing, advertising, and promotional materials) for Licensor's review and approval. If Licensor reasonably determines in good faith that Licensee fails to maintain a consistent level of quality in accordance with the terms of this Agreement, then Licensor shall notify Licensee in writing of any such alleged deficiencies, and Licensee shall take commercially-reasonable steps to remedy such deficiencies to Licensor's reasonable satisfaction. Licensor will have the right at reasonable times to inspect the production, service, retail, or other facilities of Licensee or any sublicensee for the purpose of determining whether the Licensee or any sublicensee is adhering to the requirements of this Agreement relating to the nature and quality of the Products and Services. Licensor hereby designates Payor to supervise and enforce any action taken with regard to the above-described quality control activities for the Licensed Marks, and Payor hereby accepts such designation; provided, however, that Licensor reserves the right (in its sole discretion) to revoke such designation at any time.

5.4 Licensee shall not knowingly take any action with the Licensed Marks that would adversely affect the Licensed Marks (including the value of the Licensed Marks), the goodwill associated with the Licensed Marks, and/or the reputation of Licensor or the Business. Licensee's use of the Licensed Marks shall at all times be in accordance with reasonable trademark, trade dress, and trade name usage principles and comply with all applicable federal, state, and local laws and regulations that govern its use of the Licensed Marks and the conduct of the Business.

5.5 As between the Parties, Licensee shall bear all costs related to correcting any product defect or related to any recall of Products featuring the Licensed Marks, whether voluntary or required by a government entity or a court order. If Licensee determines that a recall of Products is necessary, Licensee shall notify Licensor within three (3) days of such determination and shall consult with Licensor, and Licensor must approve (or not expressly object to) all aspects of Licensee's handling of such recall, such approval not to be unreasonably withheld or delayed by Licensor.

6. Registration, Maintenance, and Enforcement of Licensed Marks.

6.1 Licensee shall maintain the registrations and prosecute the applications for registration for the Licensed Marks during the Term, and, subject to its reasonable business judgment, shall ensure that all postregistration and prosecution filings and renewal applications, including any prosecution, registration, renewal, or maintenance fees, required by a government entity or by applicable law in connection with the foregoing are completed and paid in a timely manner. At Licensee's reasonable request, Licensor shall cooperate with Licensee to provide information reasonably required by Licensee to submit to the U.S. Patent and Trademark Office and other relevant offices for such postregistration and prosecution filings and renewal

applications, including, without limitation, specimens of the Licensed Marks showing current usage of such marks on the Products and/or in promotion and rendering of the Services. At Licensor's reasonable request, Licensee shall prepare, file, and prosecute new applications on behalf of Licensor to register the Licensed Marks with the U.S. Patent and Trademark Office or any applicable government entity. Licensee shall keep Licensor fully informed of progress with regard to the preparation, filing, prosecution, and maintenance of any Licensed Marks in the Territory, and shall provide Licensor with copies of all documentation relating to the foregoing. Licensee may seek additional registrations for the Licensed Marks outside of the Territory. Nothing set forth herein shall prohibit Licensee from filing new applications in its name, so long as such applications do not diminish the value or validity of the Licensed Marks, or impair the Licensed Marks as collateral of the New Notes Collateral Agent (or representative therefor) under the applicable collateral documents.

6.2 As between the Parties, and except as provided in this Agreement, Licensee shall be solely responsible for the payment of all costs associated with the enforcement, prosecution, and maintenance of the registrations for and applications for registration of the Licensed Marks, and the enforcement and defense of the Licensed Marks. At Licensee's reasonable expense, Licensor shall in good faith assist Licensee to fulfill the foregoing responsibilities.

6.3 Each Party shall immediately inform the other of any potential infringements, dilution, or other misuse of any Licensed Mark in the Territory, or use of any marks or designs confusingly similar to any Licensed Mark, or if either Party receives notice of any claims from any third party alleging that any Licensed Mark (or such Party's use thereof) infringes or otherwise violates the rights of a third party. Licensee shall have the right to commence, control, or respond to any such action or claim, and the authority and sole control of the defense or settlement of such claim, including the negotiation, litigation, prosecution, or settlement of any such action or claim, as well as the first right to recover profits and damages from such actions. Licensor shall cooperate with all reasonable requests for assistance by Licensee in connection with the foregoing, including being named as a party in any related court proceedings. Licensee shall provide Licensor copies of all notices, complaints, court proceedings, and other documentation relating to the foregoing, and Licensor will have the option to participate in any such proceeding and be represented by counsel of its choosing at its own cost and expense.

6.4 If Licensee fails to bring an action or proceeding with respect to infringement of the Licensed Marks within ninety (90) days following notice by Licensor or notice of any alleged third party infringement, dilution, or misuse of the Licensed Marks or use of confusingly similar marks to any Licensed Mark, or Licensee requests Licensor assume control of any such action, then Licensor shall have the right to bring and control any such action, by counsel of its choosing. Licensor shall have the right to commence, control, or respond to any such action or claim, and the authority and sole control of the defense or settlement of such claim, including the negotiation, litigation, prosecution, or settlement of any such action or claim, as well as the first right to recover profits and damages from such actions. To the extent Licensor assumes such control, all costs associated with an action shall be at Licensor's sole expense. Licensee shall cooperate with all reasonable requests for assistance by Licensor in connection with the foregoing, including being named as a party in any related court proceedings.

7. Representations and Warranties.

7.1 Licensor represents and warrants to Licensee that (a) it has good title to and/or the right to license the Licensed Marks; and (b) except as may be provided herein, it will not use or otherwise license any other party to use the Licensed Marks in any way during the Term.

7.2 Licensee represents and warrants to Licensor that (a) this Agreement, and the License Fee to be paid by Payor on behalf of Licensee to Licensor pursuant to this Agreement, are and will all be for reasonably equivalent value, and are and will all be made for fair consideration and in good faith; (b) Licensee has and will have sufficient capital to satisfy its obligations under this Agreement; (c) Licensee shall use commercially-reasonable efforts to ensure that the Products and Services offered by Licensee under the Licensed Marks meet and maintain the quality standards set forth in Section 5 of this Agreement; and (d) Licensee's use of the Licensed Marks shall not be in conflict with any other agreement.

7.3 Each Party represents and warrants to the other Party, that: (a) it is duly authorized and licensed to do business and carry out its obligations under this Agreement; (b) it has full power and authority to enter into this Agreement and the execution, delivery, and performance of this Agreement has been authorized by all necessary corporate action; (c) it has obtained all third party consents required to enter into this Agreement and none of the execution, delivery, or performance of this Agreement will conflict with or constitute a breach of its certificate of incorporation, charter, or bylaws; (d) this Agreement is valid and enforceable in accordance with its terms, including under federal trademark law and other applicable law, and no Party shall challenge the validity or enforceability of this Agreement; and (e) the provisions of this Agreement are not and were not intended to hinder, delay, or defraud any creditor.

8. Indemnification.

8.1 Licensee agrees to protect, indemnify, and hold harmless Licensor and its parent and affiliates, and their directors, officers, employees, licensees, agents, representatives, successors, and assigns (collectively, the "Indemnified Parties"), from and against any and all claims, suits, actions, or allegations brought or asserted by a third party (each, a "Claim") and any resulting liabilities, judgments, costs, and expenses, including reasonable attorneys' fees, arising out of or related to: (a) Licensee's use or any use by any sublicensee of Licensee of the Licensed Marks pursuant to this Agreement; (b) Licensee's breach of its representations, warranties, and other obligations under this Agreement; and (c) Licensee's or any of its sublicensees' manufacture, distribution, advertising, marketing, and sale of the Products, provision of the Services, and operation of the Business, including without limitation any personal injury claims or product liability claims related to the foregoing; provided, however, that Licensee shall not be obligated to protect, indemnify, and hold harmless the Indemnified Parties from and against Claims, resulting liabilities, judgments, costs, and expenses, including reasonable attorneys' fees, arising out of or related to, Licensor's fraud, gross negligence, or bad faith. Licensee shall keep Licensor fully informed of the status and progress with regard to any Claim, and shall provide Licensor with copies of all documentation relating to the foregoing.

8.2 Licensor shall promptly notify Licensee upon the assertion of any Claim against an Indemnified Party, and shall give Licensee a reasonable opportunity to defend and/or settle

the Claim at its own expense. Licensee shall have the sole right to designate the counsel to handle any such defense and/or settlement negotiations, and the Indemnified Parties shall provide Licensee with such assistance as it may reasonably request in order to ensure a proper and adequate defense of a Claim. Any settlement of a Claim must be approved in writing by Licensor (such approval not to be unreasonably withheld, conditioned, or delayed) prior to the execution of any settlement agreement.

9. Disclaimer of Warranties. Licensor licenses the Licensed Marks to Licensee “as is.” Licensor makes no warranties of any kind, express or implied, in relation to the Licensed Marks. Without limiting the foregoing, Licensor expressly disclaims any and all implied warranties of merchantability, fitness for a particular purpose, and noninfringement.

10. Further Assurances. Each of Licensor, Licensee, and Payor shall promptly execute, acknowledge, and deliver, at the reasonable request of another party to this Agreement, such additional documents, instruments, conveyances, and assurances and take such further actions as such other Party may reasonably request to carry out the provisions of this Agreement and to give effect to the transactions contemplated by this Agreement.

11. Term.

11.1 This Agreement will remain in effect from the Effective Date and will continue for a period of ten (10) years (the “Initial Term”) unless terminated earlier by one of the Parties, as permitted by and in accordance with Section 12.

11.2 At the end of the Initial Term, the term of the Agreement shall automatically renew for successive one (1) year periods (the Initial Term and all such renewal periods, collectively referred to as the “Term”) unless a Party provides written notice of nonrenewal to the other at least sixty (60) days prior to the applicable renewal date.

12. Termination and Events of Default.

12.1 If Payor fails to pay any portion of the License Fee or make any other payment as required by this Agreement, within three (3) days after Payor and Licensee have received written notice from Licensor of such failure, then Licensor may immediately terminate this Agreement upon written notice to Licensee.

12.2 Subject to Section 12.1 above, which covers Licensor’s right to terminate this Agreement for a failure by Payor to pay any portion of the License Fee or make any other payment as required by this Agreement, Licensor may terminate this Agreement immediately upon written notice to Licensee in the event that Licensee fails to cure a material breach of this Agreement within thirty (30) days after Licensee has received written notice from Licensor of such breach. Any failure by Licensee to comply with the quality control provisions included in Section 5 of this Agreement shall be deemed a material breach of this Agreement. In the event any material breach cannot be cured within thirty (30) days, except for non-payment by Payor that must be cured within three (3) days after Payor has received written notice of such breach, and so long as Licensee is making reasonable efforts to implement a cure, the cure period will be automatically extended by a reasonable amount of time to permit such cure (if a cure is feasible).

12.3 The Parties may terminate this Agreement by mutual consent. Licensee shall not otherwise have any right to terminate this Agreement under this Section 12.

12.4 Notwithstanding the foregoing, Licensor may not terminate this Agreement under Sections 12.1 or 12.2 or consent to termination under Section 12.3 without the written consent of the New Notes Collateral Agent.

12.5 If this Agreement is terminated pursuant to Sections 12.1, 12.2, or 12.3, then (w) all rights of Licensee and its affiliates (other than Licensor) under this Agreement shall automatically and immediately cease, (x) all rights of Licensee under Section 6 regarding registration, maintenance, and enforcement of the Licensed Marks will automatically and immediately revert to Licensor and Licensor shall have the exclusive right and authority, in its sole discretion, to make decisions and take all actions with respect to registration, enforcement, and maintenance of the Licensed Marks, (y) all sublicenses granted by Licensee and its affiliates pursuant to Section 2.2 shall automatically and immediately terminate, and (z) Licensee and Payor, and their affiliates (except for Licensor), shall immediately cease using in any manner the Licensed Marks. 12.6 This Agreement shall automatically and immediately terminate if the 2017 IP License Agreement terminates or is terminated for any reason.

13. Effects of Termination. In the event of any expiration or termination of this Agreement, the following provisions of this Agreement shall survive: Sections 1, 6, 7, 8, 9, 10, 12.5, 13, 15, and 16. In addition, any payment obligations that have accrued under this Agreement (including with respect to any License Fee or Payment pursuant to Section 4) shall remain in full force and effect until they are satisfied in full.

14. Assignment. Licensor may not assign, transfer, delegate, or otherwise dispose of (i) any and all of its rights and/or responsibilities under this Agreement or (ii) any of its right, title, or interest in and to the Licensed Marks to any person in each case without the prior written consent of Licensee (such consent not to be unreasonably withheld or delayed). Except as otherwise permitted in this Agreement, Licensee may not assign, transfer, delegate, or otherwise dispose of any of its rights or obligations under this Agreement without Licensor's prior written consent (such consent not to be unreasonably withheld or delayed); provided, however, that a merger, consolidation, combination, or restructuring involving Licensee or a change in control of Licensee shall not be deemed to be an assignment of this Agreement. Notwithstanding the foregoing, Licensor and Licensee shall be permitted to pledge their respective rights under this Agreement as collateral to secure their respective obligations in respect of any financing arrangement (including, in the case of Licensee, the Term Loan Facility and/or the ABL Facility; and in the case of Licensor, the New Notes Indenture). Confidential Information will not include information that is: (a) already lawfully known to or independently developed by the receiving party; (b) disclosed in published materials without a breach of this Agreement; (c) generally known to the public without a breach of this Agreement; or (d) lawfully obtained from any third party who was not under an obligation to keep such information confidential.

15.2 Obligation. Neither Party nor Payor will (a) disclose any Confidential Information of the other Party or Payor to any third party, or (b) fail to take all reasonable measures to maintain the confidentiality of Confidential Information in its possession or control, which measures shall in no event be less than the measures it uses to maintain the confidentiality of its own information of similar importance. Notwithstanding the foregoing, a Party or Payor may disclose another’s Confidential Information to investors and legal and financial advisors who are subject to confidentiality restrictions not less restrictive than those in this Agreement; provided, however, that Party or Payor shall be liable to the other Party or Payor for any breach of the confidentiality obligations of such investors, legal, and/or financial advisors, and to the extent reasonably necessary to comply with a court order or government order to which the disclosing party is subject, provided that prior to such disclosure of Confidential Information, the disclosing party will provide the party whose Confidential Information is to be disclosed prompt notice of the anticipated disclosure so that party can take all necessary measures to prevent the disclosure and/or maintain the confidentiality of such information. A Party or Payor may also disclose Confidential Information in areas specifically required to meet General Accepted Accounting Principles (GAAP) or Securities Exchange Commission (SEC) filing requirements or the listing requirements of any securities exchange on which the capital stock of either Party or Payor is traded or any automated quotation system.

If any provision of this Agreement or the application of any such provision to any person, entity, or circumstance is held invalid, illegal, or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other provision of this Agreement or the application of such provision to any other persons, entities, or circumstances and, to the extent permissible under applicable law, any such invalid, illegal, or unenforceable provision shall be deemed amended lawfully to conform with the intent of the Parties and Payor.

16.8 Integration. This Agreement (including any amendments and exhibits hereto), together with the 2017 IP License Agreement (and any amendments and exhibits thereto), constitutes the entire agreement between the Parties and Payor with respect to its subject matter, and supersedes all prior and/or contemporaneous oral or written negotiations, offers, representations, warranties, and agreements with respect to this subject matter.

16.9 Counterparts. This Agreement may be executed in one or more counterparts, each of which when executed and delivered shall be deemed to be an original and all of which counterparts taken together shall constitute one and the same instrument. The foregoing license is exclusive even as to Licensor. Licensor shall not use the Licensed Marks or license others to use the Licensed Marks in any manner during the Term (except pursuant to the A&R IP License Agreement, or as provided in Section 12 and this Section 2.1). This Section 2.1 shall not prohibit (a) Licensee from granting an irrevocable, non-exclusive worldwide license with respect to the Licensed Marks to the administrative agent or collateral agent (or representative therefor) under (i) the Amended and Restated Credit Agreement, dated as of March 5, 2014 (as amended, restated, amended and restated, supplemented, extended, renewed, refunded, replaced, replaced, or refinanced from time to time in one or more agreements in each case with the same or new lenders, institutional investors or agents, the “Term Loan Facility”), among, *inter alios*, J. Any sublicense made pursuant to and in accordance with this Section 2.2 must include a written agreement by the applicable sublicensee to assume and otherwise comply with all of the obligations of Licensee hereunder with regard to the Licensed Marks, and any such sublicense agreement between Licensee and any sublicensee must be approved in writing by Licensor, which consent will not be unreasonably withheld.

3. Rights to Licensed Marks.

3.1 In exchange for the agreements and consideration provided for herein, unless otherwise specified in and subject to the terms of this Agreement, Licensee has the exclusive right (even as to Licensor) in the Territory, during the Term, to: (a) use the Licensed Marks in commerce or otherwise; (b) non-exclusively license others to use the Licensed Marks; (c) register the Licensed Marks with any federal or state governmental authority (in accordance with Section 6.1); (d) commence an action for infringement of or other violation of rights under the Licensed Marks; and (e) defend and settle any claims that Licensee's use of the Licensed Marks infringes or otherwise violates the rights of a third party.

3.2 As between the Parties, and except as provided in this Agreement, Licensee shall be solely responsible for the payment of all costs associated with its exercise of the foregoing rights during the Term, including, without limitation, all costs associated with the operation of the Business under the Licensed Marks, and the negotiation, implementation, and management of any sublicense of the Licensed Marks.

4. License Fee; Payment.

4.1 License Fee. Payor, on behalf of Licensee, shall pay to Licensor a sixteen million five-hundred thousand dollar (USD \$16,500,000) license and use fee (the "License Fee") during each calendar year, for so long as this Agreement is in effect and has not expired or been terminated. Any Payment (as defined below) due for any partial calendar year of the Term will be prorated. The License Fee is in consideration for: (a) the exclusive license to Licensor's undivided 27.96% ownership interest in and to the Licensed Marks granted to Licensee pursuant to Section 2; (b) Licensor's waiver of certain rights to use, license, register, defend, or enforce the Licensed Marks during the Term; and (c) Licensor's acknowledgement that Licensee will enjoy the exclusive rights in and to the Licensed Marks, subject to the terms of this Agreement and the A&R IP License Agreement.

4.2 Payments. Payor, on behalf of Licensee, shall pay the License Fee in two equal payments of eight million two hundred fifty thousand dollars (USD \$8,250,000) (each, a "Payment") to Licensor, which shall be made on March 1, (which represents the License Fee for the period of September through February of a fiscal year) and September 1 (which represents the License Fee for the period of March through August of the fiscal year) of each year during the Term, beginning March 1, 2018. The Payment to be made on September 1, 2017 shall be in an amount of two million two hundred sixty thousand two hundred seventy-three dollars and

ninety-seven cents (USD \$2,260,273.97), as payment for Licensee's license and use of the Licensed Marks for the period from the Effective Date of this Agreement through August 31, 2017.

4.3 Past Due Payments. In addition to the other remedies provided for in this Agreement (and notwithstanding automatic termination of this Agreement pursuant to Section 12.1), Payor, on behalf of Licensee, shall pay interest on all past due Payment amounts at a rate of two percent (2%) per month (or the maximum rate permitted by applicable law, whichever is less), commencing immediately after the Payment was first due and accruing until the Payment is paid in full. Notwithstanding the foregoing, this Section 4.3 shall not limit or amend the rights of Licensor under Section 12.1 and Section 12.5 of this Agreement regarding failure by Payor to pay any portion of the License Fee in accordance with this Section 4.

4.4 Costs. Payor, on behalf of Licensee, shall pay all costs relating to or arising out of the collection of any delinquent License Fee amount, including, but not limited to, any and all collection fees, collection agency fees, reasonable attorneys' fees, accountants' fees, court costs, and expenses.

4.5 Additional Payor Obligations. In addition to payment of the License Fee pursuant to this Section 4 (including payment of interest on past due Payments pursuant to Section 4.3 and costs pursuant to Section 4.4), Payor shall also be responsible for and shall make all payments on behalf of Licensee under Sections 2.2, 3.2, 4, 5.1, 5.5, 6.2, and 8.1 of this Agreement.

5. Ownership of the Licensed Marks and Quality Control for the Licensed Marks.

5.1 The Parties and Payor acknowledge that the Licensed Marks are owned in their entirety by Licensor. Licensee and Payor acknowledge and agree that all goodwill arising through the licensed use by Licensee of the Licensed Marks shall inure solely to Licensor's benefit, and that Licensee and/or Payor shall obtain no proprietary or other rights in or to the Licensed Marks by virtue of any use or exploitation Licensee may make thereof. Licensee and/or Payor will not at any time do or suffer to be done by any act, anything which will in any way impair Licensor's rights to any Licensed Marks. Licensee agrees that in using the Licensed Marks it will neither gain nor represent in any way that it has any right or title in or to the Licensed Marks (other than as granted hereunder).

5.2 Licensee and/or Payor shall neither challenge nor assist any third party to challenge (a) Licensor's ownership interest in the Licensed Marks, (b) the validity of the Licensed Marks, or (c) the United States federal registrations or applications for federal registration for the Licensed Marks, whether in existence as of the Effective Date or thereafter. Licensee and/or Payor will not assist any third party, directly or indirectly, in infringing any of the Licensed Marks or in the defense of any suit or action against any third party relating to infringement of any of the Licensed Marks. For the avoidance of doubt, nothing in this Section 5.2 limits the general provisions of Section 5.1 or Section 5.4 in any way.

5.3 All Products and Services offered by Licensee under the Licensed Marks in the Territory during the Term shall conform to standards of quality at least comparable to that of the Products and Services offered under the Licensed Marks as of the Effective Date. Licensor

reserves the right to modify such quality standards at any time. Upon Licensor's written request, Licensee shall, at its own expense, supply representative samples of the Products (including related marketing, advertising, and promotional materials) for Licensor's review and approval. If Licensor reasonably determines in good faith that Licensee fails to maintain a consistent level of quality in accordance with the terms of this Agreement, then Licensor shall notify Licensee in writing of any such alleged deficiencies, and Licensee shall take commercially-reasonable steps to remedy such deficiencies to Licensor's reasonable satisfaction. Licensor will have the right at reasonable times to inspect the production, service, retail, or other facilities of Licensee or any sublicensee for the purpose of determining whether the Licensee or any sublicensee is adhering to the requirements of this Agreement relating to the nature and quality of the Products and Services. Licensor hereby designates Payor to supervise and enforce any action taken with regard to the above-described quality control activities for the Licensed Marks, and Payor hereby accepts such designation; provided, however, that Licensor reserves the right (in its sole discretion) to revoke such designation at any time.

5.4 Licensee shall not knowingly take any action with the Licensed Marks that would adversely affect the Licensed Marks (including the value of the Licensed Marks), the goodwill associated with the Licensed Marks, and/or the reputation of Licensor or the Business. Licensee's use of the Licensed Marks shall at all times be in accordance with reasonable trademark, trade dress, and trade name usage principles and comply with all applicable federal, state, and local laws and regulations that govern its use of the Licensed Marks and the conduct of the Business.

5.5 As between the Parties, Licensee shall bear all costs related to correcting any product defect or related to any recall of Products featuring the Licensed Marks, whether voluntary or required by a government entity or a court order. If Licensee determines that a recall of Products is necessary, Licensee shall notify Licensor within three (3) days of such determination and shall consult with Licensor, and Licensor must approve (or not expressly object to) all aspects of Licensee's handling of such recall, such approval not to be unreasonably withheld or delayed by Licensor.

6. Registration, Maintenance, and Enforcement of Licensed Marks.

6.1 Licensee shall maintain the registrations and prosecute the applications for registration for the Licensed Marks during the Term, and, subject to its reasonable business judgment, shall ensure that all postregistration and prosecution filings and renewal applications, including any prosecution, registration, renewal, or maintenance fees, required by a government entity or by applicable law in connection with the foregoing are completed and paid in a timely manner. At Licensee's reasonable request, Licensor shall cooperate with Licensee to provide information reasonably required by Licensee to submit to the U.S. Patent and Trademark Office and other relevant offices for such postregistration and prosecution filings and renewal applications, including, without limitation, specimens of the Licensed Marks showing current usage of such marks on the Products and/or in promotion and rendering of the Services. At Licensor's reasonable request, Licensee shall prepare, file, and prosecute new applications on behalf of Licensor to register the Licensed Marks with the U.S. Patent and Trademark Office or any applicable government entity. Licensee shall keep Licensor fully informed of progress with regard to the preparation, filing, prosecution, and maintenance of any Licensed Marks in the

Territory, and shall provide Licensor with copies of all documentation relating to the foregoing. Licensee may seek additional registrations for the Licensed Marks outside of the Territory. Nothing set forth herein shall prohibit Licensee from filing new applications in its name, so long as such applications do not diminish the value or validity of the Licensed Marks, or impair the Licensed Marks as collateral of the New Notes Collateral Agent (or representative therefor) under the applicable collateral documents.

6.2 As between the Parties, and except as provided in this Agreement, Licensee shall be solely responsible for the payment of all costs associated with the enforcement, prosecution, and maintenance of the registrations for and applications for registration of the Licensed Marks, and the enforcement and defense of the Licensed Marks. At Licensee's reasonable expense, Licensor shall in good faith assist Licensee to fulfill the foregoing responsibilities.

6.3 Each Party shall immediately inform the other of any potential infringements, dilution, or other misuse of any Licensed Mark in the Territory, or use of any marks or designs confusingly similar to any Licensed Mark, or if either Party receives notice of any claims from any third party alleging that any Licensed Mark (or such Party's use thereof) infringes or otherwise violates the rights of a third party. Licensee shall have the right to commence, control, or respond to any such action or claim, and the authority and sole control of the defense or settlement of such claim, including the negotiation, litigation, prosecution, or settlement of any such action or claim, as well as the first right to recover profits and damages from such actions. Licensor shall cooperate with all reasonable requests for assistance by Licensee in connection with the foregoing, including being named as a party in any related court proceedings. Licensee shall provide Licensor copies of all notices, complaints, court proceedings, and other documentation relating to the foregoing, and Licensor will have the option to participate in any such proceeding and be represented by counsel of its choosing at its own cost and expense.

6.4 If Licensee fails to bring an action or proceeding with respect to infringement of the Licensed Marks within ninety (90) days following notice by Licensor or notice of any alleged third party infringement, dilution, or misuse of the Licensed Marks or use of confusingly similar marks to any Licensed Mark, or Licensee requests Licensor assume control of any such action, then Licensor shall have the right to bring and control any such action, by counsel of its choosing. Licensor shall have the right to commence, control, or respond to any such action or claim, and the authority and sole control of the defense or settlement of such claim, including the negotiation, litigation, prosecution, or settlement of any such action or claim, as well as the first right to recover profits and damages from such actions. To the extent Licensor assumes such control, all costs associated with an action shall be at Licensor's sole expense. Licensee shall cooperate with all reasonable requests for assistance by Licensor in connection with the foregoing, including being named as a party in any related court proceedings.

7. Representations and Warranties.

7.1 Licensor represents and warrants to Licensee that (a) it has good title to and/or the right to license the Licensed Marks; and (b) except as may be provided herein, it will not use or otherwise license any other party to use the Licensed Marks in any way during the Term.

7.2 Licensee represents and warrants to Licensor that (a) this Agreement, and the License Fee to be paid by Payor on behalf of Licensee to Licensor pursuant to this Agreement, are and will all be for reasonably equivalent value, and are and will all be made for fair consideration and in good faith; (b) Licensee has and will have sufficient capital to satisfy its obligations under this Agreement; (c) Licensee shall use commercially-reasonable efforts to ensure that the Products and Services offered by Licensee under the Licensed Marks meet and maintain the quality standards set forth in Section 5 of this Agreement; and (d) Licensee's use of the Licensed Marks shall not be in conflict with any other agreement.

7.3 Each Party represents and warrants to the other Party, that: (a) it is duly authorized and licensed to do business and carry out its obligations under this Agreement; (b) it has full power and authority to enter into this Agreement and the execution, delivery, and performance of this Agreement has been authorized by all necessary corporate action; (c) it has obtained all third party consents required to enter into this Agreement and none of the execution, delivery, or performance of this Agreement will conflict with or constitute a breach of its certificate of incorporation, charter, or bylaws; (d) this Agreement is valid and enforceable in accordance with its terms, including under federal trademark law and other applicable law, and no Party shall challenge the validity or enforceability of this Agreement; and (e) the provisions of this Agreement are not and were not intended to hinder, delay, or defraud any creditor.

8. Indemnification.

8.1 Licensee agrees to protect, indemnify, and hold harmless Licensor and its parent and affiliates, and their directors, officers, employees, licensees, agents, representatives, successors, and assigns (collectively, the "Indemnified Parties"), from and against any and all claims, suits, actions, or allegations brought or asserted by a third party (each, a "Claim") and any resulting liabilities, judgments, costs, and expenses, including reasonable attorneys' fees, arising out of or related to: (a) Licensee's use or any use by any sublicensee of Licensee of the Licensed Marks pursuant to this Agreement; (b) Licensee's breach of its representations, warranties, and other obligations under this Agreement; and (c) Licensee's or any of its sublicensees' manufacture, distribution, advertising, marketing, and sale of the Products, provision of the Services, and operation of the Business, including without limitation any personal injury claims or product liability claims related to the foregoing; provided, however, that Licensee shall not be obligated to protect, indemnify, and hold harmless the Indemnified Parties from and against Claims, resulting liabilities, judgments, costs, and expenses, including reasonable attorneys' fees, arising out of or related to, Licensor's fraud, gross negligence, or bad faith. Licensee shall keep Licensor fully informed of the status and progress with regard to any Claim, and shall provide Licensor with copies of all documentation relating to the foregoing.

8.2 Licensor shall promptly notify Licensee upon the assertion of any Claim against an Indemnified Party, and shall give Licensee a reasonable opportunity to defend and/or settle the Claim at its own expense. Licensee shall have the sole right to designate the counsel to handle any such defense and/or settlement negotiations, and the Indemnified Parties shall provide Licensee with such assistance as it may reasonably request in order to ensure a proper and adequate defense of a Claim. Any settlement of a Claim must be approved in writing by Licensor (such approval not to be unreasonably withheld, conditioned, or delayed) prior to the execution of any settlement agreement.

9. Disclaimer of Warranties. Licensor licenses the Licensed Marks to Licensee “as is.” Licensor makes no warranties of any kind, express or implied, in relation to the Licensed Marks. Without limiting the foregoing, Licensor expressly disclaims any and all implied warranties of merchantability, fitness for a particular purpose, and noninfringement.

10. Further Assurances. Each of Licensor, Licensee, and Payor shall promptly execute, acknowledge, and deliver, at the reasonable request of another party to this Agreement, such additional documents, instruments, conveyances, and assurances and take such further actions as such other Party may reasonably request to carry out the provisions of this Agreement and to give effect to the transactions contemplated by this Agreement.

11. Term.

11.1 This Agreement will remain in effect from the Effective Date and will continue for a period of ten (10) years (the “Initial Term”) unless terminated earlier by one of the Parties, as permitted by and in accordance with Section 12.

11.2 At the end of the Initial Term, the term of the Agreement shall automatically renew for successive one (1) year periods (the Initial Term and all such renewal periods, collectively referred to as the “Term”) unless a Party provides written notice of nonrenewal to the other at least sixty (60) days prior to the applicable renewal date.

12. Termination and Events of Default.

12.1 If Payor fails to pay any portion of the License Fee or make any other payment as required by this Agreement, within three (3) days after Payor and Licensee have received written notice from Licensor of such failure, then Licensor may immediately terminate this Agreement upon written notice to Licensee.

12.2 Subject to Section 12.1 above, which covers Licensor’s right to terminate this Agreement for a failure by Payor to pay any portion of the License Fee or make any other payment as required by this Agreement, Licensor may terminate this Agreement immediately upon written notice to Licensee in the event that Licensee fails to cure a material breach of this Agreement within thirty (30) days after Licensee has received written notice from Licensor of such breach. Any failure by Licensee to comply with the quality control provisions included in Section 5 of this Agreement shall be deemed a material breach of this Agreement. In the event any material breach cannot be cured within thirty (30) days, except for non-payment by Payor that must be cured within three (3) days after Payor has received written notice of such breach, and so long as Licensee is making reasonable efforts to implement a cure, the cure period will be automatically extended by a reasonable amount of time to permit such cure (if a cure is feasible).

12.3 The Parties may terminate this Agreement by mutual consent. Licensee shall not otherwise have any right to terminate this Agreement under this Section 12.

12.4 Notwithstanding the foregoing, Licensor may not terminate this Agreement under Sections 12.1 or 12.2 or consent to termination under Section 12.3 without the written consent of the New Notes Collateral Agent.

12.5 If this Agreement is terminated pursuant to Sections 12.1, 12.2, or 12.3, then (w) all rights of Licensee and its affiliates (other than Licensor) under this Agreement shall automatically and immediately cease, (x) all rights of Licensee under Section 6 regarding registration, maintenance, and enforcement of the Licensed Marks will automatically and immediately revert to Licensor and Licensor shall have the exclusive right and authority, in its sole discretion, to make decisions and take all actions with respect to registration, enforcement, and maintenance of the Licensed Marks, (y) all sublicenses granted by Licensee and its affiliates pursuant to Section 2.2 shall automatically and immediately terminate, and (z) Licensee and Payor, and their affiliates (except for Licensor), shall immediately cease using in any manner the Licensed Marks. Licensee and Payor agree that upon termination of this Agreement pursuant to Sections 12.1, 12.2, or 12.3, they and their affiliates (except for Licensor) shall have no rights to use the Licensed Marks in any manner and, as between Licensor and Licensee, Licensor shall have the exclusive rights to use, license, sublicense, and otherwise exploit, in any manner, the Licensed Marks and may freely assign or transfer such exclusive rights.

12.6 This Agreement shall automatically and immediately terminate if the A&R IP License Agreement terminates or is terminated for any reason.

13. Effects of Termination. In the event of any expiration or termination of this Agreement, the following provisions of this Agreement shall survive: Sections 1, 6, 7, 8, 9, 10, 12.5, 13, 15, and 16. In addition, any payment obligations that have accrued under this Agreement (including with respect to any License Fee or Payment pursuant to Section 4) shall remain in full force and effect until they are satisfied in full.

14. Assignment. Licensor may not assign, transfer, delegate, or otherwise dispose of (i) any and all of its rights and/or responsibilities under this Agreement or (ii) any of its right, title, or interest in and to the Licensed Marks to any person in each case without the prior written consent of Licensee (such consent not to be unreasonably withheld or delayed). Except as otherwise permitted in this Agreement, Licensee may not assign, transfer, delegate, or otherwise dispose of any of its rights or obligations under this Agreement without Licensor's prior written consent (such consent not to be unreasonably withheld or delayed); provided, however, that a merger, consolidation, combination, or restructuring involving Licensee or a change in control of Licensee shall not be deemed to be an assignment of this Agreement. Notwithstanding the foregoing, Licensor and Licensee shall be permitted to pledge their respective rights under this Agreement as collateral to secure their respective obligations in respect of any financing arrangement (including, in the case of Licensee, the Term Loan Facility and/or the ABL Facility; and in the case of Licensor, the New Notes Indenture). Any assignment, delegation, and/or pledge in violation of this provision or Section 2.2 will be without force or effect. The Agreement shall be binding upon and shall inure to the benefit of the Parties and their successors and permitted assigns, each of which must agree in writing to be bound by the Agreement.

15. Confidentiality.

15.1 Confidential Information. "Confidential Information" means information disclosed by one Party hereunder to the other in connection this Agreement, or by Payor on either Party's behalf, which information is or should be reasonably understood to be confidential or proprietary to the disclosing Party or Payor, including product designs, costs, unpublished

marketing, sales and financial information, product and business plans, projections, and marketing data. Confidential Information will not include information that is: (a) already lawfully known to or independently developed by the receiving party; (b) disclosed in published materials without a breach of this Agreement; (c) generally known to the public without a breach of this Agreement; or (d) lawfully obtained from any third party who was not under an obligation to keep such information confidential.

15.2 Obligation. Neither Party nor Payor will (a) disclose any Confidential Information of the other Party or Payor to any third party, or (b) fail to take all reasonable measures to maintain the confidentiality of Confidential Information in its possession or control, which measures shall in no event be less than the measures it uses to maintain the confidentiality of its own information of similar importance. Notwithstanding the foregoing, a Party or Payor may disclose another's Confidential Information to investors and legal and financial advisors who are subject to confidentiality restrictions not less restrictive than those in this Agreement; provided, however, that Party or Payor shall be liable to the other Party or Payor for any breach of the confidentiality obligations of such investors, legal, and/or financial advisors, and to the extent reasonably necessary to comply with a court order or government order to which the disclosing party is subject, provided that prior to such disclosure of Confidential Information, the disclosing party will provide the party whose Confidential Information is to be disclosed prompt notice of the anticipated disclosure so that party can take all necessary measures to prevent the disclosure and/or maintain the confidentiality of such information. A Party or Payor may also disclose Confidential Information in areas specifically required to meet General Accepted Accounting Principles (GAAP) or Securities Exchange Commission (SEC) filing requirements or the listing requirements of any securities exchange on which the capital stock of either Party or Payor is traded or any automated quotation system.

16.3 Choice of Law; Choice of Forum. This Agreement, and any dispute arising from this Agreement or the subject matter of this Agreement, shall be governed by the laws of the State of New York, without regard to its conflicts of law principles, and the federal and state courts in the State of New York shall be the exclusive jurisdiction for resolving all disputes relating to this Agreement. 16.4 365(n) Acknowledgment. The Parties and Payor agree that section 365(n) of title 11 of the United States Code (as amended, the "Bankruptcy Code") shall apply to the Licensee; provided, however, that in the event a court determines that section 365(n) of the Bankruptcy Code does not apply to the Licensee, the Parties and Payor agree that, following a material breach of this Agreement by the Licensor, the Licensee may continue to use the Licensed Marks if and only if the Licensee continues to pay the Licensor the License Fee and otherwise comply with its obligations under this Agreement.

16.5 No Construction. The Parties and Payor have participated in the negotiation and drafting of this Agreement, and in the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted collectively by the Parties and Payor, and no presumption or burden of proof shall arise favoring or disfavoring any Party or Payor by virtue of the authorship of any provisions of this Agreement.

16.6 Amendment. This Agreement may only be amended, supplemented, or modified, and any of the terms, covenants, representations, warranties, or conditions may only be waived, by a written amendment executed by both Parties and Payor, or in the case of a waiver, by the Party waiving compliance. No waiver by either Party of any breach of this Agreement shall be deemed to be a waiver of any preceding or succeeding breach of the same or any other provision of this Agreement.

16.7 Severability. If any provision of this Agreement or the application of any such provision to any person, entity, or circumstance is held invalid, illegal, or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other provision of this Agreement or the application of such provision to any other persons, entities, or circumstances and, to the extent permissible under applicable law, any such invalid, illegal, or unenforceable provision shall be deemed amended lawfully to conform with the intent of the Parties and Payor.

16.8 Integration. This Agreement (including any amendments and exhibits hereto), together with the A&R IP License Agreement (and any amendments and exhibits thereto), constitutes the entire agreement between the Parties and Payor with respect to its subject matter, and supersedes all prior and/or contemporaneous oral or written negotiations, offers, representations, warranties, and agreements with respect to this subject matter.

16.9 Counterparts. This Agreement may be executed in one or more counterparts, each of which when executed and delivered shall be deemed to be an original and all of which counterparts taken together shall constitute one and the same instrument. This Agreement shall become binding when one or more counterparts taken together shall have been shown to have been executed by each Party and Payor and delivered to the others.
